Dear Cousin Ann,

Just a hurried note to thank you for your letter of 31 MAY 84. We seem now to have fairly well settled an arrangement whereby your brother Edward Harrison Cook was called for convenience rather than because someone else ^{in the family} had an identical name.

You have certainly been generous with your time and effort in helping to sort out your part of the family. It is a real pleasure to work with people like you. Please do continue your interest and send me anything that might be of use. I do appreciate your words of encouragement.

Sincerely yours
Phil Hutchins

Sorry to be so slow, have been waiting to see a cousin who comes here during summer. Saw him this past Mon. He tells me his hero is Edward B. Cook, Democrat or something any way not H. Next time I see him will ask if he knows of any other Edward Cook with middle name of H. If yes will send to you.

As to my fathers father his name was John J. Cooke dont know the J.

Nothing further to add this time. Have enjoyed the bulletins and as I read am aware how much time & work goes into the finished issues. Thanks Very much

Dear Cousin Ann,

Thank you for your letter of 2 MAR 84
re the pa & son matter relative to your
brother and father. I am completely
satisfied as concerns father and son and
have corrected my files accordingly.

However, there is still a lingering question
in my mind. Can you tell me ^{full} the name
of your grandfather Cook (that is the name
of the father of Edward Hamilton Cook). If
your gf Cook was named Edward Harrison
Cook, then your brother could have properly
been named II, although we know he was
known as jr. For that matter was there another
Edward Harrison Cook anywhere in the Cook
family to your knowledge. True not all that
crucial - I just like to be thorough!
Sincerely yours Phil Upchurch

Hello Cousin Phil.

REC'D
7 MAR 84

I'm sorry you have a problem with the two Names.

Father: - Edward Hamilton Cook 7. 20 - 1866

Son: - Edward Harrison Cook 6. 16 1889

Since both father & son had same initials E. H. Cook. they began using Sr. & Jr. after son got married. This was to keep mail & other legal documents from mix up..

Edward Harrison therefore is not a Jr or II. since he does not have some middle name. Hope this solves the puzzle.

If I may be of any help dont hesitate to ask. I'll be happy to help if I can. No New changes in the family to date that I know of.

Sincerely

Cousin

Dear Cousin Ann,

I have encountered a puzzle in your family that you may help to resolve. It concerns your father whom I have as Edward Hamilton Cook and his son Edward H. Cook b 16 JUN 1889 d 8 FEB 1956.

In some cases I find the son referred to as junior which presumably means he was named Edward Hamilton Cook, Jr - but in other cases the son is referred to as Edward Harrison Cook or Edward Harrison Cook II.

Was your father middle name Hamilton or Harrison? Was the son's name Hamilton or Harrison? If the son was called Jr and not named exactly as his father, can you explain?

Sincerely yours
Phil Upchurch

Dear Cousin Ann

I am pleased to have your letter of 22 SEP 1953 and all of the details have now been studied and properly recorded. The picture of David Harmon & wife is a good one. I am in the process of having a copy made and will return the original to you.

Your note about Verma May at Mrs Kayman's (Hays) is a daughter of your 1st cousin David Cassell who is a son of Elliott Vermont, your uncle. Hence Verma is your 1st cousin, once removed.

Ann, I am tremendously grateful for the large contribution you have made to the records of the Upchurch family. I will not press you for additional specific questions at this time. However I do hope you will keep looking and writing to your relatives. Here and there you will find a source of new information and of course there are always births, deaths, marriages, etc. Supporters like you have encouraged me to keep up the Upchurch Bulletin (I started on your letter at 5:00 AM today and all your help is appreciated).
I'd love to hear from you.
Sincerely yours,

Over this week-end I have processed two batches of information from you and I just wanted you to have this note of thanks. One was the material provided with your letter of 23 MAY 1983. As you will see from the enclosed flyer on the
Upchurch Bulletin I am keenly interested in all of
the Upchurches. In Vol 3rd of the Bulletin I published
a picture of Patrick Bogan U & his wife - your great
grandparents. Also I have sorted out how your line
fits into the total Upchurch family.

Basically I would like to have the following
information on all the descendants and spouses
of descendants of Mary Belle Upchurch - Full
name (maiden name if female), date & place of birth,
date and place of marriage, date and place of death,
place of burial. Any of this you can provide
will be greatly appreciated. Can you name the
23 grand children of Mary Belle Upchurch and any
great-grandchildren along with dates & places?
For your brothers and sisters can you give place of
birth, place of death, place of burial, dates & place
of marriage? Where in Arkansas was your
mother born? Was she named MORGENTA, AR?
Where was your father born? Where in OK did he
~~die~~ die?

I will appreciate any help you can give
me on the above. Every bit of information
helps.

Dear Cousin Phil;

Rec'd your two letters, Dec 26 - Dec 31. I cannot furnish any information on my Mother's sisters or brothers. As I have forwarded it to my Aunt wife of Eldredge - for any data she may be able to give you. The letter I rec'd today regarding Lemita Cook family I am sending tomorrow for a more complete history. She was married to a Stewart and now is married to Hampton. Should have a reply within a mo.

As to when my parents moved to Okla. I only know it was during the Okla. opening for a land run. The President declared Terkawa & Pawnee Reservations to be opened to settlement on Sept 16 1893. This was the greatest run of all in the Okla. History. One sister born in Ark 1891 the next child in Okla 1894. So I'm presuming we came during the 1893 run.

