Adopted. According to her neice, Barbara Colvin Sansing, writing about her grandmother: When she (Alice Eulalia Wilson) was about 20 years old, her mother heard of twin baby girls who were available for adoption due to the death of their mother. Although great grandmother was already in failing health, she insisted on taking one of the babies. Thus, Mary Sellers (Aunt Mamie) became a cherished member to the Wilson-Colvin family. Unfortunately, her adopted mother only lived a few more years and she was left to be raised by great grandfather Zack and my grandmother.

Phil,

I would like to add a person to your list as someone doing Upchurch Genealogy and using DNA testing. Toni is a member of the George Upchurch clan.

Thank you, Bob. I wasn't exactly sure how to jump in.

Hello Phil,

My father was Luther Upchurch, son of James Upchurch and Mary Ethel Hayes. Born Wayne County, Ky. in 1922. James was the son of Hiram "Ton" Upchurch and Nancy Crouch. You have had contact with my sister Sandra Whitton in the past, as she and I discussed it yesterday. She is the one who has done all of our Upchurch genealogy work.

We have done our DNA testing with Ancestry. 3 sisters and 1 brother. We lost a brother in 2011.

All our tests are already uploaded to Gedmatch.

My own Ancestry results I uploaded to FamilyTreeDNA where Bob found me as I have a DNA match to his late wife.

DNA is a funny thing. You don't actually get an even split from your parents or grandparents. Those percentages vary, which is why you might look like your Aunt or perhaps your child looks like a Great Grandparent. DNA results vary from sibling to sibling so while my sister might have a strong DNA match to one person, I might have very little to that same person. It's a big wonderful puzzle, and quite an adventure!

Looking forward to hearing from you.

Thank you,

Tj

Hi Toni---

It is great to hear from you and I am grateful for Bob Barrs in getting us together. Thanks to your sister Sandra I do have you well placed in my system as XID-26098.

In case you do not know, let me introduce you to our two websites. At www.upchurchstory.com password 2013upchurch# we have posted over 4,000 pages of Upchurch information search-able along with 35 videos. Be sure to watch the one on you ancestor George U. and the ones of his ancestors --all your direct ancestors. In 2013 we created Allied Families Association as a more powerful family history enterprise. See www.alliedfamilies.com password 2014allied#. Note that we have enrolled your George Upchurch Family and are constantly adding to it for long-term sharing and preservation. To succeed we must have the participation of descendants. I hope you will join with us. A membership form is attached. If either you or Sandra could spare some e time to transcribe items to be put on line the would be great.

I notice your interest in DNA work. At Allied Families we are just now starting a DNA Interest Group and have a committee working on procedures. My own kit has been ordered. If you would like to be a member of our DNA Interest Group just let me know.

Sending All Best Wishes~

Hi Toni---

Earlier you expressed some interest in our shared heritage. You are lucky to be a member of the George Upchurch Clan as that is one of the 22 Clans on which we have a great deal of information. Still, there is a huge amount more to do. Our program is fully laid out on our two websites www.upchurchstory.com and www.alliedfamilies.com. I invite you to have a look. It would be very helpful if you would join our Allied Families Association to help us keep our family history effort up and running. Membership form attached. We have the most complete collection of records of Upchurch and allied families ever assembled. I would be a shame to see it go dark. Would love to have your support. Let me know if you have any time/expertise to devote to our family history project.

Sending all Best Wishes~

Name: Tonya (Upchurch) Cecil

Email: stuknkentuk@aol.comxx

I have been researching my geneology and would like to see how my research matches up with what you have. I am a descendant of John McMillan Upchurch from Jackson, TN. John was my great-grandfather. I am unable to access the records you have. Do I need to sign up for access or do the records need to be purchased? Thank you,
 Tonya Cecil

Hi Tonya---

Delighted to hear from you. I have you in my records based on the birth of your child Nicole but had no idea of how you fitted into the Upchurch family. The John M. U to whom you refer is well known to me and I have quite a large collection on this part of the family and have had quite a few cooperators. However, things have been quiet for a while so I am especially glad to hear from you. Be aware that the the "M" has been reported to stand for "Millet" as well as "McMillan". We can go several generations back from John M. U but have never been able to trace this line all the way back to Michael U., I, the Upchurch ancestor of us all who came from England in 1638. I have made a special trip to Jackson Co., TN to explore the records there and one of the issues of the Upchurch Bulletin covers this trip.

In order to make our exchanges more productive it would be helpful if you could send me a sketch of how you link back to John M. U. With this in hand I can suggest a way forward. Perhaps by now you or someone else has uncovered a fact or two that will help us complete the linkage for your part of the Upchurch family. In any case work in this direction needs to continue.

All of my records are kept manually. For new cooperators I offer for \$40 to go through the 100 issues of the Upchurch Bulletin and to pick out 8 issues that I think would be of most interest to them.

