⑥ 1 JAN 1994. RPU called IONNM 919-269-8461.

She & Jarvis both have a cold. He has never recovered from the cancer operation. He has no bladder control and wears an absorbent device. They still drive & shop at the PX in Goldsboro on a monthly basis. I told her about the Richard Aron Smith book.

Re Zylphian "Ann" (Durant) James - she does not know how this family links to the U family. She does know "Ann's" son-in-law Billy Wayne Ray of Pilot, NC. Tony thinks the name James could be "JEANS".

⑦ 23 JUL 1994

RPU called IONNM and had a nice chat. Got info re the Brantley Family. She sounds upset but reports that her husband Jarvis is in very poor health and can barely get around the house.

I called for assistance with land ownership maps of the Mountain Creek Area. She says she has a packet to send me. She has had a foot operation but is doing well. Her sister died recently, farm is doing well. Their son Tim who lives locally and has a heart problem is doing well. She talked to her son yesterday in Alaska. area. It is almost certain that either Upchurch Family members had land which adjoined this tract. on Page 139 you can see the tract in question which is shaded and marked Area B. The detailed sketch of Area B is shown on Page 137. The narrow numbers show the present day owners of the narrow sections in red.

Tony, I have continued to correspond with lots of people and have continued to improve the Upchurch Master outline. A lot of this has related to the Upchurch in the Zelodon area. Still, there is more to be collected. Someday I hope to visit you again and to go over the various outlines. I know you have or could get details that would be very helpful.

I was unhappy that my schedule would not permit travel to NC this

past spring. I had so much hoped to give an Upchurch lecture in the church at Beavers as I had discussed with you over the phone. I am not sure when we will get to NC. At present our plans are to retire from the University in early 1994 and move to Missouri. We will put our house on the market for sale here in Tucson in October and a lot will be contacted by when (if?) our house sells. I'll let you know when we plan to come to NC.

I hope this finds you and family doing well. I know family has had some health problems and he has been in my thoughts.

It me hear from you if you get time:

Dear Tony,

Your letter and packet dated 25 JUN 91 were received 17 AUG 1991 and have now been processed. This represents a major advance for the family of Anna (Uydanovskii) Prunetto. Upgraded copies of the Anna U Marder outline and other related continuation sections that were included in your packet are provided herewith for your use. We have details on 9 children of Anna U and all seem to have had issue except Robert Prunetto (XFD-26896). One suspect he might have been lost in the civil war but even so he could have married and had children.

I will send to I hear from you about the husband of Pauline Grey Prunetto to change his section. I currently show she had an Allen but maybe it was a Lee (Otr - Allen or Otr Allen Lee). (see section 19)

Based on the information you gave me over the phone I have concluded that Sidi Ann Richards had a son Soney Johnson who had a son Sanny Eugene Johnson (see copy of his profile enclosed) This is covered in section 37 A+B but I have not assigned XFD's to this new found family pending word from you.

The enclosed upgraded files include details I have discovered in my profile system based on clippings from the Columbia Newspaper.

As I mentioned over the phone I will be happy to make copies of parts of the Master outline to give to certain cooperators whenever you say the word. The more complete we have the outline the better.

I am greatly pleased at the progress we are making and can't thank you enough for your efforts. Let me know if you have any expenses you need to be reimbursed for.

My best regards to Janice. Hope her planning for a fall garden - collards at least.

Sincerely yours
Phil Upchurch

R.T. 3 BOX 206
ZEBULON, NC 27597

Dear Phillip,

Since having surgery on my foot last week, I have been working on some notes - you might need an interpreter. Seems I make messes - but you know how it is when you ask a lot of questions & take notes, and try to listen all at once. I hope ~~they~~ you won't be too confused. There are lots more questions to be asked & as I get as much as possible, I'll send them. Too much at one time may be bad.

