Dear Phil,

I am from Rebecca Upchurch who married John Frances Norris in White or DeKalb co., TN. We believe she is the daughter of Joseph Upchurch and sister to Amrose. She and John Frances Norris had at least 6 boys as John's probate record names them and he and Rebecca are deceased by 1850 as neither appear on census. Would love to see the old bulletins that have info on Joseph Upchurch. The two are Vol 9 #4 Oct. 1988 and Vol. 21 #1 Jan. 2000. Please tell me how to purchase them. Thanks a bunch!

Hi Kevin—

Delighted to have you as a contact. The back UB issues are available at \$5 each postpaid. I have for many years been collecting data on Joseph U b 1775(NC) and have about 2,000 descendants in a notebook. We still have not identified his father.

As to Rebecca U and John Frances Norris you and I need to compare notes. My records show that Joseph b 1775 did have a daughter Rebecca born abt 1818 but that she married Thomas Holland. I have a list of their children and grandchildren and suppose it to be correct but am willing to compare notes. We have a challenge to get this right. Hope you have some good records.

Phil,

This is my gedcom. I had my DNA tested last year and found out that I had been wrong on one set of my Norris grandparents. I found the info on Rebecca Upchurch in the Montgomery County, Tn. History. It's on gedcom. This is from one of her sons who moved there after an adult. This son is one of the younger children of this family. Joseph Herd was appointed the younger children of John and Rebecca Norris' guardian.

Phil,

I just recieved death certificate of Francis Marion Norris and it plainly states that his mother was Rebecca Upchurch. I'm positive that she is a daughter of the elusive Joseph Upchurch. Like I stated before she named one of her children Ambrose Norris and after both she and John Norris died one of her children is living with Enoch Upchurch on census. This cousin of mine says there are extensive land and tax records on Joseph Upchurch in Warren co., Tennessee. Joseph must have lived right down in the corner where White, DeKalb, and Warren counties come together. From what I saw only Wilson Upchurch has records in Warren county with his father. Thought you would like to know.

Hi Kevin--

What and amazing coincidence. Having just spent about two hours studying our exchanges I was in the process of making your email address more complete in my computer address book as preparation for composing an email to you when a signal appeared that I had an incoming email- Yours!!!

First, thank you for all the detailed information you have sent. The 5 JUL email did present a challenge. My printer decided to present it to me as a 58 page document with some useful details scattered throughout but with many pages of lines and lines of what I would call encryption codes. Anyway, I finally got about three pages of good stuff. On the other hand your ascendancy chart -ten pages-- of 20 JUN came through fine.

In spite of your email just received and having just reviewed a lot of data in my files I want to ask you to help me review the prospect that your Rebecca U is actually the daughter of Steven U and not Joseph U. I have your mailing address and am prepared to send you a packet to study.

But first another thought. My upchurch ancestors arrived in what is today southern Franklin County, NC about 1750. There they encountered a Norris Family with whom they intermarried. One was Joseph Norris who got a Land Grant in the area. This is all unrelated as far as I know to your Rebecca b 1805+-5. I could not resist bringing it up. At some point do we need to interact on this batch? If so, maybe we should defer until we sort out the White County, TN stuff.

I gather that you don't know how you and Marion Lynne Banks are related. Should he be brought into any of our exchanges? Feel free to forward him a copy of this email if you think advisable.

I'll wait for a word from you before I prepare the packet referred to above.

Dear Phil,

According to Marion she is descended from a Joseph Norris, and no don't know how Marion and I are related just know that we are through DNA. As far as Rebecca Upchurch being the daughter of Stephen Upchurch I'm open to anything that could be conclusive. I've never heard of this Stephen?? Was he in White or DeKalb counties?? I still lean to Joseph, Ambrose doesn't show up in my Norris line until John and Rebecca's child, and why would one of their children be living with Enoch Upchurch? I know that my Norris' live very close to Joseph U in White county and my direct Norris ancestor John Green Norris married Sarah Wallen[Walling] in DeKalb county, this is one of the oldest sons of John Norris and Rebecca U. so my Norris' were in both White and DeKalb counties also.

So good to hear from you and I'm very interested in this Stephen U. Look forward to your packet. Don't know if you still have my address or not so will include it also. Talk to you soon.

