Dear Cousin Phil,

Thank you for your letter of May 6. It was great to hear from you and I am so glad you have been in contact with my cousin, Annie. I apologize for not writing you sooner. Jill and I were on vacation in Arizona in May and work has been crazy ever since we got back.

It would be great to see you when you pass through Lexington. Give me a call so we can have lunch or dinner together. I am sorry to miss the Upchurch reunion and your lecture, but Jill and I will be out of town on the 3<sup>rd</sup> and 4<sup>th</sup>. We are going to visit Jill's family in West Virginia.

Thanks again for your kindness to Annie and I hope we will be able to meet either on the first part of your trip or your return.

Your cousin,

Charlie

Dear Cousin Charlie,

Thanks for your letter of 1 MAY 1999 and for the item Earl E. Smith sent to the newspaper. When I first got the obituary of Halvie U I too thought it unusual and not appropriate that a negative component was introduced. However, I reproduced the obituary in the U B just as it appeared in the newspaper. Now that I think about the matter again perhaps I should have deleted the negative part. However, what is done is done. Perhaps I will owe someone an apology. I wonder if Earl E. Smith is a member of the extended Upchurch family.

Enclosed is a copy of Anna Sell's letter of 22 MAR 1999 to me. She obviously appreciated

the UB since you provided. I have written to her and offered to follow-up with any who have an interest. It is easy to see why you think she is a special person.

We are now fully committed to give an Upchurch lecture in Wayne Co, KY on 3 JUL 1999. Enclosed is a copy of what I sent to David H. Upchurch, Sr for use in the local newspapers. One never knows how many will come. Our plans are complete to the extent that we will stay in the Taffany Inn in Monticello, KY on the nights of 1, 2, 3 JUL 1999. Melva & David have agreed to give us a tour of Upchurch sites in Wayne Co, KY on 2 JUL 1999. Why don't you come join us.

It seems likely we will be passing through Lexington, KY on our way on 29 & 30 JUL & 1 JUL or on our way back home on 4 & 5 JUL. Our plans are not firm yet but we plan to see KY Horse Country going or coming. It would be great to see you if you are in town.

All the best!

☺

**Rude obituary**

I am writing in reference to the March 19 article about the death of ex-Wayne County Judge-Executive Hallice Upchurch.

I was appalled that anyone would be so rude as to dredge up an incident so many years after the fact. Mr. Upchurch was elected for three additional terms by the citizens of Wayne County, who had the greatest respect for him.

I just wanted you to know that I found it in very poor taste to publish such an article after he had suffered his long bout of illness and during the bereavement of his family.

I am enjoying reading and rereading the *Upchurch Bulletins* that you sent me. You have done a tremendous job. Thousands of people are indebted to you for your work.

I am eager to find out more about the Upchurch family. I am enclosing a check for ten dollars to purchase two back issues. I would like information about George Upchurch and his ancestors. I read that Volume 8, No.4 October 1987 details the George U. Clan. This may be one good choice. Please choose appropriate UBs for me.

I do have questions about the Clan designation. Are the Clans at the fifth generation? If so, what are the designations between Michael U. and the fifth clan level? Any additional information would be greatly appreciated.

In conclusion, I want to reiterate how much I am enjoying the *Upchurch Bulletin*. I look forward to corresponding with you and exchanging information.

Very truly yours,

Dear Cousin Charlie,

Thanks for your letter of 17 SEP 1998 and for all the family details and for your order for two issues of the U.S. The issues were sent on the 19th. I have just finished extracting all the details and they fit in nicely. I'll gladly receive & process any future details you may obtain.

Enclosed herewith is a copy of the master outline sheet for Lucinda Ann Crouch & her children as it now stands along with a list of what is still missing on that sheet. We are down to the fine print now. It was great that you found Lucinda's middle name. My guess is she gave all of her children 2 given names as she had 2 herself. Also, I note her siblings generally had 2 given names as did both her parents.

With Appreciation.

