MR CHARLES J. UPCHURCH
VA MEDICAL CENTER
DUBLIN, GA 31021

Dear Mr Upchurch,

Thank you for your letter of August 18, 1980 in which you inquire about the Upchurch Bulletin. It is published 4 times per year and was started in January 1980. Under separate copy I am sending you a sample copy of the issue for the first quarter. Issue 2 is now available and Issue 3 is ready for the printer. Enclosed herewith are some flyers on the Bulletin. The annual cost is \$10. I do hope you will subscribe and if you do I will mail issue No 2 to you promptly and the rest of the 1980 issues as they appear.

I have about 15,000 Upchurch and related names on file. If you will send me a list of your father, grandfather, etc I will see if I can figure out how you fit into the Upchurch family. We are all related.

There are two main batches of Upchurches in Georgia going back to pre-Civil War days. I have a fair amount of information on both. They both came from North Carolina where I was also born and raised. I am assuming you are from the "Georgia" Upchurches.

I look forward to hearing from you again and to sharing information with you.

Sincerely yours
Phil Upchurch

⑤ 5 APR 2005 - In evening - Called C549. we talked for about 25 minutes - or rather he talked compulsively about his patent on coating metals which the Patent office has notified him will be issued. "Kenny" is his partner and has 40% of the enterprise. They meet tomorrow with officials of LSH in Sulphur, LA to decide a way forward. He is 58 yrs old & has spent 3 years on his own on the project. He knows he has to raise several million dollars and will send me a prospectus LSH is to create - also a video. His real reason for calling was to explore the idea that Yellumbe might wish to invest & did not give him any encouragement. He went to college in 1994 & got a degree. In recent years he was in Brazil with an oil company. He had trouble getting around to the fact that he was seeking investment. He admitting that he had several shots of Tequila which no doubt contributed to his being so loquacious. His invention does sound profound. It coats any metal and according to him prevents corrosion forever even in salt water. A key part of the process is a technique for application. He really is excited. I warned him that others might steal his idea & run with it.

Dear Mr Upham:

Don Upham of Corpus Christi, TX tells me she has sent you a flyer on our upcoming Texas Trip. Another copy and some other details are enclosed. It would be nice to see you at one of our stops on the trip.

Doris tells me a Johnny Upchurch saw her on TV and gave her some Upchurch Bulletins. That is how Doris and I got in contact. She has been very helpful. Are you the Johnny Upchurch who got in contact with her.?

Are you the Charles J. Upchurch who about 1979
lived at 6320 Rampart St in Houston, TX (I
have that address in my files)?

Are you the Charles Johnny Upchurch
shown on the enclosed sheet for descendants
of Abel Upchurch, Sr.? As you can see
there is some speculation in this outline

It would be great to hear from you and to have your help in making sure we have your line correct. Abel Upchurch, Sr. was a brother of my Greatgreatgrandfather Nathan Upchurch, I. They were born, raised and married in Central NC in Franklin and Wake Counties. Abel left there about 1820 (+ a few years) and took his family to Greene Co, AL where he died. I have tracked a lot of his descendants.

With All Best Wishes

Sincerely Yours
Phil Upchurch

Dear Mr. Upchurch

- I received your letter today Monday 4/1/96, in regards to your correspondents every thing that you speculated is perfectly correct to the best of my knowledge.
I lived in Houston from 1974-1980 then went back home to the homestead in DeQuincy La,. Are for the address you had of me in Houston, I lived a very different life in those days and you probably had my address as Rampart but in fact very few people knew where I lived. But that was another life I will leave alone and forgotten. I now go to school here in Corpus Christi full time or this letter would be longer and more personal but I'm trying to be nice to you and type this in Microsoft so that you donot have to try and decipher my handwriting.

Also provided is a copy of the Master outline for the Charles B. U (XII-7230) line in the Abel U, Sr/James Laton U, Sr subclass including continuation sections 31, 32 and 33. You have helped us make a substantial improvement in this Master outline. Much remains to be done and I have enclosed three sets of questions which relate to this line. I know you can't get all of these items and your other obligations may restrict the amount of time you spend on this sort of thing. Any answer you have or can get will be appreciated. This list of questions is the kind of thing you work on over a several year period. Some people are not interested enough to participate although many of the "mostly uninterested" will provide details if you talk to them face-to-face or by phone. Most people will not write.

