Hi Donald----

Delighted to note you visited our website. We actually have two sites and it would be my pleasure to walk you through them. I have many in my files by the name of Donald Upchurch and you could be one of them but I am not sure. To be helpful I will need to know how you fit into the Upchurch family. If you can send me a few names/dates/places that link you to earlier Upchurch generations I will fit you into the family and send you a report that I think will be helpful. Our Upchurch and allied families collection has been building since 1950 and we have the most comprehensive collection on the American Upchurch family ever compiled. We are working hard to augment/preserve/share these records and I hope you will become a part of our team.

Sending All Best Wishes---

Phil Upchurch

Phil,

Thanks for the quick response. Following is what I "think" is my family link to Michael I.

XID Name b. d.

12630 Donald Glenn Upchurch 11/20/1942

12629 Jesse D U. 02/28/1898 1975

12619 Jesse Jackson U. 1859 1922

7056 Alexander Henderson U. 1828 1867

5914 Jesse U. 1802 1875

652 John U. 1776 1854

160 William IV U. 1745 1787

159 Michael III U. 1727 1795

151 James I U. 1685 1765

149 Richard I U. 1658 1700

I'm pretty sure about most but my father had talked about his father being Jesse James U. but other sources say Jesse Jackson U. I would appreciate any guidance or help you can provide to confirm this info. Look forward to communicating with you about our family. Thaks.

Hi Don---

Thanks for your email of April 25 outlining your place in our Upchurch family. Your records and mine agree placing you in the William Upchurch, IV Clan. I have now referred to our earlier exchanges in the 1980-1900 period which were very productive. Somehow we lost touch but I hope we can now pick up where we left off. There is a huge amount to report from this end.

About 2005 I decided to join the computer world. This led to my first website [www.upchurchstory.com](http://www.upchurchstory.com) password 2013upchurch#. There you will find 37 years of the Upchurch Bulletin posted along with 35 videos. Note No. 23 which pertains to you ancestor William U, IV and ones on his ancestors --all your direct ancestors.

Then in 2013 we launched Upchurch and Allied Families Association, Inc to do family history in a more powerful way. See [www.alliedfamilies.com](http://www.alliedfamilies.com) password 2014allied#. There note especially the enrolled family of William Upchurch, IV to which you belong. We are building a family tree for each enrolled family on [Ancestry.com](http://Ancestry.com). Also, note supporting data under the various tabs.

Allied Families has an office in Chesterfield, MO where I am and one in Cary, NC which will become our National Headquarters.

We have the most comprehensive collection of American Upchurch family records that has ever existed. For these to be amplified, preserved and shared will take the active participation of descendants. I hope you will join with us in this effort using the attached membership form. We need help of various kinds to push our Allied Families agenda forward. Please let me know if you have time or talents you would like to contribute. Money is important but we have a growing number of members that are contributing in a variety of ways. Each person differs. Do you have an organized tree for your Upchurch heritage? We will look into the issue of Jesse James U. vs Jesse Jackson U. which you have raised.

There is a lot more to tell you about our venture but I will wait to learn more about your particular situation. I hope the years have been kind to you since we were last in contact. I have spent 22 years in enjoyable retirement since 1995 with a lot of my time spent on family history.

Sending All Best Wishes~

Phil Upchurch, Manager, Allied Families.

Hi Phil,

Thanks for your email below. It appears the years have been good to both of us. I retired in 2012 and remain active and in good health. I still do a little engineering/construction consulting but mostly enjoy my free time with family.

I was very pleased to hear that the UB issues were on-line and that your hard work on our family history continues and is growing. I will be joining the Allied Families association shortly (on-line). I am anxious to learn more about the activities of UAFA.

I recently joined Ancestry.com <<http://ancestry.com>> and have started my family tree there (currently public-Donald Glenn Upchurch). We met some of my wife's childhood friends from Mississippi a while back and one of them had married Mary Evelyn Upchurch. I promised her that I would determine how we are related. We will be seeing her again next month hence my recent efforts to put some our family history on paper and on-line. She is also part of the William IV clan and a descendant of Abel U. Sk. It has been interesting and enjoyable.

More later.

