## STEVEN U

- ① Thomas U of Dedham, Essex left a will in 1538 naming his son Steven U. Also named were sons John the Elder, John the Younger and John, my brother ~~(28, Pg 10, 11)~~. Another brother of Steven U was identified as Michael (the clothier) U when Michael (the clothier) left a will in 1575 naming his brother John the younger, John the elder and Steven U. Michael left "other daughters to the custody of my brother Steven Usher." (28, Pg 10, 11).

## STEVEN U

- ① "There might have been another influence which took Richard [U, her of Francis Ingham] to Godmanchester and eventually to Little Gidding. In Dedham, Essex records an entry has been found that one John Ferrar, clerke in Holy Orders, had rented a place from Steven Upcher in 1595. This John Ferrar was probably connected with the Little Gidding family of Ferrars and could have influenced Richard to join them." (28, Pg 12).

# Rising Price Of Gold May Affect Caswell

The rising price of gold on the international market doesn't affect just those trading in the precious metal, but will reach many others also, including citizens of Caswell County.

Dentists in North Carolina say that the rising price of gold may cause the price of gold crowns and other dental work involving gold to rise also.

Other metals are sometimes used in place of gold for crowns and similar dental work, but dentists say that gold works best.

Locally, Caswell's two dentists say that the rising cost of gold will most certainly affect the price consumers must pay for dental work using the precious metal.

Dr. Allison Page said this week that his office deals in a fair amount of dental work using gold, and that while the price increase on the international market has not affected the price on the consumer level much, yet, he feels that the continued jump will be felt in the future.

"We already have felt a little effect from the increased cost of gold, but our cost has not risen as sharply as the market price," Page said. "We buy from supply houses that have purchased gold in large quantities, and we're still drawing off that stock."

"But, the gold they're buying now at the market price will certainly affect the price we have to pay for it," he said.

Page said that the price of gold in dental work now is not far removed from the point where many people will not be able to afford to have it used.

Dr. Steve Upchurch said that he does "quite a bit" of dental work involving gold, and says that while he has felt no drastic effect from the rising cost of the precious metal, the next batch he must buy will probably cost considerably more than what he has been paying.

"Gold used in dental work has usually cost about twice the market value for pure gold, because it's not pure gold," Upchurch said. "The gold used in dental work has other metals, such as platinum, mixed with it leaving about 60-70% gold."

Upchurch noted that gold is most often used because it is a precious

metal, and therefore it casts well, doesn't tarnish, is stable and long-lasting, and the body doesn't react adversely to it. He, too, feels that the price of gold may force many people to forego using gold in their dental work.

However, Upchurch says that the use of alternate metals is being explored, and from this research a substitute for gold may be found that will replace the metal in dental uses.

Both Page and Upchurch, who operate their offices in West Yanceyville, say that most of the dental work they perform using gold is the making of dental crowns.

## Wedding

### Blankinship-Upchurch

Sandra Kay Blankinship and Steven Lyle Upchurch, both of Cedar Creek, were united in marriage in a double-ring ceremony Oct. 11 in The Abbey in Austin by Dr. Ledbetter.

The bride is the daughter of Minnie Belle Blankinship of Corsicana. The groom is the son of Alice Craighead of Fort Worth and Richard Upchurch of Midwest, Wyo.

Matron of honor was Nan Kana, sister of the bride of San Antonio. Best man was Marc Upchurch, brother of the groom, of Fort Worth. Ushers were Jack Bell of Austin and Joe Kana, brother-in-law of the bride, of San Antonio.

The Abbey, a colonial house converted to a wedding chapel with reception rooms, was decorated with ivy and pink roses. A fern-covered mantle was adorned with large candelabra on each side and floral arrangements of pink gladiolas and carnations were placed in front of the altar.

The bride, given in marriage by Wayne McClunev, wore an ivory

lace gown with lace and satin sash and collar and trumpet flare tea-length skirt. She carried a bouquet of pink sweetheart roses and lilies entwined with baby's breath and ivory satin ribbons.

