

of a narrative about these and other members (5)
of your family it would be most useful for
our records. Items like where they lived, what
they did for a living, any unusual aspects
(good or bad), etc, etc. I imagine your Great Aunt
Marian could recall a lot about specific members
of the family.

As we get a little more organized on the
Carey Almon U, Sr Master outline, I hope we can
move back a generation or two and see if
we can add to what we already have. This
would include Golden Almon U, Sr (b 1815), his children
and grandchildren (of whom Carey Almon U, Sr is one).

If your time, energies and interests allow I
would like to enlist your help in learning more
about the DYAL-UPCHURCH Building in downtown
Jacksonville, FL. This included John Jones U, I who
was the son of Nathaniel Smith U. Nathaniel Smith
U was a 1st cousin of your Golden Almon U, Sr and a
brother of my GF Bailey Jefferson U. Nathaniel Smith
U arrived on the GA/FL border sometime before
the Civil War. His son John Jones U, I became very
wealthy - probably from the lumber business. He gave
rise to a large group of FL Upchurches some of

whom have become prominent

(6)

Cheryl, I don't want to "spook you" with all of this alone - it sounds like a lot of work. However, it can be done over a several year period and as time and circumstances permit. The most pressing thing would be to get information from your Aunt Maria's.

At some point I want to make a family history trip to FL. Our next one is scheduled for TX this fall. We'll get that out of the way and then see what our plans for the future look like. So far in retirement I am spending 20 hours per week each on family history, real estate and farming. A lot is happening in each area but all three deserve more time. I've got to become smarter or something.

With All Best Wishes.

☺ Sincerely yours
Phil Upchurch

Dear Cousin,

I know it has been quite a while since you have heard from me. Having pre-schoolers takes up a lot of time and demands a lot of work. To top things off, we had another son ☐ in March (that makes three children in three and a half years)! Alexander John Burlingame was born March 29, 1995 at the NAS Hospital here in Jacksonville. He was, as you probably guessed, named after my father.

I know that you had some missing information from my part of the family: you sent it to me several years ago, I'm sure. I apologize for the neglect on my part. If you'd be so kind as to let me know again what information you need, I'll be glad to try to get it to you. My great aunt Marian U. Dowdee is aging, and she is my best source of information. I'd like to get what information we need from her soon. Also, when you get a chance, please let me know Andrew Upchurch Burlingame's XID number (8/13/93). I missed seeing him in the Bulletin.

Thanks so much for all of your hard work. My father and I really enjoy reading the Bulletins and appreciate the effort you put into them. Again, I apologize for not getting you the information you need.

Sincerely,

Cheryl U. Burlingame

Dear Cousin Phillip,

I was excited about receiving your letter. I am so sorry that it has taken me this long to respond. I have all of my father's Upchurch Bulletin's and thus had figured out that you and I are from the same clan. I would love to have the sketch that you referred to that shows exactly how we are related.

You said that our grandfathers served in the same unit in the Civil War. That is fascinating! I have not been to see their grave sites. My father and I have, however, discussed taking a trip to NC to visit some of these spaces. He said that he tried to find his brother's grave once, but to no avail. When we take that trip, I will be sure to write to you to find out some pertinent information.

My grandfather, Carey Almon U., Jr., was called Abie. My father and I have always wondered from where that name came. Your letter pointed out that his grandfather was A. B. U. Could it be that my grandfather was called Abie after his grandfather?

I have requested some information from my great aunt Marian about her father Carey Almon U., Sr. She said that she has some newspaper articles and stories about him. I will pass that information on to you as soon as I receive it. I also have a picture of him in which you may be interested. I have enclosed answers to some of your questions. When I receive the others, I will let you know. There are a couple of notes:

△ + △ Jane Dowdee Pressley's husband is Danny Ray (not Daniel).

△ + △ + □ Her daughter's names are Jennifer, Emily, and Claire (not Jane).

△ Frances Lee Reynold's real name was Fanny (or Fannie). She didn't like it and thus changed it to Frances. I've asked Marian to find out some more information on this.

