My mother, MBU, was a homemaker

I was very excited to read in our local newspaper, "The Elgin Courier", about the Upchurch research you have done. I am sorry that I was not informed in time to attend your lecture in April in Austin. My mother was Mattie Belle Upchurch Smith born to Harvey Upchurch of Williamson Co., Texas. When my mother died in December 1994 I did not know of any Upchurches to contact, as I have lost touch with all of her cousins. I had asked my mother many times about her grandfather, Green Upchurch, and all she knew was that his family came from North Carolina and had at one time been wealthy plantation owners. She did not know if he had any siblings, but I always figured he did.

I will tell you what I know about the Upchurches, which is not too much. First, I question the "Grover" Upchurch born to William Green . I have never been aware of a Grover Upchurch. But I do know there was a Tom Upchurch that was a son of William Green, which you did not list on the family tree. Also, William Green had a daughter named Phoebe, which you did not list. I do not understand this. Mother told me my grandfather, Harvey, had 6 brothers and sisters (some were half siblings): Bulah, William (Bill), Clyde, John, Tom, and Phoebe. William Green U. was married twice-the first wife, Sarah, bore the first four children, and his second wife, Sarah (Wiley, I believe) bore the next three children.

i - William Henry U "Sol" b 14 NOV 1872
(son of WWU & his 1st wife)

ii. William Henry Smith → William Henry U
b 11 JAN 1907. Stepson of WWU. Actually
son of the third wife of WWU
& her former husb — — Smith.

Virginia Green and Mattie Upchurch Williams sent this update with a short history of the family of Sol. ...

Sol and his mother lived the first nine years of his life with her parents, George Washington and Elizabeth Jane (McCray) Cavender. Sally later married James Bluford Yates and had 3 sons and 2 daughters.

→ SARAH FRANCES CAVENDER

Sol continued to live with his grandparents most of the time, until he married Mary Luetta Smith in 1895, they were engaged for 5 years.

The first 50 acre farm Sol and Luetta owned, was paid for with a bale of cotton. They grew many acres of corn and cotton each year. Their farm was located next to Ephesus Baptist Church, which is now the Ephesus parsonage.

"Church going" was the center of their social life. They were members of Hopewell Primitive Baptist Church, but attended "protracted meetings" and visited other churches in nearby communities. Most churches in that day held service only once a month, except during revival time.
