Good Morning, Phillip I found this lady on ancestry and she had posted a picture of a Calvin Upchurch and I thought it might possible be the brother of Elbert. This was her response to me. Can you shed any light on it for me. Than ks Diane Corkery

Hi, Diane, you ask an interesting question...There were two Calvin Upchurch's, same time period, same general location...One was Calvin E. Upchurch, and the other was Calvin C. Upchurch. I believe Calvin C. is the one you are looking for. We actually are not sure my 2xGGfather was Calvin E., but based on what we can find and some other work by another family member, at this time, I'm settling in on him as the right one. They are somehow related since Keaton and Eaton are related, both out of NC. The picture is Calvin Upchurch, my 2xGGfather, as I have several pictures of him holding my Aunt Hildred and Cousin Beatrice, so the pic is right, just still mulling over his ancestry..His marriage also confuses the situation....Calvin C. has a census record married to Polly Ann Daniel..Calvin E. was married to Mary Ann Daniel. Is Polly Mary Ann? If that is the case, then they may be the same person..Will keep you posted if I find out anything else. The picture I posted is all there is to the picture...I don't know who was sitting next to him.

Hi Patti---

I hope you and Diane do not mind me horning in on your exchange. Diane and I have worked for some time now to develop her line and we are both pleased with the result.

I agree with you that the brother of her ancestor Elbert U. is likely the Calvin C. U to whom you refer. We need to do more to learn about him.

I am quit interested in learning more about the Calvin E. U to whom you refer as your likely ancestor. The name Calvin has been used very extensively by the Upchurch family over the last 200+ years and I have an extensive collection devoted to this Upchurch first name. Some are connected to the Family tree and some not. I am hopeful you and I can exchange information on your part of the Upchurch family. It is quite likely that each of us has information the other does not.

If you are willing would you please seen me the linkage from yourself back to earlier Upchurch generations so that I can enhance my records and see what I have to share with you. There is one Calvin E. Upchurch on which I have quite a bit. Also, I have many sources that have not been fully explored. I tend to work on parts of the family where others have an interest. Feel free to have a look at my website <<http://www.upchurchstory.com/>>. We are currently making substantial upgrades to the site.

Hoping to hear from you.

Hi Diane and Patti---

I am now back to family history after attending to other duties. I have spent some time on the Keaton U family and now conclude that his sons Elbert S. U. and Calvin C. U. are in fact your respective ancestors Diane descending from Elbert and Patti descending from Calvin. Somehow I thir I may have said or implied that this was not the case. I hope this sets the stage for both of you to confirm that you are both descended from Keaton as I now believe and that you will be able to help each other and perhaps let me in on any discoveries so I can improve my records. I have stared working on all that Patti has done on her Zimmerman tree and on what she has sent me as a special favor.

I'll keep working away an hope to stay in touch with your both.

If either of you find a location for where Calvin C.U. is buried, please let me know. Calvin E.U. is buried in McDonough, GA, a is Mary Ann Daniel Upchurch, which is where a lot of the confusion has come from. At one point, I was beginning to believe that Calvin C and Calvin E were the same person! I have not found a burial place for C.C.U although I would expect that he would have been buried somewhere around the Locust Grove area or in Griffin since that's where my grandmother Ruby was from.

Phil, thanks for all the info...it was so much fun to pull together some missing pieces. More work to come. Some of my Perry/Upchurch relatives are coming to visit in April, so I might be adding some more info.

Hi Patti---

I am juggling several projects one of which is the interaction you and I have. I am finding your Zimmermann Tree on Ancestry very useful and am still returning to it to capture more for my files especially on the descendants of William Thomas U. 1870-1940. After I have progressed more on this effort I should have questions for you and possibly something to share that I had that was not in you online tree.

I am proceeding on the basis that WTU is the son of Calving C. U and the GS of Keaton U. However, at this point I would like to start comparing notes with you on proof the these three are linked as I have suggested. In doing this I hope we will review evidence that Calvin has the middle initial "C" and that he is different from Calvin E. U on which we also need more facts. With this in mind can you send me some increments of information to which I can respond. Alternatively I could send you increments. At some point I would need your mailing address as much of my work is still paper and pencil.

Best.

