Dear Cousin Marcella,  
With the winter months now at hand I am catching up on some things that had to be put aside last fall. I have just finished processing your letter of 30 SEP 1998 and want to thank you for it and for all the details you provided to help update the details on the family headed by Joseph Upchurch born 1775 (VA), from whom you are descended. One day we hope to identify the father of this Joseph U. In the meantime I have organized my records as if he were a member of the 5th generation of the Upchurch Family in America. I could be off by one generation but I hope not.

Provided herewith are two sets of information for your use. Set one consists of 12 pages being the the master outline for the John W. Upchurch line in the Joseph U / Ambrose F. U subgroup. This covers

John W. U, his children and grandchildren. The descendants of the grandchildren (if any) if known are covered in continuation sections as indicated by numbers on the left hand side of the page. Set Two consists of 19 pages being the continuation sections (1-7) that pertain to the descendants of the children of Samantha Algada Jane (Wychurch) Blushburn. If you want the other continuation sections I can send them.

I am not asking that you take any particular action as regards these packets. However, if you do have corrections/additions I will be happy to have them. Should you happen to encounter others who have an interest in this material please share it with them.

I am amazed at the progress we have made in documenting the descendants of Joseph U. U 1775 (VA). Sometime in 1999 I hope to visit Brunswick Co, VA to see what I can learn about Joseph and his close relatives.

Thank you for inviting us to visit you in Bemie, we would love to do so

but at this time have no plans to come that way. ③

We continue to enjoy our farm although 1998 was not very kind to us as yields and prices were low. Farmers always live in hope.

Thank you for sharing information on your family. It is nice to have more generations coming along. It's also nice to enjoy the little ones and not have to care for them on a daily basis.

I trust you find life enjoyable and that your eyes are still serving you.

Again, please accept my thanks for helping to collect data on the Upchurch family. You have done a great job and I appreciate it.

Sincerely yours  
☺ Phil Upchurch

BOWIE, TX 76230

Dear Phil & Gallaine -

See, ~~Cag~~ as Wesley Blackburn use to say when he'd write or call

me) it was a big surprise, and a pleasure to get your letter. I had

wondered what had happened, to you since we last corresponded in

1991, when I finished the genealogy papers and mailed them to the

Blackburn relatives. I never did get a few of the cousins to

send me anything, on their families, so I just gave up & quit. I

haven't heard from Judy Haller or Blenda Jo Gray, who started

the genealogy ~~paper~~ I got so very interested, and enjoyed it so much,

since I met, through correspondence, so many relatives that I

would have never know - such as you.

By the way, since you are retired & maybe travel some, take a trip to Texas, and let Bowie (between Ft. Worth and Wichita Falls

Twp.) be one of your stop-overs. I'll bet we could find lots to talk

about. Ha! Ha! My telephone # is 946-872-5762 in case you were

to ever get this way. The "old boyr old" would welcome you into my

home. Bowie is a very small country town, and not as large as

you are probably use to; but I enjoy being here. I know that the

day is coming, when I'll move to Dallas, where my oldest

son - <sup>Lamar</sup> two grandchildren & 3 great grand children live, in order to

be near them. My eyes have gotten more dim, since I have developed

glaucoma and don't drive anywhere except around Bowie -

My youngest son (~~Ad~~ Gerald (Jerry) Adrian) lives in Philadelphia,

Pa. with his wife (Lucille), and youngest daughter (Jennifer). His

oldest daughter (Jana) who married Marco de Leon lives in

California, <sup>from</sup> where Adrian & family moved to Pa. I try to go visit

them, at Christmas time, every ~~time~~ <sup>two</sup> year in order to see Jana -

- My sister (Uyeta Adams) lives in Tolar, TX with her husband
- Robert. Their daughter (Becky) <sup>MaMahon</sup> husband (Ed) also live there as does
- ~~their~~ <sup>Uyeta's</sup> granddaughter Shannon & great grandson (Tyler). ~~Tolar~~
- is about 100 miles from me. Robert & Uyeta have a son (Kenneth)
- who lives in Kellam, TX with his wife (Rebecca) & step-son (Chad)

- It sounds as tho' you covered much ground in your work,
- before retiring, Phil. That's great to know that you were able to
- fill those jobs & do so well. Also, sounds as tho' you have lot of
- land to do whatever you wish now that you are in Mo. I know
- that you were both happy to get closer to your children. After all,
- they are our pride & joy. Speaking of you moving to Mo. in 1994,
- my son (Adrain) & family moved to Pa. in March 15, 1994. As at
- least he did. Jennie stayed in Ca. to take care of therapy on that
- end & until Jennifer was out of Pepperdine College. This year in Aug;
- she got her Masters Degree in Psychology. Adrain is President of a branch
- of CIGNA Insurance Co.

