Hi Phil,

I am so excited to hear back from you. I will give you what information I know right off the top of my head. If that doesn't lead you anywhere, then I will contact my Aunt, as she has done a little research herself. My great-grandmother's name was Bethel, but I'm assuming that she was only married to an Upchurch and I don't know my great-grandfather's name. I know I can get that and maybe even a generation further back if you need it, from my Aunt. I don't know how many children my great-grandmother Bethel had, but I do know she had a son named Cecil and my grandfather, Casto. My grandfather, Casto Upchurch, married Margaret Harris. They had seven children; Shirley, Carolyn, Louise, Wanda, Charles, Robert (my father), and the baby was Larry, who was hit and killed by a drunk driver when he was 17, I believe. My great-grandma Bethel lived in TN up until the time of her death. We have an Upchurch Cemetery in TN that I've visited. There's been a story passed down from my family that my great-grandma told. She used to babysit for Alvin C. York and his wife, Gracie. He was known to be quite a drinker, she said, and when Gracie's parents found out they didn't want her seeing him and my great-grandmother used to sneak letters to her from him/him to her, not sure. Anyway, they became good friends and she watched their children. I don't know how much truth there is to it-maybe some parts are and some aren't. Still a neat story. :) I had only met my great-grandmother a handful of times and she was very old, at that point. So, I never really got to know her. I have heard she was quite a pistol and somewhat of a tough/mean woman. Ha! I do know my particular clan of Upchurch's are very close to the York clan that's in Jamestown, TN, but I don't know if there's any connection other than just friendship. I hope this can get you started. If it isn't enough information to give you any leads, let me know and I will get in touch with my Aunt and dig back a little further. I can also give you the names of all the spouses, kids, grandkids, etc., if you need anything like that. Thank-you for your time!!

Sincerely,
Marcie

I got the password - thank you very much. So I'm Nathan I and subclan is Burts?

Mom is maintaining her own. We moved her from independent living to some care so she is eating better and having things to do. I think it has helped her, even tho she had a bit of trouble adjusting.

I talked to a Bill Upchurch the other day in relation to work. I'm going to get his cousin's name (who does all their research) and I told him about you. I didn't know there were any around here. That's why I looked at the website.

Take care -

Dear Cousin Shirley,

I was delighted to get your call today and to get an update on your family. It was especially nice to learn that Griges is developing an interest in family history. The enclosed should be considered as a "starter" hit to move her along a little on her Upshur roots. I'll be happy to collaborate with you and/or her as it suits you-all.

Enclosed is a copy of my Master Outline (4 Sheets) for the Alfred Hamhine U Family. This also shows he is the son of William W. U., the GS of Alfred U, the GS of Bartel U & the GGS of Nathan U, I, Head of Upchurch Clan No 3 (out of 22 Clans). I am also descended from Nathan U, I. Also enclosed is a copy of the 2-Page 8-Item Biofile for Alfred Hamhine U. Item ⑧ has been recently added and gives us for the

first time (to my knowledge) the fact that he was born in VA (it would be nice to confirm this - I doubt it is true - see Item D) & that his death date was FEB 1964 and that his SSN was 225-20-2316. Granger should be able to use the SSN to get more information. Also it should be possible to get a death certificate for him and most likely an Obituary from a Richmond, VA newspaper who know what useful bits of information might surface from these sources.

You will note that I collect full names (full maiden name of females), dates of birth/marriage/death and place of birth/marriage/death/burial. For place I like to include town/city/county/state and the name of cemetery where available. We never get all this "stuff" but it is nice to try.

I'll look forward to any corrections/updates possible on the enclosed and then we can see what is next. Hope to hear from you/Granger soon.

Sincerely yours
Phil D'Alembra

Dear Sallie and Phil,

We just arrived in Florida after 3 weeks on the road and were mighty glad to get here after driving through 3 days of torrential rain.

Thank you so much for your wonderful hospitality! The lunch at your Country Club was great and your home is lovely.

It was so nice visiting with the two of you and remember the welcome mat is out in Florida and also in Illinois if you ever get our way.