Well, thanks for keeping on this. I'm more certain after my digging around that Calvin C.U. is my guy. I was able to piece census records together from 1850-1930 of Calvin C. Upchurch and associated family members that are recognizable and make sense. First occurrence in the records was in 1850 in Marietta, Ga. He was between 6 and 7 years old which made him born in 1844-1845. He was the son of Keaton U., brother of Elbert U. and married Mary Ann (Polly) Daniel in 1865. (My grandmother Ruby had pictures of Polly and Calvin and told my mother that Polly was her grandmother.) She was about 5 years older than Calvin. She died in 1914 at which time he moved in with his daughter and son in law, Lucy and Manson Jackson. He later lived with his grandson Marvin and his wife Helen (all in Henry County, Ga, Tussahaw District) and then die in 1932..No record after the 1930 census which corresponds with his 1932 death record.

Now, that doesn't answer the mystery of Calvin E. whom I cannot find after the 1860 census. He appears to be the son of H. (Henderson?) Upchurch. He enlisted in the CSA in 1862. I'm wondering if he died in the war since he doesn't appear again after the 1860 census...The problem with this is that findagrave.com shows Calvin E. buried in the Bethany church cemetery in McDonough, GA which is where Mary Ann is also buried, with different but similar dates than Calvin C. (Calvin E. 1833-1931; Calvin C. 1844-1932) If Calvin E. died in the war, then he didn't die in 1931. And if Calvin C. was 6 years old in 1850, then he wasn't born in 1833. If this is truly Calvin E. then why doesn't he show up in the census records after 1860?? I think someone got the findagrave.com record wrong, so I will have to go to the cemetery in McDonough and see Calvin's grave myself. This is the fact that has thrown me and Rita off for so long.

Anyway....I updated my record of Calvin in ancestry to reflect what I found in all the census records. And, my father and older brother were also named Calvin - so the family name persists! Looking forward to any facts you might have found!

I will be visiting with 3 other GGG Granddaughters of Calvin on April 5-6. Three of the daughters of Hildred Perry Fitzgibbon (great granddaughter of Calvin and one of the babies in the pictures with him) will be in Georgia for a little reunion, so I'll be getting all of their family information caught up and documented.

Again, thanks for your help! Patti Z.

P.S. My phone number is 770-317-6034 if you ever want to call and chat, just send me an email and we'll have a phone "date" to toss ideas and facts around.

Phil, I was going to tell you this, too...There's also a bit of Calvin folklore that has thrown us off for awhile....somewhere along the way, there was a story that Calvin was a stowaway on a ship from Ireland and was the "adopted" son of some Upchurch that he worked for on their farm. I haven't found any record anywhere that lends credence to that story, but I thought I'd throw out there just so you know. At one point, my cousin Bill Knight wrote a column for the Griffin Daily News that told this story, but I haven't got the clipping. I plan to contact his sister Reba Knight (Anna Bell Upchurch Knight's son and daughter) to see if she has any information that Bill might have left her. He died a couple of years ago.

Hi All---

We have been working together on various aspects of the Charles Upchurch Clan. For some parts of the Clan I have huge amounts of information but for other parts there are voids. Together we have been gradually filling in some of the voids. I have done quite a bit of followup on items you have provided me recently and will give you this sketchy report. There is so much more left to do that it seemed best to give this little report knowing that we should/can /will do more.

My records on Thomas Gay U, Sr and Charity U, two children of Charles are quite good. For sons Eaton and Keaton we were behind but are catching up. The records in Upson County, GA are especially useful and I am about half through a good strong look at them. I have started a file on upchurches of Upson, County which will serve as a guide to what has been done and what remains to be done. We know that Keaton and Eaton both had a presence in Upson. What is a little tricky is the another Upchurch Clan was also involved--that of the Harmon U Clan.

Here are some things I can report.

1. The Charity U who married Hughey Russ on 5 JAN 1837 in Upson was not the daughter of Charles. I still have to fit her in.
2. Frances U who Md in 1842 in Upson was the daughter of Keaton U.
3. Osborn U who Md in 1836 in Upson was the son of the aforementioned Harmon U.
4. The marriage of Charles U to Mary Gay as reported on the Internet is wrong in my opinion
5. I know the two Calvin's are important to sort out. My current approach is to build the records firmly starting from a later period and going backwards. I have used the data you each have provided and have gone on line for additional batches of information. Much is coming together. I would have done more on this set of families but I did not have willing cooperators. I hope we can continue to make progress.