My Parents were married Jan 16 1887 Argonia Ark Sulaski or Suluski Co. The copy very poor. could be variation of letters. As to when parents went to Okla I do not know. Report from Aunt Mary G. Fisher died in Exeter N.H. was shipped to Clinton Ark for burial in Chapel Hill Cemetery near Clinton. He served in Civil War was wounded in pipes leg & carried a cane. No interesting events that I can think of at this time. David D. Gurn 1844 died 1917

Dear Cousin Ann,

When I wrote to you on 26 DEC 1982 I did not realize there was still one more letter from you to process - yours of 1 NOV 1982. I have now finished extracting your 1 NOV 1982 letter and have some more questions. In the meantime I have written to Mrs Charles Hoyle for more details on the Iona Armatte Cook family.

I am confused about the names of the children of ADMETA MAE COOK. Your letter shows her as being married to NORMAN HAMPTON but her children are listed as:

Gary J. Stewart b 26 FEB 1944

Richard M Stewart b 26 DEC 1948

Zona Alene Parson b 16 AUG 1950

Can you clarify?

Also for the eggs of Mary Belle D - who are the parents of the two Stout children

Does Gregory McDaniel represent two first names for one individual whose last name is Stewart?

Till later

Sincerely yours
Phil Upchurch

Nov. 1 82

- Mr. R. P. Upchurch.

- Dear Phil

- after much delay am happy to receive
 - from my niece the history of her father
 - (my brother). There is much she could not
 - get, maybe later. She is youngest child of
 - my oldest bro. ~~the~~ eldest child of my mother
 - Mary S. U. She also wants the Upchurch
 - bulletin so I'm sending a check to cover same.
 - I was happy to receive the bulletin and
 - you have certainly been a busy person
 - as yet I have not digested all of it
 - I will send later for the 1983 editions.
 - maybe later the '80 & '81 issues.

- I am unable to furnish any
 - thing on Sara Cook's family I have
 - been out of touch with them several
 - years.

- I wonder if there is a son of
 - Vernon Upchurch living. There was a
 - daughter yet living in Mo. Maybe
 - Hazel Marks knows of her. Vernon a
 - bro of my mother. I must write to
 - Hazel & her mother soon & will ask
 - about her.

- Anything I can do to help I will. I hear
 - from Alma U. Butler.

- Thanks so much. as ever

Dear Cousin Ann,

I am just finished extending all of the details provided in your letter of October 11, 1982. It took me all day! Please accept my thanks for the fine job you have done. As a result of your work I have added 49 new individuals to the Upchurch roster (XFD-4406 through XFD-7455). These will be published sometime in 1985 in Upchurch Bulletin. I will appear to the additional details you are expecting from your relatives. Such details are sometimes hard to get.

It is not for you the missing bits of information on your Upchurch Aunt & Uncle (The children of David Harmon U) in case you have some of the stories we can get them.

1) THE LOUISE JANE U

- a) where in ~~the~~ Arkansas born?
- b) was birth date 27 JUL 1867 or 27 JUL 1876?
- c) where married?
- d) date and place of marriage?
- e) what & how the ~~was~~ ^{was} ~~married~~ ^{married} ~~relationship~~ ^{relationship} stand for?
- f) where and when was ~~she~~ ^{she} ~~born~~ ^{born}, where and when did he die and where he be buried?

2) For LORA DAVIS U

- When was she born 3 NOV 1873 or 10 SEP 1873
- Date and place of marriage?
- When and where did James Manchester Evans die and where is he buried?

3) For ELIOT VERNON U

- Where in AK was he born?
- Was he born 10 AUG 1875 or 10 AUG 1876
- Did he die on 19 or 21 DEC and was it 1920 or 1921?
- Date and place of his 3 marriages?

e) For Mary L. Newscomb - what does "I" stand for, when was she born, when did she die, where born, where buried, where buried?

f) For Harriet Allen Ross - should it be "Harriet", where born, when died, where buried.

g) For Mary McCallum - was full maiden name, when & where born, when and where died, where buried?

4) For CORA ~~KORA~~ ELMA U

- Where in AK was she born?
- Was she born 17 FEB 1877 or 17 FEB 1873?
- Did she die 20 DEC 1929 or 20 JAN 1921
- When and where married?
- Full name of Forest Wadleigh? and when and where was he born, when and where did he die & where buried?

5) For ETTIE U

- Was her middle name ETTIE or ETTIEA?
- Where in AK born?
- She died at age 9 months at Axtun, AK. but was buried 60 miles away at Rogers, AK (can you explain why she was buried 60 miles away from where she died?)

I have complete information on Mary Belle U and on Eldredge Harmon U as individuals. After the other information on the descendants of Mary Belle U you report is in hand I will have some more questions for you on her descendants. The information I normally collect is:

1. Full name of person
2. Birth date
3. Birth place
4. Death date
5. Death place
6. Burial place
7. Full name of spouse^(s) (full maiden name of female) plus items 2-6
8. Full name of children, grandchildren, etc plus items 2-6.

Can you think of any unusual incidents, activities, occupations (good or bad) that have happened to any of the descendants of David Harmon U? Such items help to tell the story of our people.

For your gf, David Harmon U, I have one story that he died in Clinton OK and another that he died in Topeka, KS. Can you shed any light on this? All reports show he was bur in the Chapel Hill Cemetery at Clinton, OK.

Do I assume correctly that Mary Belle U married 165A N 185th in Argenta AR shortly before her father (D. H. U) moved to OK and that when D. H. U moved to OK she and her husband went with the family?

I am delighted to have your interest in the Upchurch family and look forward to hearing from you.

Sincerely,
 Phil Upchurch
