DDB had four children by Jonnie, the first of which was born dead at a Catholic Hospital in Chicago, IL. Because it came early she was not prepared to name it. The nuns asked to name it Joseph. Her fourth child Nicky was born with Downs Syndrome. The name of the FAT of her fifth child is not known. It has always gone by the name of BURCHETT. Brenda & Ed have not yet adopted Cynthia but they plan to do so but will not change her name to Collins.

Inputs / Corrections for the Geo U. / Shadrach U. Subclass - Joseph U. Line from Carol Lynn (Baker) Murray via email 12 SEP 2016.

Comment
I noticed a few errors in the family tree of George Upchurch line.
#1 Sarah Jane Matthews Bunch married to Joseph Upchurch is in fact Sarah Jane Matthis daughter of Andrew Matthis (Mathis). It clearly states this on her death certificate. She was born 15 Sept. 1925 and died 26 March 1915. They are my 2x great grandparents.

#2 Martha Bunch is not the child of Joseph Upchurch. Sarah "Sallie" was previously married to Robert Bunch who died in 1853.

#3 Lucinda C Upchurch (the daughter of Sarah and Joseph) did not die in 1966. She died approx. 1901. According to the obituary of her husband James C. Baker he married Lucetta Burchett-Whitehead on March 1, 1902 after the death of his first wife Lucinda. She is on the 1900 Census records and that's the last I can find her.