6. I note a Sariah M. Upchurch buried in Good Hope Baptist Church. Does anyone know of this church? I am anxious to find it to see if other Upchurches are there. Names and dates of anyone buried there would give me a lead. Don't know if it is in Upson.

I am sending this interim disjointed message so you will know I am still working on this as time allows from several other equally important projects. Over time I, with your help, we can come up with a more coherent story. Please let me have comments and questions.

Do we have any other prospective cooperators?

Best.

Phil, thanks so much for your insights into this line. I wish I knew of other information readily available, but most of the family I had that would have known anything are now deceased. I will try to contact Reba Knight and see if she still has any of Bill's papers or anything her mother might have had. Please call me if you want to. As for Good Hope church, here's what I found in Upson County..No Upchurches buried at the Good Hope cemetery..still researching. Looking forward to your other findings..

Good Hope Primitive Baptist Church

Although the first 25 pages of the minutes book is missing, it is believed to be one of the earliest churches in Upson County as this is one of the first settled areas.

The home of Zachariah H. Gordon, father of John B. Gordon, was about two miles away, only a short distance from the Flint River.

From Thomaston Courthouse square go South on Highway 19 South 4 and two tenths miles, turn right onto John B. Gordon Road, go 2 and nine tenths miles. The Cemetery is on the right side of the road.

The interesting architecture of the meeting house has a high pulpit gox with a door for entrance very similar to Episcopal Churches in Virginia and South Carolina.

Rude wooden benches put together with wooden pegs, placed in as close juxtaposition as possible, and coming very close to the pulpit box, indicate that at one time this congregation was a large one.

Hi, Phil...more information. I went to the cemetery in McDonough, GA where there is a marker for Calvin E.Upchurch. Next to him is buried Mary Ann Upchurch. The marker for Calvin E. is a military marker placed much later than the actual burial. I am going to speak with the church historian for Bethany Baptist Church, Pat Rosser, and see if I can confirm what I think is a major headstone mistake.

Right now this is all deduction, however, here's what I think happened....

Calvin C. was married to Mary Ann (Polly) Daniel - married 20 Sep 1865 (daughter of Albert and Terrisia Daniel).. Albert and Terrisia are buried close by Mary Ann as well as several other Daniels..There is no "original" headstone on the husband's gravesite, just a military headstone noting Calvin E. U.'s service in the CSA and birth and death dates (1833 and 1931) that don't even correspond to the census records for either Calvin! Calvin C. U. died 08 Aug 1932.

Calvin E. was 21 in the 1850 census living in the household with Henderson and Eliza Upchurch. Eaton was also living in the household with them (age 78), so Calvin E. U. was born in approx. 1839. He doesn't appear in any census data I can find after 1860. He enlisted in the Confederate Army in 1862, and I can only assume he died in the war, and body probably not recovered. I have no marriage record for him, nor any children.

Calvin C. and Mary Ann had children that I know and recognize (W.T. was my great grandfather) and he lived to a ripe old age! I believe when someone did the research to place the military headstone for Calvin E., they mistakenly got the cemetery record for Calvin C. and placed the headstone there next to Mary Ann. This would make sense as to why there is such confusion around the Calvin C. and Calvin E. families.

I hope to know more after I talk to the church historian and see if any further light can be shed. Will let you know.

Phil, I am SOOOOOO excited!!! During lunch today, I went back out to Fold3 and renewed my membership. While searching the CSA records, I finally found the proof I needed for C.E.Upchurch! He enlisted in the Confederate Army and was assigned to Co. F, 53rd Ga. Regiment out of McDonough, GA. He was injured and captured at Sharpsburg/Antietam (Sept. 17, 1862), and then paroled. He suffered a gunshot wound to the leg with a compound fracture and was admitted to the Chimborazo hospital in Richmond, VA on Oct 24, 1862 where he died on November 17, 1862. It was stated that he was "very feeble and much emaciated" when he was admitted. I don't know, but assume he was buried in Richmond. I will get the copies of the records and send to you...I can't tell you how exciting this is to finally figure out. I will also get with the Sons of the Confederacy with the corrected information.