Lots of the relatives are asking how they can obtain copies of the Wm Pinette & Anna Up. history. I tell them it's not complete & if men will help with the information we can make more progress. I get promises, but not results. But I'm slow, so I shouldn't complain. They will keep trying?

The weather here is nice! We haven't used the AC this week. We got some much needed rain on Sun. I guess Ariz. is hot, but we all think our part of the country is best.

My family is still having health problems but we have lots to be thankful for!

Hope this finds you and the family well.

Sincerely,
Tony Gay

Dear Tony,

I was so pleased to get your letter of 11 APR 1991 and have just finished reading it. The information you gave on William E. U, Jr was enough for me to place him in the family. His father (W.E.U, Sr) is the son of James W. U (XFD-2914). I am sending you a list of the Master outline sheet for James W. U and the follow-on section 6A and 36A. You can see we have some details and are missing a lot. Anything else you happen to be able to supply for the family will be appreciated. The James Larry U is the minister (Baptist) who has a fairly high profile in Raleigh.

It is just great that you are making progress on the other groups. I have no one else in the Zebulon area who is helping.

It would be nice to have 2 or 3 more like you. The information you have can be sent anytime - either a list at the time or all at once.

Congratulations on your 50th Anniversary. We have 7 more years to reach that mark. I know you and Janice had a nice time with your quiet at home meal.

I do hope Tim is mending. The leg-pass operations usually work mending. I have to have a cataract eye operation on June 6 but they say it is simple.

When you do start on your family I'll be glad to learn how it comes along. My files here in Tucson might yield a useful item or two as you get into it.

I recall with great pleasure running in your home at Christmas in 1989 and also several years earlier when Janice and I walked through the countryside. Give him my best. Hope to hear from you again soon.

Sincerely yours
Phil Spilbury

This letter is overdue, but I kept thinking Ann W. Liles would return my calls. Since she doesn't seem to care to answer, I'll send you what ~~F~~ Edith T. gave me. Hope it helps some.

Also, I want to tell you I am slowly making progress on the other info. you requested. Alice Tant has been most helpful & I intend to go visit her again & again, I cannot work on this but about 2½ hrs. at the time. I do want you to know I have made lots of progress on Adaline, ^{Frances} Frances, & Ellen Ann Privette. There's so much that's very interesting - some Alice told me & then Aunt Annie remembers things now & then - she's 87 - still going strong as far as her physical body is concerned - she's moved back from Tenn. after 60 years.

his brother's Jarvis & I were special guests at Hillard Dr. & Jewel's 50th Wedding Anniversary ^{reception} on March 24, 1991 - We don't plan any celebration ^{on April 16th} because our son Jim's health is so bad - (His ^{triple} heart by-pass hasn't been a success - one has

We might loose him at any time.
Our son Waddell is in Alaska - too
far to come - so, we will thank our

When I get more info. I'll pass
it along to you. Or would you like
for me to send it piece-meal?

Hope this finds you & the

15 JAN 1991

IONE M. EAT
RT #3, BOX 206
ZEBULON, NC 27597

Dear Terry

Thanks for your letter of 10 JAN 1991
and for the details. I have spent my spare
time this week getting all the details in
the right place. Your notes on the newspaper
clippings were most useful. I am really
concerned now about the will W, or family
and have enclosed a sheet on it. I can't
link it up with the rest of the family.
Perhaps with a little more detail I
could do so. Can you find any more
hints - just anything might be a key - where
are these folks buried? Enclosed is a copy
of a three page item on a will W. Is this
the will W, for D whom you prefer? You
need not return this.

