list of questions - RDU

I have recently had some exchanges with Pat Kramer with continued improvement in the Master Outline for Priscilla Adeline (U) Lyle. Enclosed is an updated copy for your use. Also enclosed is a set of questions of what is still missing. The original of this is going to Pat with a request for continued input. I will be most grateful for any answer you may have or be able to get.

I'm studying my OK/TA maps for the locations of various events in the family I get a little confused. Since you live in Texhema I imagine you are familiar with the various towns, counties, counties, etc. I'll have some questions along this line as we continue to exchange letters

This past year has been an exciting one for Upchurch family history. We have made substantial advances in a number of areas. Getting England started was a real challenge for me. Enclosed are some extra flyers in case you can find a use for them.

I trust all is well with you and that you are looking forward to an enjoyable 1997.

Sincerely yours
Phil Upchurch

Dear Cousin Janice,

Thank you for your letter of March 7, 1989 and for the U B orders. Two back issues have been mailed to you. My records show you have paid twice for 1989. (We must have sent you a second invoice by mistake). You have several options as regards the overpayment. They are:

- 1) let it go as payment for the U B for 1990.
- 2) let me refund it to you by check
- 3) let it go as a contribution to the Upchurch Research Fund
- 4) let it go to the Upchurch Research Fund as a memorial to a member of your family.

Let me know which option you choose.

The address you requested is: MRS ODIE MARIE STANDFERT; 1634 BARCELONA RD SW; ALBUQUERQUE, NM, 87105.

It is great that you are collecting data. I will look forward to having it.

Thanks for your interest and support.

Dear Cousin Janice,

Thank you for your letter of 2 AUG 1983 and for the check for the U.S. for 1980, 1982 and 1983. These will be put in the bulk mailing on 15 AUG 83 when we mail Vol 9 #3. They should be to you within a week or so. I hope you enjoy them.

All of the details in your letter have been entered and recorded. The pictures are much appreciated.

I agree with you that the picture of M/M Janice is provided by her in most likely former Allen U.I. (XID-4153) and we hope see Margaret Ann Blackman. You, I do have a connection with descendants of former Allen U.I. From U.S. Vol 9 #3 you will note that I have long been in touch with Odie Marie (M) Standfer, dau of James Robert U.I. & 3rd of former Allen U.I. I stopped in Albuquerque, NM to see her recently. She has been interested for a long time and I have recently written her to ask for more details. Her dau Jeanene (Standfer) Carner may have some interest. I think she is in OK somewhere.

1. The pictures of Mary Ellen and Ida I suspect they are children of Thomas Allen U. son of William Allen U. (XFD-4111). Mary Ellen U. b.c. 1865 (XFD-21127) and Ida Ellen U. b.c. 1871 (42) (XFD-21113).

Emily & Rufus of Lexington, OK are a puzzle. I know another reference to a Rufus U. which is probably the same. The reference indicates that a Rufus U. & one Addie U. (d.c. 1919) are buried at Mt Zion Cem. 15 miles SE of Lexington, OK. Several other U.'s are buried there including ~~Wesley U.~~ ^{Charles} Wesley U. (XFD-4165) son of Patrick Bogan U. I still can't figure out how Emily & Rufus fit in and do not even have the names of the "other" U.'s buried with them.

The pictures of Martin & Amanda are of Martin A. U. (XFD-4166) son of John Rodney Wood of Martin wife Amanda A. L. Russell (XFD-6540)

Your letter was more valuable than you think and I anxiously await the additional details you will supply. I know the collection is sometimes difficult but tact and patience & persistence will often pay off.

I have put the poem into the file for consideration for future issues of the U.B. (can't tell where it might fit in. I think you have inherited some of the family writing ability.

P.S. Extra Flyers enclosed in case you can use them somehow RPH

Dear Cousin Phillip,

I was glad to receive your informative letter. I am trying to answer your questions. I have contacted so many people and received so many promises but nothing else. I have answered some of the questions. I have written one of my uncle's 5 times and his chart is still not complete. I have discovered that answers from the living are not easily come by. I have high hopes that my father's siblings will soon respond. The rest of Robert U./Martha Golden's line is proving to be difficult. None of the information I was promised has been turned over yet. Patience.

- The boxes I mentioned had obits, letters, cards about all
- lines of my family. There was less Upchurch data than any
- other line. There were 4 of the Lyle children living here
□ - when J.F. & Addie passed away and I imagine my Aunts have
- a lot of information if they would gather it up. I can't
- very well go into their homes and do it so again I need to
- be patient.

- I found some pictures of Upchurches that I have no idea
- who they are. These pictures were in an album that be-
□ + □ + longed to R.A. & Martha. Find copies enclosed. Also Doris,
□ + □ daughter of Clarence Upchurch, son of R.A. sent a copy
△ + △ + □ + □ of a Mr. & Mrs. Jim Upchurch. This can't be R.A.'s Jim
□ as his Jim died when he was only 21. I wonder if it can
△ + □ be James A. U. son of John Dudley? Do you have any connect-
□ ions to the James A. descendants? Also find copy of
△ + △ + △ + △ Ida, ? and Emily & Rufus - Lexington, Ok. ? Ida is probably
□ + □ the same little girl that belongs with Martin, Amanda,
□ & Mary Ellen. These pictures appear to be made by the
- same photographer and are all identically framed.

