Notes of RFA meeting on 19 DEC 2013 at the Hampton Inn in Cary, NC with members of the James Lee Martin, Sr & wife Eleanor Martin, II "Aunt Ellie". Present were a GP Barbara Andrews & her sister Eleanor Jane Andrews & Richard Hecht, a son of EJA

All 3 were very chatty - Richard struggled to figure out how he felt in such a large group & the girls throwing in comments about me & Emma.

They said Aunt Ellie suffered so that she never had a home of her own after Uncle Martin died.

- △ James Martin pushed me school & took
- △ Dan under his wing to educate him. The
- △△ Guide Mary & Beatrix went to Memphis at reduced rates & also worked for money there
- △ - just wrapping by Eleanor was a menopause baby & went to business school.

Aunt Ellie was a very proud person - loved costume jewelry & wore too much to church

Eleanor Jane loved Episcopos & Inners

Eleanor Jane says her mother Beatrix (Martin) Andrews was embarrassed that Aunt Ellie wore so much costume jewelry to church

⑧ 13 MAY 1981 - Phone 919-782-0161

While in Raleigh, NC I called Eleanor Upchurch Martin. She said she now has the pictures of Grandpa + Grandma Upchurch but wants to keep them for herself but says they are to go to me when she dies. She says this is written on the back of the pictures & that she has told her dau + son this.

Eleanor says her sister Beatrice Martin has a middle name "Aurora" and not "Ree" or Beatrice claim. Eleanor says it is written in the family bible as Aurora.

Eleanor has not subscribed to UB81 but says she plans to do so.

Eleanor recalls two stories told by Uncle Betty - one about "the old big toe". I do not know these.

⑨ 17 MAY 2006

Rebecca Martin Bradley, D/O EUM, called to report that her mother, EUM, had passed away at her home in Raleigh, NC on 16 MAY 2006. Becky was with her at the time and she died peacefully. She will be buried at Mount Zion beside her husband "J.W."

Dear Eleanor,

Just a note to say that I enjoyed our brief chat by phone last month when I was in NC for Barry's graduation. There was a very long trip for us since it had been four years since I had been back to NC. We really needed more time.

Since you indicated you planned to subscribe to Upchurch Bulletin for 1981 I have mailed you the first & second issues. They went out by bulk mail on June 11 along with the mailing to all other subscribers.

I was pleased to learn you have definite plans for the pictures of GM & CF Upchurch. These are items with great meaning for all of our descendants. Would be nice to have some small reproductions.

Sincerely yours,
Phillip

Δ+Δ+Δ In a private conversation Betsy revealed that she alone must see to her mother's needs as her brother Julian declines all contact leaving Betsy distressed. Eleanor was invited by Betsy to her house & assets but Betsy is afraid her brother will challenge the will. Betsy & Julian are also estranged. She says he is materialistic. Betsy was going to leave her assets to Downscroft - but not now because of the way they treated her.

Δ+Δ+Δ Betsy commented on her Uncle Dan & James. James got into trouble with IRS because he did not keep her hospital financial records in order. He, therefore, left & went to Myrtle Beach. Dan put things in order. Both Uncle drank. James would start at the end of the day. Dan's wife Suzanne was also an alcoholic & Betsy was put in charge of her uncle with instructions not to open the liquor cabinet until 5:00 PM. Suzanne pleaded for an earlier drink. Betsy eventually despaired of waiting her Uncle as Dan in particular under the influence would release a tirade about family matters which Betsy found hard to take.

Δ+Δ Neither Eleanor nor Betsy seemed aware of the painting of the home of BJU which I recall hanging over the organ. [UPCHURCH ARTIFACT FILE]

Δ Betsy has some odd objects of a historic nature - some family related and some not. She showed me a picture of a turtle shell which came from either - or more likely - his.

Δ+Δ Betsy mentioned to her mother that she had agreed to help organize a museum on her father.

Δ+Δ Eleanor says Aurora G. Kot had migraine headaches which Eleanor does also. Eleanor says medicine for Aurora was ordered from Sears & Roebuck and she became addicted to it. Eleanor & I agree this was probably Laudrum. This accounts for the different version I heard which was that she was an alcoholic but only took it in the evening.

⑤ - Continued.

However, when Si died the wife of J. decided she did not want to be called Mrs James Lee Martin, Jr so that started some adjustments and hence the confusion of Jr now sometimes being called Si.

Both of her children "Bill" and "Becky" were born at Rex Hospital in Raleigh, NC by cesarean operation.

Bill is no longer a druggist but works in Raleigh for the Dept of Human Resources. He is at the head on the week-ends. His no = 919-787-6686. He is interested in the family and wants to subscribe to the U.S. He and Aunt Ellie used to go to Inwood Cem on proms.

