Dear Cousin Lee,

I was able to glean quite a few facts from the reports all of which are now properly filed and cross-referenced. Lavaca Co, TX is beginning to seem like a real place to me.

△ I don't guess I've ever told you, but Annie

△ + △ + △ mother keep grandma any longer. Grandma had

△ heart trouble, but lived to be 95 yrs. Her mind &

△ + △ memory were still good when she died. In her

△ + △ Jessie Jackson U. born June 30, 1859 - Florence

□ Delana U. born March 21, 1862 - Annie

□ Lucretia U. born May 22, 1864. I feel

△ + △ + △ sure she knew how her brother's name was

Δ + □ Oh yes, Daddy gave me his large picture of

Dear Cousin Lee,

I have just this morning finished extracting
your letter of 2 OCT 1956 and also one from Lawrence
Walden Sampley. With you and we sent a lot of details
which have greatly improved our records on Alexander
H.

My records on William Harrison H I "Little Willie"
(XID-1111) and his descendants are in good shape.
I have written Lawrence again and outlined all
the missing details. He suggested I write to his
brother C H Sampley but I did that last JAN and
got no response.

I am especially interested in your (female) James (Jackson)
H (XID-12619) son of Alexander H. you can see I am
uncertain about the spelling of the first name and
for the 2nd name it is now unless on DA whether
it is James or Jackson. More hard core information
is needed. Also I am confused about the Turner
children of XID-12619 - Bessie H & Jessie (female) H.
Is the name Jessie or Jesse? I am in touch with
David Glenn H (son of Jesse) and hope for some
info from that quarter. I wrote Charles Withbest, Jr
last JAN and got no answer. He is son of Bessie

I'd had planned writing on 5-6-1987 but we
know if you get any information or ideas

On the L U line of Alexander U I have
an idea. My census records are incomplete
but I think the L U comes from a
Texas census record for 1860 which shows
a dau b 1862. My guess is that L U stood
for 'Lany U' or more precisely Florence
Delany U XID-1862. Florence Delany U
was b 3 MAR 1862 so they all fit together.
What do you think? This woman Alexander U
had only five children.

Her mother stand now we need a family
contact descended from William Alexander U and
one descended from Florence Delany U. Any
ideas? For Thomas Fay U we have Sara Lee
(Terry) Cott and for Annie Scretter U we have
you and Lawrence Huber Sampley. No mentions
on page 1 we have David Glass U for James (James)
James (Johnson) U. It would be even better if we
had more family contacts and active workers
among the descendants of Alexander U. Let me have
your thoughts & ideas on the next round I'll
send you a xerox copy of my Master Outline for
Alexander U.

Sincerely yours
Phil [unclear]

Dear Phil,

Sorry this took so long. I've made a couple or 3 trips to Yockum & Hallettsville in order to get the correct information. ^[IMA REE LAMPLEY] Ree Lampley Brett just moved to Round Rock. We got her mom's name Marjorie Lampley from her Birth Certificate. Then she remembered the Ree came from her ^[MARJORIE REE FITZHENRY OR REE MARJORIE FITZHENRY] mom's name. She goes by Margie. Also made a visit to Burnett Jones to get that. Was able to get you a map in Hallettsville. Every place I look the name is spelled different. ^[OSCAR A. LAMPLEY] Daddy has been a big help with so much of this. There are also graves with a cement marker & no. on them they are the baby graves without stones or names. I also took a few snap shots for you. Hope this will help you out. This is about as far as I can get for now.

Dear Cousin Lee,

I have just finished extracting your letter of recent date which arrived 31 DEC 1986 and want to thank you for it. The many details were most helpful and the reprints were very interesting. I was able to glean quite a few facts from the reprints all of which are now properly filed and cross-referenced. Lavaca Co, TX is beginning to seem like a real place to me.

Provided herewith is a copy of my Master outline for Alexander U with the follow-up sections for each of his children. Some of these need to be reviewed when I find time. You can see what details are missing. I will appreciate any of these missing details you can collect.

Dear Cousin Lee,

After several delays, including one week of house
guests, I have finished processing your excellent letter
of 22 SEP 86 and want to thank you for it. The
details you provided fit nicely into my master
outline and into the biopics. I have written
to the individuals you suggested and hope to
hear from them although I know you are
understand that not all people are interested
in corresponding.

