Hi Lorry---

Sorry for the delay in getting back to you. We are in the process of moving about five miles which is still a pain. You and I are almost on the same page. I have your ancestor Levina (Upchurch) Marsh in my files in good order along with their son William Harrison Marsh born 1838. For WHM b1838 I have in my files only one child Joseph Marsh born 1869 who would have been a brother of your ancestor Edna (Marsh) Cole. I note that many people have trees on Ancestry.com for WHM b1838 but they confuse me and I need your help. They show he had several wives and many children. I have not yet found one in which Edna Marsh is among them. It is important for me to get this straight as they are all Upchurch descendants. Can you tell me anything about the various wives and which children came from which wife. As a first step I hope we can get the facts as pertains to Edna as that is of greatest interest to you and to me at present. Eventually I would like to have the full story of WHM b 1838 and his wives and children.

I'll wait for your answer and hope we can keep chugging along.

Phil,

Moving is a pain! It was good to hear back from you. I have emailed many people along the way and have found that most don't really have a deep interest or it is short lived. So thank you for responding.

WHM b1838 had only 2 wives. He was married to his first wife Minerva Ann Morris Abt 1855. He had 12 children with her two of which died at birth so there are no names recorded. Minerva & WHM are found on www.findagrave.com and there are photos of their grave sites.

Their 12 children are:

- William Rosey Marsh (1856-1942)
- Mary Elizabeth Marsh Davis (1860-1924)
- Lucy Marsh Abbott (1837-1896)
- Thomas (1865-1993)
- Alba "Abby" (1867-1926)
- Joseph Harrison (1869-1917)
- Frances Ellen Marsh Denton (1874-1963)
- John Ellison (1876-1935)

She died in 1906. WHM remarried Abt 1910 to my great grandmother Arbecky "Arie Sweet" "Becky Arie" Simpson. She went by a few names so it looks like WHM was married several times! She was only about 17 when she married William Harrison who was about 72 years old. They only had one child together, my grandmother, Edna Marsh Cole (1912-1994).

WHM was a union soldier from Kentucky who signed on in 1863. I know he was a soldier but the records state that he was unmarried at the start of his service. He died in 1916.

That is how we are connected. I don't know too much about his children or what happened to them. As far as I know we did not have a connection to them or any family gatherings. My grandmother remarried Hile Criswell and I did know many of these relations. I was happy to know Arbecky before she passed but was still a child at the time.

Anyway my grandmother, Edna married Omer Lee Cole (1907-1990). They are both buried in Edenton Cemetery, Clermont, Ohio. They had 6 children: Arlene (1931-still living), Mary Ruth Cole Fahey (1933-still living), Walter "Buddy" Lee (1935-still living), Ora Frances Cole Lee (1937-deceased), Brenda J Cole Steele (1940-deceased), and Ralph Omer (1943-still living). Ralph is my father.

I am sure you have connected with many people along the way during your research. I have only been at it for about 2 months so it is very exciting to find relatives together. Your research is incredible. My dad is very excited that I am finding out about his family history. I am working to put something together for him at least the initial research. It can go on for years but my father is 71.

Thank you and hope to hear from you. Lori Hansel

Hi Cousin Lori---

This is great input for which thanks. I need some additional inputs and then I will update my Master Outline and make a copy available to you. To do this I will need your mailing address as I keep my records manually.

You indicate WHM had 12 children by Minerva of which names of 10 are known. However you list only 8. Do you know the other two?

Can you give me your full maiden name? I like to file that way.

I note you have Lucy born 1837???

You can be sure I have and ongoing interest and there is a lot we can do together.

Best~

Hello Cousin Phil,

I don't know how I missed listing the other 2 children but here they are:

Martha Wayne Marsh (1856-1942)
Levina Jane Marsh Alexander (1860-1924). Her daughter Della married a Roscoe Upchurch(1899-1936).

Also noted is that WHMson Thomas married Isabelle Upchurch.

There is Lucy Marsh who is the daughter of WHM and her birth is May 1862 & date of death unknown. She did marry William Harrison Abbott on 28 August 1877 in Wayne Co., KY. She is buried in Mt. Pleasant Cemetery, Wayne Co., KY.

There is also a Lucy A. Marsh Abbott (1837-1896) who is the daughter of Roswell Marsh & Lavina Jane Upchurch Marsh (WHM sister). She married Thomas Abbott. She is buried in Bethesda Cemetery, Bethesda, Wayne Co., KY.

My address is 4918 St. Rt. 276, Batavia, Ohio 45103.

My full name is Lorry Ann Cole Hansel. I usually spell it Lori but legally it is Lorry. Mistake not worth changing! DOB 7/8/1962 in Mariemont, Ohio. I married James John Hansel on 10/13/2001.

