③ 27 APR 1996 - Called Betty Battles [(713) 729-1777] to ask for identification of some who attended the lecture on 14 APR 1996. Learned the following:

- #1 = Arthur Duane Hall = Betty's brother
- #13 = Raymond H. U = son of Henry Forsh U  
(#13 is his "friend" - not his wife)
- #16 = N.J. Jones, Jr - Betty does not know
- #17 = Patti (Upchurch) CARONA = dau of Charles Henry U + gd of Henry Forsh U.

over the phone Betty comes across as very upbeat and cheerful. Earlier in the day I talked to her mother in an effort to reach Betty. She said Betty was helping her husband with inventory.

It was great to meet you and Maue and the other family members. As you can imagine we have returned with many impressions and with much information. I want to thank you again for your help in making the Tomhall meeting a success. It was great. We are also substantially indebted to Lessie and her family.

I hope we can use this trip as a springboard to better document our extended family. Enclosed is a list of answers needed for your mother's family. I will be grateful for any answers you or she have or can get. We never have everything - but I like to try.

Enclosed are some extra Upchurch Bulletins flyers. I would appreciate it if you would spread them about.

Thank you again for your cooperation.

Sincerely yours  
Phil Upchurch

P.S. A copy of the list of those participating at Bednar is also enclosed.

Dear Cousin Betty,

Thank you for your post card alerting me to the reunion scheduled for 25 JUL 1993. I would love to come but the pressure of my work in the University will keep me in Arizona. Sometime in the not too distant future I will be retired and more free to attend such events. I have long planned to give an Upchurch lecture in Houston and will get to it in due course.

We continue to make excellent progress on the Master outline for the James W. <sup>(IV)</sup> Burrill Upchurch Subdon. Quite a few people continue to correspond and to send in details. Still, there

is always more to do.

The reunion should be an excellent place to feel-out people about their interest in our Upchurch history and to learn of their willingness to get or supply details. If you get the names and addresses of any interested parties I'd be glad to write to them.

If you think a handout sheet on the Upchurch Bulletin would be useful at the reunion let me know and I will send a dozen or so sets or whatever number might be desired. Also please let me know if a copy of our updated master outline would be handy. I think you have a copy.

Do enjoy the gathering in Geddes. There are always happy occasions.

☺  
Sincerely yours  
Phil Upchurch

Dear Cousin Betty,

The details in your letter of 11 JUL 1992 have now been transferred to the master outline and to the Biopics of the various individuals involved and I want to thank you for your valuable contribution. Please let me know anytime you want an updated copy of the master outline for your part of the family.

Enclosed is a list of questions on Riley Johnson and his children. I assume you have the set I sent earlier on Henry Jacob and his family. Perhaps you will be able to make some progress on these when your family group meets. Enclosed are some sets of details on the U B. If anyone in your family group meeting has an interest in the U B I would be happy to hear from them. Of course I hope you will strengthen your ties with various family members who might help me update the master outline.

Provided herewith is a copy of my 11"X17" master outline sheet for the first six generations of Upchurch in America with your line and mine highlighted. Gilbert U (XFD-82) was my GGF.

Betty, I am sure there is much more we can share with each other. Getting the master outline more completed is always a challenge that is before us. Over the last 10-12 years we have made great progress on the James U, IV / Burwell U Subdon to which you belong. A lot of people have helped and continue to help. It is a great satisfaction to see the progress we have made.

Hope to hear from you soon.

☺ Sincerely yours  
Phil Upchurch

Dear Cousin Betty,

I am most pleased to have your letter of 25 FEB 1992 and have spent my spare time in the last week or so integrating your records with mine. You presented a lot of detail I did not have, especially on the descendants of Henry Jacob U.

Enclosed are details on the Upchurch Bulletin. I would be happy to have you as a subscriber and perhaps you might like to get back issues also.

Enclosed are two sets of questions. I will be grateful for any answers you have or can get.

Also enclosed is a copy of my master outline for Moses U (XID-2030), his children and grandchildren. If I have descendants of his grandchildren a number on the left hand side of the sheet shows the continuation section containing added details. I am enclosing continuation sections 21 (A-E) which is on your ancestor Henry Jacob U.

2.

It is obvious that you are seriously interested in your Upchurch heritage. I hope we can continue our correspondence and share aspects of mutual interest. It would facilitate our interaction if you had access to all the copies of the Upchurch Bulletin or so much of my data is recorded there. However, we can continue to help each other even if you do not have the U.B.

You belong to the James U, IV clan and you are descended from his only known child Barnell U. This forms the James U, IV / Barnell U subclan about which I have written much in the U.B. I have quite a few correspondents who have provided input for this subclan and, in fact, continue to do so. We have made fantastic progress on this group but of course have much left to do. I hope you will become a regular supplier of information.

Sincerely yours  
Phil Upchurch

Dear Mr. Upchurch,

I am a cousin of yours and have been casually tracing my family history. Another cousin, Ione Smith Hardin, recently gave me your name and address and suggested that I get in touch with you.

Enclosed, please find a partial list of information that I have. I hope this will be beneficial to you. Also, most of the information that I have has been obtained by word of mouth and not documented. If you find any mistakes, please let me know. If I might have any further information that you can use, please let me know. I will be happy to share anything I know with you.

Please advise me as to where I can get information that you have compiled. I understand that you are the editor of the Upchurch Bulletin and I am also interested in finding out more about this.

I am looking forward to hearing from you soon.

Your letter stated that details on the Upchurch Bulletin were enclosed, but I'm afraid they were omitted. I am interested in becoming a subscriber. Please forward that information.

Descendants of Lily Judson are having a reunion in a couple of weeks and hope to have some more data for both of us.

Sincerely,  
Betty Battles