You were correct in assuming that I listed you
and your husband incorrectly on Pg 19 of Vol 7^{#3} of
the JUL 1986 U.B.. However, I had earlier listed the
two of you correctly in Vol 7^{#1} of the U.B. (JAN 1986)
on Pg 12. Your correct XID's are 14558 and 14580.
I had about 20 names improperly entered and when
they were corrected I failed to catch yours. I am
sorry about this.

I hope your father's marriage works out
well. The two of them could be good company
for each other. Let me have the details on

the new wife unless it is convenient.

For James Edward Templey the only missing item is the full maiden name of his wife nee ZADIE PERSONS. Perhaps you will find a source for this in due course.

For your father and his family (descendants) let me list what is missing, in case you happen to come across the details:

- 1) From some source I have that his middle name is "Alexander" but your records show a middle initial "A" only with no middle name. Your source should be the best but I'll wait until I hear from you to convert from the name to the initial. Details on his new wife needed.
- 2) What is the full maiden name of Gladys Brockmeyer?
- 3) Where did Cherry Lynn Williams marry, what is the full name of Michael Ruff, where and when was he born? Did they divorce and if so when?
- 4) Where was Barclay James Hunt born?

I am now anxious to know as to the children of your ggt Alexander W. except for Annie Swartz W. and Florence Delaney W. Do you have any suggestions as to how we might improve our records on the other 4 children and their descendants? They are: William Alexander W., Thomas Lucy W., Jesse James W. & L. W. I'll be glad to pose questions if that would help.

All the Best.

Sincerely yours
Phil Upchurch

Mr. & Mrs. H. F. Kluck
1506 Wildwood Dr.
Round Rock, TX 78681

I just got a glance at Daddy's "Upchurch
Bulletin". We were on our way back home
when he got it. I think you had me as
my Grandmother's sister child. I might
have looked wrong. I love Delany Upchurch
Hall's children are:

□+□+□+□ Leonard, Louis, Ola, and Lela

For information on this family contact a
daughter of Louis Hall - Velma H. Stone
apt. 1210 - 2400 Oakhill - San Antonio,
Texas 78238

My grandmother Annie Lucretia Upchurch
Lampley only had the 5 children.

My Daddy - Oscar A. Lampley just got
married again. Sept. 2, 1986. I do not have
the information on her yet. Mother will be
dead 4 yrs. in Jan. & her husband has
been dead about 5 years. I hated to ask
questions the 1st time I met her. (HA)

They will be up for a day or 2 next
week so will send info. on her when I get
it. Daddy has a pretty sharp mind for his
age. He lost the sight in one eye so it's
difficult for him to read or write very
much. They will be moving to a new home
in Yoakum as soon as the paper work is
done. I have made appointments for the

ear specialist & dentist in Austin for next
Tuesday. I just got back from vacation,
I'm having new floor covering done this
week, then plan to go to Yoakum & help
Daddy get moved. So things are pretty
~~the~~ much lined up for the next 3 weeks.
Hope this will help you.

Sincerely
"Lee"

I thank you for your very nice letter of 22 AUG 86.
I have just finished extracting it and all of the
details fit in nicely. The first three issues of
the 1936 UB will be sent to your father by lunch
mail this week and should arrive before the
end of the month. Thank you for the payment

Here is a sketch of your line and mine:

So your GM and I are 5th cousins, you and my grandchildren are 7th cousins while you and I are 5th cousins twice removed. Your father and I are 5th cousins once removed.

I am delighted to learn that you have a set of family records and I hope you can help me fill in some of the blanks for the descendants of Annie Secretia Updegraff.

Here are the missing items on the children of Annie Secretia U.

1) For James Edward Sampley

a) where was he born?

b) when did he die?

c) where was he married?

d) what was the full maiden name of ZADIE PERSONS and where was she born, when did, and where buried?

2) For Pickens Franklin Sampley

a) where was he born?

b) when did he die?

c) where was he married?

d) what was the full maiden name of ROSA (ROSE?) HOGAN and where was she born, when did, and where buried?