Best!

Phil Upchurch

Hi Tonya---

I have most of the names you have now provided but you have given me more complete names than I had, for which thanks. I have your father but only as Larry U and did not have your mother. I'll update my records with what you have sent and will look forward to hearing from you again in due course.

My response may be slowed down in the weeks ahead as I go in for surgery on my right rotator cuff on Wednesday. Recovery will take several weeks and I am not sure just how soon I can become operational again. Let's just keep plugging away.

Phil,

That was a much quicker response than I anticipated. My daughter's name is Makailah Nicole. Funny you should mention the John Millet. That is what my aunt had said his name was, but she was having some memory problems and I found it listed on the internet as McMillan and assumed that was the correct name. I did just find a paper from the funeral home and my grandfather's obituary has his name listed as John Millett. Maybe she was right after all. I think she was the one that had his family bible and his name may have been listed in it. John bought a cherokee woman with a dowry named Ellie Riddle. That was my great-grandmother. She had 12 of his kids as his second wife. We have counted and recounted and still can't figure out for sure how many kids he really had. I don't have the full list readily available, but will try to dig those out. The ones I have on hand are Jimmy D, John Peter, Louis K, Gilbert Gilliam, Benton McMillian, Mark G, Herbert G, Irma, Lee, Lega, Cora (Dottery), and Lex Shrigley. Lex was the youngest of all the children and I'm not sure of the order of the others. He was my grandfather. Lex Shrigley Upchurch married Elsie Mai Gregory and had 3 kids. Mary Agnes Appleby, Marjorie Slater, and Larry Wayne Upchurch. Larry is my father. He married Judy Diane Callis and had 2 kids. Tonya Lynn Cecil and Royce Wesley Wayne Upchurch. I have one child Makailah Nicole Cecil. Hope this helps some and I will try to dig out some more info later.

Thank you,
Tonya Cecil

Hi Tonya---

I am just now doing a little bit of family history as my arm slowly recovers. I have gotten the materials together to use your input of 5 Dec 2010 to update my records. I want to compose a hand written letter of comments /questions to send to you as I do the work. If you will send me your mailing address I will proceed with what needs to be done and mail the details to you. Working together we should be able to improve the records on your part of the family.

13. Etta- This may be Lega. I do have one list that has Lega in the list of kids, but no one in the family seems to know anything about either. There were many things that were never discussed so it is possible that they were both still born or died soon after birth.

Ellie Upchurch lived with my grandfather, Lex Upchurch to help take care of my father, Larry and his two sisters, Agnes and Marjorie after the death of their mother Elsie. Ellie gave the family Bible belonging to John Upchurch to my aunt Agnes. She kept it until her death and shortly after the funeral Marjorie ended up with it. I wish I had photo copied it or written down the information, but I did not see it until she was leaving with it. Unfortunately it will most likely end up in the trash if it hasn't already.

Ellie was Cherokee, but I am unsure if she was full-blooded. She knew a lot of native american medicine and tried to pass it on, but the racism was prevalent at the time and no one in the family seemed to be interested in claiming their heritage. I have heard that John Upchurch had illegitimate children, but I was unsure of how many or who they were. My dad remembers Cora and Vallie very well. They would often come to visit. Mark and Benton also came to live with them to help raise the kids and provide financial support. Mark amassed a large sum of money from some businesses he owned in Louisiana and brought the cash back to TN. He provided the majority of financial support and parental guidance for all 3 kids until his death.

I am very sorry it has taken me so long to get this back to you. I was busy at the time I received it and then completely forgot about it. I have just finished a large remodeling project and happened to find it during the clean up. I hope this helps!
Thank you so much!
Tonya Cecil

Hi Tonya----

This is an interim report to follow up on your inputs which are very helpful. I have compared your inputs to my records and find some duplication but much in you input that is new to me. I have made an extract sheet of the new details in your email to facilitate updating my records. That part is pretty much done. However, in the process I am finding myself going to more resources to amplify the family to which you belong. I now have to pull out the Biofiles of two very important cooperators who supplied much about the William U./Gillium U. SubGroup to which you belong. After I have made more progress on this I will give you a summary report. With Ancestry.com as a resource I now have a much more powerful tools to do upgrades than I had 10-15 years ago when I worked a great deal on your SubGroup. Please be patient with me.

You asked about the Upchurch Bulletins. Have just finished producing the 2014 issue which completes my 35th year of publication. They are all posted for free inspection on my website www.upchurchstory.com. Do have a look and be sure to watch some of the videos.

Also, I want to call your attention to our new organization Allied Families under which all of my work is being done going forward. See our website www.alliedfamilies.com. I would welcome you as a 2014 member of this organization and would be most encouraged if you would join which costs \$20. I'll keep working away on our mutual interests and get back to you in due course.

