Dad, Terry Michael Upchurch, had a brother named Charles Russell Jr. who had birth defects and did not live to his twenties. We all thought that we had a bad gene in the family, and not until I was in Dallas for business 5 years ago did grandmother come clean...she had never told the story to anyone, and we were both crying when it was over. Grandma got pregnant with Charles Russell and her momma thought she was too young to have a kid and gave her a liquid to abort the pregnancy. Needless to say Charles came into this world a bit worse for wear and dad had to care for his big brother growing up.

Dad's Dad was Charles Russell Sr. and yes, Mary Elizabeth was his sibling.

Charles Russell Sr married Marjorie Louis Bevins Upchurch (Grandma).

Grandma lived in the Red River area of Texas by the OK boarder...fits since it was close to Paris, TX.

Dad, Terry M. Upchurch, first married Sharon Lee Patten from Astoria Oregon...got divorced.

Dad, Terry M. Upchurch, then married Virginia Carol Potter Layton Upchurch from Montana.

Traci Tyler Upchurch married Damon Orth from Hawaii and have two lovely kids:

Damon Christopher Kawelo'okamahamahaiaonakaihuliuliokepakipika Orth (spelling is correct)

Kyla Tyler Ho'oipoikamalanai Orth (Ho'oipoikamalanai means "making love in the heavenly mist" in Hawaiian)

Alana Pi'ilani Orth

Karen Lee Upchurch married Tom Stebbins from Gothenburg NE and have two lovely kids:

Tom Wesley Stebbins

Jessica Annie Stebbins

Upchurch enlists in Guard

Trevis Upchurch recently enlisted in the Kentucky National Guard. Trevis is the son of Jeanie and Wade Upchurch of Monticello.

He will be a member of Battery C 1/623rd of Monticello and will earn more than \$1,117 a month during his 13-week training period.

Trevis cited free tuition to Eastern Kentucky University and the challenge of basic training as reasons for joining the National Guard. SSG Jim Johnson assisted Trevis in his enlistment.

I am interested in learning my family history, and I came across this website. I looked at the clan list and i am unsure to which i belong. I assumed George, being that i live in Wayne Co. and have my whole life. However, any information you could give me, i would be greatly appreciative. My Grandparents Roscoe Upchurch and Montie Upchurch, Roscoe's dad was Marcus Upchurch. Thank you very much for your time, Thanks,

Hi Trevis—

Glad to have your expression of interest. Will be happy to move stepwise to exchange information with you. There is so much we can't get it all done in a hurry. I am sure we each have details the other would like. Also, there is the question as to how much and what kinds of things you want to know.

I have your name in my files and can confirm that you are a member of the George U Clan. In fact you are descended from George in two ways as follows:

I. George U

A. Lydia U

I. Joseph Dishman

a. Lucy Jane Dishman

B. Shadrack U

1. Silas U

a. Shadrack Washington U

Lucy and Shadrack married and had a Son Marcus U who is your Greatgreatgrandfather.

Now let me start with a few questions some of which I hope you can answer.

1. What is your full name and when and where were you born?

2. Do you have any brothers and sisters? If so, Details?

3. What was the full name of your Grandfather Roscoe U ?

4. My records show a Leila Ann U and a Mark Allen U. Can you tell me if they were brother and sister or husband and wife? My records are unclear on this point.

Looking forward to hearing from you.

Thank You! That is great information to know. I am unsure what where I want to go with all of this, but I am a high school history teacher, and have always wanted to find out the history of my family. So as questions come to me I will be sure to ask, if you don't mind. I would love to help you in anyway that I can, I can't promise that I will be quick on information, but will definitely work to find out. I can answer a few of the questions, and will try to compose some more info at a later date. My father's family consists of 8 children, 7 boys and 1 girl.