The matron of honor wore a pink silk tea-length dress similar to the bride accented with hot pink sash. She carried a bouquet of lilies and dark pink mini-carnations.

A reception was held following the wedding and the room was decorated with pink roses on the table. Also on the table was a three-tier wedding cake with strawberry and whipped cream icing.

Guests were present from Fort Worth, Cedar Creek, Corsicana, Austin, San Antonio and Midwest, Wyo.

The bride is employed with EM-SI Insurance Company and the groom is employed by CYS Systems Computers in Austin where they live. Their wedding trip was to a resort ranch in Bandera.

Good evening Dr Upchurch,

Absolutely thrilled to have come across your site. I cannot express my gratitude in words for the amount of work you have contributed to the Upchurch lineage. Ive just barely started learning about our genealogy.

My name is Steven L Upchurch, born in Albuquerque, NM. Son of Donald G. Upchurch —>Yet another, William "Bill" Upchurch—>Hershel P Upchurch of Lamar county and this is as far as I know. Hopefully soon I have the opportunity to dig further.

If I can be of service, please do not hesitate to ask!

Hi Steve,

I am the DNA analyst volunteer for Allied Families. We would love to have a look at your DNA. Was this the autosomal test with what company? We need Upchurch Y 67 DNA testers. This tests your direct paternal lineage. It would be much appreciated if you could test that with FamilyTreeDNA. I think they have a sale on that ends at midnight tonight.

I am looking forward to hearing back from you.

Thank you,

Brenda Carbon

Perfect! I will go ahead and get y-67 test ordered before the sale ends and complete the steps as instructed.

Have a good weekend, and dont hesitate to reach out if I can assist further in another fashion.

It goes beyond the haplogroup and reveals with the markers that are tested, your matches with direct paternal ancestors, i.e, the Upchurches. These matches go back many, many generations.

Your haplogroup is a bit different from the other Upchurches so a Y 67 would be useful or at minimum a Y 37 test,

Also, I am not able to access you results on 23 and me or compare them with other Upchurches who have tested on Ancestry or FamilyTree DNA. Can you copy your raw DNA results to free service on gedmatch and FamilyTreeDNA? That way I can compare your results and analyze your matches and chromosomes.

Here are the instructions:

On 23 and me, select the dropdown under your name and the "browse raw data" option. Agree to the next prompt and from the "your raw data" screen, click on download. You will then get an email in about 5 - 10 minutes and click on the link to get back to 23 and me to complete the download. You can select where you want the zip file on your computer.

>> Open a free account on [www.genesis.gedmatch.com](http://www.genesis.gedmatch.com). On the right side of the home screen, select raw DNA data and then uploads. Enter your demographic data, etc. and then browse for and upload your zip file that you created from 23 and me. You must stay on the screen until completed. It takes at least a few minutes.

>>

>> When you go to the [genesis.gedmatch.com](http://genesis.gedmatch.com) home page, you will see your name and gedmatch

Brenda,

If it helps, the test concluded with stating my paternal haplogroup is R-Z156.

I'd be happy to provide additional information from the report, but if it is of no use, I can complete the familytreeDNA. It just may take a bit of time due to cost. What do the Y67 results reveal?

Thanks Brenda. Enjoy the weekend.

## Wedding

### Blankinship-Upchurch

Sandra Kay Blankinship and Steven Lyle Upchurch, both of Cedar Creek, were united in marriage in a double-ring ceremony Oct. 11 in The Abbey in Austin by Dr. Ledbetter.

The bride is the daughter of Minnie Belle Blankinship of Corsicana. The groom is the son of Alice Craighead of Fort Worth and Richard Upchurch of Midwest, Wyo.

Matron of honor was Nan Kana, sister of the bride of San Antonio. Best man was Marc Upchurch, brother of the groom, of Fort Worth. Ushers were Jack Bell of Austin and Joe Kana, brother-in-law of the bride, of San Antonio.