Sincerely yours,

Shirley and Karl

progress in documenting them and their descendants. Several of the sons were important in the early life of Raleigh, NC and much of that story needs to be learned and told. Some of the sons were in Raleigh, NC as early as 1835 when it, even though the Capital, was essentially a frontier town.

I trust you and Karl now own only two homes. I understand that there could indeed be a bit much as in 1994 we were anxious about this - one in AZ and one in MD. We are still repeating our MD home and just yesterday arranged for two storm doors.

Your travel plans sound ambitious. When you are passing this way we would be delighted to have you stop for a visit. We would be pleased to have you as our guests for lunch if it fits your schedule. We would enjoy seeing you again and to the opportunity to meet Karl. Just give us a call (314) 561-6158. We are only 5 minutes off of Interstate 70 between Kansas City

In any case I hope you will give
Roy my regards when you are in
Tucson. You can tell him that we
are now repairing some pastures
and in 1997 hope to have some
BEEFALO - our first experience with farm
animals.

With All Best Wishes To you and
Karl.

Dear Shirley, etc.,

Sorry to be so long in answering your request for information on my family, but I honestly don't know where the summer has gone. My mother had a stroke in early June, but is doing O.K. now. My step-father had his 90th birthday in July and we finally moved to our Indian terrace address, in July and we flew down to Florida for 2 weeks the end of July.

Karl and I think we have my condo sold, but we should know by this Friday. That will be a relief when it's over. Owning 3 houses is a little much.

On Sept. 16th, we leave to drive to Washington State, Oregon, stop in Tucson to see Ray, on to New Mexico and then we head for Florida. Will be home for Christmas.

Hope all is well with you and Sallie,

Sincerely yours,
Shirley Upchurch Ax Koommen

P.S. Hope the info helps, thanks for sending me the master outline for my part of the family!

Dear Cousin Shirley & Karl,

Thank you for your nice letter of 2 MAY 1996 and for the family details. Set me officially welcome Karl to the ~~Extended~~ Upchurch Family. He is XID-39654. I was so pleased to learn of your happiness and offer congratulations on your upcoming anniversary.

The master outline for your part of the family was dog-eared from so many additions that I recopied it as is required from time-to-time. A copy of the Alfred U line in the Naltans U, I / Burts U subline to which you belong is enclosed. I included in a copy of continuation sections 78 where your immediate family appears. I have also enclosed a list of what is missing. Any answer you have or can get will be greatly appreciated. - No rush.

your Grandfather, Alfred Hambine II, is the only grandson of Alfred II (XID-4687) for which we have a record of offspring. Sooner or later I will probably run across a record or a contact that will add to this master outline as you have done:

Your GGG-Grandfather Bartle II had nine children - all boys of which your GG-Grandfather Alfred II was one. The nine boys were 1st cousins of my Grandfather Bartley Jefferson II. They all grew up together in the Apex, Green Level area of Western Wake Co., NC.

I will always remember the convenience of Sallie knowing your Great Aunt Gertrude and of this leading to establishing our relationship to you.

When you are traveling that direction please plan to stop for a visit. Lake St. Louis is just outside of St. Louis.

sincerely yours

Dear Cousin Shirley

Enclosed please find a copy of the Master outline for the Alfred Hankevin Upchurch Family, A list of many details on this family, and details on the Upchurch Bulletin. I will appreciate getting any of the many details that you have or can get. I will keep trying to reach your cousin Stanley in Houston, TX.

Sallanne and I enjoyed your visit very much aside from the genealogy list. You are a little ahead of us with 9+ grandchildren compared to our 4. I think our son is a slow learner!

Please let me know if you have any questions.

Very truly yours
Phil Upchurch

Dear Cousin Shirley,

Thanks for your call on 6 JUL 1992 and for all the details in the calendar. I have now searched my files for all the names you provided from the two Richmond, VA cemeteries and cannot identify any of them. However, a profile has been made on each individual and the list has also been placed in the cemetery file. If any of them surface again (no pun intended) I'll be ahead of the game in fitting them into the family.

It is certainly good to hear that you encountered a nice young man to help you in Richmond. I was sorry that you could not locate your Uncle Stanley. I feel he may still be alive and it is important to try to get to him. Perhaps

you can reach him through his son
Stanly, or through his granddaughter
Susan. I think Susan could be the key
as she has expressed interest in family
history in the past.