Returned documents are the following:

The picture of Anna W, the flyer on the 10300
1989 Brunette Pearson, and the 1960 census record

for the William Prunette Family. ⁽²⁾ My details
on this family now are roughly as follows:

I. Richard U, III - Head of clan

A. Bushely U

1. Anna U "AMY" b ca 1807 (Franklin Co, NC)
m d 25 NOV 1857 (Franklin Co, NC)
William Prunette b ca 1807

(1) Albert Prunette b ca 1839

(2) Nancy Prunette b ca 1842 m d — Richard

(a) Fyffe Richards m d — Reynolds
(same as Raleigh, NC)

(3) Miller R Prunette CSA b ca 1844

m d Virginia Wiley. [I have details on
3 children and descendants]

(4) William Prunette b ca 1847 m d Margaret
Phillips [I have details on 6 children and
descendants]

(5) Calmer Prunette b ca 1848 m d the
widow Frankie Perry (nee — Baker)
[I have details on 9 children and
descendants of 2 of them]

(6) Adeline Prunette b ca 1850

(7) James Berry Prunette b 10 MAR 1852 [I have
a pretty good set of data for her &
her wife & 14 children]

(8) Ellen Ann Prunette b ca 1854

(9) Frances Prunette b ca 1856

Do you think there were only 9 children? We have
a long way to go on (1), (2), (6), (8), and (9). I would
be pleased to have anything else you have on
the descendants of Anna (U) Prunette.

Tony, it has been a while since I have worked with the census records so I called our cousin Vicki Barefoot-Gerds in Raleigh, NC to get some suggestions. She is a descendant of Hanson U. whose parents we are still seeking. She goes to the Archives in Raleigh often and thinks that is the best place for you to go if at all possible. They have the original and microfilm copies of all the census records from all the N.C. counties. They also have extensive files on wills, marriages, deeds, newspapers, etc. I was there about 15 years ago for a brief search. This place is the State Archives and Museum of History on Edenton Street in Raleigh just east of the State Legislative Building. These facilities are open TUE-FRI 9-5 and SAT 9-12 & 1-5.

You would just go to the Genealogical Branch on the 2nd floor and look up the family name you want in the index system (actually a series of books). That will tell you what county and year you want to look for. Then you go up one floor to the Archives and check out the originals or the microfilm. You have to use them on the spot. I am

see there are people there who will help you get started. However, if you would like more personal attention our cousin Vicki says she will be happy to meet you there one Saturday afternoon. She told me to give you her name and address:

It is. VICKI BAKEFOOT-GERSH, 10224 CLAIRBOURNE PLACE, RALEIGH, NC, 27615. Phone 846-0972.

(She was a Bakefoot and married Scott Gersh. She is a fine young lady with two small children).

If it is not possible for you to go to Raleigh there may be two alternatives. You could go to a local library and for a small fee they will order a particular census record (say 1860 Franklin Co, NC) for you. They have microfilm reader you can use. The other approach is to go to the Morman Church. They will provide the same service at what they call their STAKE library.

Let me know how you come along.
Good Hunting!

Sincerely yours
Philip H. Harkness

Dear Phillip,

The past year was a busy year for us, as I'm sure it was for you. We made it & thank God we did. Our hardest blow was when our 44 yr. old son had a heart attack aboard a plane out of Boston, Mass. ^{Oct. 31} He had been on a quick (18 hr.) business trip for IBM when it happened. They thought they would have to land at Baltimore, but made it to Charlotte. He was taken off the plain and ~~taken~~ ^{risied} to Pres. Hosp. there. On Nov. 2nd he had a triple by-pass. He came home to Wendell ten days later & hopes to go back to work on Jan. 14th. Our 47 yr. old came home from Alaska. We were glad to see him, but wish it had been under different circumstances -

Your first packet came early in Dec. & I have worked on it from time to time - Then your letter written on New Years. I know it will take a long time, but bear ~~with~~ with me. I'll do all I can.

About the articles from the Zebulon Record -

- △+△ (1) Mozelle was a Strickland - Aunt of Rhonda G. Long
- △+△ She married Will, Jr. Up. of R#1, Zebulon.
- △+△ Lattie tells me Mr. Otha could never
- △ make a connection with Mr. Will Up. Sr.
- △ (2) Lucille Pease Sharrington - No one seems
- to know connections
- △ (3) Theophilus Jones - a black man.
- △+△ (4) J. Raleigh Alford - one & the same
- Raleigh "

→ Have no idea who Mrs. W. S. Gay of R.C. is.
He married Roslyn Hollingsworth.

