

However, we are now getting down to the fine points where additional detail may not be easy to get. I like to try for complete records even if we do not get them.

We should continue to collect details on earlier generations of our family. Knowing of your interest in earlier generations I provide herewith a copy of my 5 Page II Item Biopic on John Uphurch, VI. He was the Grandfather of Theodora and he is head of the George V/John V, II Subclan. Note that Item ⑨ is one that you supplied. I published this item in one of the issues of the Uphurch Bulletin.

Enclosed is a copy of our "freedom" document which will tell you of our move to Missouri.

We plan a "family history" trip to TX for about two weeks next March or April. I will probably give 2-3 Uphurch lectures. Details are not yet complete for the trip.

I hope this finds you and yours well. It would be nice to hear from you.

Sincerely yours,  
Phil Uphurch

Dear Cousin Norma

Thanks for your nice letter which arrived on 13 AUG 93. I have had several periods of working on it and have just finished processing it - assigning XJD's, cross-referencing details, etc. The longer story is very well and I have put a reference to it in my file for patents U.S. and may include it at some future date. Also I have cross-referenced the other/older work in my file on streams/credit review.

Enclosed is a copy of the 2 page master outline on your father's family as it now stands. Please let me know if there are errors. Also, I have provided a list of items that are still missing. Some of

↳ EFLDIO FREEMAN GOODING

items are not all that important if hard to get or unavailable. However, I will appreciate any of these details you have or can get.

I show your father had two brothers and three sisters and in fact I have good records on them and their spouses. However, I have nothing on their descendants. Do you have anything organized on the families of those aunts & uncles of yours? I would be most pleased to have a copy of anything you have organized.

Please let me know if you have questions.

Sincerely yours  
Phil Upchurch

Note - copies of pages 4 & 5 placed in files for  
Otter Creek, Order Creek and in files of those marked \*  
George W. Head of clan → John W.\* → Henry Alvin W.\* → Theodosia Earnest W.\*

Also on Otter Creek, in Ky. That's  
in Theodosia's family Bible, her  
writing. All I have figured it's  
close to the Tennessee border.

Looking back at records, William  
Harvey Gooding was born in  
Palmerville, Ky. near Mt. Pisgah  
I believe Otter Creek may be  
Order Creek instead. I'm not  
well organized on my paper  
work yet. But again the family  
tells this story:

When the family was traveling  
by wagon train, they reached  
Otter Creek in Ky. and camped  
over night. The ladies were  
getting the fire ready & men  
folks were out hunting. They  
put the baby (Henry Alvin) in a  
basket under the wagon, in the  
shade. The men came in & meal  
was cooked, they ate. The mother  
went to get baby & it was gone.  
The men folks started looking  
around and found lion or

cougar tracks & where baby was dragged. They located the big cat on a ledge above creek, & it was playing with the baby. There was a chance that if they shot it might hit the baby, but took a chance, cause the cat would kill it anyway. So the father took aim across wagon wheel & shot. He killed the cat & got back a scratched & bruised boy but otherwise unharmed.

The baby wasn't but a few days old. My Grandmother Theodosia, told this to us many times. Said her daddy's nick name was Otter.

There are so many things that this searching has brought back to me. Would probably make a good book. Until late

Dear Cousin Norma,

Your letter arrived yesterday and I have put other things aside to process it. All the details you provided are locked into place and I want to thank you for them. Thanks also for the order for the U B for 1993. Issues #1 & 2 have already appeared and have been mailed to you under separate covers. Issue #3 & 4 will be sent later this year. More forms are provided hereunder in case you or others find them useful.

I am impressed with the effort you have put into family history research and look forward to our continued exchange. Provided hereunder is a copy of my 1 NOV 1991 document "The Michael Enterprises Family History System".

Also provided hereunder is my Master Chart showing the first six generations of Upshur. Your line and mine have been highlighted.

Provided herewith is my 17 Page Master Outline for the George W / John Upchurch Subclan. This covers John W [XII-143], his children, grandchildren & greatgrandchildren. This covers the 6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup> & 9<sup>th</sup> generations or related to Michael W, I or Generation #1. In cases where I have details on descendants of the 9<sup>th</sup> generation, this is indicated by the number of a continuation section as shown on the left-hand side of the page. I can send copies of these continuation sections also if you are interested.

Please do send me copies of details on the families of Theodosia's children. Questions on your father's family are enclosed. I will welcome any corrections/additions to the George W / John W Master Outline.

You will note that I show Freeman W  
1) Free W or not having any children.

As regards Ballinger Wright W you will note I show him as having died in OR in 1959. However, I show his wife as having died in 1967 in Tenn, AZ which is not consistent with your records.

-3-

Can you give me the location of OTTER  
Creek in KY? I cannot locate it on my  
maps. I assume it is in Wayne Co, KY.  
This is where you show Henry Alwin  
was born.