- Thank you for your very interesting letter. I have
- not been able to do anything more toward getting any Uyeta's
- family news. I would have loved to work up the entire family;
- but I couldn't do it. I am glad that you, (Phil) are still obtaining
- information on them.

- I have made a list of changes in some of the Blackburn
- families if you care for it. If not, you can discard it.

Sincerely yours  
Marcella

Dear Cousin Marcella,

In the early 1990's we corresponded about Upchurch Family History. You provided me some valuable information. You are descended from Joseph Upchurch born 1775 (Brunswick Co, VA). We still have not identified the name of his father but we should not give up hope of doing so.

I have continued to work in retirement on the rest of the Upchurch Family as you will see from enclosed details on the Upchurch Publications and on our "Freedom" document. However progress in organizing details for the family of your ancestor Joseph Upchurch b 1775

has lagged behind other parts of the Uplund Family.

Still I have returned time and again to the family of Joseph Uplund b 1775. At long last I have all of the materials in my hands now organized into a special format in keeping with the way all of my records are kept.

I am now anxious to reestablish contact with cooperators such as yourself who have an interest and a willingness to exchange information.

If you are still willing to cooperate, I would like to send you a copy of my Master outline for the Amrose F. Uplund family covering his children, grandchildren and great grand children. One of the gggc was your father Samuel Walter Blackburn. I would be interested in any corrections or additions you may have for this

Master outline.

Of course I would be happy to have any materials at all on the family which you may have gathered since the early 1990's.

Please let me know if you have any special questions.

My wife and I are now approaching 4 years in retirement since I left the University of Arizona in Tucson, AZ. We are busy with family history, farming and keeping up with our 3 children and their families - including 8 grandchildren with all best wishes.

Sincerely yours  
Phil Upchurch

Dear Phil = Nice Cousin, whom I'd love to meet:

It's been a long time since we have been in contact with each other. I have wondered how you are coming along with the Upchurch genealogy. I have sure enjoyed all that you've sent me, thus far, and hope to hear that you have gotten more information.

I have gotten some about my grandmother Samantha Jane Blackburn's sister Lou Etta, which a cousin of mine (her <sup>Lou Etta was</sup> mother) sent me in answer to a letter that I sent her. You may have already obtained this and, if so, you can discard this. I also wrote to Uncle "Tom" Upchurch's <sup>Glenn Upchurch</sup> grandson's wife, who gave me the information on their family. I have not been able to obtain ~~Frank~~ Alice Upchurch's mother's name, (or Uncle Tom (John Thomas) first wife. I was told by Aunt Lou Etta's daughter (Heddy) that she was a "Martin," but no more info.

I hope this will help, in some small way, and if I obtain any more info I'll send it on to you. I waited until all the older relatives are dead to start looking into this. I wish I'd done it before I was 73 years old myself. Ha! These old minds don't remember a lot. Ha!

Glenda Jo + Judy + I still correspond some; but they do more extensive work than I. I love to get all the info.

Dear Phil =

- +□ I am sending you the genealogy, which I have
- +□ compiled on Michael and Samantha (Upchurch) Blackburn
- +□ I have no received anything from Samuel Waters
- +□ sister, Maudie's family. She is #6 of the children.
- +□ Neither do I have Uncle Joseph Clyde's report. He is

- +□ when (if ever) I get these I'll send them to you.
- +□ I hope this will help you in your records.

Dear Cousin Marcella,

Your letter of 18 APR 1990 with its many details was most welcome. I have just finished processing them and also one dated 19 APR 1990 from Glenda Jo (Blackburn) Gray. All the details from both letters have been entered in individual Biopiles for each of the individuals concerned (several hundred) and on the Master Outline. A copy of the 23 page Master Outline for Ambrose F Upchurch, the son of Joseph U. L. 1775 (VA) is enclosed for your use. You will note that it is more complete in some places than in others. You will note that John W. U. had 11 children including your GM Samantha Alzada Jane U.