(5) J. B. Richardson, Sr. is not same as James Berry Richardson who was son of Mattie Pivette & Hecbrey Richardson

(6) Glatha P. Carlyle - 19 APR 1990

After several calls I learned that any one who desires can be buried in Up. family cem. ^{they} can be buried there whether or not there is a connection. The Church cemetery is so small & because of development, people are given the privilege of being buried in Up. F.C.

(7) Michelle Up. Harris 17 MAY 1990 is a black person.

(8) Helen A. Green 4 Oct. 1990 —

The A is for Alford. Up. F.C. is located near Harold Alford farm on Old US 64
Could that be the reason?

I'm sending you a picture of Anna H. Pivette & also the bulletin from the reunion. Wish I had negatives to send, but I don't - Also info. from 1860 census. You can return them sometime, but there's no hurry.

By the way - I saw Edyth Lippett before Christmas. She has slowed down with this since her husband died & she sold her beautiful house & lots & Glayo. She told me she knows you. Also, I have talked with a Mrs. Jant at Pilot who knows you & she told me she will share what she has

on the Privettes. She seems to have told that I don't have. Soon as I can get around to it I plan to visit her. So, I look forward to it. Jarvis keeps urging me, but I tell him I need to see if I can find anything on my family-

And one more thing - I may sound dumb & you know I don't have much education, but I want to ask you - How does one go about writing to the Census bureau? I don't know where its located, but I'm not supposed to know everything - just some things. Right?

Hope this helps some & best wishes for a Happy Year to you & yours.

Sincerely,
Tony Gay

RT 3, BOX 206

ZEBULON, NC 27597

Dear Tony,

This is my first letter of 1971. Let's hope it brings both of us good luck.

I have just finished going all of my clippings from the Zebulon Newspaper and there are 6 that seem to have an Uphurch connection and yet I can't figure out how they fit into the family. I hope you can help. The copies are attached. Here are my questions:

1. Re Brian Waters - who is the Moyelle Uphurch mentioned?
2. Lucille (Pearce) Tharrington - She had a daughter Mary Uphurch (nee Mary Tharrington) who married an Uphurch. Who was the Uphurch?
3. Theophilus Jones - He had a sister Christine Uphurch (nee Christine Jones) who married an Uphurch. Who was the Uphurch?

- 4. Gladys (Bokett) Carlyle - This person lived in Upchurch cemetery at Pilot. I assume this means an Upchurch connection. (can you clarify?)
- 5. Helen A Green - This person also lived in Upchurch cemetery at Pilot. I assume this means an Upchurch connection. (can you clarify?)
- 6. Michelle (Upchurch) Hamer. Was she nee Michelle Upchurch who married a Hamer? Who was her husband? Who were her Upchurch ancestors (Father and Grandfather)?

Any help you can give with this should be appreciated.

We are having a quiet New Years Day at home. Sallama is now fixing the ham, black eyed peas and corn bread for lunch. We had a bottle of champagne for last night but went to bed early and so did not open it. I figure we can have it for lunch with the black eyed peas - should be great!

All the best for 1991!

Sincerely yours
Phil Upchurch

MRS J. W. GAY
RT 3 BOX 206
ZEBULON, NC 27597

Dear Tony,

I spent all day yesterday processing your packet of 6 NOV 1990 and really enjoyed it. Your efforts are very much appreciated. We continue to make good progress on the Master outline for the Richard U, III / Berkeley U Subclan. I am returning your notes herewith as requested.

Also provided herewith is the 5 page Master Outline for Anna U, her children and grandchildren. Two Grandchildren are 9th generation descendants of Michael U, I. There are 19 of her grandchildren for whom we have records of offspring and copies of these are included. Actually there is a 20th (Celine Edelle Penette) but I keep her follow-on section under the Benjamin / Francis U subclan and I think I sent that to you earlier.