Best~

Hi Tonya---

We have had some very useful exchanges on family history and I have just reviewed our 2014 cooperation. In the meantime I have had other inputs on the family of William Upchurch born 1778 (N. C.) and his son Gillium U. b 1810 Jackson County, TN. Years ago I had extensive exchanges with two who married into the family---Queenie Mai Ray and Evelyn Briggs. I assume you know about them. I write now to see if we can benefit from more exchanges.

We continue to manage our two websites www.upchurchstory.com and www.alliedfamilies.com. It is under the latter that we are doing family history in a more powerful way. One project is to enroll families who are headed by a Patriarch who lived about the time of the Revolution. The family headed by William U. b 1778 would qualify. To enroll this

family we will need the cooperation of a number of descendants. The process includes collecting and sharing data and keeping it on line for the long term. Note how we have enrolled other families. I hope you will join with us in this effort. A membership form is attached. We need time/expertise/data/money. Please let us know if you can participate.

Also, I would be quite happy to exchange more on your Upchurch heritage. You can let me know of your interest in doing this and/or I can pose some questions on what is missing from my Master Outline.

Just now we are involved in producing the Upchurch Bulletin for 2015 and hope to have it finished in a few days. It will be posted on our Upchurch website. There we already have posted all the UB issues for the last 35 years---some 4,000 pages of Upchurch material. I hope you were able to watch some of the videos we have posted.

Sorry we have not been in touch more. It would be great to hear from you.

All Best Wishes~

Phil Upchurch

Hi Tonya---

We were last in touch last December about our mutual interests in the Upchurches that trace back to Jackson county, TN. I had found a few more references to study and have just now got around to processing them. There are a large number of people who trace back to William Upchurch (Born 1778 N. C.) who lived in Jackson County, TN. I am in hopes that we can find a number of his descendants who are interested in developing the records of the family more fully and preserving them as a part the program of work of Allied Families. I hope you will join with us in this effort. A membership form is attached. To learn more about Allied Families go to www.alliedfamilies.com password 2014allied#.

If you are interested in further cooperation I would be quite pleased to hear from you.

△△ 13. Etta- This may be Lega. I do have one list that has Lega in the list of kids, but no one in the family seems to know anything about either. There were many things that were never discussed so it is possible that they were both still born or died soon after birth.

Ellie Upchurch lived with my grandfather, Lex Upchurch to help take care of my father, Larry and his two sisters, Agnes and Marjorie after the death of their mother Elsie. Ellie gave the family Bible belonging to John Upchurch to my aunt Agnes. She kept it until her death and shortly after the funeral Marjorie ended up with it. I wish I had photo copied it or written down the information, but I did not see it until she was leaving with it. Unfortunately it will most likely end up in the trash if it hasn't already.

Ellie was Cherokee, but I am unsure if she was full-blooded. She knew a lot of native american medicine and tried to pass it on, but the racism was prevalent at the time and no one in the family seemed to be interested in claiming their heritage.

I have heard that John Upchurch had illegitimate children, but I was unsure of how many or who they were. My dad remembers Cora and Vallie very well. They would often come to visit. Mark and Benton also came to live with them to help raise the kids and provide financial support. Mark amassed a large sum of money from some businesses he owned in Louisiana and brought the cash back to TN. He provided the majority of financial support and parental guidance for all 3 kids until his death.

Dear Tanya

Dear Tony,
Thanks for your email of 30 DEC 2010 regarding your address. I am sorry to hear of the chaos in your life and trust you will soon reach a better place in your affairs. Hope you have someone you can lean on.

I'll make this brief as it is still hard for me to write, work with files, etc. Still my recovery is proceeding as planned. Will have therapy three days a week. JAN-FEB-MAR

Enclosed is a copy of my 9 page master outline for the family of John Millet II, his children & grand children as assembled by me with help from many descendants (if any / if known) of the grandchildren are covered in CONTINUATION SECTIONS as shown in the 9 pages. I have included

Descendants (if any/known) of the grandchildren
are covered in CONTINUATION SECTION 9 as shown
on the left hand side of the 9 pages. I have included
only one of these [CS-23 - after the pink sheet]

Thin master outline is constructed as if William 4 (father of William 5) was a member of the 5th generation of the Wyckhous Family in America - which is quite likely true but not proven.

I hope you will go over the master outline

(3-2)

Carefully as your time allows and let me know any corrections or additions. This is certainly a complex family and getting the most complete picture together requires ongoing effort.

Enclosed are flyers on The Upshaws Publications.

As your time allows it will be a pleasure to hear from you. I'll follow your lead in setting the pattern whereby we can cooperate on aspects of family history that are of mutual interest. Hopefully, I will not be a crutch for long.

With All Best Wishes

Phil Upshaw
