Dear Phil,

I realize you are out of the country, but I wanted to let you know that I will be unable to make the trip to Cary in July. My doctors appointment was not able to be rescheduled due to doc vacation times and mine. I'm so disappointed about not getting the opportunity to meet you, but since I do have a daughter that lives in Richmond maybe on a visit to her I can swing by the Cary facility. I appreciate all the research you have done for the Upchurch families.

Yours truly

Gayle Bolton

Hi Gayle---

Your plans sound great. At noon on July 19, 2018 or soon thereafter would you call my daughter „Deb Heck, on her cell phone (314) 368-2881 so we can coordinate. She will be with me at all [times.It](#) would be helpful to have your cell number.

Can we count on you to join us for the afternoon of July 19 at our Cary Facility--Suite 120, at 1130 Kildaire Farm Rod in Cary? Our plans for dinner on the 19th are uncertain but would you be free to join us? Can we count on you to join us for the Saturday am field trip?

I will be mostly unavailable on Friday as we have to travel to Newbern to see my wife's sister. If you are free on Friday I hope to have someone to visit with you.

In preparing for you visit I hope you will visit or revisit our websites. At www.upchurchstory.com password 2013upchurch# look at Video #31 on Nathan Upchurch,I and then at the ones for his ancestors. At www.alliedfamilies.com password 2014allied# review the narrative for the enrolled family of Nathan Upchurch, I and some of the relevant Biofiles.

Let me know if you have questions. It will be exciting to meet you.

Cheers~

Dear Phil,

Great to hear from you. I just went ahead and made a hotel reservation at La Quinta for July 19-21. This is contingent upon my being able to change a doctors appt. on the 19th. If all works out I'll travel up with my 2 English cocker spaniels. As a small child I did know GGM Minnie Florine. I have a picture of me with her at one of her birthday parties. Your trip to the Baltic sounds fabulous. I'll be leaving the week following the Cary trip to go to Russia on a Viking Cruise. Now that I'm retired I'm getting my traveling done while the knees still work. Keeping my fingers crossed that the doc office will accommodate.....I should know on Monday.

Your cousin,

Gayle