Sincerely yours  
Phil Upchurch

I recently visited Fentress county and saw several relatives. I found out that Lucinda's middle name was Ann.

We are in the middle of a drought. Lexington has not had rain for two months. We are under a water advisory. I hope things are well with you and your farm.

Very truly yours,

Charlie W. Crouch

p.s. The Davidson Cemetery is in Pickett County, immediately beyond is Fentress County.

Dear Cousin Phil,

Enclosed please find the latest addition to the descendants of Lucinda Crouch Sells. I have marked the additions and will keep a copy for later changes. Also enclosed is \$10 for two back issues of the *UB*. I would like Volume 9, No. 1 and Volume 9 No. 4. These are suggestions from your letter of June 22.

I certainly am enjoying the back issues. They help piece together a picture of my family from Tennessee.

I have written several relatives in the hopes of adding more information to Lucinda's descendants. I will of course forward this to you. Also I am going to make several copies of the Lucinda family photo. I will send you a copy, as you said the copy I sent you did not reproduce well.

I hope that things are well for you and your farm has a wonderful harvest.

Very truly yours,

Charlie W. Crouch

Phil Upchurch  
6 Eagles Way Lane  
Lake St. Louis, MO 63367-2240

Dear Cousin Phil,

Thank you for your letters of June 22 and July 9. I am home now, fully recovered from my business trip to Georgia. I work for a non profit organization, Prevention Research Institute, that writes and publishes alcohol and drug prevention materials. Several states use our curriculum in their classes for DUI offenders. Georgia is our largest customer. Over 40,000 people in the state of Georgia are arrested and convicted of driving under the influence. I am Prevention Research's accountant and computer programmer. We are a small company, 12 employees, and because of this I get to do lots of things.

I have really enjoyed your letters and the *Upchurch Bulletins*. Understanding our ancestors and their times is very important to me. The letters of Michael Upchurch are a treasure. I am sure you are very proud to have found them.

□ Thank you very much for the cemetery records of the Wayne Davidson Cemetery. I believe I am related to everyone who is buried there. I have found two additions for your records. Number 66, Infant Crouch, is Cashier Crouch, Jess and Elizabeth's first child. Number 254, Susie Sells, caught my eye. I called my relatives in Tennessee and asked about her. She was the child of John Raymond Sells and Martha Leona Crabtree. I thought possibly Martha and the child died during childbirth. This was not the case. Martha Leona, called Onie, died of tuberculosis and the child died later. I will continue to study the cemetery list for any other Upchurch connections.

△+△ You asked me about the relationship of Fate and Annie Sells. They are brother and sister. Neither married. They lived with their parents all their lives. Annie still lives in the same house in the community of Pall Mall, Tennessee. She is my oldest living relative and is helping me gather information. Fate was named for his uncle Lafayette Sells. I have wondered given the patriotic nature of these names, if George Sells middle name might be Washington. George and Lafayette's father, William Sells, died in Andersonville prison during the civil war. Like many from the area he enlisted in the 2<sup>nd</sup> Tennessee Infantry, a union regiment. The entire regiment was captured at Rogersville, Tennessee and taken to confederate prisons. They were treated like traitors and must have suffered greatly.

NOTE: Page 10 Re Location of Wayne Davidson Cemetery placed in Cemetery File

I will continue to look for the complete names of my ancestors. I have received several death certificates for the Tennessee authorities, they are not very accurate. Many do not have full names and some use nicknames. My grandmother Elizabeth Sells was recorded as Lizzie Sells.

I am enclosing the answers to the missing details of Lucinda Crouch Sells.

Unfortunately many of your questions are still unanswered. I will keep researching and will update you with any findings. I think I am the first in my family to research

△ our history. Our family, descendants of Jess Crouch, is not very close. After my  
△ + △ grandmother Elizabeth's death, my grandfather left his family. This caused bad  
— feelings among the siblings, not necessarily for each other, but family ties in general. Hopefully my letters to my cousins about our family history can bring us closer.