Neither Becky nor Bill have children. Becky is going out with male friends now.

Bill has the old organ as it was her grandmother's.

EUM says James Lee Martin, III "Jimmy" did not take care of himself. He was overweight. He mostly lived on his father's money. He was his mother's pride and she is still distraught over his death.

EUM has dined occasionally with Larry Nelson, former Stat Prof at N.C. State. He is now retired and has a keen interest in his heritage which is in the Bahamas. Eleanor Jane Andrews has collected details and will send them to me.

Dear Cousin Eleanor,

It is with sorrow that I write to
comment on the death of Dan. He had
suffered a great deal and I hope was at
peace and ease at the end. He and I
had several phone conversations over the
last several years and they seemed to be
enjoyed by us both. He developed a
respect for my work on the Upchurch
family and as a result left the
gold watch and the gold waded cane
which had belonged to Mr. Nable Upchurch
in my care for future generations.
I shall treasure them as I do the
pictures of Grandpa & Grandma Upchurch

Tim & Jim tell us that they plan
to visit us in Tucson this fall. We

will be happy to see them. They seem to have recovered well from their operations.

I was sorry you could not get to the Upchurch lecture last February. It seemed to go well and after about 2 years maybe we can do it again. You will have to come to the next one.

For 1986 I am sending you a complimentary issue of the 1986 Upchurch Bulletin. I want you to keep up with what the Upchurch are doing.

We are now all excited about buying farm land in Missouri. You know an Upchurch has to have land and dogs and horses to be happy.

Let me hear from you

Sincerely yours
Phil Upchurch

Dear Cousin Eleanor,

Only today have I had the opportunity to select the notes of my February trip to NC and to record them in the Mansour biofile. Now that is all done including the notes about your giving me the beautifully framed pictures of our grandparents, the balance stone, the walking stick and the tongs. The pictures now hang in my study at home where I spend quite a few hours each week working on genealogy. They are an inspiration to me and I am ever so grateful to you for your thoughtfulness in trusting them in to me. Eventually, I want to have both the frames and the pictures restored by an expert and to have some smaller copies made. It is not that they so much need restoration. Rather, I want to make sure they are treated properly in order to prevent any future degradation. Also I would like

To know if the professional restorer can tell us anything about when the pictures were taken and the process used to take them.

In L.D. April we had to make a fast trip back to NC for the funeral of John W. Sledge, my wife's brother. He was President of the NC Farm Bureau for ten years up to his death at age 60.

In our telephone call last November I got a few details from you on your brother & sisters & their families. There are still quite a few missing details and sooner or later we need to collect these. Perhaps one day I shall have more time to visit and to process records.

I always enjoy my visits with you and hope we will have more time in the future. My best to J.W.

Sincerely yours
 Phil Yonush

Dear Eleanor,

There is to say that I thoroughly enjoyed my recent visit with you and J.W. and that your order for Upchurch Bulletin is acknowledged. The undertaking of UB has forced me to contact and visit many relatives and the pleasure of this is a real bonus. The Upchurchs have always seemed to have a keen sense of their own family history and this seems true today. I appreciate the effort you have taken to preserve things and especially remember the two cases of Aunt Elsie received on her tenth birthday and the letter authorizing Ben Martin to preach. Hope these items show up well in the picture I took of you and J.W. (and I tell you that your father married my mother and father?)

I do hope you will give more thought to the pictures of Grandfather and Grandmother Upchurch. I would be delighted to have them

and would treasure them. My son Busy should be leaving from Duke to Arizon in May if that would fit on the transport aspect.

We got U-13 Vol 1 issue 1 in the mail yesterday by the target date. your copy will arrive sooner or later depending on the U.S. Mail. The name of William U, our greatgreatgrandfather, is one of the pattern items. I hope you will like the Bulletin.

At some time in the future I hope we will be able to visit again and to compare mental notes. There is so much we can share and I would like to get as much recorded as possible.

Letters will go out shortly to all the addresses you gave me. In the meantime if you have more thoughts on our family I would be pleased to hear from you.

Sincerely yours

Phil Upchurch

MRS ELEANOR M. BRADLEY

Dear Cousin Eleanor,

Over the last several months I have been trying to complete the linkage on an Upchurch line which was located in Johnston Co, NC in the 1850's. In the process I contacted Wells Creek Baptist Church in Harnett Co, NC as some records indicated that particular family had roots there. The Church Secretary was kind enough to send me a very nice history of the Church for the period 1780-1980. Imagine my surprise when I found that the minister there for the year 1910 was the Rev. James Lee Martin. The booklet had a picture of most of the ministers but not of Uncle Martin. I wrote to the secretary and asked if they would like to have a picture of Rev. Martin and she replied that they would be very pleased to have one.