Hi Patti---

I have failed to interact adequately re your recent emails for reasons I will later explain. First, let me see if I have your current position properly in my mind. It seems to be solid. You posit that Calvin E. U. was a son of Henderson U. and a GS of Eaton U. who was a brother of Keaton. Calvin E. U. went off to the Civil War and died in the conflict. As far as is known his body was never found for burial and as far as is known he never married or had children. Many years later someone arranged for a CSA marker for Calvin E. to be placed in the Bethany Cemetery and it was placed near your ancestor Mary Ann (Daniel) Upchurch leading later researchers to presume that these two were married. Your latest evidence shows that Calvin E. and Mary were not husband and wife but that her husband was actually Calvin C. U. 1845-1932 and that this Calvin C. is the son of Keaton U. My records, fortunately have for a number of years carried Calvin C. as a son of Keaton. Thus I say that you are a member of the Calvin ~~E.~~ U. Line in the Charles U./Keaton U. Subclan.

Your emails led me to conclude I should do a thorough review of my records for the Charles U. Clan to which you belong. I had done this a number of times over the last 30 years but with new resources such as Ancestry including your excellent Zimmermann tree and incompletely processed information in my files the time was ripe to do an upgrade. I neglected your emails (sorry) and other projects to the extent possible to do the upgrade. This has resulted in a much improved Master Outline for the Charles U. Clan which I am anxious to mail to you if you can provide an address. All of my Master Outlines are kept manually. (We are working to change that but that is another story).

I am anxious to learn if you spot errors in the Master Outline and to learn if you can add to it. I'll probably send certain parts first and get your reaction and then send other parts for more interaction. At some point I will go back over your emails to see if I have missed extracting anything to go into my Biofile System.

I am thrilled that you have been so active and effective in researching family records that are of so much interest to us both.
 Best.

Phil, you said it much better than I did. That is correct...except I think you meant to say that I am a member of the Calvin C. U. Line in the Charles U/Keaton U sub clan...It has taken awhile to get here, but I am very happy to have finally cleared this up. I will continue to document this as thoroughly as I can and now have a contact who is the Bethany church historian. She knows a great deal about the history of the families in Henry County, and coincidentally both she and her husband are related to me - Pat through the Daniel family (Mary Ann's sister Matilda) and her husband Harold through the Rosser family which is another GGGrandmother...very small world once you start delving onto all these family histories! Next weekend I will see 3 more of our Upchurch family as the Fitzgibbon sisters Denise, Diane, and Jean all come to visit. I look forward to sharing all this wonderful family history with them as they have been very interested in our ancestry also. Thank you for all your years of work as it has been so valuable in understanding my past.

Hi Patti---

I was pleased to get together the packet of information on the Charles U. Clan that was mailed to you under cover of my letter of April 1, 2013. By the time I finished doing my homework to prepare the packet there were related documents spread all over and I had several hundred extract sheets to place into Biofiles. This has all now been done and the stage is set to have another go at improving the records for this large and important Clan. I'll stand ready to interact more when you are so inclined. So far I think we have made a lot of progress.
Best!

Thanks so much Phil...I have been digesting the info. I need to give you the ability to see the living relatives so that you can update your info, and I will be adding some more. I had a great time visiting with my cousins this month and they were interested to hear about everything I had found out. Calvin had been a mysterious character in the family due to the "folklore" and it was good to finally present facts about him. We have had some pet health problems lately, so have been distracted from my family history project, but will be picking up again soon and will let you know. Again, thank you so much for your help - I look forward to our continued collaboration! Patti Z.

Phil, this has already, in the past hour, been a terrific resource!! I think my Calvin maybe Calvin the son of Keaton Upchurch based on your information in the bulletins. I thought it was through Eaton, which would have Calvin E., but if he was presumed dead in the Civil War, then all my Calvin info has to be Calvin C. who was married to Polly Ann Daniel (also Mary Ann). If that is the case, then through my grandmother Ruby Upchurch Perry, Keaton would be my 3rd GGrandfather. My grandmother is the daughter of William Thomas Upchurch who was the son of Calvin. She was born in Locust Grove, GA which is right at the Henry/Spalding county border in Georgia. I will continue to search through the docs to see what other info I can find, but can't thank you enough if this solves our mystery!

Hi Patti---

Glad you found my website useful. We are still working out the bugs on the UB postings and in a few days or weeks hope to have it good enough o give it broader exposure. In the meantime your searches may not go well.

