Regarding Martha A. Maxey - I found a birth date of 1825 in Virginia from another family tree. That seems pretty close. The next sibling showing on the 1850 census is Elizabeth & she was born about 1829 in Virginia. (see #4) I would assume that Martha died when Henry was born in 1846 or shortly thereafter.

Richard married Malinda Jane Phelps in 1848 when they were still in Missouri, so I would think that Martha A. Maxey Upchurch is buried in Missouri.

We find Richard & Malinda living in Yount, Napa County, California in the 1860 census (see #1). He married Mary Mangus in Napa County 15 June 1862. So I would think Malinda died living in Napa County between June 19, 1860 (date on 1860 census is 19 June 1860) and June of 1862.

Richard & Mary lived in San Luis Obispo in 1870 (see #5). In the 1880 census (#6), the family is living in the Arroyo Grande area in San Luis Obispo County & Richard is a widower again. When I contacted the cemetery in San Luis Obispo, I found a grave for a "female" Upchurch, died from suicide, 29 Jan 1878 in San Luis Obispo. The daughter, Susan (d. 1914) is also buried in the same area that was pointed out to me. There are no stones for either.

Richard did have a 3rd wife but Frank & Susan both born 1857 are Malinda's children (2nd wife). Frank not on 1860 census (see #1) which is weird because he is in the 1870 census.(see #5)

OBITS ON THE INTERNET

This INDEX is from the Obit project on the internet. Volunteers from around the country or world, copy the obits every day from their local paper. The date is the date it appeared in the paper, the last unreadable words are the internet addresses of the volunteers. These people are encouraged to keep the obituary for a period of time so that anyone interested could get in touch with them for a copy of the full obit. I get to this file from a link in the Georgia GenWeb page. When you are on this page you can just click on the volunteers name to send them a message.

Ella May Upchurch married Charles Graham. He was an electrical engineer from Dallas, Texas. They had two children - Frank and Rena Mildred. Charles did the lighting for the Texas Centennial in the mid 1930's. Also Charles had visited Alaska and brought back a polar bear rug, head and all. The couple sold their place in Arlington Heights and bought a working farm outside of Dallas. There Charles also raised fish and pheasants. Frank Graham was also an electrical engineer and upgraded the lighting on the Panama Canal in 1938. Rena Mildred with her husband came to Waco in 1948 to visit the Wallaces. Auntie Cook came too as did Aunt May and Lois Cook. Ina Slaughter was there from California for health reasons. Rena Mildred had lived in Boston in WW II, where her husband was stationed. The couple were very nice.