I am enclosing a new sheet on the descendants of Lucinda Crouch Sells. The main changes are the additions of Susie Sells and the burial place of the Elijah and Fannie Crouch family. I will make every effort to add to this document.

Thank you for copies from *the Upchurch Story*, by Olive A. Morgan. I will try and get a copy through the interlibrary loan system. Is the book out of print? Maybe I can find it in a used book store.

I am enclosing a check for ten dollars, please send me *Upchurch Bulletins*, 16/1, comments on the four letters, and 18/3, *Upchurch roots in Brunswick Co., VA*. I appreciate your listing the newsletters that you think will interest me. I will order the others in the near future. I would also be interested in information about the Upchurch's between Michael and the fifth generation. This may be covered in the 18/3 *UB*.

Thanks again for all your help. I sent your address to Sheila Sells Spisak, she may be in contact with you. I am enjoying our correspondence very much, hopefully I will be able to give you more information in the future.

Very truly yours,

Dear Cousin Phil,

It was such a pleasure to receive your letter and read about your publications. As you requested I am enclosing material showing my line back to Sarah Upchurch. This line is best illustrated with my Father's family tree. As you can see my Crouch name comes from an entirely different line than you may have expected.

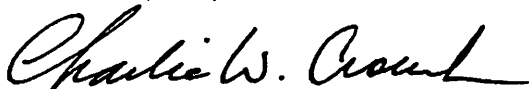

I obtained much of my information about Elias Henderson Crouch and Sarah Upchurch from the Fentress Co. History. The article on page 411(F185), by Ellen Russell, begins by stating that Jane Crouch is the daughter of James B. Crouch and Patsy Evans. Jane married Joseph Upchurch. Further in the article it states that Sarah Jane "Sally" Upchurch, Jane's daughter, married Henderson Crouch. I wrote Ellen, actually cousin Ellen, and she wrote me a long letter saying that yes, Elias and Sarah were first cousins. Does this match your information? I had thought that Elias Henderson may have lived with his Aunt Jane upon returning from Missouri and grew up with Sarah. There is no information to bear this out.

I am very excited to share information with you and eager to learn about my Upchurch heritage. I am fairly new to genealogy and would appreciate any advice and help.

Enclosed you will find a check for \$20. I would like to purchase the Vol. 16, No.2(April 1995), two back issues that you think I would be interested in based on my family line and your next Quarterly *Upchurch Bulletin*. Please tell me about other back issues that would help me in my research and I will forward the appropriate amount.

Once again it was so nice to hear from you and I look forward to receiving the *Upchurch Bulletin*.

Yours very truly,

Charlie W. Crouch

Dear Phil,

I am researching my Upchurch family line. I was given your name by Tim Ferrier. Tim told me you are an expert on the Upchurch family and that you could possibly help me gather information about my Upchurch line.

My family is from the Pickett-Fentress County area of Tennessee. My gr gr grandfather was Elias Henderson Crouch, his wife was Sarah Upchurch. Sarah's parents were Joseph Upchurch(1800-1865) and Jane Crouch. Elias and Sarah were first cousins. Joseph Upchurch's parents were George Upchurch and Rachael (?). Any help you could give me would be greatly appreciated. I am enclosing a stamped envelope for your convenience.

Have you ever been to the Upchurch cemetery in Fentress Co.?

Yours very truly,

Charlie W. Crouch

← I wanted to share with you a little of the family history of Elizabeth and Fannie Sells. They married brothers, Jess and Elijah Crouch. When my Grandmother died in 1932, my Father was only 11. For years he was shuffled between relatives and friends of the family. Some of his happiest times were in Tennessee. He spent time with his Grandmother Lucinda, Uncle Raymond Sells and Uncle Elijah(Lige) and Aunt Fannie. He was very close to Lige and Fannie's son Delmer. They called themselves double first cousins. -We made family vacations to Tennessee every year. It developed in me a deep love for all my relatives in Tennessee. I visit my cousins Brittany and Chase as often as possible. They are Delmer's gr grandchildren. They were adopted by their grandparents, Charles and Janice, after their parents death.

