Phil,

Do you have any geology charts available. I am looking for my great grandfather Orwin Upchurch and great grandmother Mayme Upchurch background. His son, my grandfather, was James T. Upchurch born in Ohio.

Hi Steve---

Good to hear from you. The password for our website [www.upchurchstory.com](http://www.upchurchstory.com) is 2013upchurch#. There we have over 4,000 pages of posted information Upchurch and allied families. With more research you may or may not find your heritage there. However, I have searched my 350,000 names in my Biofile System and do not find the names you listed there. However, with a little more information I am almost certain I can place you in the family. Would you provide any more details you have readily available. Things like full names, birth and death dates, places born/lived/died would be helpful. Details on as many Upchurch ancestors/relatives as possible would be useful. Once we have your heritage identified I will be able to supply you with more details.

Looking forward to hearing from you~

Hi Steve---

Following your last input of January 30 I have now returned to the issue of establishing your line several times. I have summarized what you sent and have found additional information to add to the summary. Although the trail is very thin I begin to see the way forward that will give us 95% conviction that you line is established. As you can imagine my involvement in providing leadership for our organization Upchurch and Allied Families Association takes up most of my time and leaves little for research which I enjoy.

You already have access to our first website [www.upchurchstory.com](http://www.upchurchstory.com). Let me introduce you to our 2013 website [www.alliedfamilies.com](http://www.alliedfamilies.com) password 2014allied#. From this site you will note that we are doing family history on a more powerful way. The intent is to accumulate more records and to process them and to share them over the long-term. To do this we will need the participation of a lot of families members. I hope you will join with us in this effort and I attach a form for a 2017 membership. Your participation will be encouraging and will stimulate me to do more on your line. The kind of question you raise about your heritage is one I have had hundreds of times and solving the puzzles have often been most rewarding. A progress report on Allied Families is also attached.

Hi Steve---

We had some interesting exchanges earlier this year re your Upchurch heritage. I spent several hours on the matter and felt there was a good chance to pose a linkage for you to earlier generations. However, I got no response to my February 19, 2017 email to you leading me to believe your interest in learning of your heritage has gone away. As the primary Upchurch family historian I always live in hopes that we will connect everyone. For this work to continue we must have the active support of living descendants. If your interest continues please let me know. I hope you will support our Association for which a membership form is attached.

Best Wishes~

Hi Steve ---

You are on my contact list as regards the heritage of the George family. Much about him has been written in the Upchurch Bulletins 1980-2015. Details may be searched on our website [www.upchurchstory.com](http://www.upchurchstory.com) password 2013upchurch. Additionally we have made great progress i enrolling thsi family including his descendants on our newer website [www.alliedfamilies.com](http://www.alliedfamilies.com) password 2014allied#. What we have done so far is just a start. note ,for example , our work on Biofiles and cemeteies.

If we are to make progress on the George Upchurch family we will need participation from his descendants such as yourself. We need time, expertise, data and money. Perhaps you are in a position to volunteer. If so, just let me know.

A 2016 Allied Families membership form is attached. I hope you will join with us and be as supportive as your circumstances permit. Success in our venture will avoid loosing what we have worked so hard to accumulate and will allow us to share and preserve the George Upchurch family records far into the future.

It would be a pleasure to hear from you and to learn if your interest in your Upchurch heritage continues.

Hi Steve---

I have you in my files as someone I have exchanged emails with on family history in the past. We moved in 2014 and a few of my records got out of place. Yours must have been one of those misplaced. I am sorry this happened and would like to get you in the right place in my records and would hope to exchange more with you on family history if you are interested. My fragmentary notes show that you and I both descend from the Upchurch family of the Pearces area in Franklin County, N. C. If you can give me a few clues about your Upchurch heritage I can probably fill you in on details that are new to you.

It would be a pleasure to hear from you.

Hi Steven---

Glad to have your contact. As you will see from my website I have divided the Upchurch Family of America into 22 Clans each headed by a member of the fifth generation of the family with Michael Upchurch.,I being generation no 1. It is almost a certainty that you belong to the Clan headed by George U. He got to Wayne County,KY about 1810.

I appreciate your willingness to cooperate. If you will send me your full name and birth date along with the full name of your father and grand father it will allow me to link you to earlier generations. We can then proceed from there.

Looking forward to hearing from you.

Hi Steven---

Thanks for the input. I have Biofiles on about 100 Upchurches with the first name Kenneth. I have just gone through them all and think I have spotted you Grandfather Kenneth Upchurch born 1948. However, I need to make sure so that I don't waste a lot of your time and mine by getting off on the wrong track. To take the next step could you send me the name of your Greatgreatgrandfather who would be the father of Kenneth U born 1948 or send me the names of some of the brothers/sisters of Kendrick U born 1948 preferably both. This should allow us to move ahead with confidence. KENNETH

Hi Steve---

I have today returned to our exchanges and have updated the records. I am now quite sure that you belong to the George U Clan and to the George U/Shadrack U Subclan and in that Subclan to the Hiram U Line. This Hiram was the Greatgrandfather of Kenneth W U who was your Greatgrandfather. Be careful about the Hiram U name as it was used over and over in the Upchurch Family of Wayne County, KY.

Could I have your full formal name so that I get that right in my files? I file Steve, Steven, and Stephen in different places. Can you find out what the initial "W" stands for in the name of your GF Kenneth W. Upchurch? You gave his birth as 9 APR 1948. My official list of births in Wane County KY shows it as 9 APR 1949. Do you have any more input on his birth date?

You can see we are dealing with little bits and pieces of family history here. Thats the way it works. I'll contine to feed information to you as long as you are willing to exchange. Please let me know if you have particular questions.

Dear Steve,

Someday in the last several weeks my  
very good friend Pete Sembert was visiting  
his son in the Chapel Hill area and he  
happened to stop by your place of business.  
Knowing of my keen interest in the extended  
Upchurch Family he obtained your business  
card for me.

So far I have not been able to place  
you in the family, probably because I do  
not have your full name. If you can  
send me your full name and that of  
your father and grandfather I'll be glad  
to check my records and send you a  
note on what I find. All Upchurches  
are related.

Details on the Upchurch Bulletin are enclosed. I have identified and published on over 33,000 members of the extended Upchurch Family.

I was born and raised in Wake Co, NC and lived there for quite a few years. My ancestor Nathan Upchurch, I lived at Green Level and served in the Revolution. His brother Moses Upchurch lived about 3 miles west just inside Chatham County. I suspect you descend from Moses Upchurch.

Sincerely yours  
Phil Upchurch
