## Man is shot and killed; two friends witness attack

Christopher Upchurch, 20, was fatally shot late Monday on a sidewalk in the 5100 block of Kensington Avenue in St. Louis' West End.

Police said two friends who had driven there to pick up Upchurch witnessed the shooting from their car but could not identify the assailant.

Police said Upchurch was seen about 10:20 p.m. Monday talking to another young man, who pulled a pistol and fired several shots.

Upchurch, of the 700 block of Schirmer Avenue in the Carondelet neighborhood, was struck six times. He was pronounced dead 50 minutes later at Barnes-Jewish Hospital.

My Aunt recently met with older members of our family. They believe that CCU was a son of James Calvin 4 but by Sarah Buck - not by one of his two wives shown in RPH records. My Aunt says James Calvin 4 and 4 or 5 times [RPH shows twice]

CCU had a brother Arthur U who had several dau. I talked to one of the dau about the story that CCU was the son of Sarah Bush rather than being the son of one of the two known wives of James Calum U. She said she had heard this story but could not remember the details.

"on the 1920 census they have listed in the Christopher Capchurch household a CARMAN M. U 8 months old & after they have Arnold Holland U. I have asked my Aunt about this and she has never heard of this child. Holland was the last as far as anyone knew. She must have died.

- ① See 1958 Collection of letters of John Henderson U, II  
Received 14 JUN 1944. An Upchurch ancestor (Giles  
Berry U ?) had died intestate and 100 acres needed  
to be distributed to many heirs. John Henderson  
U, II attempted to locate the children of Myrtle  
(Miller) Sweeney - dau of Mary E. U & gd of William  
Alfred U. The collection of letters contains interesting  
genealogical information including:

→ [RAYMOND CARRICK]

[I]

In the meantime, Raymond Carrick, cousin of Joyce, who is with the Post Office Department here in Washington, who formerly was Postmaster at Seymour, Mo., and who also is the son of one of the sisters of John Henderson Upchurch, got the word about me and called me up. We have had several telephone conversations and dinner together once. He has quite a lot of dry humor in him and if encouraged a little I think would develop into a fairly good "Tall Tale Teller" although not necessarily the bragging kind. I thought I had him started several times but when thinking about it afterwards believe I must have discouraged him by matching the ones he did tell (or trying to).

→ [ABSALOM MOSES U]

→ [I]

He told me about his other famous uncle, Absalom Upchurch, a brother of John Henderson, who went back and forth to California eight times with nothing but a buckboard and a span of mules and that he must have driven them back and forth to Kaintuck at least twentyfive times; that he always had plenty of money, mostly in twenty dollar gold pieces, and no one could figure out where he kept it or how he carried it around without getting robbed; but they finally found out that he had it hidden in a false bottom of his mules' grain buckets and fastened at various strategic spots in his mules' harness and besides all that it was considered very dangerous to even let Uncle Absalom think that you might consider pestering him.

[CHRISTOPHER COLUMBUS U] →

However, he said, that his best liked uncle but probably the worst, Columbus Upchurch, was famous for his lies and practical jokes which were sometimes quite troublesome. One time they saw him riding down the road whipping and spurring his horse like the sheriff was after him, so they all yelled to him "That's your hurry, stop off a while and tell us a few lies". He yelled back "I haven't got time, Aunt Dody just died and I am going over and see if I can help out". They all liked Aunt Dody (whoever she was), so they hooked up to the carriage and drove over to see if they could help out also, but

when they arrived Aunt Dody met them at the door and said "Lands sakes, I was just wonderin when you all would get around to coming over, Columbus just rode by but didn't stop".

Hi Phil,

First off, I would like to thank you for the countless hours and effort that you have put into our family's lineage. I'm having a hard time wrapping my head around the work you have done with how big of a project that this undertaking must have been.

My name is Christopher Shawn Upchurch. I have a son named Kyle R. born Nov. 23, 1999. My father's family comes from Harrisburg, Ill. My father is Donald Jean/Gene (spelling depends on what document you look at, he goes with Gene). My Grandfather is Kenneth, Great Grandfather John W., then William Alvis, Joseph B., John, Samuel, John III, and so on. That would put my line of family in the John III/Samuel Clan/sub clan.

I was born in Holyoke, MA, and have lived in Massachusetts most of my life with a couple stints in other parts of the country due to my Dad being in the Air Force when I was a kid.

I was born January 12, 1967, had a little brother who died at birth in 1969 named Timothy.

I hope some of this information helps, if you have any questions, don't hesitate to ask. Once again, thank you for all your work. It has helped me a great deal with my ancestry.

Thanks and God Bless!!!

Chris

Hi Chris---

Yes, I have these people in my system. They belong to the Silas U Line in the Richard U.,III/Buckner U Subclan. It may be that you and I have different pieces of the puzzle. We need to compare notes.

