Hello Cousin Phil,

I hope this finds you doing well.

I have encountered an influential Upchurch family member in Ft. Worth TX, Matthew D. Upchurch, CEO of Virtuoso, a large international travel industry consortium. Matthew's father is Jesse L. Upchurch, Sr. of Ft. Worth, now about 87 years of age.

I would like to assemble a set of past Upchurch Bulletins for Matthew, ideally identifying his branch and giving him insight into your wonderful family research. If still available, I'd also like to get a copy of the small red book on the Upchurch family you provided me in the past, and which I "loaned" to one of my sons some time ago. Of course, I'd be delighted to make an appropriate contribution for the materials, as I have done in the past.

Thank you, Phil. If you need some more "clues" as to Matthew's family to run that down, let me know, and I'll inquire. I'd like to make this a surprise, so hope the little I've given you can tie it down.

All best wishes,

John

PS.- In rereading the message below, I see you were offering to do this for \$40. I'd like to make it \$100 in this case, as an additional contribution to the work you and others are doing to computerize your work.

Hi Matthew---

Delighted you found my website. I am sorry it has taken me a while to get back to you. Since your message I have had to make two trips out of state and hence got behind.

I hope you had no trouble gutting the password for the three password protected sites where I have tons of Upchurch information posted. Also, I hope you were able to watch some of the videos.

I have many individuals by the name of Matthew Upchurch in my files and you may be one of them but I am not sure. I would love to know how you fit into the family. If you will send me a couple of names that link you to earlier generations I will be glad to search my records and send you a report. It is very important that you know which of the 22 Upchurch Clans is yours as that way you can focus on aspects that are of the most importance to you. It would be a pleasure to hear from you and to collaborate with you on matters of our shared Upchurch heritage.

Hi Matthew--

Thanks for the two names about which more below.

I got my exchanges with you in two separate piles --hence some confusion on my part. I now think I have you properly placed in my records but would like your confirmation. You are the son

of Laverne and Linda Gale (Roberts) Upchurch and Laverne is the son of John P. Upchurch who I presume is the John P. Upchurch named in your email of the 29th. John is the grandson of Gillium Upchurch who is the son of William U. This William was born about 1778 in North Carolina and we are still looking for his father. In the meantime I have a large notebook of his descendants and have had many cooperators helping on this and I hope you will become on of them

I cannot fit the Larry Upchurch you mention into my records. Can you give more on him? There is a lot more I can share with you on your heritage if you are willing to become a cooperator to facilitate exchanges. You need to take full advantage of the Upchurch material on my website www.upchurchstory.com for which you will need the password "2013upchurch#". There are entries on your ancestor William if you can find hem.

Further, I invite you to visit our newer website www.alliedfamilies.com where we are doing family history in a more powerful way. Note that we are enrolling families and your William Upchurch family is a candidate to be enrolled. This will require participation of the descendants such as yourself. I invite you to become a member of Allied Families for which amembership form is attached.

It is great to have your expression of interest in your Upchurch heritage an I look forward to collaboration with you if you are interested.

Hi Matthew---

I note your request for access to the family tree for John P. Upchurch. It is true that we in Allied Families are beginning to create family trees for families that are enroll starting with families that had a patriarch who lived about time of the Revolution. The William Upchurch born 1778(NC) Family to which you belong does qualify to be enrolled even if we have not yet learned the name of his father. Our ability to enroll a family depends upon the participation of descendants. You are one such descendant and we need to find more. I hope you will join with us in moving towards the enrollment of the William Upchurch Family. A membership form for Allied Families is attached. We need money/information /expertise/etc. Let me know if and how you can help.

Hi Matthew---

Earlier you expressed some interest in our shared heritage. You are lucky to be a member of the William Upchurch born1778 Clan as that is one of the Clans on which we have a great deal of information. Still, there is a huge amount more to do. Our program is fully laid out on our two website: www.upchurchstory.com and www.alliedfamilies.com. I invite you to have a look. It would be very helpful if you would join our Allied Families Association to help us keep our family history effort up and running. Membership form attached. We have the most complete collection of records of Upchurch and allied families ever assembled. I would be a shame to see it go dark. Would love to have your support. Let me know if you have any time/expertise to devote to our family history project. Sending all Best Wishes~

Hi Matthew----

Perhaps you note some improvements on our www.upchurchstory.com website. It is great that you interest in your Upchurch heritage continues. If you will look at our other website www.alliedfamilies.com password 2014allied# you will see how we are enrolling families. We have you traced back to William Upchurch born 1788(NC) but still have to learn his father. We are prepared to place more of our information on line which we hope would lead to the missing father. However we have only five descendants of William for which we have contact information and only one of these is a member. In order to give proper attention to the William Upchurch born 1788 Family we simply must have more participation from his descendants. Please let us know in you are willing to help in some way. See form attached

Thank You ---