I called your sister and had a very good short conversation just to make sure I had given the correct interpretation to

-3-

The sister of Jewell Charles U, Sr. She was very
upbeat and helpful. I am not sending
her any details or questions but I can
if you want me to do so. Also, I have
not talked lately with you father or sent
him an update - I can do so if you
want me to do so.

Since I have many sections of the family
to deal with, I am always looking for a
cooperator like you who will help do some
of the digging. However, I am always willing
to write to individuals where it seems
best for me to do so.

Johnny, I congratulate you for your
College project. It is no doubt a challenge
but it will be worthwhile and something
you can be proud of. I am sure Abba is
giving a lot of encouragement.

I look forward to our continued exchange
over the months and years ahead as your
time and interest allows.

Sincerely yours
Phil Gubinski

Dear Cousin Johnny

It has been some time since we have been
in contact about family history. I hope you still
have an interest and that this finds you and
Alicia well and enjoying life.

I am writing at this time because Mrs Doris Upchurch of 3138 Melbrosk in Copper Christi sent me a letter a few days ago about the marriage of her daughter. Doris mentioned that your father had died and that I might wish to contact you at the above address for details. I am sorry to learn of your loss. If you could send me a copy of his obituary or any of the details, I would be most

grateful. He had a strong interest in family history and we had numerous exchanges over the years.

We finally got our tax stuff straight and today we go to see our accountant. This exercise is always painful for us and especially so this year because our farm income/expense situation is not a pretty sight. I hope the A. J. Puhar Fish/Pet business is better than farming. We hope for a better next year - farmers always do.

Please let me know if you have any family history questions.

Sincerely yours
☺ Phil Upchurch

Dear Charles,

It is clear that you need some good industrial partners and that you need investors. I can see why you thought of the UPCHURCH BULLETIN as one avenue of promoting your invention.

However, after 25 years of producing this publication I have reached a critical point. I have not decided if I will publish more issues or not. I want to do so but there are other things

that are even higher on my priority list. At age 78⁺ I do have energy left but somewhere down the road one has to slow down. As far as my personal investments are concerned I am moving ever more in a conservative direction. At my age you can see why this would be so.

My interest in Upchurch Family history continues and I am happy to correspond with anyone that has a similar interest. At the same time I am giving attention to my non-Upchurch ancestors. It is a never ending process.

Please let me know if you want the DVD returned.

Let me close by wishing you the very best in your new venture. It will keep you busy and young at heart and, hopefully, will make you a lot of money.

Sincerely yours

Phil Upchurch

REC'D

Dear Mr. Upchurch

The atomizer coatings sprayed in this way far exceeds the industrial standard of 1000 lbs, during all our HATE pull test by Ron Avery of Dynamic coatings of Houston the glue kept failing at 2100 lbs exceeded standard by 1100 lbs.

This is a short film of the Atomizer spraying while hooked to induction coils. We had to cut back to 90 psi because we had to cut the induction coils off as the magnetic signature prevented my video camera from filming. When the coils or on we raise the psi to 250, at least 3 times the spray is produced that you see in the film. When the atomizer is on we are working to obtain a distance from the substrate being sprayed 2 feet and 2 foot wide as of now 14 inches is the spray pattern, different applications will use different nozzles for a wider pattern. The aim is to be able to spray the steel of a ship or carrier and large runs of pipe on a conveyor, flat iron or bridges.. As we have the attention of Northrop Grumman now. The atomizer is loaded with enough aluminum to spray a minimum of 8 hours as there is nothing to break. This is the future of thermal spraying using element metals for corrossions resistance, some times referred to as base metals.

The Atomizer is very economical as there is no wires to foul as you see in the film and no maintenance. Sorry I had a few drinks Wednesday night when we talked But still very excited about the process as could not talk for 2 years and 7 months.

HIGHFALLS

The following poem was written by Mack Upchurch and appeared in The Moore County News twenty years ago:

Highfalls is just a little town,
That's built upon a hill.
There's a roller mill, a cotton gin
And a little cotton mill.

We have twenty spinning frames,
Five lappers and a press,
Ten twisters and four speeders,
But the warper's gone to rest.

