Dear Mr. Upchurch, my cousin Carol has been telling me about all your work on the history of the Upchurch family. She also mentioned that you worked closely with my father on gathering genealogical information. Maybe we met at his funeral? I recall m mother speaking about someone who contacted her about the Upchurch name and suspect it might be you. She has sadly also passed on a few years ago. Please feel free to call (480 234 5323) or email me at this address.
warmly,
Valerie Upchurch

③ 13 JAN 2017 — Notes of RPU call to VAUP (480) 234-5323. who had a cordial chat as she wanted for a relative to shop. V lives in her mother's home in Mesa, AZ. She is moving to India — probably for good as her husband is Indian. I read to her my Profile an her mot Eleanor who died in 2014. It is clear V seeks info on her immediate ancestors maternal and paternal — but I need more clarity. She will become an AF member and is willing to transcribe but thinks in India not. Re her interest in her broader heritage I am not sure. My next step is to email her

Hi Valerie---
   It was nice to chat with you yesterday and to learn of your interest in your heritage. It will take a few more exchanges for us to communicate effectively as my records are voluminous and aspects of interest to you may be filed here and there. I have gone back through my extensive exchanges with

you father an have one item I have copied to mail to you. For some others I will need to look at specific Biofiles depending on your interests---as for example the McFarland's. I recall with great pleasure my close collaboration with your father and the interests we shared

I need to get a feel for your primary interests. We can start out by dealing with specific individuals that interest you and if you would name them that would be helpful.

On the broader aspect of your Upchurch heritage going back to England I would like to ask you to have a look at our websites. You are of the Moses Upchurch/Whitney Upchurch SubClan and of the James M. Upchurch Line in that SubClan. I invite you to start with our first website www.upchurchstory.com password 2013upchurch#. There you will find 4,000 pages of search-able information on Upchurch and allied families embraced in 37 years of the Upchurch Bulletin. Note especially the 35 videos including the one on your ancestor Moses Upchurch and then ones on his ancestors --all you direct descendants. Then I invite you to visit www.alliedfamilies.com password 2014allied#. Note especially the Moses Upchurch enrolled family to which you belong. Our challenge now is to augment, share and keep these records on-line for the long term which will require the participation of descendants of Moses Upchurch. I hope you will join us in this venture for which a membership form is enclosed.

I think I have someone lined up to start a family tree for he Moss Upchurch/Whitney Upchurch family. We have a fantastic collection of family records assembled at great cost and with the help of over a thousand people. Still if we do not take action these records could go dark. With our Allied Families program we have a Chance of not letting this happen.

I look forward to hearing from you and to collaborating within the bounds of your interests.
Sending All Best Wishes~

Dear Cousin Valerie –

Thank you for your $20 for your 2017 membership in Upchurch and Allied Families Association, Inc which arrived via PayPal on the 20th.

Enclosed is a copy of the 3 page of notes I made on my 15 OCT 1980 visit with your father. We had many contacts after that. Also enclosed is a copy of my 3 Page, 3-Item Biogile on your mother.

My email of 14 JAN 2017 offered some thoughts on how you might learn more from our website possibly leading to more exchange as you let me know of your interests.

I hope we can still stay in touch by email even when you move to India.

Sending All Best Wishes

Phil Upchurch