Dear Phil,

Sorry its taken me so long to get back to you, but I've had knee surgery. Looking at all the material you sent me I've concluded that there is a misunderstanding on who we're talking about. My ancestor is Rebecca Upchurch not Rachel her sister. Joseph had a slew of daughters and Rebecca is one of them. She is one of the unknown on your charts. After her and John Norris' deaths her children were split up among relatives including Ambrose her brother. Her two oldest children Silas and John Green Norris [my ancestor] were old enough to go out on their own, but the others were not of age. I'm sending you my Gedcom so you can see where I fit in. Hope this clears things up a bit. Thanks for all the help and info you sent and please keep in touch. Thanks again.

2. KWN clearly establishes in the 13 NOV 2008 email that he is of the Joseph U/Rebecca U subgroup and in fact his 20 JUN 2008 item also establishes this. I cannot understand why in my 25 JUL 2008 letter I got off trying to link KWN to the John U, III clan. Apparently I paid on Rachel when it should have been Rebecca.

Dear Kevin,

Following our exchange of emails today I will proceed to create the package I promised to send - commenting as I go along.

First about Stephen's S/o John U, III - If I am right these are your ancestors - John U, III b Abt 1841 died intestate 1795 (Cratham Co, NC) having moved from VA to NC in the 1780's. He was Head of Upchurch Class No 14, one of 22 such classes. He lived on Shaddocks Creek in SE Cratham Co, NC about 8 miles west of where I was born in 1928 in Swift Creek TWP, Wake Co, NC. John U, III left 3 sons - Samuel, Stephen, and John U, VII and 5 daughters - one of whom is thought to have been named Elizabeth. The three sons named in the area and gradually moved west and I think were completely out of the area by 1820.

Two 2nd Cousins of John U, III (Nathan U, I + brother
Moses U - both Heads of clans) moved near John U, III
about 1802 moving their young families from Franklin
Co, NC To the Wake/Chatham Border about 4 miles

up the county line from John U, III. Moses settled just inside Chatham County and Nathan settled just inside Wake at Green Level. These 2nd Cousins knew each other because of an 1818 marriage I know about, Gilbert U (s/o Nathan) (Gilbert being my GGF) married Elizabeth U, the presumed D/o John U, III. I know a lot more about these 3 sets of Upchurches but lets move on.

I'll send you some profiles to study and then we can compare notes.

Enclosed is my profile ^[A] - 6 pages - 12 items for Rachel U b About 1818 presumed D/o Joseph U b 1775 (NC) and wife of Thomas Holland. The 4 page 8-item profile ^[B] for Thomas Holland is also enclosed. (There is duplication between the two). If we conclude that this Rachel U was indeed born 1818 she could not be your Rachel U who was presumably born 1805 \pm 5 - As yet we know ages of people are easily misrepresented in the records.

Now to go to the Stephen U side - enclosed ^[C] is his 7 page 17 item profile. Bear in mind that until your records arrived I never associated a female named Rachel U as a D/o Stephen U. However, when I proceeded to follow up on my earlier message to you that I felt that in the Joseph U b 1775 Family there was a claim on my books that he had a daughter named Rachel U who mtd Thomas Holland I became more

3-

(3)

Concluded that the Rachel U you described did not fit as a D/o Joseph U b 1775. So as I cast about to find a fit for your Rachel U b 1805 \pm 5 and living in middle TN - I came upon the Stephens U Household showing that on the 1820 census he had a daughter b 1802-1804 - this seems to fit your Rachel.

At this point I will leave it to you to study these entries and let me know what you think - Perhaps there will remain facts for and against both prospective fathers for your Rachel. In any case it is exciting to have someone who is willing to share the challenge (and joy) of a close study of these records.

Hope to hear from you soon.

I didn't receive your Gedcom,

This is my Norris line.

John & Rebecca Upchurch

children: Ambers Norris-Susannah Powell

Francis Marion Norris-Sallie Channel

These are the only two children I have for John & Rebecca. I have the Death Certificate of Francis Marion that states his parents as John Norris & Rebecca Upchurch.

My line is Ambers Norris's son- William C. Norris that married Mary Ann Halliburton. \

Is there some way that you could send some information through Microsoft Word, or try and resend me your Gedcom. Thank you so much, John & Rebecca has been a brick wall for me, for sometime now.

Robbie,

Saw one of your postings on Genforum and would like to talk about the above couple is this a good e-mail?

Kevin Norris

Thank you for answering ! Yes I descend from the next to oldest son of John Francis Norris and Rebecca Upchurch. His name was John Green Norris and his older brother was Silas. Of course there was a slew of younger brothers after them. I'm going to send you a copy of my Gedcom on my Norris side. I had my DNA tested this year and always thought that I descended from Avery Norris, John Francis' brother, but that's not the case. You will see proof in my Gedcom. Please send me all info on you and your connection. Thanks again. I'm interested in any pics you might have and will pay for copies.

| Thank you so much for all you've done for me! You never did tell me where you live?