Dear Phil,

Just a quick note to let you know I received your latest mailing.

I will be gone for a week on business. So glad that your package got to me before I left. It will make great reading at night.

I will get answers

to your question and update to you probably by the second week of July.

Thanks again for everything. It is a pleasure to receive the Upchurch Bulletin.

Always,

Charlie

P.S. Do you have any information about the union quarrels formed by "Timber-Bark" I saw in the Frontier Co. History two Upchurch in the roster of members. I believe they were Satchi brothers, Elias and Perry?

- ① 15 JUN 1998 - RPA called CWC, Jr [(606) 252-3148] to firm up mutual interests. He confirms that the Dawson Cemetery established by Wayne Dawson is in Pickett Co, TN but very near the Fentress Co, Tenn. His frequent visits to TN have included relatives at Pall Mall in Fentress Co, TN and at Byrdstown in Pickett Co, TN. His mother is still living. His Father had just two children. His sister Anna has just one child and Charlie has none. Charlie has a copy of the Fentress Co, TN Heritage Book but not the Fentress Co, TN Cemetery Book.

expected one between Sarah & Fannie and one between Fannie & Elizabeth. There could have been one or two between Rebecca & John - and even possibly one or more after John. It is not uncommon to have miscarriages, stillbirths or infant deaths where the existence of a sibling goes undocumented.

#4 I have accepted Rebecca Jane Sells and Ernie Sells as being one and the same (for now). Enclosed is Page 412 of Fentress Co, TN Heritage Book which shows a Rebecca Jane Sells but no Ernie.

#5 I take it that Edna Lee (W) Sells is the only one of the generation of the children of Luanda (Crown) Sells that is still living (considering children & spouses). Has anyone tried to contact her for input?

Enclosed is a copy of the Continuation Sheet (58A) for the family of William Henderson Sells. Since his daughter Annie is helping you and the questions are few perhaps we (you) can take care of this without too much trouble. Here are the questions I have:

#A William Henderson Sells - where born, where died, where married, and when in 1910 did he marry?

#B Ester E. Manis • what does the "E" stand for?  
• when born, when died, where buried

#C Anna Reba Sells • when born?  
• Is she the one listed in the Wayne Davidson Cem as Anna Sells b 5 FEB 191 and with the incorrect label "w/o Fate" [wife of Lafayette]?

You asked about the first 5 generations of the Upchurch Family. Enclosed is a copy of my 11" x 17" rough sheet that actually includes most of the 6th generation members as well. I have highlighted your ancestral line and mine. Our common ancestor was James U, I. My Gilbert U (XFD-82) [my greatgrandfather] was a 2nd cousin of your ancestor Joseph U (XFD 144).

It is nice to know of your background. Morgan's Upchurch Story is out of print I would be pleased to hear from Sheila Sells Sprink.

Sincerely yours  
 Phil Upchurch

Dear Cousin Charlie,

Thanks for your letter of 19 JUN 1998 and for all of the details which have now been properly recorded. The photo of Lucinda & family is great. It does not reproduce well on my copies so I will take it to KINKO's to see what they can do. It may be included in a future issue of the U B.

For your \$10 I provide herewith UB Vol 8 No 4 and Vol 15 No 4 - the last re the letter Michael U, I wrote back to England. Other issues that might be of interest:

- 9/1 George U / Shadrach U Master Outline
- 9/4 George U / Lydia U Master Outline
- 10/11 George U / John U Master Outline
- 10/2 George U / "Rachel" U & Geo U / Thomas <sup>Master</sup> Outline
- 13/3 Photo - Joseph U - of George U / Shadrach U Subdiv
- 15/2 Photo - Hiram H. U & William B. U - Geo. U / Marshall SC
- 16/1 Comment on the 4 letters in 15/4
- 18/3 Upland Roots in Brunswick Co, VA (1700's)

Enclosed is a set of questions on Louisa and her family. I have a child - Rebecca Jeanne Sells you did not list. My Profile Sheet on her is enclosed.