- While I am waiting to receive all the information I have
- requested from the living I will order some back issues
△ of the U.B. My uncle Jefferson Coy J.C. sent the money □
□ to me to buy them. He is very thoughtful and reasoned that
- stamps, etc. would add up and thought he should help.

I enjoyed seeing my family in the last U.B. and I have received a connection to the Shoffner line as a result. There are some errors in the descent chart you published, some are mine and some yours. I will correct these soon. I will re-send the charts as soon as I hear from my brother.

I must get ready for work now. I haven't told you anything of any value but hopefully I soon will.

Dear Cousin Janice

I have spent practically all day processing your excellent letter of 4 MAY 88 and want to thank you for it. Everything fits together beautifully. Here is the sketch of your line and mine:

Michael U, I (XFD-146) [original manuscript]

↓
Richard U, I (149)

← BROTHERS →
John U, I (150) → James U, I (151)

↓
James U, III (155) ← 1ST COUSINS → Richard U, II (152)

↓
Harmon U (167) ← 2ND " → Nathan U, I (78)

↓
Allen U (3549) ← 3RD " → Gilbert U (82)

↓
John Rodney U (4410) ← 4TH " → Bartley Jefferson U

↓
Robert A U (4438) ← 5TH " → Robert Jefferson U ME

↓
Julius Frederick Lyle Jr (20174) ← 7TH " → My children (3)

↓
Shirley Janice Lyle (20176) ← 8TH " → My Grandchildren (4)

So your Grandmother & I are 6th cousins, you and my GC are 8th cousins, while you and I are 6th cousins twice removed.

As regards your ancestor John Burdsey U on the 1850 census, you will find him in Stanley Co, NC. He is shown as age 36 in the home headed by his mother Mary U (age 60), the widow of Allen U. There is the question of the location of the wife of John Burdsey U in 1850 as she does not seem to be in the home with Mary U and he was wid in 1844. John Burdsey U d in Stanley Co, NC in 1857 leaving his widow with four boys to raise (one had died in childhood). She soon moved west following other family members.

The picture is very exciting and I think might merit publication in the U B. You would need to have a "screen print" made and sent to me for which I would reimburse you. I pay \$6-8 for such screen prints here. As you could loan me the original and I would have a screen print made and return the original to you. The box of material sounds interesting. Perhaps there are some other choice items you could share with me. The poem was just great and if you have no objections I might publish it also. Do you know how Robert A. U came to write so well?

I will certainly have more details to share with you over time. It would be especially helpful if you could acquire all of the back issues of the U B as they have so much in them. I'm sure

If your particular situation and your willingness to share information I will sell the back volume to you for \$8/year rather than the \$12.00/year normal price. Any of the Volumes (years) would be useful but Volumes 1, 3 and 4 might be the best choice for the first purchase. You can take your time about purchasing them. After all it took me 8 years to create them!

I am extremely pleased that you are collecting more details and will look forward to such items when you can get them. In the meantime let me ask for some items on your more immediate line:

- 1) For Robert A. U (your GGF)
 - a) what does the 'A' stand for?
 - b) where did he marry the 1st + 2nd times?
 - c) where in AK was Martha Ann Golden born, and where did she die?
 - d) what was the full maiden name of Millie Ann Clemmens, when & where born, when & where died & where buried. I assume she had no children by Robert A. U - right? Was "Tennessee" the name of her husband? Did she marry a Patterson before she married a white?
- 2) For Robert Benjamin Fyle
 - a) where was he buried?
- 3) For Germaine Grant Fyle
 - a) when and where did he marry?
 - b) what is the full maiden name of ZOE ZOMILLIO and when & where was she born?
 - c) Did he have any children? If so, details?

4) For yourself

- where was Julia Lynn Worley married?
- what does the "D" in Gregory D. Cinem stand for and when & where was he born?
- where was Paige Elizabeth Cinem born?
- where was William Otis Worley married?
- when & where were Shelley Janine Meyer born?
- where was William Bryan Worley born?
- where was Kaitlen Semina Worley born?

5) For Mary Opal Lyle

- where was she married?
- when and where was Ernest Lester Chesser born?
- Did she have children? If so, details?

6) For Earl Edward Kyle Lyle

- when was he married?
- where was he married?
- Full maiden name of Betty Peckard and when & where born?

7) For Addie Murrel Lyle

- where married?
- when and where was Martin William K. Muth born?
- Did she have children? If so, details?