Best wishes  
Don Upchurch

Hi Tom---

You will be pleased to hear about your cousin Don. He is of the Jesse Upchurch line of the William U., IV/John U., V Subclan. I had many exchanges with him in the 1980-2000 period and then nothing until recently. Looks like he will be a performer. Since he has just started on [Ancestry.com](http://Ancestry.com) it is a puzzle to me as to how we can use that interest of his to our advantage. Let's exchange more on that as appropriate.

Phil,

Thanks. I am looking forward to learning about both we sites. Sorry to hear Abel U. Sr is not in the William IV clan. I have prepared several documents taking Mary Evelyn back to Abel Sr and then William IV. What clan does Abel Sr belong? Maybe I can revise my work before Friday.

Hi Don---

You asked about the middle name of your Grandfather as being James vs Jackson. I have now checked my Biofile for him and find relevant records. I is true that I find both names used but one entry led me to chose Jackson. Item 4 in his Biofile was sent to me in a December 31, 1986 letter from Annie Leola Lampley. She cites the Bible of her GM, Annie Lucretia Upchurch who was a sister of James J. Upchurch writing --" The Bile has the spelling Jessie Jackson Upchurch---". Annie say her GM was sharp and the name had to be correct. Let me know if you have any more thoughts.

I assume you and Tom got the scanned copies from my Master Outline pertaining to the heritage of Mary Evelyn Upchurch. I understand you were to meet with her. Can you tell me how that worked out? Do you think she would be interested in joining our Allied Families Association?

I hope by now you have had a chance to go over our two websites. I will welcome any questions you have and will be interested to learn of your ongoing family history interests and of your willingness to participate actively in our program of work. We have a good start on our two websites but have much more to do.

Looking forward to collaboration~

Oddly enough, I received a letter today from Ray and Kathy Cobb of Griffin, GA. It seems that Kathy's mother was an UPCHURCH. Kathy has gotten back to 1782 in Franklin County NC with her research. As far as I can tell from the computer print out she sent me, Eaton UPCHURCH was her first UPCHURCH relative (or the one she could find back in 1782). I will list below, the UPCHURCHes that she names:

Hi Don---

It is really great to be back in touch and to have your active interest. First, I want to acknowledge receipt of your generous \$250 check in support of Allied Families for 2017 which has arrived via PayPal. I have credited a portion of your contribution to the sequestered account in which we are building a \$10,00 endowment for each enrolled family--William Upchurch, IV in your case. We have a good group of descendants of William Upchurch, IV who are great collaborators.

I will be happy to work with you to get you up to speed on Allied Families. As a first step I will count on you to go over our two websites to learn what you can there. I will be willing to answer questions and can send copies of several kinds of documents depending on your questions/interests. A key part of our operation is to mature our facility in Cary, NC to be our Headquarters. Progress is excellent. Attached is an article on projects for the Cary office to illustrate our actual or planned activity.

I will look into any data I have on Mary Evelyn Upchurch and report to you. Note that Abel Upchurch, Sr is not of the William Upchurch, IV Clan. At one point we got off on the wrong foot.

I am pleased to hear that you are active on Ancestry.com. We have a group working on our Allied Families Ancestry.com tree for the William Upchurch, IV family. Will be in touch with you on that later.

Cheers~

Phil Upchurch, Manager, Allied Families.

Thank you for your renewal on the UB

books and to pay Professor Parsons who  
is doing more research for us in England.  
I am anxious to see his report which is

Our trip to Texas had to be postponed  
and is now scheduled for MAR/APR 1996.  
Tentatively I plan to give an Upchurch lecture  
at Tom Ball, TX which is not too far from  
Houston. I'll keep you informed on plans  
for the trip.

All the best for a merry Christmas and  
a blessed New Year.

P.S. - our trip to Henry

Dear Cousin Don,

This is just a note to thank you  
for your renewal for the UB for 1987  
and for your contribution to the Upchurch  
Research Fund. These contributions help  
us to keep the Upchurch history project  
active.

I am very pleased with what  
we have been able to do on the  
William U II / John U scholars - of course  
there is always more to do.

All the best to you and yours  
for a Merry Christmas and a Great  
1987.

Sincerely yours  
Phil Upchurch