I would appreciate it if you would go over the entire record for Anna U and her descendants and make any corrections or additions that occur to you. Perhaps there are some individuals in the neighborhood who would have knowledge and would be

willing to tell you what they know. If there are individuals you think I should write please let me know. Should I write to the ones whose addresses you mentioned in your 6 NOV 1970 packet? Should you or I furnish paper of partial outlines to any who have supplied information. If you think any would be interested it is only fair to send copies to them. This could also stimulate their interest. I'll be glad to make the copies for you or me to send. occasionally we do find an interested person or one who can be encouraged to be interested.

you will note that we show only five children for Anna (A) Punette. Do you have any reason to believe she had more? The census records for 1850, 1860, 1870 would help on this. Someday I'll get copies. For her daughter Ellen Ann Punette I have only the name. Do you have any other details. If she lived she could have married in the 1860-1880 era which is going back quite a ways.

I am enclosing profiles on:

J. Hale for Alford	} Are there the same person?
Raleigh for Alford	

 what does the 'f' stand for?
 who is the W. S. Cay mentioned?

J. W. Richardson, Sr - Is this the James Berry Richardson, Sr who was the son of Mathe Anna (Punette) Richardson

I continue to subscribe to the Zelma
Record and clip out all births dates, marriages,
 and other personal details and file them
 under one of the names mentioned. I stay
 a little behind on this project but as time
 goes by this effort should provide more
 and more details on descendants of Richard U, III
 if we can somehow link the present reference
 to earlier generations as in the two cases
 cited above.

I was in Raleigh, NC twice this fall -
 once to see my sister and once to attend
 her funeral. On the first trip John Lee U, Jr
 and I went to Lenoir County to get some records.
 We had hoped to come by to see you but
 ran out of time. We are working on locating
 the land owned by Upshur in Franklin
 Co, NC in the 1780-1850 era. I think some
 of it is within 2-3 miles of where you live.

You will recall that a picture of James Berry
 Proutt & his wife Perdita appeared in the Zelma
 Record. I would love to have a copy to publish
 in the U.S. Do you have any idea how we
 can get a copy. I could take it from the newspaper
 with their permission but a fresh copy would be better.
 I hope this finds you and family well
 and looking forward to the holiday season.
 Sincerely yours Phil Upshur

Dear Cousin Tony,

I returned to Durham on 24 MAY 1990 after ten days out of the state and found your card of 13 MAY 90 waiting for me. It was kind of you to let me know that you are still working to get information on members of the extended Upchurch Family. It is such a large family that I need all the help I can get.

I was sorry to learn about your sister's death. These matters are always difficult but somehow we are finally able to accept things as they are.

My best to you and yours.

Dear Cousin Tony,

As you can imagine it has taken me a while to write up after returning to Tucson on 29 DEC 1989. It was a grand trip and I especially enjoyed meeting with you and family in your home. you really made us feel at home.

After I talked to you on the phone this AM I furnished necessary the note taken while meeting you. You gave me a lot and it has helped the writer outline. I am most grateful for your help.

The missing details on James Benny Brnette and his children are listed on four enclosed sheets. I hope you will have or be able to get some of this. Of course there are a lot more questions but I thought that a large enough batch for this round. However, feel free to send any other details you think might be of interest.

My best to you & family.

ROUTE 3, BOX 206

Dear Tony,

It was great to talk to you by phone last Sunday and to hear your pleasant voice. I have written to Fattie Mae (Jones) Upchurch and hope to hear from her soon. Hope she does not get discouraged because I asked so many questions.

I was certainly pleased that you could set me straight on the family of Benny and Perdita (Phillips) Pruetto. Before your comments I had not linked the article on the Pruetto Reunion (The Zebulon Record - 20 JUL 1989) to former but now I see how it fits together. This brings me to a new batch of questions on the Benny Pruetto Family which you may or may not be able to answer. I have the section on Clellie Estelle Pruetto in good shape but many details on the other ten children are missing.

