Hello! My mother's mother was Della Upchurch, born in 1895. Della was descended from William, Joseph, John, Samuel, John, James, John, Richard, and finally Michael Upchurch, who was my 9-times-great-grandfather. I'd like to learn more about my Upchurch family history. Please let me know how I can access the Upchurch Bulletin online.

Thanks, and I send my best regards to your branch of our family!

Karla (nee Barton) Gansmuller

P.S. My brother, Brian Barton, has already been in contact with you.

Hi Karla----

Delighted to hear from you. It appears you were not on the list to get my latest Newsletter so it is given below. If you have trouble reaching and searching the two Upchurch Bulletin sites let me know. I suggest you pick out some key words to search and see if you have good luck. Since you know your line back to Michael U., I you should be able to start at Issue one in 1980 and look briefly through each issue to spot items of special interest to you. There should be many such articles.

This email is in response to your contact forms which came from you earlier today. I did indeed interact with your brother. I hope you will be willing to make some improvements in the Master Outline for your GGF William Alvis U. and if so I will be happy to mail you the 8-page document.

I have put you in my records with XID-60630.

In the UB you will learn that my GGF Gilbert U. married a sister of your ancestor Samuel U. in North Carolina thus linking the John U. III Clan and the Nathan U.,I Clan.

Let me know what you think of the videos. We have one in the works on John U.,III

Hi Karla---

We have progressed in enrolling the John Upchurch,III Family under the banner of Allied Families to the point of having a draft narrative which is attached. You are one of several descendants of John U.,III to whom I am sending this for review. Please let me have your comments and suggestions for changes.

This is just a beginning and we need to add much more but this will be possible only if some of the descendants provide support--financial or otherwise. If you have any time/talents you would like to contribute to the cause let me know and we can get into the specifics.

Note that the mechanics have been set up in Allied Families to have Family Trees on line. Look at the four examples already enrolled for [examples---www.alliedfamilies.com](http://www.alliedfamilies.com). A Family Tree and a volunteer Tree Master (Coordinator) are in prospect for the John U.,III Family.

We are still trying to resolve the issues of hosting and searching what will be a huge Resource File. When this is in place we can add key documents, images, etc for this John U.,III Family.

All of this work is to be preserved long-term according to our action plan. The grand goal is to have a \$10,000 endowment fund to equally support Allied Families and the John U.,III Family enrollment. Let me know if you need more details on this.

We have now collected \$250 towards the \$500 needed to put the narrative presented here on our website. Beyond that we will post a Family Tree when we have collected a total of \$1,000.

Beyond that contributions go towards building the John U.,III Endowment. Contributions of \$50 towards the John U.,III Family Project means one will be listed as a Co-Sponsor of the enrollment of the family. All contributions are tax deductible.

I hope you will become a 2015 member of Allied Families. A membership form is attached. Huge amounts of time and money contributed by many people have resulted in a great collection for the John U.,III Family. It is imperative that we act now ,collectively, to continue this work and to preserve and share it with others. Allied Families is the vehicle to do this. I hope we can count to on your support.

In The Spirit of Family,

Phil Upchurch, Manager Allied Families