Walter Hussey runs the card room,
Joe Phillips makes them wind,
Charles Upchurch runs the spinning,
And Bill Woody keeps the time.

Gramp Upchurch runs the cotton gin,
Ambrose Brewer the mill,
John Morgan repairs everything,
And Tom Woody pays the bill.

We haven't any company store,
But when we need to buy,
Caveness and Shields are on the job,
Yet at times we think they're high.

Our electric lights are better, far
Than any place we've been,
But the water works are on a strike
From the pump to the end.

Pap Riddle sells us coffins
And takes care of our dead;
And Stockton gives us pills
To keep us out of bed.

Clem Ritter has a car for hire,
Claud Caveness handles our mail,
Shaw writes the orders to the mill
And the barber tells the tale.

Abe Williams carries our letters,
Ellen Woody sells hats,
Shields keeps the hotel,
And Pap Riddle turns our bats.

Bank Robbery Colorful Event

GREENSBORO (AP) — Bank robbers, like most who make a living breaking the law, understand there are certain risks attached to their profession; but one who attempted a heist on a Greensboro bank literally wound up with a red face.

After receiving an undisclosed sum of money from a branch of the First Citizen's Bank & Trust Co. on Wednesday the robber was fleeing the area on foot when a bag containing the money exploded. It filled the area with smoke and covered the man with red dye.

The shocked robber, who was given an exploding dye packet along with the money, dropped the bag and ran. He left behind all the money.

Police pressed a dog

into service to track the man, but said the animal lost the scent after the trail of the red dye dissipated.

Lt. Robert Talbert of the Greensboro Police Department's criminal investigation division said investigators had abandoned their search for the suspect, whom he said was 5-foot-6 and weighed 130 pounds and was distinguishable through some highly unusual red coloring.

He said police did not know if the man was armed.

"Nobody saw a weapon," said Talbert. "He just asked for the money and got a little more than he bargained for."

Charles K. Upchurch, senior vice president of the bank, said it probably would take three days of constant scrubbing for the robber to cleanse himself of the red dye.

"You don't always know if a robber is armed or not, but nobody got hurt and that's the most important thing," said Upchurch.

Police did take a suspect into custody shortly after the holdup, but he was released without being charged.

4 AUG 1984

Dear Cousin Charlie,

on February 20, 1984, when I was in Greensboro, you and I had a very nice chat over the phone about the Upchurch family. You were kind enough to give me quite a few details. In the last few days I have been refining the records on your part of the family and I am fairly certain that our true lines are as follows:

So your father and I are 4th cousins, you and my children are 5th cousins while you and I are 4th cousins once removed.

2.

The only weak point in the sketch is the link of Franklin Kelly U to Ruffin U - but a lot of circumstantial evidence helps support the link. Your GGF Franklin Kelly U went by the name Kelly U part of the time and by F. U (initial only) part of the time. I am convinced the Kelly comes from his mother whose last name was Kelly. ~~Each generation~~ We don't know for sure what the "F" stands for but there are so many "Frank" and "Franklin" names among his descendants that it has to be Franklin.

Today I called your sister Stella in Jacksonville FL and got a lot of details from ~~her~~ her by phone - also have now written to her. She indicates that a lot of names and dates are recorded in the family bible which you have. In these any way you could xerox the pages that have entries on them for me - or copy them off for me - or if necessary, perhaps my sister Pat Alsbaugh (who lives in Greenboro) could come by and copy them. These records are highly useful for genealogical purposes. I do hope the details can be made available.

Here are a few questions you might

be able to answer to help me perfect my master outline.

1) For yourself -

- a) when and where did you marry?
- b) what is your wife's full maiden name and when and where was she born?

2) For Donna Renee U

- a) when and where born?
- b) when and where was Michael Lee Moore born?
- c) when and where was Justin Michael Moore born?

3) For Charles Kelly U III

- a) when and where born?
- b) when in APR 1984 was he married and where? (Stella gave me the name)
- c) what is his wife's full maiden name and when and where born?

I am enclosing descriptive material on the Upchurch Bulletin in case you or someone else is interested. By the end of 1984 I will have published on 12,000 members of our extended Upchurch family.

Hope to hear from you
sent card.

Sincerely yours
Phil Upchurch