- 1. Trevis Clay Upchurch
b April 10 1978 in Danville, KY
- 2. Stesha Upchurch Shelton b. May 10, 1974 Danville, KY Haley Upchurch Novotny b. April 10, 1978 Danville, KY (twin sister to me)
- 3. I will have to get the information about my grandfather.
- 4. Lela Ann Upchurch Davis is the only sister in my dad's family. Mark is one of the brothers, the youngest. the boys and Lela are as follows
Jack
Earl
David
John
Wade
Roscoe JR
Lela Ann
Marcus Allen

Thank You again, and I will be in touch with you, If have any suggestions of sources I should look at , I was thinking of buying the book "The Upchurch Family from England, NC and KY" ? thanks you very much,

Hi Trevis—

I am trying to make a little more progress on your line and have turned my thoughts to your first cousins who were children of your father's brothers and sister. So far I count that you have seven of such first cousins. Perhaps you can give me a little more information.

- 1. Did your Uncle Jack Gilbert U have children? If so, names?
- 2. What was the full name of your Uncle Earl U and did he have just four children?-Scarlet, Autumn, Shaw, and Lee. Is Lee a male or female? Did Shawn have children?
- 3. Did your Uncle John Ralph U have just one child-Lisa?
- 4. Did your Uncle David Terry U. have just two children- Janson Scott and David Shane? Did either of them have children?
- 5. Did your Uncle Roscoe U., Jr marry and have children? What was his middle name?
- 6. Did your Aunt Lela Ann U. marry, have children?
- 7. Did your Uncle Mark Allen U. marry, have children?

I know these are a bunch of questions. Maybe you can deal with the ones you already know the answers for or can get easily.

Trust you are having a good summer.

Notes for James William Jessie Upchurch:
A touch of the past

My father was born in Tomahawk, Wi. on Monday 8-Aug-1922 then the family continued onto Michigan's upper peninsula to the town of Newberry. It is there that my dad had to leave school in the 5th grade to work in the wood-cutting business with his dad. He had worked for as little as .35 cents an hour at Barrett Logging mill in Newberry, Mi. After my father and mother got married on December the 30th 1941 they moved to lower Michigan where my father looked for work in the factories in Mich. & Ohio. Then after me and my brother Jim was born they moved back to Newberry in the upper peninsula where my dad went back to work in the logging mill. We remained there till my second brother Bill was born in 1946. Then we moved back to lower Michigan where my father went to work in the factories around Toledo, Ohio where he would work till they laid him off or shut down. I can remember my dad playing the guitar & harmonica and his brother playing the mandolin and his sister would sing. Then in late 50's he went to work at Bedford Public School as a custodian where he remained till he retired in the early 80's for a span of 13 years he worked 7 days a week.

My father loved to go camping and sitting around the campfire at night and he loved to go deer hunting with the boy's. He always managed to take his vacation. We went up north a lot to see my grandparents and all of our other relatives and I can still remember the long lines we had to sit in to catch the ferry to get across lake Michigan. It seems like I can still smell the wood cook stove and granny's pancakes and homemade bread cooking. Then after my grandparents moved to lower Michigan we continued going up north on vacation around the Rose City & Mio area where we stayed at a large cabin that was owned by a school teacher that worked where my dad worked. He would let my dad have the cabin a couple week's a year at no charge. Except for what electric we used for cooking and lights.

My father never got the north woods out of his system and my mother never got the city out of her's. I can still hear my mother referring to the woods as God's country. Well if that is what it is I would have loved to spent my entire life there. When we went on vacation my mother would pack up lunch meat, peanut butter, jelly, bread, and cool-aid. Our fast food was a sandwich at 55 miles per hour on 23 north. But they remained together for 56 years, 7 months, 7 days and 14 children later. And of those 56 plus years my mother never missed having breakfast for my dad before he went to work and super on the table when he got home. My father died on 07 July 1997 in his home in St. Petersburg, Florida.

