No contact has been made with the present day descendants of Sherwood Upchurch. All information has been gathered from census and court records of Rutherford County, NC and from the 1850 census of Campbell Co. GA, 10th District. Surmises were made concerning in what household belonged which children. Errors may have been made. The assistance of Ervin Upchurch in compiling the data on the Sherwood Upchurch family is very much appreciated.

3. SHERWOOD UPCHURCH son of Michael 3 SHERWOOD U (PG 2) XID-166
Sherwood seems to be the third son of Michael Upchurch. He COPIED FROM
was born in Virginia about 1771; he states his age as 79 on (29) FOR
the Census of Campbell Co. GA in 1850. Public record was SHERWOOD
made in his name before he was 21 years old, a running record XID-166
of his life for his lifetime. In 1787, he is listed on the page 39, 40, 42
Personal Property Tax List for Brunswick Co. VA. Other Up-
churches nearby on the tax list were Harmon, George, Michael
and William. The requirements varied of each taxable year
according to the information sought. In 1787 the information
wanted was the names of those in the household who were under
the age of 21 years. Sherwood listed his name under that
heading. Of course he was not 21 on the earlier list also,
but that information was not required until 1787.
By the year 1790 Sherwood was in Rutherford Co. NC. He md
Elizabeth Tomberlinson on 10-21-1790 in time for them to
be listed on the census that year. Elizabeth was probably a
daughter of Lewis Tomberlinson-Tomlinson. There was
a deed of conveyance made to Sherwood on 1-13-1798 from Lewis
Tomberlinson...land on Bell's Branch of Cathy's Creek of
Second Broad River, computed to be 50 acres more or less, for
the sum of 50 L. Being part of a tract of 200 acres surveyed
the one granted originally by patent 25 Jan. 1773 to James
Bell...Vol. 7-9pp 393-4 Signed Lewis Tomberlinson.
In 1802 Sherwood received a land grant No. 2200 Vol. 20-21
pages 156-7 for 50 S to every 100 acres, 75 acres in Ruther-
ford Co. at head of Long Branch of Second Broad River, join-
ing survey where he now lives and Francis Logan's, Enloe's
line..to an ashe, Cockran's corner, Enloe's line, Logan's
line...Solomon G...s corner..Spanish Oak... white ash..to a
pine on sd Upchurch's corner..to beginning. Entered 1-15-1802
B. Williams.
Elizabeth, wife of Sherwood, must have died early for he md

secondly Mary (Polly) Pell on 1-2-1804. The 1850 Census
of Campbell Co. GA lists Mary and Sherwood with the house-
hold of John and Elizabeth Tomlin. A son, Joseph, is
with them on the census.

3. With reference to page 2 of your letter and profile sheet "X" regarding the marriage of Nancy Upchurch to Michael Panter. Our information differs only slightly. My documented resource was Rutherford North Carolina Marriage bonds, which shows Nancy Upchurch m. on 4 September 1813 to Michael Panter. Bondsman for the marriage was John Freeman, Witness was O. Lewis, DC. [JAMES F. PANTER] ←

4. You list Nancy's date of birth as 1799 - the data sent to me by James Panter lists her as being born in 1795 in Rutherford Co., North Carolina. This birth date of 1795 agrees with Karen Patterson on your profile "Y" item C.

5. While the Panter name has been both spelled and pronounced in many various ways, by their descendants, the data James Panter provided me shows the exclusive usage of PANTER for Michael Panter, his father Johann George Panter, Sr. and his grandfather Johann Panter/Bender. Jim can undoubtedly further explain the change from "Bender" to Panter.

6. The children of Michael and Nancy (Upchurch) Panter are exactly as given to me by James F. Panter. This more or less checks out with Karen Patterson's information in your profile "Y", item C, in that Nancy had her first child about 1814 or 1815. So once again I'm afraid you will do better to go back to them as "the source" in order to work out any differences.

7. Let me just finish up commenting on profile sheet "Y" item C, while I'm at it: (a) I have had prior contact with Karen Patterson. (b) somebody was sure home at least part-time between 1814 and 1828 in order for Nancy to have the five children I previously listed. (c) What circumstances kept Michael away from home between the 1820 and 1830 census I do not know - but he supposedly died sometime between 1837 and 1840 which would account for his absence on the 1840 census and thereafter (d) Karen probably missed the Rutherford County NC marriage bond for males, showing the marriage of Michael Panter and Nancy Upchurch. I'll send Karen a letter with this same information.

Item A. - I do not show either a George PANTHER or an Mary (Polly Ann) NANNEY anywhere in my computerized files. No help here.

Item B. - First, this looks suspiciously like an LDS PAF Decendancy Chart, which need to be more fully documented before you can take anything for granted.

Second, about the only thing I find correct in Item B is Michaels b. day, their marriage date and place of marriage. My frank opinion is that somebody took liberties with the spelling of Michael PANTER's name, changing it to PAINTER to make it fit and then shoved the other PAINTER names under it as they seemed to work with the first child's 1814 birth date. Could be wrong but I find absolutely no PAINTERS in my files, no George or Elizabeth PANTERS, and no BRADLEY family names appended to any PANTERS. Likewise I show no Eva, Barbara, Sherod, or Nancy PANTERS of either the same or different birth dates as shown in item B. Unless you have absolutely positive documentation to the contrary, I would say this line is quite possibly in error. Especially so if it is an unproven LDS Decendancy Chart.

Third, the worst part of Item B is that if what you show therein is correct, then nothing either Jim Panter or I might add will make any difference as it automatically takes us out of the Michael Panter-Nancy Upchurch loop, in that we believe firmly we are descended from William M. PANTER whom I absolutely know to be married to Angeline Clementine GEE, my g g grandmother. A great aunt of mine, Josephine Panter, a sister of Jim Panter's father, personally vouched for the GEE family connection to the Panters before she passed away. So I'm sticking with what I have for children of Michael and Nancy until documented otherwise beyond a shadow of a doubt.

Item E. - Again I show no PAINTERS in my files, nor do I have a Rose Ann Shope or a Jane Ratcliff. No idea if items "C" and "E" belong to gether. No help here.

10. I noted on your 11x17" master chart that Nancy's father, Sherwood Upchurch, has a second wife named Mary "Polly" (Smith) PELL. It may be coincidence, but Michael PANTER's brother George PANTER Jr., married a Sarah PELL. I don't have any other data on her.

11. Last thought - I would love to add the Upchurch family history to my own but it is so extremely extensive that I hesitate to do so without firm documentation that your Nancy Upchurch 8312, daughter of Sherwood Upchurch, is without any doubt, my Nancy Upchurch b. 1795, Rutherford Co. NC, married to my Michael Panter b. 1781, Rutherford Co., NC in Rutherford County North Carolina on Sept 4 1813 with Bondsman John Freeman and witness O. Lewis DC. attending, according to the Rutherford NC Marriage Bonds.