— As you suggested, I will get all of the back issues of the Upchurch Bulletin. I have also taken the liberty of sending

11

some of the information you sent me to others in my family.
I would like to receive a copy of the Atlanta lecture; please
find the check enclosed. Thank you for your assistance.

[illegible]

It is indeed good to hear from you after a period of lapse in our exchange of letters. I am anxious to begin making improvements in the Master's outline for your part of the family. This is especially true since you and I are both of the

Nathan U, I clan. I have relatively few correspondents on the Nathan U, I clan and treasure each one. This clan is rich in history and much of it is yet to be uncovered and recorded. Some of it is actually in Jacksonville, FL. I know you will be busy with the two young ones and if it happens that you work outside the home this adds a quiddock to added activities. Anyway, lets move along on adding to our Upchurch history as time and circumstance allow.

Your comment on little sister being jealous is of interest. It is a natural thing that may never go away. We still see some of it in our two St Louis children even with them being 33 & 36 and being married! Evenso, having a family keeps us all engaged in meaningful activities that can be very rewarding.

All the Best!

Sincerely yours
Phil Upchurch

Thanks for the renewal on the UB for 1992 and for the memorial contribution to the Upchurch Research Fund in honor of your grandparents. The memorial notation will appear in the Jan 1992 issue of the UB (Vol 12 No 1) which will be mailed in MAR 1992. The funds are used to buy books, place the UB in libraries, etc and are much appreciated.

Congratulations on the arrival of Allison Lynn! She has been assigned XIP 29120. It seems she is the first great-grandchild of Carey Almon U, Jr.

I will be delighted to have the additional data to which you refer. I am sure there is much more we can share.

I have enclosed two sheets of questions showing what is missing starting with Allinder Burton U. I know you are already working on part of these. Anything you can provide will be appreciated. You and your father have already helped a lot. I would think your Great Aunt Maman could help a lot.

I think your guess that your GF Carey Remon U. Jr was called "Alie" after her GF, Allinder Burton U., is a good one. For a long time I only had the initials "A B" for Allinder U. as that is how it appears in most of the records. It is likely that he went by his initials "A B" which sounds like "Alie".

I'll be glad to give you some pointers when you make your trip to NC. In the meantime you can get certain things out of the U B. I am enclosing order blanks on the U B in hopes they will be useful along the way. Anything you can do to gain support for our Upchurch History Project will be appreciated.

If you so desire I'll be glad to send you a copy of the Master outline for the Nathan U. F. Talithad U. subclan to which you belong.

I was delighted to receive your letter of 27 JUL 90 and put all my other genealogical work aside to answer your letter and the details provided. All the information has now been transferred to this paper Master outline, Profiles, XID's assigned, etc. You and I both belong to the Nathan U.I. Your GGF (Alexander Barber U) and my GF (Bartley Jefferson U) were about the same age, were raised in the same community in Western NC and served in the same unit in the Civil War. I know where A B U lived and where he is buried and have visited both sites on one of my trips back to NC. Have you seen these sites?

Dear Mr. Upchurch,

Allow me to introduce myself. My name is Cheryl Marie Upchurch Burlingame, and I am the daughter of John Calhoun Upchurch (XID 13802). I am very interested in my family's history, and thus find your work fascinating. It's such a joy to know that someone has taken the time and effort to do such extensive research on the Upchurch family. I want to extend a heartfelt thanks to you. Your work is remarkable.

Please find a check enclosed for this year's subscription. I am also interested in obtaining a videotape of your Atlanta lecture. Please let me know the price for that. I have some pictures of my ancestors which may or may not be of interest of you. Most of these are black and white photos. Can you use them? If so, do you need copies or will you return the originals?

Attached is some information about my close relatives which I have not seen printed in the bulletins thus far. I am currently trying to get some of the dates which I am lacking, but I will send those to you as soon as I receive them.

Thank you for your assistance. I look forward to hearing from you.