Here are my questions:

(2)

1) For J. Berry Pinette

- what does the "J" stand for?
- when and where was he born?
- when and where did he die?
- where is he buried?
- what was the preferred name for his mother? (I have AUMA & AMY U)
- what is the full maiden name for PERDIDA PHILLIPS and when & where born? when and where did he die and where buried?

2) For Anne Pinette

- what is her full maiden name?
- when and where born?
- what was her husband's name?
- How many children did she have and what were their names?

3) For LUNA Pinette

- what is her full maiden name?
- when and where born?
- what is the full name of Forest Broughton, Sr.?
- How many children did she have and what were their names?

4) For Ellie Pinette

- what was her full name?
- when and where born?
- what is her maiden name?
- How many children did he have and what are their names?

5) For Nellie Prunette - 3 -

- a) what was her full maiden name?
- b) when and where was she born?
- c) what was her husband's name?
- d) How many children did she have and what were their names?

6) For HATTIE Prunette

- a) what was her full maiden name?
- b) when and where was she born?
- c) what is the full name of Jeff Pearce?
- d) How many children did she have and what were their names?

7) For Hilliard Prunette

- a) what was his full name?
- b) when and where was he born?
- c) what was his wife's full maiden name?
- d) How many children did he have and what were their names?

8) For Nellie Estelle Prunette - No questions

9) For Mattie Prunette

- a) what is her full name?
- b) when and where was she born?
- c) what is her husband's full name?
- d) How many children did she have and what are their names?

10) For EVA Prunette

- a) what is her full name?
- b) when and where was she born?
- c) what is her husband's full name?
- d) How many children did she have and what are their names?

11) For Willie Provette

- a) what is his full name?
- b) when and where was he born
- c) what is his wife's full maiden name?
- d) how many children did he have and what are their names?

12) For ERVIN Provette

- a) what is his full name?
- b) when and where was he born?
- c) what is his wife's full maiden name?
- d) how many children did he have and what are their names?

I know the above amounts to a lot. Anything you have or can get will be appreciated. If there are any deaths the date and place of death and place of burial is desired also.

Please give my best to family. We hope to be in North Carolina in December and will be looking forward to seeing you then.

Sincerely yours

Dear Tony,

It has been some time since we corresponded. Something came up about a person in the same community and I thought you might be able to help. I subscribe to the Zebulon Record and dip out all names, deaths, births and other interesting things. The enclosed article from the 15 JUN 39 edition of the newspaper mentions a father Jones who married an Upchurch. Can you tell me the name of the Upchurch she married and the name of her father? From that I hope to be able to see how all of them fit into the Upchurch Family.

I do hope all is going well with you and your family. It has been several years since I have visited North Carolina. I am getting homesick and hope to get back again in the not too distant future.

Hope to hear from you

Sincerely yours

MRS JAMES W. GAY
 RT #3 BOX 206
 ZEBOLON, NC 27597

Dear Tony

Thanks ever so much for your very helpful letter of July 7, 1985. I have today extracted all the details.

It is great that James has a list of a garden this year. My wife tried to grow a few tomatoes but the rabbits ate them even with a wire cloth around them. Arizona is so hot in the summer that it is hard to grow vegetables here. You are lucky.

I am glad you enjoyed the bulletins and that you are sharing them with others. I'll gladly send you copies of issues for other years if you are interested - with or without pay as you see fit. I am keenly interested in having your participation.

I have written other members of the Willford Snow Gay family to collect missing details and hope that will be successful. We are getting very close to having a complete

- 2 -

set of details. Here are a few points ^② we missed along the way.

1) For Presley Jackson Gay

a) who is the father of Harley Bennett Gay?

2) For Ellie Bell Gay

a) where born?

b) where died?