Tribute to my Grandfather

Two days ago my mom and dad came to me at one of the worst moments in my life and asked me to speak about my grandfather, James William Jesse Upchurch. I thought to myself what could possibly be a better honor then to make this tribute to my grandfather. Next to my father, my grandfather was the most important man to me and for the past year I have had to watch him dwindle away. He has played an important role in my life during the last eighteen years, from teaching me to play marbles, to showing me how to throw dice on a bad hand of cards. We all know that he is in a better place with no pain, but not having him around is unbearable. The values and love he has shown us all will last forever in our hearts along with his memory. As we let him go away to heaven, saying our goodbyes is not easy. I love you very much grandpa and you will always be in my heart. Before I step down I would like to say to my grandmother, Dixie Jewel Upchurch, that papa would not have been what he was without you. I want to thank you for giving his life of pain nothing but your love. You are very special to me and I will always be around the corner if you need me. Now it is your turn to get some rest and let all of us take care of you.
Love always, Tricia

Notes for Dixie Jewel Reed:

Sometime in Aug. or Sept. of 1941 my mother Dixie and her sister Lydia who was a year older than her, left there home on Crabb & Viena Rd. Temperance, Mi. and hitchhiked to Newberry, Mi.

Then catching a ride on the ferry taking them across Lake Michigan. They went there to be with their mother who was living in Dollarville, Mi. with Earl Van Norman. When my mother and her sister got in Newberry, Mi they started asking around if anyone knew Earl Van Norman? There were a couple guy's said they were relation of his and if they wanted a ride out there to get in. They arrived at Earl & Lydia's house, which was a mink ranch on the Tahquameon river, it was called Natalic, Mi. Everyone there was surprised to see them and they couldn't believe they hitchhiked all the way there.

While in Newberry with her mother, she seen my dad and asked her mother if she knew him? Her mother said yes that he was the son of her good friend. My mother told me that when she first met my dad that she sat down beside him and he moved up a step and she moved up a step this went on for a couple steps then she asked him if he was afred of women. I am not sure if my mother was the pursuer or not but they were married on the 30th of December 1941. They were together till my father passed away on the 7th of July 1997. 56 years, 7 months, 7 days and 14 children later. After most of the children got married and moved out on their own my mother went to work in Monroe, Mi. at the Senior Citizen Center as a cook. My mother never had a drivers license and she would take the bus to work and home. She never had a problem getting around if she wanted to go somewhere she could always find a ride.

Between Sonny and Juanita - 22 years, 2 months, 18 days (8115 days)

In that time period Granny never went more than 3 years, 1 month and 15 days without having a baby. She had a baby, on average, every 579 days from 1942-1965. Jim and Bill are the only ones that were born within a year of each other. (11 months, 12 days)
Another thing I didn't realize, out of all of those births she only had girls back to back 1 time. Sandy and Edna. Boys were born back to back 5 times.

That's 91 people that wouldn't be alive today if it wasn't for Granny and Grandpa. That's what I call leaving a legacy. My mother was 43 when she had her last child Juanita. Juanita was 43 when she had her first child Adrian granny's little prince.

A Tribute to my Grandmother

We are all gathered here today to celebrate the life of an incredible woman. Some of you know her because she opened her door to you when you had no where else to go. Some of you know her from endless nights of card playing and beer drinking. Some of you know her as stubborn, strong willed, caring, honest and loving. Some of you know her as a mother, grandmother, and great grandmother. I am proud to say that I know her as all of the above.

My granny, Dixie Jewel, was an amazing person whom I always looked up too. I remember coming home from school to her. On weekends I would spend the night with her instead of friends. I would crawl into her room to tell her I was scared and ask if I could lay with her. She would always let me curl up next to her. I took summer vacations to MI with her. We spent holidays together and had Sunday dinners. She was always in the kitchen cooking up something good. The older I got the more I realized just how amazing she was. For as long as I can remember she was always raising kids. She was by far the definition of a mother. The fact that she had 14 children and worked her whole life to keep her family strong and together says it all. Her children were her world. During her final days she spoke of not wanting to hurt her kids. Even though we were all there telling her it was ok to go she was still being a mother. If you look around this room today you will see the family that she created, the family that she kept strong, the family that she loved dearly. There are not many people in the world who can say that they are part of a family as big and as close as ours. But we can and that is something we can all be proud of. She was the foundation of this family. She was our rock. They say anyone can have a child, but it takes someone special to be a mother. Well, she was someone special to everyone in this room not just the 14 children she raised.

