Dear client,

Thank you for your letter of 24 SEP 1997. I do hope we can make more progress on the Henry Upchurch who was the 1st husband of your great-grandmother Mary Jane Smith. I have tentatively penciled him into my Master outline for the Richard Ballard U. S. Family. A copy of this 3 page Master outline is enclosed. It covers Richard Ballard U. S. and his children & grandchildren, descendants of the grandchildren (if any! if known) are covered in continuation sections or shown by the number on the left hand side of the Master outline. Let me know if you need copies of these continuation sections.

You will notice Henry U has been entered as "1a", son of Richard Ballard U. S. I am quite

convinced that all of the Upchurches who appeared in Northern Missouri (Sullivan, Schuyler, Scotland Couder, etc) derive from Richard Bellard II, Sr.

Just why this branch of the Upchurch family moved from NC to MO is unclear to me.

I'll look forward to our continued exchange as we find ways to help each other.

Sincerely yours
Phil Upchurch

Dear Obert,

I have noted your query in the Genealogy Bulletin (No 28 JUL/AUG 1995) regarding several Upchurch family members including Henry Upchurch b 1842. Enclosed are some details on the Upchurch Bulletin which I publish. In connection with this work I have a large collection of references concerning all aspects of the Upchurch family.

I have searched my files for all the names mentioned in your query and cannot find a good match. The closest I come is the Henry A Upchurch (My Identity No = XIO-32027). A copy of the profile on Henry A. Upchurch is enclosed. I think there is a fair chance that this Henry A. Upchurch is the same as your Henry U b 1842.

Could you send me any more details you have on your Upchurch Group and let's see where we can go from there. Are you a

descendant of this group?

If our two Henry's are the same there is a lot more I can tell you about this family. There are some weak points in the linkages that I have established for this Upchurch line but on the whole the circumstantial evidence seems reasonable to me. I am always in hope that it can be improved.

I look forward to our future contacts.

☺ Sincerely yours
 Phil Upchurch

Henri. Fran. U b 1865 Sullivan Co, MO and Milton Holliday

Henri. Fran. U b 1865 " " " Family Hist.

Henrietta F. U and 1882 " " " Milton Holliday

Henry U b 1842 and Mary Jane Smith.

Martha A. Maxey, daughter of John Maxey. They had a son Henry U. b. 1846. Martha probably died about 1847 and Richard then mtd in 1848 Melinda Jane Phelps. Sometime before 1880 Richard Billard U, Sr mowed Ed C.A. He may have married Mary Mangus but the date of such a marriage & its location is unknown.

All things considered it seems likely that the Henry U. who married Mary Jane Smith (your ancestor) was indeed the son of Richard Billard U, Sr and that this Henry was born 1846 not 1842. I further presume that Henry & Mary Jane married quite young and had no children and that Henry U. is the one who died in the Civil War and is buried in New Albany, IN.

Your reaction to this matter will be appreciated. I would firm up the analysis a little more. Please let me know if you have questions.

Sincerely yours

Dear Obed,

Thanks for your letters of 25 SEP 1995 and 30 OCT 1995 and for the opportunity of writing with you by phone on 9 OCT 1995. I have everything extracted and placed in the paper files. I was able to help Lea Conrad and have written to him. He and I will have a lot to exchange over time and I appreciate your effort in getting us together.

We still have a way to go on Henry S. Uphurch and his family. He does not appear to be one of the 49 Henry Uphurch's I already have. Also my 1850 census extract, which was supposed to cover all the Uphurches in MO, missed him. Since you have him on the 1860 census in Sullivan Co, MO at age 14 I should eventually find him on the 1850 census by name and as 4 years old. You would think he would be on the 1850 MO census but I do not

find him there. Also, I have no Civil War records for him. They probably exist.

Sooner or later I will probably solve the mystery of the parents of Henry S. Upchurch, or at least there is a good chance I will. It is less likely I will run across the two children of Henrietta Frances (Upchurch) since they would have the last name Holliday.

Please do let me know if you learn more about Henry S. Upchurch or his ancestors or descendants. It is a pleasure to have you as a correspondent and I hope we can be helpful to each other in the future.

☺ Sincerely yours
 Phil Upchurch