Thanks for alerting me to the movie
"Honor Thy Mother". I hear about the case
but not about the movie. This is a
sad situation with three young men
gone wrong.

I do hope you can get some
details on the Upchurch family in
your area. You would probably have
a nice phone conversation. I'd be
glad to help link them up to the
rest of the family if you get details.

Hope you & Vern are having a
nice summer. The monsoon has
just started here in Tucson.

Thanks again for your continued
interest

☺ Sincerely yours
Bill Upchurch

Dear Cousin Shirley

Thanks so much to you and to your mother also for your letter of 21 APR 1992 and for all the details on the family. They have all been extracted and incorporated in the Master outline and is the Profile for the various individuals enclosed herewith is a copy of the Master outline for the family of your Grandfather Alfred Hamlin u (XID-4796) along with a list of questions about missing details for this Master outline. I realize that not all of these details will be available but anything you have or can get will be greatly appreciated. I will be looking forward to a report on your May trip to Wisconsin. You never know what you will find on those trips. If you get address and/or phone numbers I will be glad to follow-up - or you can do so just as you please.

Enclosed is a single Master outline sheet which shows Alfred A (XID-4687) [your GGF] and his family - including your GGF William W. A & Alfred Saahier & your GF. Also provided is a copy of the three page Biofile on your GGF Alfred A. He was one of nine sons of Bartis A. These nine sons were all born in the Green Level Area of western Wake Co, NC (As was my GF). Several of the nine moved to Raleigh, NC and played a substantial role in the development of this city during the period 1840 - 1890. Unfortunately their role has not been adequately documented. I am gradually collecting the details to appear in print in due course. You will note that Alfred A was a man of substance. The title of "coachmaker" sounds grand to me.

With all best wishes to you and Karen.
Do let me hear from you.

Sincerely yours
Phil Yocom

Dear Cousin Phil,

Your letter was waiting for me when we returned from Tucson, and I would have written sooner, but have been trying to get settled back into a routine. Our children were so glad to see us that they have kept us busy baby-sitting with our grandchildren.

We enjoyed our winter in Tucson and are planning to be out there again next winter, if all goes well.

I found my copy of the Master Outline for Alfred Upchurch and want to apologize for not following through with the information you need. Am enclosing the copy with as much of the information that I know at this time. My brother helped me with

Some of it. I had forgotten that Alfred had 4 children - 2 boys and 2 girls, - Stanley, William, Thelma & Dahlia.

After you read my messu outline,
let me know if you have any questions
about what I've filled in.

We leave for Virginia on May 13th,
so will try to contact my Uncle, Stanley,
if he's still living, and find out
where the Upchurches are buried in
Richmond and other pertinent information.

Hope you have a nice trip to
Missouri, and that the spring
weather is nice. We've had a
terrible April - cool and rainy.

Best Wishes to you and Solaine.

Sincerely yours,

Dear Cousin Shirley,

Shirley, Sallie & I enjoyed our visit with you and Vern on 12 MAR 92 and meeting Lorie and John. It is always interesting to me to extend our understanding of the Upchurch family. This should reach you at about the time you return to Rockford from Tucson. I hope you stay wear a pleasant one and that you are looking forward to returning.

Thanks also for the subscription to the UB for 1992. I gave you issue #1 of Vol 13 (1992). The other three issues will be mailed to you in Rockford as they appear - normally in the 3rd month in the quarter. Hope you will enjoy them and consider each one as a "letter from me".

I am anxious to do anything we can to make the outline for the family of Alfred Hamblin Upchurch (your grandfather) more complete. Any suggestions you have for doing this will be appreciated. I think you have a copy of the Master outline for him but I can easily

send an updated copy if you need one. Some details are still missing on your children and grandchildren. I'll be glad to pose specific questions if you so desire. I am sure your mother has a few of the missing details in mind for her generation. Do you think it would be useful for me to correspond with her or is it best for you to get details from her. Any contact you could make with any of your cousins would be helpful.