8) For Audrey Jay Lyle

Look forward to corresponding with you

Sincerely yours

Dear Phil,

I have thought about working on geneaology for several years and put it off. In the past years my father and 2 uncles passed away. There have been several serious illnesses and a realization that my family is breaking up. Also I helped my mother go through my dad's things and there were records and lists of family members of his mother, father and some of Robert Upchurch's letters, etc. I pitched all of it in boxes and brought it home. At Christmas time I had 4 days off and all the family was gone so I tackled the boxes. I imagine you know that by the time I had read all the data I was hooked.

I was certainly suprised when I received your letter not to mention excited. Certainly confused as all the family I have corresponded with think that the Upchurchs' came from Germany. In fact they recall Robt. talkin about coming from Germany on the boat and how sick he was. They thought that John died and Eliza brought the boys to America. I already knew that wasn't correct. My dad's cousin found Robts. obit and it said he was born in Albemarle, N.C. The 1850 census lists 4 Johns none in Stanly Co. 1 each in Franklin, Orange, Rutherford and Cumberland. I haven't had time to get a complete listing of family from the census. I live 100 miles from the nearest library of any size and 20 from a small one in Guymon, Ok. and they are only open 2 hrs. on Sat. so I can't get much done before they are running me out.

The family also recalls Robt. saying that he never got to know the rest of his family as they moved away from them. I forgot to say that there were also 3 Shaffner families in the 1850 census so I feel sure that we are definitely in N.C. at this time.

Note: Photo of Robert A. U. b5 APR 1855 & family placed in Photo File as # 88-3. (Narmon & Allen U. Sulistlan). Obit of Robert A. U. placed in his profile.

Poem by Robert A. U. placed in his profile

I haven't completed my 1900 Upchurch's however the contacts have been made and the charts are forthcoming. As soon as I have them I will send you copies. All of Addies children are living except Robbie and Fred Jr. and I have been so busy on the past that I haven't filled in the present. I have also contacted the descendents of Addies brothers and expect to have their information within the next 6 wks.

I would like to acquire the back issues of the UB but my limited income will not allow. I have been met with much enthusiasm from the family and I have hinted of the expense involved in genealogy but none have taken the hint. My mother has invested a small amount but she is the only one. Perhaps if you could list & price the specific issues pertaining to my line I could manage to purchase them or more than likely a few a month?

My work takes me out of town 50 hrs. a week. I take care of my mothers business, babysit, give the house a swipe the yard a promise and work on this. My standards of cleanliness have gone steadily down since I started this project. Of course I'm working on all my lines.

I hope the enclosed information is what you are wanting and that your data is what I need.

I am waiting to call you cousin until I receive the info showing our connection. You know but I don't.

Janice

p.s. I know that I should re-write this letter as I have rambled and made mistakes but I have to get ready to go to work so you are out of luck.

By the way do you know anything about a book by Sharon Taylor called "Upchurchs and the New World Descendents" My fathers first cousin received a flyer and it says it dates back to 1654 Michael Upchurch.

Dear Janice

Thanks for the order for the U.B. The first
of the four 1988 issues has been mailed to you
and the other three will be sent as they are
produced. I hope that you will enjoy them
and that you will want to order the issues
for previous years. They are available. An
order form is enclosed. For the current year
the cost is \$15.00 (you sent \$10.00) and each
issue are 12.00/year.

I am certainly pleased to have your interest
and hope we can correspond to help each other.
I assume you are descended from an Upchurch.
Can you send me a note showing how
you trace back to an Upchurch. I'll then
search my records and see what shows
up.

Hope to hear from you soon!

Sincerely yours
Phil Upchurch

Dear Cousin Janice,

Your letter of 22 APR 88 arrived yesterday and I happened to be at home on vacation to catch up (do we ever?) on genealogy. Your letter was so exciting I put everything aside and spent the afternoon extracting the details, got up at 5:00 AM today to finish it and even now as I write this it is 5:50 AM.

I am well acquainted with the records of your upland ancestor who started out in England in the early 1600's, moved to VA, then to NC, then to AR then to OK. My research was the original research that documented the move from NC to AR. Much of this is published and continues to be published in the U B. I hope you will order the back volumes as I know you would find them of great interest.

I have a fair amount of detail on the brothers and sisters of your great A. U. but on Robert A U I had little more than the name

until your packet arrived. I assume you are descended from Priscilla Adeline U and hope you will send me all the details you have on Priscilla and her descendants. As soon as I have this I will send you a sketch of your line and mine back to Michael U, I (original Upchurch immigrant who came to America in 1649). I hope you have some group sheets on Priscilla and her descendants similar to what you have already sent. If you have group sheets on the brother and sister of Priscilla they would also be welcomed.

Can you tell me a little about yourself and your interest in genealogy. I have always been interested in the subject but trace the interest back more specifically to a day in 1955 when I took my Uncle Getty on a trip in Wake Co, NC to find where his GF was buried. I still have notes made about our family on that trip as Uncle Getty was the person who remembered all about the Upchurches. My work started seriously in 1975 and in 1980 I started the Upchurch Bulletin. Now I have about 100,000 profiles on individuals in the family or related to it by location, business, etc. Have identified & published 20,000 family members.

Sincerely yours
Phil Upchurch