Kevin,

I live in West Columbia, South Carolina. I was born near a little town called Tabor City in Columbus County, North Carolina. My father was killed in WW II when I was only 2 1/2 years old. My mother remarried to John Watis Hardee who lived in the neighboring Horry Conty in South Carolina. We moved the few miles there and I graduated from Loris High School in 1960. After graduation, I came to Columbia, SC to attend the University of South Carolina and have remained here since.

These are my two Norris lines. Haven't found the connection to yours yet, but I am sure there is one. It seems we both may be linked to the Immigrant, Thomas Norris of 1608. as that is the line that links me to Elijah Barden Norris (the one whose DNA you matched).

John Chisum the cattle baron was Sarah's distant cousin and lived within two miles of them.

After losing John Green, Sarah briefly married a John Shipman and was forever after known as Grandma Shipman.

...I believe his father to be Simon, or as it sometimes listed, William Simon Norris, but no proof. On the 1820 census of White Co., Tenn., there are three Norris', Abner, David, and Simon. They all appear on 1810 census of South Carolina. Here's a twist, Abner and David also appear on the 1820 census of Georgia. Don't know if they were in two different places that year or two complete different sets? It's very confusing ! ...

14 NOV 2008

My letter of 25 JUL 2008 to you was off base as I
will explain. Your email of 13 NOV 2008 helped get me
back on track. For which many thanks.

The details you provided in your email of 5 JUL 2008 provided excellent detail and I have now returned it to it and fully processed it adding all the details to my files. In your 13 NOV 2008 email you attached the same records.

Enclosed is a copy of my master outline for the Joseph W/ Rebecca W subgroup using the data you provided. The first 4 pages show Rebecca her children, grandchildren and great-grandchildren. The descendants of the greatgrandchildren

, if any/ if known, are covered in Continuation sections as shown on the left hand side of the page. There are currently two of these - after the pink sheet. These records are organized as if Joseph U b 1775 is a member of the 5th Generation of the Ypslunch Family in America - so as to be comparable to my other Ypslunch Master Outlines.

I will welcome any corrections or additions you have for this ~~sheet~~ Master Outline. Enclosed is one sheet on which I have some questions - your "Generation 1 sheet"

Not all of the details you provided are shown on the enclosed Master Outline. I did capture those details and have placed them in Biopiles for the Pastoralas individuals. In filing these many entries I found nothing to contradict your input re Rebecca - but I found a number of cases where some part of the family had surfaced in earlier items placed in the Biopiles.

After years of working closely with many Collaborators such as yourself we have an excellent start on a list of the children of Joseph U and on the descendants of most of the children. Our records for sons Ambrose, Wilson, Felix and Enock are robust but can be improved. There may be another son James U b about 1808 but

we have no hard facts.

Data on the daughters has been slower to unfold but we now have much data for daughter Rachel, and Rebecca with a start on Sallie. I don't have a lot on Rhonda who married Chester Cantrell or on Anna who married Felix Cantrell.

I will be happy to share more of what I have with you if you will indicate how you would like to proceed.

I have always thought it useful to accumulate and organize data on the families of the children of Joseph U b 1775. The advantages include the possibility that we might in this process find a fact bearing upon the ancestry of Joseph - or uncover a cooperator who will join in the search to identify the father of Joseph.

If you have any thoughts on pending the father of Joseph or if you need more input or work on the matter to date let me know.

From your record I pick up what is probably a coincidence of no importance (but who knows). Your Susan William Vance was born 1776 in Ashe or Watauga Co, NC. Coincidentally William U, II - Head of Clan died in Watauga in 1787. His son David was later found in Rutherford Co, NC where Joseph U b 1775 was also found. (We have often speculated

that this could mean Joseph II in 1775 and William V, IV died 1787 are related. Further, children of William II, IV moved to SC (to Greenville) whereas Simon also moved to SC (to York) - with all moving to different parts of TN early in the 1800's.

I show that there were Upchurches in Denton Co, TX. If you run across them in your records we could compare notes if you so desire.

It was my intent to start this letter by commenting on your knee surgery - I do hope it has worked out well.

Now that we have set aside my very poorly constructed letter of 25 JUL 2008, for which I again apologize, I trust we can move on to collaborating in whatever manner suits you.

Sincerely yours,

Phil Upchurch