As I understand it you will be making a trip to Richmond, VA in due course and that you might be able to locate the cemetery where the Richmond Upchurch are buried. If so, this would make a big contribution to our Upchurch genealogy effort. If you do locate it I hope you will copy as much information as seems useful.

Sallaine and I are beginning to plan our spring trip to Missouri. With two married kids there and the farm operations we always find this to be a "crowded" trip but a welcome change from our normal schedule.

With All Best wishes .

Sincerely yours
Phil Upchurch

□ Dear Cousin Phil,

- thank you so much for your nice
Δ+□ letter. Karl and I were married on June 3,
- 1995 (almost a year now) at Court Street United
Δ Methodist church in Rockford, Illinois. His
Δ+Δ full name is Karl Charles Koomen and he
- was born in Highland Park, Michigan (a
- suburb of Detroit) on Dec. 26, 1929.
- He's a wonderful man and we're
very happy! I've known him for 35 years -
he worked with Vern at the same company.
He was widowed in Feb. before Vern died
in July.

Right now, we're living in my condo,
which is for sale, and we've bought a small
condo on the Rock River. Karl has always
lived by the water and we have a pontoon
boat, which we thoroughly enjoy. We've
also built a home in Florida, not too
far from Orlando and on a golf course, so
we are wintering there now instead of Arizona.

Roy was in Milwaukee 3 weeks ago
to give a talk, so we drove up on Sat. night and
had dinner with him. Thank you for the nice
things you said about Roy in your letter.

I was sorry meeting you and
Sallie in Tucson and finding out something
about my uprooted relatives. Keep up the good
work. If you ever get to Rockford, please
call and come to see us.

Don't remember if I told you about
Benjamin David Sisney, my youngest grandchild,

born on April 15, 1991 in Rockford to my daughter, Virginia and her husband, David. My children have told me there will be no more grandchildren, so I guess I'll have to settle for 5 grandsons and 5 granddaughters.

Also, I don't know if I told you when Amanda Paige Sisney was born on July 21, 1989 to Ginger and David Sisney, this shall bring you up to date on my family.

My best to Suzanne!

Sincerely yours,

Dear Cousin Shirley,

Thanks for renewal on the U.B. for 1996.
We have noted your new name and want
to wish you and Mr Koosmen every happiness.
As we become more mature I think we
place a high value on personal relationships
and are thus more appreciative when they
are formed. Perhaps you would drop me a note
sometime with Mr Koosmen's full name and
date and place of birth and the date and place
you were married. I like to keep the master
outline up-to-date.

We are enjoying our semi-retirement in Missouri but are finding you can't do everything. Gradually I am putting more and more time on family history. From April 4-17 we will be in Texas to go

into Urichich wedge in Texas in depth.
For me it is quite exciting. Gallatin is
a good trooper and goes along with
it.

We have fond memories of our 19 $\frac{1}{2}$
year stay in Twickenham and count meeting
you there as one of our many blessings.
I trust Roy is doing well at the
University. I always bragged on what
a fine addition he was to the
University. He was and is a talented
scientist and administrator who has that
rare ability to address animal products
from a modern science and a traditional
standpoint. We need to close Roy! Give
him my regards.

With all best wishes

Dear Cousin Shirley,

Dear Cousin Shirley,
It was great to have you join our Lepshwicks
Gathering in Sedalia on 15 APR 1996. I also appreciated
the opportunity to meet your husband and
your parents as we toured the Baptist Cemetery.
We returned home after two weeks in Texas full
of memories and with much inspiration
which I am gradually processing. I enjoyed
visiting Grimes Co, TX after reading so much about
it.

I am pleased to note that you have a keen interest in your family history. I have a lot I can share with you on your line. I hope we can exchange information over the months ahead.

Enclosed is a copy of the master outline
for the Elmer Randolph II Family along with a
list of what is missing. I will be most grateful
for any answers you have or can get. We
never get everything but I like to try. After
we have gone as far as we can on this group

I will be happy to share information with you I have collected on the other children of James William U. S., your GGF. Many individuals have contributed details on his descendants.

Enclosed are some extra flyers on the U.B. Perhaps you will come in contact with some who will be interested.

