Outline is developing nicely. I hope you will look this over and let me know of any errors you find. I will welcome any information you have or can get to make this document more complete.

Your report on the 1979 fire in your home is very touching. One can only imagine what a challenge that provided to the family. I have had some tough times but nothing like that.

Thank you for your interest and input. I'll look forward to working with you on family history matters of mutual interest.

Sincerely yours

Phil Upchurch

dear Mr. Upchurch,

REC'D
7 OCT 2002

9-29-02

Hi, sorry this has taken so long, we went on vacotion then there was a death in the family.

I have tried to answer some of your questions, but I dont know a lot about Vistina's brothers. So I am just gonna send you all the stuff I could remember. hopefully some of it will help. My mom doesnt know where her grandparents came from, she always just thought Wayne and Whitley counties. Remember grandma Vestina died in 1945 , so mom doesnt remember alot..I know (per robert stephens historical book) that W.P. Upchurch used to own a store on Jesus Hill(whitley city) with a big white house next door to it..You probably have access to a computer, but I am sending you an obit for Elmers son _-Estil.

If you want I could look up some things for you or at least try to...W.p. upchurch came from **THREE FORKS IN THE RIVER** in **TENNESEE**... so I dont know where grandma was born..

Oscar was a coal minor, The "A" in his name doesnt stand for anything ,there was 2 Oscar Bells back then & everyone was getting them confused so he started going by Oscar A. Bell..mom remembers them living in 2 different houses both in Marshes Siding.

Did I tell you about Vistina only having 1 leg? when she was about 19 yrs old she was walking on r.r. tracks in Stearns & got her foot caught when a train was coming. all i know was that she was just married when it happened but I cant find any other record of it happening.. Do you know anything about it?

well I shall go for now. take care hope to hear from you soon.....**BARB**

RootsWeb's Guide To
TRACING FAMILY TREES

of these continuation sections (# 70A for Vestine Jane (U) Bell - after the pink page,

I have in my files what I think is a list of the children of Raymond U b 1893 and Elmer A. U b 1899 there being two sons of William P. U. Enclosed is a rough list of the two sets of children. It appears that Raymond & Lula had 9 children. Two of these are shown as born in 1915 and I am guessing that there is an error here and that possibly one of these was born 1917.

Also they could have had more children in maybe 1919, 1931 & 1933 - possibly still born or died as infants or miscarriage

It appears that Elmer A U & Mollie had 8 children and there was room for another in 1936. I need confirmation that Esteb P. U b 24 NOV 1934 was their child. The only reason I question him as my records show he was born in McCreary Co (not McCreary Co) and his mother was MOSSÉY rather than MOSSIE. One has to be careful because I

do have records that at least 2 upland males in KY had surnames with the first name of "MOSSIE"

Here are some specific questions for you:

1. Can you confirm that the children on the enclosed sheet (SHEET A) are in fact the children of Raymond U & Elmer A. U?
2. For Vistine Jane U
 - a. when in 1899 was she born?
 - b. where was she born?
 - c. when in 1945 did she die?
 - d. where did she die?
 - e. where is she buried?
3. For Oscar A. Bell
 - a. what does the "A" stand for?
 - b. when in 1889 was he born?
 - c. where was he born?
 - d. when in 1973 did he die?
 - e. where did he die?
 - f. where is he buried?
4. where is Holloway Cemetery? (where Raymond - Vistine's brother was buried?)
5. where is the Methodist Cemetery where William P. U was buried?

6. what are the full names of your Father and mother?
7. what is your full maiden name?

I will be pleased to have answers to any of the above questions for which you have answers and which you care to share. I appreciate what you have provided and hope you will find the enclosed useful. I hope we can continue to exchange information as there is no doubt more detail to share.

I collect full names (full maiden names of females), dates of birth/marriage/death and places of birth/marriage/death/burial. For places I like to include town/county/state and the names of cemeteries & their locations when available. We rarely get all this detail but it is fun to try.

Any corrections you have for the enclosed master outline will be appreciated.

5.

Enclosed are details on my Upchurch Publications
in case you or anyone else is that interested.
At least this gives you an idea of what
we are do

Barb, I don't want to use up all
your free time but will be happy
to exchange information and to try
to help each other to the extent
that you are interested.

I would be pleased to have a
photo of Visting & Oscar if you have
one to spare. A xerox copy would do.

With All Best Wishes.

Sincerely yours

Phil Upchurch