3) For James Wilson Gay - Perfect info - no questions

4) For Hillard Jasper Gay, Sr.

a) For two of my sons I have birth dates two close together. I show Hillard Jasper Gay Jr b. 6 FEB 1942 and William Myron Gay, Sr b. 1 APR 1942. One of these must be wrong. Can you correct?

b) When was Terry Lane Strickland born?

5) For Christine NMN Gay

a) when & where was Edgar Curtis Byrum, Sr born?

b) Terryna Gayle Byrum b. 2 AUG 1960 - info? - where born? Still single?

c) Edgar Curtis Byrum, Jr - where born?

d) Name of her 3rd child? - & birth date & place?

I would like to turn now to the brothers and sisters of Williford Snow Gay. These are James Averts and Under. They are also Greatgrandchildren of Frances U II and therefore Upchurch descendants. (They are also CGC of Susan U - but I don't know who her father was - yet - so will link them in through Frances U II). Here are the 8 people (brothers & sister of Williford Snow Gay.

6) Ollie Gay - and Lillie Gay

7) Sam Gay - and Minta Pearl

8) John Gay - and Hattie Denton

- 9) Beadie Guy and Foster Mitchell
- 10) Frankie Guy and Ernest Richards
- 11) Mary William Guy and Bryant Stallingz
- 12) Rosa Guy and — Stallingz
- 13) Viola "Pink" Guy b. 1 APR 1888 & 29 JUN 1964 and "Red" Perry.

Based on the age of the mother I assume these 8 Guy children were born between about 1875 and 1900. Presumably they are all dead at this time but probably their children & grand children live in the area. Can you come up with details on some of these? Perhaps you could take one or two of them at the time. You know what is needed - full names, birth & death dates & place, marriage dates & place, place of burial, full maiden name of females. My guess is that some of the spouses will be back into one of the other Upchurch lines. I checked the Peace world - up you gave me and could not locate any of these eight individuals. Maybe they are there and I could not see them.

The Dean of the Veterinary School at N.C. State University was here in our home for lunch yesterday - Dr Terry Curtin. Her mother lived in Phoenix. We had a nice 3 hour visit.

All the Best!

Sincerely yours
Phil Upchurch

Dear Mr. U,

My apologies for waiting so long to answer your letter and send pay for the bulletins. I've really enjoyed them and another of your relatives (Pipchurch) is looking them over now - Eursula's great-granddaughter. And oh! yes, she has a new granddaughter - your family continues to grow.

We do hope you will get all this information - and as far as I am concerned, I'd call the girls, but it would be against Jarvis' wishes - so I can't do it. I got Brenda Arnold's from the Arnold side of her family - I'm sure you understand.

Jarvis has a few tomatoes & pole beans this year. First garden he's had in about ten years. His health won't permit a big garden. We are "gleaders" - what Mrs. Brothers & my sister have left over we try to gather - We always fill 2 freezers & have beans, tomatoes, pickles, etc. We're so thankful for every bit of it & the health to be able to save it.

Oh! yes! I saw your Cousin - the Mayor on T.V. recently. He says he's running for the office again. I know you're proud of him.

Our weather is nice here. We were very dry, but we've had good

rain showers for 2 wks. now. I see on
 U.S. weather map that you're hot in Ariz
 Do hope you & your family are
 well.
 Will look forward to your next
 letter.

Sincerely,
 Tony Jarvis

Dear Tony

Thank you for your fine letter of March 24, 1985. Between all my other duties I have now completed the extraction of all the details you provided. If we had all of the above, we would have a perfect set of details for the family of Wilford Snow Gay. We may never get a perfect set but it is always good to try.

You asked if I had information on the Beare Cemetery and on the Upchurch Cemetery near Palat. The answer is sort of yes. For the one

at present I have a complete listing of all the stones but I don't necessarily know how they all relate. For the Stone Country I recorded all the Upchurch stones about 5 years ago. However, there are no doubt many Upchurch descendants buried there who do not have Upchurch name and in due course I will need them.