My father is Ralph Omer Cole 4/27/1943 and my mother is Judith Ann Riley (12/10/1946). They married on 11/4/1961. 52 years and still together.

I also have 1 sister, Jessica Marie Cole Wilson (4/11/1983) she married Frank Wilson II and they have 2 children Amburlynn Marie (b. 8/28/2009) and Frank "Trey" Wilson III (b. 5/1/2011).

Yes my sister is 20 years younger than I am! I don't have any children of my own so she was my baby. I have been blessed with 3 step-children and 6 grandchildren. They are awesome and I love them as if they were my own even though they are all grown and married.

Let me know if you need anything else.

Best wishes for the Easter Holiday.

I look forward to our next round.

Hi Lori----

Welcome as a 2015 member of Allied Families. Your PayPal payment came through. This also makes you a Charter Member of Allied Families

The password for Allied Families is "2014allied#". You will note that we have already enrolled the George Upchurch family to which you belong. We have a good start on this family but much more needs to be done. I hope you will join us in this effort. Anyone who contributes as much as \$50 towards the enrollment process is listed as a Cosponsor of the family.

You should also go to my other website www.upchurchstory.com where the access code is "2013upchurch#". Be sure to watch some of the videos.

We also need help on the family tree and on other aspects. Let me know if you have time/expertise or whatever. Of course just your interest is important.

Will look forward to hearing from you.

Here at Allied Families we are in the very early stages of developing Family Trees on Ancestry.com for the families we enroll on our Website. I assume yo have had a good look at the core narrative we have posted on our website as we "enrolled" the George U. Family to which you belong.

Our plan on the Family Trees is to get them started in a small way here at Allied Headquarters and then to recruit one our more Family Tree Masters. Please let me know if you have interest in taking on a part of this task. Jay Buck is the expert on Trees in our operation and he is available to coach any who wish to volunteer to help with their family tree.

It is exciting to have you as a participant on our family history venture.

Hi Lori---

Thanks for sending in the screen shot of your family tree. I have now gone over it carefully and have updated my records where necessary. Your Upchurch heritage is quite complex in that you trace back to three of the children of George Upchurch who is Head of the George U. Clan.

We have now exchanged enough information that it might be well for me to send you a copy o some of my manually kept records for you to evaluate and hopefully make more complete an accurate. Let me know if this interests you. I have what I think is a very good Master Outline for your part of the family but there are always ways it can be improved. Along with this I hope you are getting good use of the huge amount of information I have posted including getting a feel for your heritage in England. I think you know a lot about your Upchurch ancestors and that by looking through the issues of the Upchurch Bulletin you should spot aspects of interest.

By now you should begin to get a better idea about how in Allied Families we are moving into the Internet world in an attempt to more fully share what has been collected over many years and to move in the direction to keep this work available on line for the long term. For this we need the help of many volunteers and time /money etc. If you are in a position to help an some particular way we would be most encouraged. In addition to Tree Masters we need volunteers to transcribe documents. We have two volunteer transcriber for the George Upchurch Family but need several more. Let me know if this interests you .

Looking forward to more progress~

I also have several photos that are in line if you need me to send those or I can give you access to my ancestry tree. Either way is fine with me.

Dear Cousin Lori -

Several hours have now been spent in incorporating your input into my systems and bringing odd items to the records. Much remains to be done.

Provided herewith are the 5 pages of my **Moses** **Outline** for the Lemna family Upchurch. Involves the **George W. Moses** U. Subclan to which you belong. These 5 pages take us down to the grandchildren of Lemna. The descendants (if any/if known) are covered in continuation sections "C5" as shown on the left hand side of the page. At present there is only one of these C5 51 which is enclosed after the green sheet.

C5 51 is the latest I have added to the George W. Moses U. Subclan. This means I have a record of descendants of 51 great grandchildren of Moses U.

Enclosed are copies of two working sheets for Alexander Cemetery in Wayne Co., KY. These Ford & Grant records are very helpful.

I will welcome any corrections or additions you have for the enclosed records. We can certainly spend more time on the Lewis family line but if you so desire we can move to other children of Moses. I'd be glad to work with you in whatever way you think best.

Enclosed is a flyer on our new organization ALLIED FAMILIES. I would be much encouraged if you would join. This would entitle you to a copy of the Wychurch Bulletin that comes out this fall.

Happy Spring

Dear Cousin Lori,

Thank you for volunteering as a Transcriber for Allied Families starting with some profiles for the small family of George U to which you belong. Enclosed is a copy of the 9 page 18-Item for your ancestor John U to transcribe with a word document. We are all new at this so don't be worried if there are a few challenges along the way. In due course we will post your transcriptions on our Allied Families website.

Sorry about my poor handwriting
