Hi Katherine----

Delighted you found my website. I hope you had no trouble reaching and searching the three password protected sites where I have posted tons of Upchurch information. In case the password did not come to you it is "2013upchurchch#". Also, I hope you had a chance to view some of the videos. Do let me have any comments you may have.

I do not locate you among my records although you may be there. I would like to know how you fit in and if you can send me a couple of names that connect you to earlier Upchurch generations I will be glad to search my records and give you a report. It is important to determine which of the 22 Upchurch Clans is yours as that way you can focus on aspects that are of the most interest to you.

Our work is going forward under a new organization Upchurch and Allied Families Association, Inc. Have a look at our website [www.alliedfamilies.com](http://www.alliedfamilies.com). I would be most pleased to have you as a 2014 member which costs \$20.

I would a pleasure to hear from you and to interact about our shared interest in Upchurch heritage.

Best~

Phil Upchurch

Hello Phil,

Thanks for writing. I haven't had time to really look around but I'm glad I found your site. And grateful for all the work and stewardship you have done. I am the granddaughter of Samuel Earle Upchurch, one of the first plastic surgeons in Birmingham, AL. He died in 1968, when he was far too young (early 60's) of a rare disease, so I never met him, which I very much regret. I know next to nothing about his family. I see that there are Upchurches in Corsicana, TX- a dear friend of my husband's was from a founding Corsicana family, the Jesters. I am curious to see if any Upchurches and Jesters ever ended up marrying each other! What branch do you hail from?

All best, Katherine Spencer, formerly Katherine Margaret Collier- daughter of Virginia Upchurch Collier, nee Virginia Samford Upchurch

Hi Cousin Virginia--- KATHERINE

Your response brings to mind so many things I would like to mention to you that I hardly know how to start. However, I am inclined to be brief on this round and until I learn what aspects of our shared Upchurch family heritage interests you. I'll be willing to go into more detail on any aspect that interests you as we continue to communicate.

First, I have you in my Master Outline as XID-17512 which was assigned quite early as I am now up to XID-61,000+. You belong to the Abel U., Sr Clan and I belong to the Nathan U., I Clan. These two brothers are sons of Richard U., II whom I have documented well in the Upchurch Bulletin of which 4,000+ pages search-able are posted on my website [www.upchurchstory.com](http://www.upchurchstory.com). Note also 35 videos posted one of which is on our common ancestor Richard U., II. Abel U., Sr left NC in the early 1800's and I have tracked his descendants down through the decades. I am well aware of the medical heritage of your family in Alabama and as associated with Auburn University. Your GM Ann and I corresponded. More of all of that at some other time. Our English heritage has been well documented and is quit interesting.

Upchurches did settle in Corsicana, TX and I have visited them there. They descend from Charles U., another son of Richard U., II. I have only two persons by the name of Jester in my system, neither from Corsicana.

There are a number of undigested facts about the move of Abel U., Sr from NC to AL. I return to them from time to time as I find someone who is interested.

I invite you to give some consideration to our new organization Upchurch and Allied Families Association, Inc for which the website is [www.alliedfamilies.com](http://www.alliedfamilies.com). All of my work will be carried forward under the UAFA banner. An important feature of the organization will be to "enroll" families who's ancestor lived about the time of the Revolution and to collect, organize and share details on the ancestor and his/her descendants. The family of Abel U., Sr would be an ideal family to enroll. If you are interested I will be happy to provide more details.

Please do give me some idea of what kinds of things in the family history area interest you and I will respond accordingly. Our Upchurch history is very rich in detail and I have spent many thousands of hours documenting and sharing them. There is always more to do and encouragement from cousins is much to be desired.

Looking forward to interacting with you in whatever manner you desire.

All Best Wishes.

Phil Upchurch

Dear Katherine----

In 2014 you contacted me indicating that my family history work on Upchurch and allied families might be of interest to you. If we defined our mutual interests, I have it buried in my files. Perhaps you would be kind enough to give me a reminder. Please feel free to explore my website [www.upchurchstory.com](http://www.upchurchstory.com), where I have tons of information posted on Upchurch and related families. The password is 2013upchurch#.

Also I invite you to examine our newer website [www.alliedfamilies.com](http://www.alliedfamilies.com) - password 2014allied#. Notice our approach to enrolling families. I hope you will become a 2015 member of Allied Families for \$20; a membership form is attached. If you are willing to volunteer some time, please let me know.

I would enjoy learning about your family heritage and about your interest and will be happy to share details.

If you no longer wish to be kept on our family history contact list, just reply "unsubscribe." It would be a pleasure to hear from you.