The Abbey, a colonial house converted to a wedding chapel with reception rooms, was decorated with ivy and pink roses. A fern-covered mantle was adorned with large candelabra on each side and floral arrangements of pink gladiolas and carnations were placed in front of the altar.

The bride, given in marriage by Wayne McCluney, wore an ivory

lace gown with lace and satin sash and collar and trumpet flare tea-length skirt. She carried a bouquet of pink sweetheart roses and lilies entwined with baby's breath and ivory satin ribbons.

The matron of honor wore a pink silk tea-length dress similar to the bride accented with hot pink sash. She carried a bouquet of lilies and dark pink mini-carnations.

A reception was held following the wedding and the room was decorated with pink roses on the table. Also on the table was a three-tier wedding cake with strawberry and whipped cream icing.

Guests were present from Fort Worth, Cedar Creek, Corsicana, Austin, San Antonio and Midwest, Wyo.

The bride is employed with EM-SI Insurance Company and the groom is employed by CYS Systems Computers in Austin where they live. Their wedding trip was to a resort ranch in Bandera.

Hi Steve---

It's nice to hear from you. I assume your Tennessee Joe is the same as the person I carry  
as Joseph Upchurch born 10 AUG 1800. I have hundreds of his descendants in my system.  
He is a son of George Upchurch, Head of one of the 22 Upchurch Clans. I went to Fentress  
Co., TN about 10 years ago and gave an Upchurch Lecture. It is beautiful country.

I am not sure whether or not I have you in my records. There are so many Upchurches  
with the name Steve/Stephen/Steven and with this sometimes being the first name and  
sometimes the second. If you can list you ancestors back to Joseph I'll be glad to make sure  
you are properly enrolled.

I look forward to hearing from you and to a chat in due course.

Hi Phil, great to hear from you...I have to find my notes, this is from memory...  
My dad is Derward Ezekiel Upchurch (deceased) his parents were Ezekiel Henry Upchurch and Gladys Marie (Smith)Upchurch, Ezekiel Henry "Zeke" was the son of Henry McConnaughey and Sarah Upchurch( Sarah wouldn't marry him) hence Upchurch name. Sarah was the daughter of James Calvin Upchurch and Elizabeth Rich, James Calvin Upchurch was the son of Joseph Upchurch and Jane(Crouch)Upchurch and Joseph was the son of George Upchurch and Rachel(Bethshares)Upchurch. Tons of amazing stories...My grand-dad Zeke ran the mill there at Fentress County when he was ten years old so he could support Sarah.....many many many stories...amazing people!!!  
I live in New Mexico, with my wife and three kids....thank you so much Phil...Steve Upchurch

Hi Steve---

Thanks for yours of the 23rd. All the data has now been entered in my System and I have brought several other bits to bear. We continue to improve our records on the James Calvin U Line in the George U/Joseph U Subclan. In this work I have been helped tremendously by two of your Grandfathers first cousins- Carol Frona U and Thelma Jean U. Carol led our tour of Fentress County and was a great supporter of our Upchurch work. Thelma visited me in the 1980's when we lived in Arizona.

Re your grandparents here is what I am missing---Where were they buried? When and where was Gladys born and when and where died? A full list of their children and grandchildren giving full names and birth dates would be helpful. Perhaps you have some of this information.

I will be happy to continue to work with you in whatever way you see fit. One option is for you to send me \$40 for which I will go through the 100+- issues of the Upchurch Bulletin and pick out 8 issues that I think would be of special interest to you. You can let me know if this interests you.

I am anxious to have your full name so I can separate you from all the others of this name. More details on you immediate family would also be of much interest. I am curious as to what kind of work you do. My life has been spent in the field of agriculture. You can learn more about me by googling Robert Phillip Upchurch and clicking on the oral history taken by George Ware.

All Best Wishes!

Phil Upchurch