I too would like a picture of Uncle Martin and of Aunt Elbe as well. Do you have anything that would be suitable that you could send me? For the church I think that something like a 2" x 3" black and white print of Uncle Martin alone would be most appropriate. For myself I would settle for anything although a picture of them alone and together would be nice. Perhaps you have extra contact prints available. If not maybe old negatives that could be developed - as we could have copies of prints made. If you are willing to make copies of prints this will be fine - as I will be happy to have copies of prints made and return the originals to you.

Also I would welcome a biographical sketch of Uncle Martin if you happen to have one

We are hoping to have all of our children home for Thanksgiving. Hope all is well with you. Hope to hear from you soon.

Very sincerely

in the Upchurch family and hang side by side as our Aunt & Uncle would want. I will, also, see about having small reproduction made under "Inset" again and will let you know. I have several items Grandpa owned you would like a copy of.

It isn't too far as in N.C. I hope we can arrange a visit and see "take" of the Upchurch family, which we are proud to be a part of, like Uncle Willis used to.

I look forward to maintaining contact
with you and Becky. Hopefully, I'll be able
to make more extended trips back to North
Carolina.

It seems that all of our "mature" people
share in keeping the medical profession
busy. You have had more than your share
and it is good. It see you hearing up. We
do come from good stock.

With All Best Wishes

Sincerely yours
Phil Churchill

She and I plan to maintain contact.

Becky briefed me on your current health issues. I know these issues are a challenge to you. You are fortunate to have good care and I know Becky must be a great comfort to you.

Please know that I enjoyed visiting in your home and talking with you and J.W. The notes I made form a part of my treasured Upchurch Archives.

Becky tells me that your mind is still very sharp and in that you are fortunate. Perhaps the notes from one of your kin will help you to focus on some of the fond memories we both have of the Bartley Jefferson Upchurch Family

Love
Phil Upchurch

Dear Phillip,

It was nice to get your letter. I am always pleased when I hear about, or talk with someone about, my Papa. He was so special to me and a wonderful man.

I am sending you a picture that was made for the Church at Gorman where Papa preached and where I was born in 1916. This picture was made in 1935 and he was not in the best of health then but he was still a handsome man. He died in 1936, or rather December 3, 1935.

I will send you a copy of the little write-up Mary prepared for the Gorman brochure and, of course, you can add the church in Hargett Co. I am sure that he preached there when we lived at Lenoir.

I do not have a picture of Mama - Sid's mother or of her (I did not like it) and, as you know, the Sid's are now dead, the studio closed and records unavailable.

I will send a copy of some

snapshots of Mama that I do like and
have finished if they would be of use
to you -

I also have something for you -
The next time you are in Raleigh
can by - Now, I have you curious
up! It is just something I want
kept in the Upchurch family. And
you will eventually get Grandpa
& Grand-ma's picture.

Let me know if I can ever
be of help to you and please let me
know of anything new you find out
about Wapa and Mama -

Sincerely,
Eleanor

The Reverend James Lee Martin

The Reverend James Lee Martin was born Jan. 2, 1866, in Yadkin County, N.C. He attended school there, and participated in the programmes of the Baptist Church. He experienced the call to the ministry, and answered it in his early life. He was educated at Wake Forest College, and at the Baptist Theological Seminary, at Louisville, Kentucky.

After he returned from Seminary, he married Eleanor Upchurch, of Raleigh, N.C., in 1898. She and their six children survive. Mrs Martin lives at Myrtle Beach, S.C. with her eldest son, Dr. James Lee Martin, Jr. Their other children are: Dr. W. Lan Martin, Mullin S.C., Mr W. A. Martin, Farmville N.C. Mrs G. H. Anderson, Pittsboro, N.C. Mrs J. W. Bradley, Raleigh N.C., and Mrs T. B. Hough, Rockingham, N.C.

Mr Martin served forty years in various Baptist Churches in North Carolina. Among them were, Creedmore, Stem, Tabor City, Jonesville, Hugunay Springs, and Gorman. He came to the Gorman community in — (I do not know the date, I hope you can supply it) He organized the Gorman Baptist Church, and led in its first building program. This was an achievement that he took particular pride in. He loved the people of this community in a special way, and Gorman was always dear to his heart.

At the time of his death in 1935, he was pastor of New Hope Baptist Church, Raleigh, N.C. He came to the end of a full and rich ministry, and rejoiced over the many friends he had made, and was thankful for the blessings he had received in fellowships with the fine people he had worked with during a rich and rewarding ministry.

Phillip in order for you to read this, I had
my husband copy it. My writing is terrible.
You can bring it up to date & correct it
Obituaries. The facts are here. Of course,
Mama has died and my oldest brother,
James Lee Martin, Jr., has died since
this was written.