For William Henderson Sells family I have a conflict in my records. The question is whether Anna Reha Sells born 5 FEB 1911 is his daughter or whether Anna Reha — is the wife of his son George Lafayette Sells b 17 JAN 1912. Perhaps you can resolve this matter.

The interaction with you has stimulated me to work over the entries for the Wayne Davidson Cemetery of Pickett Co, TN more carefully. I have spent several hours developing and annotating a working copy. In the process I have uncovered many interesting facts. Since you said in our phone conversation you did not have a copy of this listing I provide herewith two versions:

- #1 A copy of Pages 99-109 - as appears in the book
- #2 A copy of my 15 Page Working Copy showing 365 entries and providing a space for XID numbers. Clan/subclan references are shown in the last column

Throughout this working paper I have entered names wherever. My intent was to identify those individuals known to be connected to the Uphurch Family, while I have made a lot of progress there are no doubt numerous entries which relate to the Uphurch Family and have not yet been so designated. Perhaps you can let me know if you spot a few.

A mark of  $\triangle$  shows I have transcribed information to a Biofile and/or Master Outline. A mark of  $\square$  indicates the information was already known.

I use the term "LINE" to indicate a 7th generation ancestor. The Clan / Subclan shows the 5th & 6th generations and the "line" shows the 7th. As for example see Entry #60 [Edison Crotch] He is of the George U / Lydia U Subclan and of the Archibald Dishman line. His ancestry is thus:

<u>GENERATION</u>	I.	George U - Head of Clan
5	7	A. Lydia U
6	1.	Archibald Dishman
7	a.	Millic Dishman
8	i.	Thomas E(C) Crotch
9	(F)	Edison Crotch
10		

The idea with these notations is to add enough so someone (or at least I) can quickly figure out which Master Outline to apply to the person.

I was really pleased to learn for certain that the Wayne Sawdson Cemetery is actually in Pickett Co, TN. I would like to locate it more precisely. Enclosed is an enlarged portion of Pickett Co, TN. Could you mark the location of the cemetery on this map and return same to me?

Charlie, you have made a big contribution to our better understanding of the Sarah Jane Upchurch line in the George W/ Joseph W subclass. There is much more we can share and I look forward to working with you.

Your encouraging words are appreciated.

Can you tell me a little about yourself - what you do for a living, what interests you (in addition to family history), etc.

P.S. - The enclosed "ME" document bears upon your questions about CLANS.

Phil W

Sincerely yours  
 ☺ Phil Upchurch

The Upchurch Family members of Fentress Co, TN all descend from George Upchurch who settled in Wayne Co, KY about 1814. He is one of 22 known members of the 5<sup>th</sup> generation of the Upchurch Family in America. I call these 22 individuals as HEADS OF CLANS. This you belong to the George Upchurch Clan. He and my greatgrandfather, Nathan U, I, were first cousins.

I have collected a huge amount of detail on the Upchurch family members of Fentress Co, TN much of which has been included in the various issues of the Upchurch Bulletin. Details on the Upchurch Publications are enclosed as is a copy of our "Freedom" Document. I also have the Fentress Co, TN Heritage Book.

My wife and I have visited Fentress Co, TN once - in 1995. The details of this trip are given briefly in Upchurch Bulletin Vol 16, No 2 (APR 1995). This issue is available for \$5. On the trip we did visit the Upchurch cemetery at Pall Mall, TN and were fortunate to arrive

on Decoration Day which allowed us to meet many relatives. I also gave a lecture on the Uphurch Family in Jamestown as a part of our visit.

I'll look forward to hearing from you and to exchanging information.

