Hi Jason---

Delighted that you found my website. I hope you had no trouble locating and searching the three password protected sites where I have tons of Upchurch information posted. In case the password did not come to your it is " 2013upchurch# ". Also, I hope we were able to watch some of the videos. Do let me have any questions or comments you may have.

There are in my records about two dozen individuals by the name of Jason Upchurch. I do not know if you are one of them and would like to know. Could you give me the names of a couple of people that link you back to earlier Upchurch generations. I will then search my records and give you a report. It is important for us to determine which of the 22 Upchurch Clans is yours. This way you can focus more easily on the aspects that are of greatest interest to you.

I invite your attention to the new organization we have created to carry on our work ---Upchurch and Allied Families Association. See www.alliedfamilies.com. I would be most encouraged if you would join the organization as a 2014 member for \$20 to help us move along faster in our family history work. Let me know if you want more information.

Best Wishes

Phil Upchurch

Also, the several generations of Riley are a good hint toward the Eleanor Riley Matriarch.

Hi Jason---

Hi Jason---

Thanks for your response and for your \$20 via PayPal for 2014 membership in UAFA. This entitles you to a copy of the Upchurch Bulletin we will publish next fall. Do you want a hard copy or is access to the digital version satisfactory? I have an excellent Master Outline for your part of the family. Your Great Aunt Juanita Tatum and I were close collaborators and she helped a great deal with data and finances. Do you know her? Is she still alive?

Re your inputs For your Aunt you have Gayle and i have Gail. For your GM you have Allyne and I have Allene. For your fathers birth you have 1955 and I have 1953. Can you clarify?

If you are willing to collaborate on updating details on your part of the family, I will mail you a copy of the six page Master Outline for the family of your GGF. Let me know.

You have your family line correct. We have just posted on YouTube a video on your ancestor James U.,IV. It will be No.35 when it is placed on my website but for now you have to go directly to YouTube to get it and it is found under Upchurch Stories. After viewing it you can go to 35, 23, 24, 26, and finally to 4/9 to listen to videos on his ancestors (and yours) going back to Michael U,I.

We are starting to "enroll" families under the banner of Allied Families and at some point would like to proceed to enroll the family of James U.,IV and to assemble information on him and his descendants. This will allow us to have in one place online a large collection bearing upon this family. I hope we can count on you to be a participant in this process when we get underway with this family.

I think we are on the same page now as they say. I will welcome any thoughts you have on how to move forward in our collaboration.

Best!

Phil Upchurch

Phil,

I believe you are correct with Gail and it very well could be Allyne, I will ask my dad next time I see him (probably in a week or so). You are correct on 1953 (my mom is 1955, in a hurry I guess), Tatum sounds very familiar, I will ask my father on that one as well.

Gail has a lot of documented info on the Upchurch's from the Red River area and the other siblings have a lot of verbal information. The last time I tried this, Gail was a big help. Unfortunately, my Uncle Keith (Ben) Upchurch died, so that perspective is lost.

I have since moved back to Colorado from Maryland, so I am much closer and I see Gail about once a year, Glenda about twice a year, and my father every other week or so. Next time we all plan to meet, I will have them bring their information. I believe Gail also has many pictures that could contribute. I am very willing to help as I can (working on my PhD at the moment, so time is not plentiful, but I always seem to manage). I haven't been back to East Texas since by GGM died; however, Gail and Glenda do make trips back every now and then. I was thinking I would tag along if I could get free.

I did watch your James IV video on youtube (that is what lead me to your website). I am very excited that you and others have taken up this project and I will help in anyway I can.

Thanks,

Jason

Dear Jason:

Now that Allied Families is 27 months old and we are into 2016, it is time to take stock and build momentum. Among our 150 participants, you are part of a key support group for which we are most grateful. On this small (and hopefully growing) group rests the viability of Allied Families. Enclosed is a membership renewal form. I hope you will renew for 2016 and be as generous as your interest and circumstances permit.

I have excerpted and attach parts of pages 3 and 4 of the 2015 *Upchurch Bulletin* which documents the status and prospects of Allied Families. This issue of the *Upchurch Bulletin* includes more. The *UB* is online at www.upchurchstory.com, password 2013upchurch#.

I will welcome your suggestions and actual participation by providing data, expertise, or funding. Some important projects will be coordinated out of our Cary, NC facility and remote participation is possible. More details on this later.

Allied Families is unique and has a powerful platform. I will be ever so grateful for your continued support of this effort.

Sincerely yours,

Phil Upchurch

Robert Phillip Upchurch, President
Allied Families

Jason - making great progress. Hope I
have the John U. IV team to thank
you being enrolled in 2016. Hope
we can count on your participation

Dear Cousin Jason,

It is a pleasure to be working with you on Upchurch Family history. I know you have limited time given your involvement in a doctoral program. (You must let me know your field of interest).

In the spirit of exchanging information I enclose a copy of my 6-page Master Outlines your ancestor Benjamin Riley, Sr. I hope you and your family will provide me with corrections and additions. I have always kept these records manually. As you know I am shifting to the electronic world but still have a ways to go in several respects. The activity envisioned under the ALLIED FAMILIES banner is a part of the shift. Thanks for becoming a member.

2-

It would be very helpful if you could put me in touch with any you think would have an interest in our Upchurch history project. It will be helpful to note that we hope to "enroll" the family of your ancestor family U, IV which will allow us to have a special place to collect & share online a variety of kinds of information on this family. Enrollment will cost \$500 per family but we can get there stepwise.

For old times I am still willing to interact by phone & letter. However, if I can get email addresses it will be especially easy to stay in touch. Those who have a modest interest can have a quick look at my electronic transmission and then purge them. And yet, if they have more interest.

Examples can be given, & apparent

Best wishes in your studies
