Dear Cousin Willie,

Thanks for your nice letter which arrived yesterday. I have now processed it and want to thank you for the details and clarifications. Don't worry about the missing information. We just have to do the best we can and with those of us who are interested sharing our collections we get a huge amount done.

Provided hereunder is a copy of my modest outline for the William Allen U, I Line in the Harmon U / Allen U. Subplan. The first two sheets cover William Allen U, I, his children & grandchildren. Descendants of grandchildren (if such descendants are known) are covered in continuation sections or shown on the left hand side of the page. There is only one Continuation Section for the William Allen U, I Line and that is Continuation Section 50(A-C) for Sarah Florence (U) Evans. You supplied all the information for this Continuation Section.

In my previous letter I posed specific questions for missing items for George Thomas Evans and his descendants. I have not posed similar questions for the other children of Sarah Florence (U) Evans but if you can supply any of the missing details for them they would be most welcome. Likewise if you have any additional details for the siblings of Sarah Florence or their ancestor I would be glad to have such details.

Please let me know if you want copies of the Master outlines for the six siblings of William Allen U, I. I have considerable detail on them.

Provided herewith is a copy of my 7 Page 20 Item Profile on Allen U (XFD-3564).

I would welcome any questions you might have or any suggestions you may have as to how we can cooperate.

☺

Sincerely yours
Phil Upchurch

When I can force this information out of these people I will be glad to share.

Sincerely, Willie Russel

I continue to run across descendants of
Harmon U and information on that clan
keeps coming in. By now it has gotten
to be a very large group. Many descendants
did go to AR and from there some went
to OK and some to TX. There is a great
deal of Upchurch history in both states.

We should have UB Vol 17 No 2 in the
mail the week of 19 MAY 1966 but since it
goes by bulk mail it will take a while
to get to you. In the mailing you will
note a special development about our
heritage in England.

☺ With All Best Wishes

Dear Phil,

I will try and answer some of the questions you have on the family. The program I am using
- didn't print all the information.

Lets start with the siblings of Sarah F. Upchurch.

1. Mary Ellen, no further info.

2. Sarah Florence, no further.

3. Farthy A., no further.

4. Ida Ella, no further.

+ + 5. Flora, I have middle as June? . Flora may have married an Otto Sullivan, No proof yet.

6. James Andrew, only thing else I have is he is buried in Atoka cemetery, Atoka, OK.

7. Mattie May, born 22 Aug. 1886 poss. AR, died 15 Feb. 1908 and was buried in Atoka
- cemetery.

- It appears that the family stayed around the Atoka, OK area.

Eddie May Florence Evans, is still living and is Lewiston, ID at this time.

+ + Her first marriage to Jerry Chester Russell (my dad) ended in divorce in 1949. Jerry is still living
 + + in Ada, OK. I have tried to obtain info. From him but he refuses to write back.

+ + Eddie just had the two boys, Willie and Ralph.

+ + She married Victor Leonard Weir in Pullman, WA. 27 Jan. 1951. Victor was born 13 Aug. 1904
 in Red Oak, MO. Victor died 23 Mar. 1991 in Cheney, WA and was buried in Pullman, WA.

+ Eddie May then Married Ralph Brown in Clarkston, WA. , 18 Feb. 1995, both are still living.
- Soon they will be moving to Winchester, ID.

+ + Ralph just had the two girls, Vicki and Teri.

+ + + + + Teri has just the one girl, Kaitlyn Mae. Teri never married so I have nothing on Kaitlyn's father.

+ + + + + Vicki has one girl, Megan Erin Russell, she never married Megan's father, so I don't have his
 + + name. She married Lonnie Gene Skow 04 Sept. 1993, in Lewiston, ID. Lonnie was born in

+ Lewiston 13 Dec. 1953. Lonnie has two children by his first marriage. Angelee Nicole, 14 Jun.

1974 born in Lewiston, Id., Jeremy Gene, born in Lewiston 01 Dec. 1975.

+ + Willie has just the three which were adopted. All were from Marjean's first marriage to David
- Leeper.

Douglas just has the three children.

+ + Reva has three children. Joshua was from Chris. Who was born 17 Sept. 1962 in Lewiston, Id.

+ That marriage ended in divorce in 1987. She then married a Richard Allen Russell in Bremerton,

WA. In 1987. They had two children. The first was Kala Elaine Rae Russell, born 30 Oct. 1987 in Port Orchards, WA. , Dustin Richard Russell, born 06 May 1989 in Bremerton, WA. They are now divorced.