I have worked on your part of the family some more yesterday and today and will be happy to mail you a copy of my Master Outline for the Calvin C. Upchurch Line for you to review if you will send me your mailing address. This should set the stage for us to collaborate on improving this Line.

Re Death Certificates of William Thomas U + Calvin C. Upchurch sent in by Rita Fullerton

Don't you love a good mystery...I find it interesting that in 1880, the Nail family lived next door to Calvin and Polly and their family. I'd never heard anything about them, but could there have been something going on?? It's also interesting that W.T.'s sister Margaret Upchurch McKenney's death certificate states her mother's maiden name was Daniel..So, back to Mary Ann (Polly)...let me know if you find anything!

I forgot a couple of things...I need to go back out and re-verify my Calvin C. Upchurch info and clean up to make sure I haven't crossed any Calvin E stuff with C. My mom moved in with us this summer after some health issues, and I haven't had much time to do any ancestry work. Hope to get back on it some the last part of this year. Phil, I still have your documents and will try to respond/verify. I also met a bunch of other Upchurches at a wedding recently and I'm going to send them some information that might help them provide updated Upchurch info from their family. Hope all is well with everyone. I've missed the fun of working on this!!

Rita, we need to talk...I finally did the research on the grave stones at Bethany and figured out the problem. The Calvin U. stone at Bethany is improperly placed by the Sons of the Confederacy and I finally figured out why. I'll try to pull all my info together again (I sent this to Phil awhile back, and should have sent it to you..). I'll try and save you the trip! Unless you just want to come up and we can go through all this fun stuff!

 Hi Patti---

I was pleased to note that you visited my website on the 19th. It has been a while since we corresponded about our mutual interest in Keaton and Eaton. In the meantime we have made a lot of progress. The 2014 UB has just been produce and I forward herewith a copy for your inspection.

I invite yo to have a look at our website www.alliedfamilies.com. I would be most encouraged if you would become a 2014 member and help us build momentum

Hi, Phil. So good to hear from you. Between my mother moving in with us and another foot surgery, I haven't had much time for my family history work, but back on it some. I am planning to become a member of Allied Families and look forward to reading the UB! I hope you have a peaceful and lovely Thanksgiving and the merriest of Christmas!

PATTI ZIMMERMAN

BALL GROUND GA 30101

Dear Cousin Patti -

Thanks for your email of yesterday and your address. As promised enclosed is my 7-Page Master outline on the Calvin C. H. line in the Charles H. Keaten H. subline to which you belong.

I am anxious to hear from you and to have such additions or corrections you may have for this part of our Upchurch Family Tree

Pages 1-3 cover Calvin, his children & grandchildren Descendants (if any) if known are covered in Continuation sections "C5". There are 3 of these - all enclosed after the pink sheet.

You will note I collect full names (full maiden names of females), dates of births, marriage & deaths and places of births, marriage, deaths, and burial. For places I include Town / County / State. It's hard to get a perfect set of data but well worth the effort.

I especially invite your attention to Frederick ⁽⁷⁾
 Earl U, Sr. In my search in the last few
 days I came upon some data that indicate
 that may not be the right Fred Upchurch
 at place here. Do you have information that
 would shed light on this matter? I am
 anxious to correct the record if it is wrong.

I'll be happy to continue working
 with you to improve our record on the
 Calvin L. U. line. One thing I hope you
 will want to learn more about his ancestor
 who trace back to the Upchurch Estate in
 Franklin Co, NC established by your & my
 common ancestor Richard U, II upon his
 arrival there about 1755. You descend from
 his son Charles and I descend from another
 son Nathan U, I - both soldiers in the
 Revolution

Cheer

Phil Upchurch

☐ Master outline for the Charles U/Keaton U Sublan. The organization and notations are the same as for the Charles U/Eaton U Sublan.

You will note that I collect full names (full maiden name of females), dates of births/marriage/deaths and place of births/marriage/deaths/burial. For place I include town/county/state and the name and location of the cemetery. It is hard to get all this detail but a good family history has as much as possible.

I will welcome any corrections or expansion of these records and can send other portions of the Charles U Master Outline as our mutual interests dictate.

Greater detail on individuals is housed in a profile I keep on each individual. These now fill about 40 four-drawer file cabinets and they include copies of all correspondence.

We can continue our email exchange which have been very productive. Feel free to give me a call.

Best!

Blair V. Struch
