TENNESSEE LAND GRANTS

Volume II

surnames L-Z & cross index

by Barbara, Byron, and Samuel Sistler
Nashville, TN 1998

Byron Sistler & Associates
1712 Natchez Trace
PO Box 120934
Nashville, TN 37212

DIRECTIONS

Each entry includes:

- 1 Name of Grantee
- 2 County symbol in parentheses (see reverse for list of abbreviations)
- 3 Year of Grant
- 4 Acreage (marked with an a; "+" symbol denotes number of poles)
- 5 District (marked dist)
 - M - Middle TN District
 - E - East TN District
 - W - West TN District
 - N - North Carolina District
 - O - Ocoee District
 - H - Hiwassee District
 - G - TN General Grants
 - MTN - Mountain District
- 6 Book and Page Numbers (marked with bk and p respectively, "oc" denotes an occupant grant)
- 7 Grant number (marked g#)
- 8 Any additional grantees or notes follow the grant number. Standard abbreviations are used for River and Creek, etc.

Notes: Any information that was omitted was marked with "--". When a "+" symbol appears without a number after it, this means there were additional measurements given beyond just acres and poles (rods for example). When Map numbers are provided, they refer to the McKenzie and Son Mountain District maps at the Tennessee State Library & Archives. Also inquire there for Survey, Entry, and Warrant number information. Their address is 403 - 7th Ave. N, Nashville, TN 37243 ph: (615) 741-2764

Examples: "AIMS, David (WH) 1824, 50a, MTN dist, bk 1, p 129, g#650" means that David Aims had a grant in White County in 1824 for 50 acres. This grant can be found with the Mountain District Grants Book 1, Page 129, Grant number 650.

"DALE, John (HW) 1794, 500a, N dist, bk 9, p 44, g#216, with William Henry" means that John Dale and William Henry had a grant in Hawkins County in 1794 for 500 acres. This grant can be found with the North Carolina District Grants Book 9, Page 44, Grant number 216.

A cross-index to prior claim holders starts on page 519 of this volume. These were usually entry or warrant holders referenced in many notes throughout this work.

* James County does not appear on modern maps. This county was formed out of part of Hamilton Co. in 1870, and was reunited with Hamilton in 1919.

**Tennessee County existed from 1790 to 1796, when the name was dropped as a result of the division of its territory into the newly formed Robertson and Montgomery Counties.