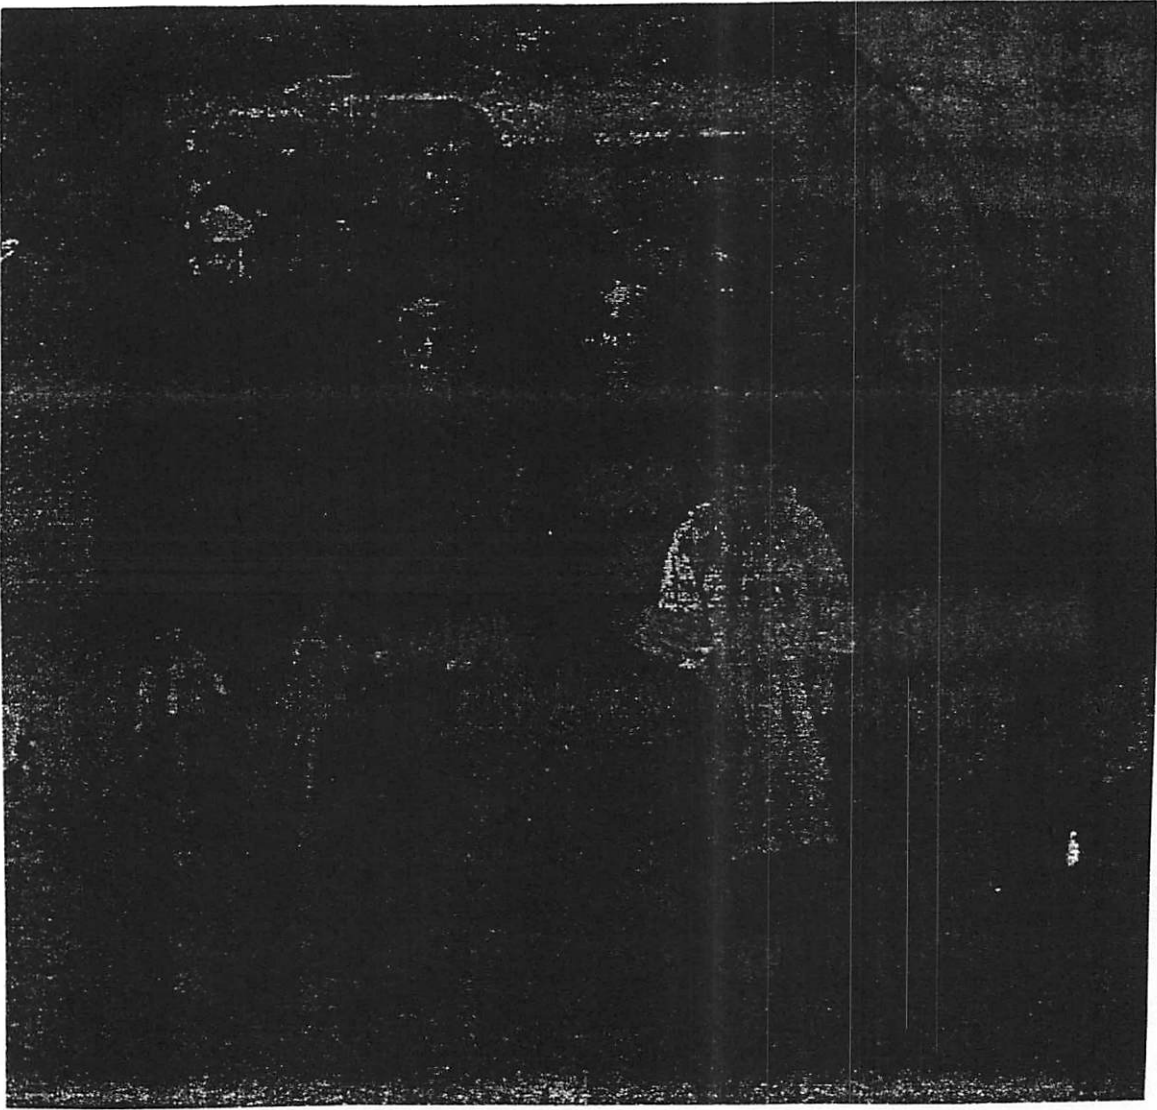

With Appreciation for your interest in our shared family heritage.

Sincerely yours  
☺ Phil Uphurch