3) For William Harrison Sampley, I

a) where born & where died?

b) where married?

c) what was the full maiden name of MARJORIE FITZHENRY and where born, when & where did and where buried?

4) For Grand Alexander Sampley

a) Is GAIL GLADIOLA BROCKERMEIER the proper maiden name for Mrs James Oscar Sampley?

b) For Sherry Lynn Williamson

i) when did she marry?

ii) when did she marry?

iii) what is the full name of Michael Puff and when & where was he born?

c) For Sue Ann Williamson

i) when ~~was she born~~ was Barclay Harris Hurst born?

5) For Ura Lee Sampley

a) where was she born?

b) when in AUG 1986 did she die?

c) where did she die?

d) where did she marry?

e) where was Fielding Bredentrey born and where did he die?

6) Are the above 5 the only children of Annie Forester (U) Sampley. Perhaps there were children who died at birth or before adulthood. She was only 36 when her last child was born.

Do you mind if I ask questions such as the above for the children, gr & grc of William Frankler Sampley, William Harrison Sampley, I and Ura Lee (Sampley) Key?

Should I write your father a note? If so what kind? (Is he in to correspondence).

Form for ordering the UB as enclosed

Hope to hear from you soon.

Any questions of me?

Sincerely yours
Phil Upchurch

Dear Phil,

My sister and I have tried to answer your questions for Daddy. Daddy wants a copy of your 1986 Volume 7. I will look at his when he gets it. I would appreciate a order form from you. I too am interested in our descendants.

Sorry it took so long to answer. My sister waited till I came to Yoakum and brought my family book of the records.

For your records.

c) where was Anna Teona Rotts born and where did she die?

3) For James Oscar Lampley

a) where was he born and where did he marry?

c) what is his wife's full maiden name & when & where born?

4) For Mary Louise Sampley

- b) where did she marry the 1st & 2nd times?
- c) when & where was Gerald Quinton Williamson born?
- d) where was Lennie Elmo Cook born?
- e) where was Sherry Lynn Williamson born and is she still single?
- f) where was Sue Ann Williamson born and where did she marry Barclay Harris Hunt and where was he born? Did Sue marry a 2nd time?
- g) where was Casey Alan Hunt born?

5) For Anne Tesla Sampley

Any help you can give on the above will be greatly appreciated.

If you so desire I'll be glad to send you a sketch of your line and mine back to Michael Upchurch I showing how you and I are related. If you are interested in the Upchurch Bulletin I'll be glad to send you a sample issue.

Dear Cousin Lee,

Your very helpful letter of 16 FEB 1987 has been in my stack to be processed since its arrival and only last week-end was I able to get to it. I finally took off yesterday and spent all day on it to extract every last detail. I want to thank you for this particular letter and for all that you have done to help with the Updunch history project. The map and the picture of Salem Cen are much appreciated.

We now have an excellent outline on Alexander II and his descendants thanks to you and several other family members who have helped. Of course there are still quite a few missing bits of information but overall the outline is in good shape. I do hope you and the others will continue to help improve the outline whenever you get a chance and that you will keep me up to date on new events - marriage, death, divorce, births, etc. The William II / John II sub-outline was published

in UB Vol 2 Part 2 but we have had so many improvements I am thinking of printing an updated version.

You have sent me so much that I want to send you at least a token of my appreciation. Enclosed herewith is a copy of my profile on William U IV (XTO-160) and his son John U (XTO-657). The tree goes back to Henry Co, TN and to Wulber Co, NC. John U was your GGC Grandfather. (See my letter of @ 13EP86 to you)

In one of your letters you mentioned you have a large picture of Alexander and his wife. If you can figure out how to get a reduction to a 4"x5" print I would be most pleased to have a copy and feel certain that I would publish it in a future issue of the UB.

I have never done this type of reduction and don't know about the cost. I have a large picture of my grandparents and need to get a small copy. My records indicate Alexander U moved to Saraco Co, TX about 1852-3 years and that he was the only child of his father to move to Texas. If that is not right please let me know. I also assume that all later Upchurch in Saraco Co, TX were descendants of Alexander U.

Thanks for all your help
Sincerely yours
Phil Upchurch