As to how far back I go the answer is as far as possible. In America all of the Upchurch family members, with rare exceptions, trace back to Michael U.,I who came over from England about 1638. We have a lot of data on the Upchurches in England as well.

Will look forward to your input.

- Chris called RPU to follow up on the James Inglis Article. I was on the phone and called him back at (816) 272-1256 & we had a 20 min chat on my drive. The John Inglis article tells how John and Mary Ann U. D/o Silas U. Head of a line in the Richard U, III/Bochnes U Subclass. It was written by Richard B. Jones a descendant of Fannie Cornelia Inglis D/o Mary Ann U. Chris added the battlefield map.

Chris is preparing a pocket to send to me. (I need not respond until he does). Chris seems uneducated but has fair computer competence. He is a little unfocused generally but his main effort has been on Silas U. s/o Bochnes U. He knows a little about earlier generations but is not working on them. Has been working on family history 4-5 years. He is basically a good cooperator.

Hi Chris—

I got the 13 April James Inglis article which is excellent. Also, got the 14 April listings of the descendants of Mary Ann Upchurch- again a great addition to our records. I'll have to spend several hours to get these details into my system. Thanks very much for these two items.

One comment about the Mary Ann document. Hattie M Reynolds married first Arthur Stipes. I assume that her first child would bear the name Stipes but she shows up as Fannie M Blevins. Perhaps there is a logical explanation.

Regards.

Phil, Hope this helps. In 1910 found Hattie and Arthur Stipes in that house hold was Mary B. Blevins & Lettie Blevens and there daughter Fannie M. Stipes. They were living next door to her mom & dad.

John & Isabella Reynolds  
living in that house hold was  
John Blevens Grandson age.15

Added to this email was an Outline for the Descendants  
of John W. Reynolds - re separate extract.

Hi Cousin Chris---

Thank you very much for the update provided with your email of May 27. I have now spent several hours upgrading my Master Outline with what you provided and have more to do. From our previous exchanges you know that I have always kept my records manually. In the last several years I have been moving to do more on line and digitally. The latest is that I have purchased Family Tree Maker and my son-in-law is going to install it and start adding data. There is part of what you sent that I want to enter in this system when we get it set up. This will be a test case and I may need to get more from you when the time comes.

In the meantime I hope you will visit my upgraded website <[www.upchurchstory.com](http://www.upchurchstory.com)> if you have not seen it recently. Note the videos and several thousand pages of written material which you can search. I recommend you go to the Upchurch Bulletin on the site and start glancing through issues from issue 1 in 1980. You will soon come upon parts that apply to your part of the family. You can read about my trip to Brown County, IL where your ancestor Buckner Upchurch settled. Also note my many entries about your ancestor Richard Upchurch, III the father of Buckner. If you have any trouble navigating the site let me know.

I look forward to hearing from you again soon.

Hi Chris---

For several years we exchanged family history information. Recently, we seem to have lost touch. I have kept your large packet of Upchurch information close and have returned to it numerous times including recently. I would very much like to reestablish contact with you and to explain some very significant developments as regards Upchurch family history. If you will let me know that this reaches you I will explain developments in more detail. You and a number of others have helped me to accumulate a huge set of records for the Richard Upchurch, III Family to which you belong. I have always been intrigued by his son Buckner and treasure my one visit to Brown County, IL where he settled.

Trusting that you have been well in the meantime.

He married Dixie Jewel Reed 30 Dec 1941 in Newberry, MI., daughter of Solomon Reed and Lydia Keims. She was born 13 Jul 1922 in Wauscon Oh., and died 11 May 2011 in St. Petersburg, FL.

Notes for James William Jessie Upchurch:

A touch of the past

My father was born in Tomahawk, Wi. on Monday 8-Aug-1922 then the family continued onto Michigan's upper peninsula to the town of Newberry. It is there that my dad had to leave school in the 5th grade to work in the wood-cutting business with his dad. He had worked for as little as .35 cents an hour at Barrett.

Logging mill in Newberry, Mi. After my father and mother got married on December the 30th 1941

they moved to lower Michigan where my father looked for work in the factories in Mich. & Ohio.

Then after me and my brother Jim was born they moved back to Newberry in the upper peninsula where my dad went back to work in the logging mill. We remained there till my second brother Bill was born in 1946. Then we moved back to lower Michigan where my father went to work in the factories around Toledo, Ohio where he would work till they laid him off or shut down. I can remember my dad playing the guitar & harmonica and his brother playing the mandolin and his sister would sing.

Then in late 50's he went to work at Bedford Public School as a custodian where he remained

till he retired in the early 80's for a span of 13 years he worked 7 days a week.