We can keep going back and forth on  
comparing our records until we are  
satisfied. I did not notice any major  
discrepancies in our two sets of records  
~~other~~ than what is noted above. However,  
~~there~~ are no doubt smaller issues which  
we can address over time -

Hope to hear from you again soon!

Sincerely yours  
Phil Yelton

Thank you for writing me  
I am sending a check for 15.<sup>00</sup>  
for the 1993 bulletin on Upchurch.  
As I can I will order back  
issues. Especially those you mentioned.

I am also sending you the  
information you requested. If  
you would like to have  
all the children of the child  
of William & Theodosia let me  
know.

Please look over the informat  
I have on the Upchurch line  
and correct what you can &  
send to me. This would help  
me alot.

I have pictures of Freeman  
& Freely Upchurch and would  
like to know if they have  
children living & where. I  
would love to contact them  
My father was named after  
Freeman Upchurch.

There is so much I want  
to know and I'm over whelmed  
to hear from you on this

As you can see Mae's husband died in 1948 and Grandpa died in 1941. So Theodosia lived with Mae for along time.

I was with my grandmother about 3 hrs. before she died. She patted me on my cheek and told me to always love others. That night I was woke up and saw an angel at the foot of my bed. I believe to this day it was a sign that nannie had died & went to heaven. I was real young so maybe I dreamed it.

Thank you again for helping me on this.

Sincerely Yours

NORMA J. DANIELL

RT 1 BOX 543 G

ROCKDALE, TX 76567

Dear Cousin Norma,

I was delighted to receive your letter of recent date and to learn that our mutual (but distant) cousin Ray White, Jr had opened you to me. You and I have an excellent fit as to information in that I know a lot about the ancestors of Theodosia E. U but very little about her descendants whereas the reverse is true with you.

For Theodosia U & descendants I know only:

"Theodosia E. U b 9 APR 1874 md William Gooding and that they had a child May Gooding who md a Williams"

Theodosia E. U was one of 12 children of Henry Alvin U [He went by Alvin] by his two wives

You and Theodosia belong to the George U clan [He was a 5th Generation American Upchurch & lived about the time of the Revolution] and you are descended from his son John U. Thus we say you belong to the George U / John U Subclan and to the Henry Alvin U line.

Details on the Upchurch Bulletin (UB) are

enclosed. I have published a great deal on the George U Clan starting in 1980. In the 1987, 1988 and 1989 volumes I concentrated on the George U Clan. The George U / John U subclan was presented in particular in Volume 10 (1989). It would facilitate our interchange if you would subscribe to the current (1993) issue of the U's and purchase some (if not all) of the back volumes. However, this is not a requirement for us to help each other. I will gladly send machine copies of certain outlines and biographies that could be of interest to you. I would appreciate it if you would send me a copy of any organized information you have on Theodora and her descendants. I collect full names (full maiden names of females) dates of birth, marriage & death and places of birth, marriage, death & burial. Also I collect other interesting details (good or bad).

George U settled in Wayne Co, KY in the early 1800's and many of his descendants are still there. I have many descendants of George U as subscribers to the U's and as correspondents. I am working on a map of "Upchurch Locations" in Wayne Co, KY.

Hope to hear from you soon!

☺ Sincerely yours

Phil Upchurch

Dear Sir

I have been researching my family tree and a Roy White of Salt Lake City, Utah has referred you to me. My Father's Mother was Theodosia Upchurch, she married a William Harvey Gooding. I have quite a bit of information on the Upchurch family but as soon as I reached the point of Theodosia & William marrying in Kentucky it all ends. It seems all records were destroyed by fire.

I would love to find out about my Grandparents life together and since I'm new at this I'm lost. How can I trace my Grandparents roots, where do I start to locate the Gooding history & move on the Upchurch side.

Can you give me a little advice on what to do. I would appreciate any help

as I want to trace my mother's  
side also - (Dorsett + Lee)

Thank you, I know you  
probably a very busy person  
and get alot of request like  
this but any advice would  
be wonderful at this time

Sincerely yours

I also provide a copy of the master outline for Theodosia Ernestine U, her husband and their children. I believe this to be a perfect (complete) set of details - thanks largely to you and Ed Gooding. Of course we are missing some details on the grandchildren of Theodosia. Let me know if you want copies of the other continuation sections (28, 40, 41, 42, 43).

Enclosed is a copy of my 9 Page 10 Item Biopic on your ancestor George U (XED-131) - head of the George U clan. You probably have most or all of this but I wanted to send it just in case there might be an item or so that would be new to you.

I am sure there is much more to do to complete the Henry Alvin Uphurch line and I will look forward to working with you on that as your time and interests permit.

We are now planning our Texas family history trip 4-17 APR 1996

With All Best Wishes

☺ Sincerely yours  
Phil Uphurch
