Hi Anna---

You are on my contact list as regards the heritage of the George family. Much about him has been written in the Upchurch Bulletins 1980-2015. Details may be searched on our website www.upchurchstory.com password 2013upchurch. Additionally we have made great progress i enrolling thsi family including his descendants on our newer website www.alliedfamilies.com password 2014allied#. What we have done so far is just a start. note ,for example , our work on Biofiles and cemeteies.

If we are to make progress on the George Upchurch family we will need participation from his descendants such as yourself. We need time, expertise, data and money. Perhaps you are in a position to volunteer. If so, just let me know.

A 2016 Allied Families membership form is attached. I hope you will join with us and be as supportive as your circumstances permit. Success in our venture will avoid loosing what we have worked so hard to accumulate and will allow us to share and preserve the George Upchurch family records far into the future.

It would be a pleasure to hear from you and to learn if your interest in your Upchurch heritage continues.

Hello Phil

Thanks for your email. I still enjoy genealogy. Before I join your group I would like to ask a few questions. On your form, you lists an archivist, preserver, seeker and a finder. What do these terms mean?

In your allied families, would these be the family that have intermarried with the Upchurch family?

The Dishman family in Kentucky and Tennessee are all descendants of the eldest daughter of George Upchurch. How would this family be listed? They are not just allied with the Upchurch family but are part of the Upchurch family.

Thanks

Anna

Hi Anna----

Good to hear from you. I will try to answer your questions.

1. Archivist--etc. These are terms to give visibility to those who go the extra distance money-wise in supporting the vision of Allied Families. So far we have about three dozen of these. We hope to have 200 regular paying members in a year or so but at \$20 that only brings in \$4,000. This is not enough to provide the needed funds so we count on those extra distance people. And yet if a person is really interested but on a very limited budget I make them a Corresponding Member at no charge. When people give more than \$20 we plan to put much of the sum over @\$20 in a long term support fund for their enrolled family and Allied Families. So far that support fund stands on a pooled basis at about \$6,000. At \$10,000 it will reach endowment status.

2. Allied Families is based on 60+ years of research done on the Upchurch family by Morgan, West and me and others. Along the way data was collected on a great many non-Upchurch families. The most important of these would be candidate families to be enrolled under the banner of Allied Families. We consider each family on it's merit and can only proceed to enroll a new one if we have at least a minimum of support from descendants--- time, money, expertise, data,etc. However, in theory any family could be enrolled.

3. As we enroll Upchurch families headed by a patriarch who lived about the time of the Revolution we will embrace all the families that joined by marriage. the Dishman family is a good example. Go to our website an look up the enrolled family of George U. You will see that we bring his daughter Lydia into the story.To enhance this story we plan to transcribe an post on our website the Biofiles of Lydia and her husband and their children and their spouses. Maybe you are in a position to help with these transcriptions. Of course we could enroll the Dishman family separately if the was enough interest and support. The gold standard would be for each family to have its own enrollment. We have about 22 families now scheduled to be enrolled and and could have 40 sometime in 2017. The progress on each family will depend on the support we get. I can see us have as many as 50 enrolled families but beyond that we have to make sure we do not exceed our resources.

I trust you will have noticed that each family is supported by our resource file and our set of projects. These will grow over time. Also note that sharing and preserving the records on-line for the long term is a key to our operation.

Let me know if you have more questions. Do come aboard.

Hi Anna---

Earlier you expressed some interest in our shared heritage. You are lucky to be a member of the George Upchurch Clan as that is one of the 22 Clans on which we have a great deal of information. Still, there is a huge amount more to do. Our program is fully laid out on our two websites www.upchurchstory.com and www.alliedfamilies.com. I invite you to have a look. It would be very helpful if you would join our Allied Families Association to help us keep our family history effort up and running. Membership form attached. We have the most-complete collection of records of Upchurch and allied families ever assembled. I would be a shame to see it go dark. Would love to have your support. Let me know if you have any time/expertise to devote to our family history project.

Sending all Best Wishes~

Hi Anna----

Now is a good time for an update on Allied Families. We carry you as a member of the George Upchurch family but do not show you as a member/supporter. Progress on your enrolled family has been considerable but we need your participation. I hope you will join as a 2017 member using the attached form or PayPal.

Also attached is a summary of what we have accomplished and our hopes for 2017.

For more details on our route to digital see the Upchurch Bulletin for 2016 recently posted on www.upchurchstory.com--password 2013upchurch#. Also, note progress on your enrolled George Upchurch family at www.alliedfamilies.com password 2014allied#.

Also, be sure to view Video No.22 for George on our website www.upchurchstory.com and those for his ancestors as well---all your direct ancestors.

I will be in North Carolina March 29-April 2, 2017 working in the Allied Families Cary Facility starting some new projects. Would love to see you there. Let me know if you need details.

Our progress has been substantial but we need participation whether as a casual follower or as a dedicated worker and donor. I hope you will give us encouragement by joining today and being as generous as your circumstances allow.

Sending all Best Wishes~

Thanks for your letter of September 30, 1997.
Also, thanks for the obituary of Amos V. Osborne.
I read it to my mother over the phone and although she knew she had an Uncle Amos, she knew very little about him and did not recall ~~ever~~ ever meeting him. My late cousin Guy Sheets said that Amos could really play the banjo, especially after a few drinks. Guy lived in North Wilkesboro and knew Amos. I'd say that the obituary of Amos is the best info on his birth date that we have so far. The other date comes from Lorene Sturgill's book. With that in mind, the infant in the 1902 photo would be Minnie. I think we may eventually solve this one.

Note: Amos V. Osborne is of the John U, III / John U, III Subular - John Wesley U Line.