My father loved to go camping and sitting around the campfire at night and he loved to go deer hunting with the boy's. He always managed to take his vacation. We went up north a lot to see my grandparents and all of our other relatives and I can still remember the long lines we had to sit in to catch the ferry to get across lake Michigan. It seems like I can still smell the wood cook stove and granny's pancakes and homemade bread cooking. Then after my grandparents moved to lower Michigan we continued going up north on vacation around the Rose City & Mio area where we stayed at a large cabin that was owned by a school teacher that worked where my dad worked. He would let my dad have the cabin a couple week's a year at no charge. Except for what electric we used for cooking and lights.

My father never got the north woods out of his system and my mother never got the city out of her's. I can still hear my mother referring to the woods as God's country. Well it is that is what it is I would have loved to spend my entire life there. When we went on vacation my mother would pack up lunch meat, peanut butter, jelly, bread, and cool-aid. Our fast food was a sandwich at 55 miles per hour on 23 north. But they remained together for 56 years, 7 months, 7 days and 14 children later. And of those 56 plus years my mother never missed having breakfast for my dad before he went to work and super on the table when he got home. My father died on 07 July 1997 in his home in St. Petersburg, Florida.

Tribute to my Grandfather

Two days ago my mom and dad came to me at one of the worst moments in my life and asked me to speak about my grandfather, James William Jesse Upchurch. I thought to myself what could possibly be a better honor then to make this tribute to my grandfather. Next to my father, my grandfather was the most important man to me and for the past year I have had to watch him dwindle away. He has played an important role in my life during the last eighteen years, from teaching me to play marbles, to showing me how to throw dice on a bad hand of cards. We all know that he is in a better place with no pain, but not having him around is unbearable. The values and love he has shown us all will last forever in our hearts along with his memory. As we let him go away to heaven, saying our goodbyes is not easy. I love you very much grandpa and you will always be in my heart. Before I step down I would like to say to my grandmother, Dixie Jewel Upchurch, that papa would not have been what he was without you. I want to thank you for giving his life of pain nothing but your love. You are very special to me and I will always be around the corner if you need me. Now it is your turn to get some rest and let all of us take care of you.

Love always, Tricia

Age at death (Facts Pg): 74 years 10 months 29 days

Cemetery: Bedford Memorial Cemetery, Temperance, Mi.

Notes for Dixie Jewel Reed:

Sometime in Aug. or Sept. of 1941 my mother Dixie and her sister Lydia who was a year older than

her, left there home on Crabb & Vienna Rd. Temperance, Mi. and hitchhiked to Newberry, Mi.

Then catching a ride on the ferry taking them across Lake Michigan. They went there to be with their mother who was living in Dollarville, Mi. with Earl Van Norman. When my mother and her sister got in Newberry, Mi they started asking around if anyone knew Earl Van Norman? There were a couple guy's said they were relation of his and if they wanted a ride out there to get in. They arrived at Earl & Lydia's house, which was a mink ranch on the Tahquamenon river, it was called Natalic, Mi. Everyone there was surprised to see them and they couldn't believe they hitchhiked all the way there.

While in Newberry with her mother, she seen my dad and asked her mother if she knew him? Her mother said yes that he was the son of her good friend. My mother told me that when she first met my dad that she sat down beside him and he moved up a step and she moved up a step this went on for a couple steps then she asked him if he was afred of women. I am not sure if my mother was the pursuer or not but they were married on the 30th of December 1941. They were together till my father passed away on the 7th of July 1997. 56 years, 7 months, 7 days and 14 children later. After most of the children got married and moved out on their own my mother went to work in Monroe, Mi. at the Senior Citizen Center as a cook. My mother never had a drivers license and she would take the bus to work and home. She never had a problem getting around if she wanted to go somewhere she could always find a ride.

In that time period Granny never went more than 3 years, 1 month and 15 days without having a baby. She had a baby, on average, every 579 days from 1942-1965.  
Jim and Bill are the only ones that were born within a year of each other. (11 months, 12 days)  
Another thing I didn't realize, out of all of those births she only had girls back to back 1 time. Sandy and Edna. Boys were born back to back 5 times.

That's 91 people that wouldn't be alive today if it wasn't for Granny and Grandpa. That's what I call leaving a legacy. My mother was 43 when she had her last child Juanita. Juanita was 43 when she had her first child Adian granny's little prince.

#### A Tribute to my Grandmother

We are all gathered here today to celebrate the life of an incredible woman. Some of you know her because she opened her door to you when you had no where else to go. Some of you know her from endless nights of card playing and beer drinking. Some of you know her as stubborn, strong willed, caring, honest and loving. Some of you know her as a mother, grandmother, and great grandmother. I am proud to say that I know her as all of the above.