It is great if you do offer to help and I do hope we can continue our correspondence. You live right in the heart of a great deal of Upchurch history and over time we should be able to learn more about it. My guess is that farmer and I are related to 90% of the old-timers who still live in the area.

After we have had a chance to get the Mullyford snow Gay outline in a little better shape, I'll write to you about how we might next proceed.

Give my regards to farmer
Sincerely yours

Dear Mr. U.

I've been slow about getting the information compiled that you asked for. I had most of it, but had to make 2 or 3 ~~to~~ telephone calls.

Please forgive the penmanship. I've lost out on writing - the telephone is too handy - I do hope you can "cipher" this.

The literature is most interesting - I'm not into genealogy as a lot of people, but it seems the more I see, the more interested I become. And when you say you have records of another Minga in the area - it is really interesting - We know almost nothing about my Dad's people. You'll note that he^{re} was illegitimate but he was my Dad & I loved him the 8 short years he lived after I was born. I love his memory. He made no mark on history except that he was my Dad and father of my ten sisters.

Jarvis wants me to tell you that his ^{late} Cousin Wm. Thomas "Prey" Gay lived about 2 miles from here. It seems the other Mr. U. was looking for a Tommy Gay - Maybe he's the one & he was son of Mr. Jim Gay - son of W^m & Clara Gay. So far we haven't received the material you said you were sending

but maybe in a few days.

Oh! yes - there are lots of Upchurch's buried at Pearce Church Cemetery. Did you get that information? If I can help you on it, I'll be happy to. Also there's an Upchurch Cemetery on ^{old} 64 Highway near Pilot, N.C.

Thank you for writing us + we'll look forward to hearing from you again. Our regards to your family.

Sincerely,
Tony + Jarvis Gay

MRS J. W. GAY
RT 3, BOX 206
ZEBULON, NC 27597

Dear Tony,

I really appreciated the opportunity to meet with you and Janice on 2 MAR 1985. It was kind of Janice to "show us around" and if you'd loan me your records, which I return herewith, I was especially glad to learn of your interest in genealogy and hope we can continue to exchange information.

I spend all of yesterday and part of today extracting my copy of the records you loaned me. There is still more extracting to do as I make a biofile on each person involved and there are hundreds of people in the set of records you gave me. At least I now have the Benjamin Upshur record straight as you will see from the sheets on the next page. I think we can be fairly certain that Janice and I are related through Frances U I, the daughter of Benjamin U as shown by the chart. The Susan U who married Nathan Pearce was to be a grand of Richard U II

and James and I would be related because of that as well. so far I have not been able to establish which of the sons of Richard U I is the father of Susan U. The lines for James and myself are as follows:

So Pat Snow and I are 4th cousins, James and ~~James~~ my children are 5th cousins while James and I are 4th cousins once removed.

According to the sketch on the left William Jasper Gay and his 3rd cousin Susan Pearce.

Enclosed herewith is some literature on the Upchurch Bulletin. I hope you will want to order the current and all back issues. on the off chance that you will want to purchase the

1994 issues I am sending them this next week or we make a bulk mailing. They are \$12.00. In case you don't want to buy them just hold on to them and I will pick them up sometime when I am in NC. In any case I wanted you to see what the bulletin looks like.

Here are some questions I hope you can answer:

I know you may not have answers to all of the above but any help you can give will be appreciated.

If you have any questions of me I'll be glad to search my extensive files for a possible answer. I probably have profiles on over 50,000 Upchurch relatives and associated people.

I can't tell you how excited I am about the prospects of having you as a correspondent. My GGGF, Nathan U.I., left the Meccasin Creek area about 1802 but several of his brothers stayed in the community and their descendants are there now. We are anxious to locate the specific lands owned by Nathan U.I. and his brothers and their father, John U, Jr., who was with me on the visit to your home, will be working on that. He is a great guy.

Hope to hear from you soon. Thanks ever so much for the loan of your records.

Sincerely yours
Phil Upchurch
