SANDY PLAINS BAPTIST
CHURCH - WAKE CO, NC

Visited by RPU 19 NOV 1978

The original site is East of Friendship
and off to the right. I was
told there was a cemetery
present. The old church is there
and connected to a house
but no staves noted. Dogs
prevented a closer look into
the woods where the staves
may be located.

The New site is on the main
highway on the North side.

① See Ltr 30 MAY 1982 Edythe Lee Medlin to RPH and
also Map of Eastern Wake Co, NC (two of them) supplied
by her which shows the Bryant ~~West~~ Stallings
Cemetery & home. She says they were there until
destroyed 5 or 6 yrs ago. The cem & home were on
the north side of a 0.8 mile long road just barely
in Wake Co, NC just west of the confluence of the
East & West forks of Moccasin Creek. The Wake Co NC
State Highway Map shows this as road 2408
running from 2309 to 2335 and being more or less an
eastward extension of 2334. The "Medlin" map shows
it to be 2334 and that it connects 2309 and 2335.

Stevens Cemetery Wake County, North Carolina

Cleveland School Rd. (SR 1010)

Lat: 35°36'55"N, Lon: 078°36'01"W

Contributed by Shirley Olson, Sep 13, 2002 [shirley32olson@yahoo.com]. Total records = 8.

Directions: From the intersection of Hwy. 70 and Hwy.50 in Garner drive south on Hwy.50 about 6 miles to Cleveland School Rd. which angles SE. (on your left). Go about 100 yards until the Maynard Residence, a big white house with 2 wings and clearly marked on the mail box, is directly on your left. Pull into the mowed path on your right and park.

The grave markers are flat in the ground, and many are unmarked and not dated. The cemetery has been moved around 500 yards from it's original location. Thanks to Gayle Franks for suggesting this cemetery.

A family cemetery no longer in use.

I surveyed this cemetery on 11 Sep 2002.