For those of us here today the pain of our loss is strong, but it is important to know that today is not a day of goodbyes but a day of new beginnings. Grandma is with Grandpa and Uncle Mike now and she is happy and peaceful. She is not in pain anymore. I'm sure they are all together playing cards or marbles. I'm sure Grandma is in a kitchen cooking something while Papa pesters her. And I know her time is now filled with the love of her husband and son who she missed so dearly.

Granny was my world and I am honored to be speaking. We will all miss her antics, her faces, her choice of words, but most of all her. I'd like to share the lyrics from Brad Paisley's When I get where I'm going.

When I get where I'm going there'll be only happy tears, I will shed the sins and struggles I have carried all these years, and I'll leave my heart wide open, I will love and have no fear, yeah when I get where I'm going, don't cry for me down here. Love always Tricia

I remember being on the phone with Travis and joking about having him on Travis' birthday (which we did)! Went to bed, woke up at 7am with the most awful cramps imaginable. Called the doctor and they said yes you are in labor get to the hospital. Loaded up in the Elantra and headed for Morton Plant! Called everyone & their brother. Got there, got medicated, passed out and then woke up to push him out! He was so big and beautiful! It was the greatest feeling in the world holding my first baby boy!!!! And now, I have to hug him good bye as he enters Kindergarten. I'm so sad! And I'm actually crying! J

Papa is so very cranky

Papa, papa, papa is so very cranky, he never gets any sleep, because he wakes up at 3:00 in the

morning, in the morning, and drinks a bunch of, bunch of coffee, then he gets on his computer and works on, works on his family tree and does not let us on his laptop, and he always wears suspenders without his shirt on, grandma and him always, always fight in the car, make sure that you don't do something, something a little bad, because papa will say don't raise the Kane and then yell at you, at you, plus they always, always disagree.

Uncle Truby was the oldest of Grandpa Ivan and Grandma Hallie's children. He never married and lived on the Upchurch land all of his life. I asked him why he never practiced law and he told me he only had one case and when he realized that lawyers were expected to lie for their clients or allow their clients to be less than truthful, he decided he wanted no part of this profession. What a shame he would have been one of the best. He made friends all over Wake County and few people in this area of North Carolina didn't know Truby. He became a car salesman and his last years were spent catering chicken barbecues at his cabin and lake.

Dear Mr Upchurch

As you will see from the enclosed materials I am keenly interested in the entire extended Upchurch Family. Last November your mother ~~wrote~~ for a 1996 subscription to the Upchurch Bulletin as a gift to your Aunt Joan. Let's your mother put me in touch with your Great Aunt Johnnie Pearl (Upchurch) Hannell and Johnnie's letter to me arrived 4 JAN 1996. This allowed me to link you part of the family to the main Upchurch Family.

I can report that you belong to the
James Upchurch, IV / Burnell Upchurch Subclan
and to the Moser Upchurch Line in that
Subclan. I have collected and published in
the Upchurch Bulletin a large amount of

(2-2)

material on the Sudan. Included is an account of how in 1866 a part of this family traveled from GA to TX by covered wagon. This is a great story recalled by a lady who made the trip at age 6 and wrote her recollections at age 91.

If available I would appreciate the following for my records:

- 1) when in 1969 were you born?
- 2) where were you born?
- 3) did you marry / have children? If so, details?

Please let me know if you have any questions about your Upchurch heritage.

☺ Sincerely yours
Phil Upchurch

UPCHURCH ROAD

Dear Mr Upchurch,

As you can see from the enclosed literature I am keenly interested in the Upchurch family. Your name came to me from Mrs Charles R Cannon, Jr of Dunwoody, GA. It is clear to me that you are a descendant of Jasper Upchurch and his wife Lucinda but I can't quite fit you into my outline. Could you send me the name of your Upchurch grandfather and the name of his father. With this information I can place you. I'll be glad to send you a sketch of your Upchurch line back to Michael Upchurch, the original Upchurch immigrant, if you are interested. You and I are probably about 5th cousins. Our common ancestor is Richard II who lived in Franklin Co, NC.

Hope to hear from you soon
P.S. I was born and raised
in Wake Co, NC. Phil U.

Sincerely yours
Phil Upchurch