Dena never married Alicia's father so I have no information except the name of Michael Karl Smith. Dena has just the one child.

This must be the 90's as no one wants to get married to have children. I hope this helps and if you have any further questions, please fill free to write and I will try to answer them.

Now just a little about myself. As you already know, I was born in Stringtown, OK 19 Sept. 1943. We moved to Pullman WA. When mom married Victor Weir. I attended school at Pullman, grad. in 1961. Went into the Marine Corps in late 1961 and served till 1966. Did my time in Viet Nam. After returning to Pullman I worked as a car salesman for a while. I then moved to Lewiston, ID and became a Policeman until 1968 when I took an early retirement and went to work for Potlatch Corp. where I still work today. While working for the Police dept., I took two years of courses in career advancement at Lewis Clark State College in Lewiston.

My brother was also a Police officer on the Lewiston Police department. He was killed while on duty by Melvin Luther Cox from TN. This was in June 1970.

Sincerely,

The only 9th generation member of this line for which I have descendants is Sarah Florence U. These are covered in continuation sections 50, copy enclosed. You supplied all of the details in continuation section 50. I just wanted you to see how my records are kept (all by hand at this point). I have assigned XED numbers to the individuals (they will appear in the next UB issue) and have created a Profile sheet for each individual for my alphabetical file.

Enclosed is a list of questions of what is missing from your Mattox family. I will be grateful for any answers you have or can get.

Do you have any more details on the siblings of Sarah Florence U? All I have is shown on the master outline enclosed. I have more details on the ancestor of Sarah Florence U I can send if you are interested.

Harmon U moved from VA to NC about 1790 \pm 5 years. He settled in Montgomery Co, NC but in 1841 this county was divided and the western part, where Harmon & family

3-

were located, became Stanly Co. Members of this family started leaving NC in the 1840-1860 era but some of them stayed and are represented by descendants in Stanly Co, NC today. I correspond with individuals in and from the area.

Over the years I have included a lot of material in the U² on the Harmon U² clan and continue to interact with quite a few members of this group.

I hope we can work together and exchange information of mutual interest. Can you tell me a little about yourself?

(U)

Sincerely yours
Phil Upchurch

Hi Phillip.

I was just surfing the net and found Dianne's home page in the genealogy section. Checking out her page I found she had some Upchurchs in her family line. I made contact with her, as I also have Upchurch in my family line. She was unable to help but advised me to make contact with you. She said if anyone could help it would be you.

I am attempting to find more information on my Ggrandmother Sarah F. Upchurch. She married Peter H. Evans in Nichols Twp., Conway Co., AR in Dec. 1883. They later moved to Oklahoma where they both lived and died. I think her father was Thomas A. Upchurch and her mother was Sarah, they are also buried in Oklahoma. This is all the information I have on the family. Any help would be greatly appreciated.

If there, is any cost please let me know.

Dear Willie,

I am pleased to have your letter of 20 MAR 1996 regarding your Upchurch heritage. As you will see from the enclosed materials I am keenly interested in the entire extended Upchurch Family.

Yes, I do have details on your GGM Sarah Florence Upchurch and can link her back to the earlier generations of the family. However, I have nothing on the descendants of Sarah. We should be able to help each other and I am always pleased to share.

Do you have something organized on the descendants of Sarah and Peter that you could send me. I'll then filter this into my master outline and send you a copy.

You belong to the Harmon Upchurch class and you are descended from his son Allen. Thus you belong to the Harmon U/Allen U subclass.

When I started work on the family about 20 years ago very little was known about the Harmon U. Clan. I have since accumulated a large amount of information, much of which has been published in the Yulunch Bulletin. I am in a position to tell you more than you want to know about your Yulunch heritage !!

Enclosed is a copy of our "Freedom" document which will give you a little idea about us.

It will be great to work with you.

P.S. -

Please note the enclosed change of address sheet

Hi Phil,

I hope these lists of Sarah's descendants will be of some help in your continuing research of the Upchurch family. It will at least give you more names to add to the growing database. The missing pages had no additional information. I have enclosed a copy of Sarah & Peters marriage license and a copy of the bible record.

I am anxiously awaiting the information on Sarah and her ancestors as no one new much about the Upchurch side.