My granny, Dixie Jewel, was an amazing person whom I always looked up too. I remember coming home from school to her. On weekends I would spend the night with her instead of friends. I would crawl into her room to tell her I was scared and ask if I could lay with her. She would always let me curl up next to her. I took summer vacations to MI with her. We spent holidays together and had Sunday dinners. She was always in the kitchen cooking up something good. The older I got the more I realized just how amazing she was. For as long as I can remember she was always raising kids. She was by far the definition of a mother. The fact that she had 14 children and worked her whole life to keep her family strong and together says it all. Her children were her world. During her final days she spoke of not wanting to hurt her kids. Even though we were all there telling her it was ok to go she was still being a mother. If you look around this room today you will see the family that she created, the family that she kept strong, the family that she loved dearly. There are not many people in the world who can say that they are part of a family as big and as close as ours. But we can and that is something we can all be proud of. She was the foundation of this family. She was our rock. They say anyone can have a child, but it takes someone special to be a mother. Well, she was someone special to everyone in this room not just the 14 children she raised.

For those of us here today the pain of our loss is strong, but it is important to know that today is not a day of goodbyes but a day of new beginnings. Grandma is with Grandpa and Uncle Mike now and she is happy and peaceful. She is not in pain anymore. I'm sure they are all together playing cards or marbles. I'm sure Grandma is in a kitchen cooking something while Papa pesters her. And I know her time is now filled with the love of her husband and son who she missed so dearly.

Granny was my world and I am honored to be speaking. We will all miss her antics, her faces, her choice of words, but most of all her. I'd like to share the lyrics from Brad Paisley's When I get where I'm going.

When I get where I'm going there'll be only happy tears. I will shed the sins and struggles I have carried all these years, and I'll leave my heart wide open, I will love and have no fear. yeah when I get where I'm going, don't cry for me down here. Love always Tricia

Re sheets A & C - I have put a dot to show where your records matched what I already had. The dots have been highlighted. Note that I have 17 entries for Children. If you take away Mary that leaves 11. Note that there are two entries for William (b & i). They have different birth dates. Are they ~~both~~ really children of Wiley? Note that on the 1910 census there are three new children in the home -  $X_1, X_2, X_3$ . Do you know how to put these in??

For Ansel (sheet B & D) note that I end up with 5 children after I move Mary Jane over. My records seem to show there was a child that died before 1900. Do you have anything that will bear upon this child or the total number of children for Ansel.

I am especially interested in improving my documentation on the children & grandchildren of Silas U b 1810 (Franklin Co, NC) and hope we can cooperate on this going forward. Silas was a 2nd cousin of my Grandfather.

Just let me know how you want it go forward.

P.S. -

Please do send info on  
Mary Ann D/o Silas  
Thank you

that there might have been a first marriage for William S. U (b. 1831). This led me to speculate that the "S" stood for "~~SOMERS~~ SOMERS". Your input please.

3. you mentioned that Mary Ann U (D/o Selah U; G/o Buckner U) had a 1st husband that died in the Civil War. Do we have the name of her two husbands?
4. you mentioned getting input from grandchildren of Wiley & Mary Jane - I would very much like copies of what you get

Could you let me have your phone number. I would like to call and have a brief chat about our mutual interests

Sincerely yours

questions on the James G. U Family in case this list of needed items may be of help. Of course we never get all the details but it is nice to try. You have already made a significant contribution to the documentation of our shared Upchurch heritage.

In appreciation of your efforts I provide a gift herewith of Vol 25 No 1 of the Upchurch Bulletin. This deals with the Branch of the family to which you and I belong. The Branch headed by Richard U, II. You descend from his son Richard U, III and I descend from his son Nathan U, I. I have highlighted some of your line in yellow & some of mine in orange.

Your ancestor James G. U & my father Robert Jefferson U were 3rd cousins.

I look forward to hearing from you and to working with you. We no doubt have much more to share.

Sincerely yours

look at this and throw it away. The updated version is dated 28 AUG 2004, <sup>(if agree)</sup> and adds info you sent plus whatever else I could add. (C1)

Please go over this and let me have whatever you can that will upgrade the Master Outline. I usually collect full names (full maiden names of females), dates of birth/marriage/death and place of birth/marriage/death/burial. For place I like to include town/county/state and the name of the cemetery where available. We rarely get all of this detail but it is fun to try.

I enclosed are some details on the Yulmish publications. If you want to buy a few back issues they are \$5.00 each. In any case we can keep exchanging details.

Perhaps you will have some specific questions for me. I am always happy to share what I have and you seem to enjoy this also.

Since we talked I have had another look at my census records for TN. I think there is more to be teased from these records and I will work on this some more when I next hear from you. General Upchurch clans had representatives in TN in the 1800's. I have been working for years to sort them out and have made a lot of progress. Still, there is much more to do. The Richard U, III clan to which you belong had members in TN as did the clan headed by his brother Nathan U, I (my ancestor). Several other clans were represented as well.

It is great to have your interest and I look forward to hearing from you.

Sincerely yours