Having made the Texas trip I think we can now move on to do a better job of documenting our relatives in the state and the role they played. I have been reading some books on the history of Texas to get a better feel for the state.

I hope to hear from you and look forward to working with you.

Sincerely yours
Phil Upchurch

* Nita provides the following information about her GF referred to as "PaPa" - Joseph Paul U, Sr

GF was a very eccentric and self-made man. I did not get to know him, as he walked away from my beloved grandmother and started a second family...what was referred to as the "common law" Upchurches. He had three children with my grandmother and three with the other woman. I do remember living in one of many houses he had built around the Atlanta area and seeing a partially finished building with cleared land around it. I asked about it and was told that many years before PaPa had become interested in flying and started building a hanger and airstrip. He crashed during a flying lesson and abandoned the idea of becoming a pilot.

Nita is silent on her 3 yr Aunts/uncles

His first batch born 1923, 1925, 1931 - least at \$940 pesos for his common-law children - assuming they carried the Upchurch name.

Dear Dick,

In answer to your letter regarding birth-dates for Michael and Patrick Duffy -- Mike's birthday is April 6, 1972 - he is unmarried and just recently graduated from Wyo Tech as a Diesel technician, now employed with Interstate Detroit Diesel in Des Moines; Pat's birthday is October 3, 1976, he will sixteen and starts his sophomore year at Garwin in just a few days. Right now he's working very hard towards that first football game Sept. 4th. He stands 6ft. 4in. and weighs 215 lbs. He had major shoulder surgery last fall so the football season could be a little tense. He loves football and baseball, what a disappointment it will be if shoulder can't take the rough game of football.

Still have my hands in the tourism business, however it's very slow, think due to the half fare by air that was offered. Did have a group to Minneapolis for baseball and visited the Mall of America the day after the opening - it's a great mall for all ages.

If you need anymore information that I can be of help with just let me know.

Best WIshes,
Shirley

Dear Cousin Shirley,

Dear Cousin Sammy,
yesterday I received a nice letter from

Dear Cousin Phil

Enclosed is the information you requested more than a year ago. I apologize for taking so long.

I am interested in obtaining the information that you have concerning my ancestors. I am ordering the 1980 and 1981 volumes of the Upchurch Bulletin. Do I need to gradually purchase all of the Bulletins? Or can you inform me if there are some of particular interest to my family. Also, I would appreciate an order form to order the 1998 volume.

My granddaughter, Misti, and I will be grateful to learn more about our ancestors.

Enclosed is a copy of the master outline for the family of Willie Gay II, as I now have it, along with some questions about missing items. Please just let me have based on information you already have. We can go into the items you don't have later. This will allow us to move along faster.

Your GF Willie Gay II bears the GAY name that the Upchurch family picked up in Franklin Co., NC in the late 1700's. You and I are descended from Richard II, II who was probably born in Brunswick Co., VA where he married and started his family. He was in Bute Co., NC (This area later became Franklin Co., NC - Moccasin Creek Area) by 1755 and most of his 11 children were born there. Practically all of the 11 grew to adulthood there, married there and started their families there. One of the 11 was Nathan II, I, from whom I am descended. Nathan II, I moved about 20-30 miles about 1802 to the border of Wake and Chatham Counties in NC as did his brother Moses II.

These two along with another brother, Charles II [from whom you are descended] served in the Revolution. We do not know the name of the wife of Charles II but we know he named a son Thomas Gay II, Sr - and I have always been of the opinion that his wife (the wife of Charles) was nee Gay. There were Gay family members in the Franklin Co, NC area at that time and I have a lot of records on them.

Sometime about 1820 Charles II and several of his adult children moved to GA. I have gathered and published a great deal of information on the Charles II Clan and especially on the Charles II/Thomas Gay II Sr Subclan. Thomas Gay II, Sr was the grandfather of Willie Gay II. I have also tracked some of this family from GA to Clay Co, AL - but need to refresh my memory on the details. Do you know about Mellow Valley in Clay Co, AL?

The few remarks I have given will give you just a taste of what we know about the Upchurch family. We have made fantastic progress but by now it is a big family and there is still lots to do.

I'll hope to hear from you soon.
My regards to Misti.

Sincerely yours
Philip Upchurch