I do hope you can find more information on the brothers and sisters of Samantha. You mention a sister "Jan" and a sister "Etta". I currently view them as one person "Janetta" and that she was — Master and — Bybee. I show that Josephine (Jane) and — Bybee. These records are

2-  
guide completed and any information you  
can or can get on the siblings of Constance  
will be appreciated.

Please do scan this entire Master outline  
and let me have any additions or  
corrections that come to mind. I have listed  
on an enclosed single sheet the names,  
details on the family of Samuel Walter  
Backlund. Any of these details you have  
or can get will be appreciated.

We have made wonderful progress on  
the Joseph Upchurch outline and I hope  
we can continue and that you can help  
us. Our ultimate goal is to have a first  
class outline and to identify the father  
of Joseph U.

I look forward to continued  
exchange with you.

Sincerely yours,  
Phil Upchurch

Dear Cousin Marcella,

I presume Judy Heller has told you all about our Upshur's Heritage project but details are enclosed in any case. We are still trying to locate the father of your ancestor Joseph U b. 1775 (VA) and I will be happy to tell you more about what we are doing as that in due course. In the meantime I am preparing a Master outline for Joseph U and his descendants - must be a thousand or so individuals by now. Here is how I see you fitting in:

Joseph U b. 1775 (VA)

↓  
Ambrose F U

↓  
John W. U

↓  
Samantha U

↓  
— ?

↓  
you

Can you help me complete this? - Who's child of Samantha U is your parent? What is your full maiden name? Details on your husband, address, brother/sister, etc. Perhaps you have an outline already prepared you could share.

I will certainly be happy to share information with you and I hope you can help us improve certain parts of the Joseph U. Master outline. Over the past several years we have made fantastic progress. Many people have helped.

I look forward to the day when we can identify the father of Joseph U. and thus link this major segment of the family back to Michael U, I who came to this country in 1649.

Hope to hear from you soon!

Sincerely yours  
Phil Upchurch

Dear Phillip -

I received your letter and was happy to hear from you. Yes, Judy contacted me concerning your project, on the Upchurch Heritage. I am sorry that I did not respond to the letter, but I know so little concerning our Upchurch relatives, that I didn't think it interesting to ~~you~~ I am sorry, also, that I waited all these years, to get interested in our Blackburn Heritage, and wish I had ask my father all about his relatives, on both, the Blackburn and Upchurch side. I didn't even know that my grandmother,

~~SAMANTHA ALZADA JANE's father's name was John, before I started the genealogy, on the Blackburn's, therefore I don't know Ambrase, or Joseph. I know that grandmother had some sisters, of which one was named Lou, who married (Wilbur) Bybee, she had several children - but I don't recall their names. It also seems that grandmother had a sister, named Etta, who married a Mc Dowell, but I'm not sure. They all lived in Paris, Texas, where I was born, and raised. Grandmother had a brother named Tom Upchurch, who had 2 children, that I knew of. They were Charley Upchurch (a son) and a daughter Alice, (I think), who married Frank Demese. All of these have been deceased several years, there are some grand + great-grandchildren of Frank Demese, but I don't know their names.~~

Also, Charley Upchurch had 2 children - a son, Charles Russel Upchurch (I think, he is deceased) - a daughter, Mary Elizabeth, but I can't remember, to whom she was married. I'm sorry that I can't be of more help, on our Upchurch Heritage. If I talk with anyone that knows more about them, I'll try to let you know. I have a Paris, Tx. telephone directory, and I notice the names of a John Upchurch, but no address. His telephone # is <sup>214</sup> 697-3345 - A Mrs Elsie Upchurch, whose husband was Bobby - address 934 Graham St. Phone # 214 784-6443. - I

Δ don't know if these are relatives, however there is Chester  
 - Upchurch, whom I think is. His address is 850 So. Collegiate  
 - Dr. Paris, TX - 75460 - Ph. # 214-785-8992 - I notice that there is  
 Δ a Joe L. Upchurch - Rt 7 - (Keno) which is a Paris, TX. route. His  
 Δ ph. # - 214-784-7516 - I was born + raised in this  
 □ little Keno community - 5 miles E. of Paris, TX. I don't  
 - know that these Upchurch addresses, or phone #'s  
 will help; but maybe they will someday.
