Hi Teresa---

We have been interacting for some time now on our mutual interests in family history. I carry you as an Allied Families Participant classed as a "Correspondent". This does not require you to pay for a membership. If you are willing I will mark you as a Correspondent for 2017. Enclosed is a membership form in case you know of someone who may be interested. Also, attached is a Summary of recent progress and a list of what we hope for in 2017. For more information on steps we have taken to move from paper to digital have a look at the Upchurch Bulletin for 2016 recently posted on our website www.upchurchstory.com password 2013upchurch#

I know you are interested in the Nathan Upchurch, I Clan to which you and I belong. You can see where we stand on enrolling this family by going to our website www.alliedfamilies.com password 2014allied#.

You have made great inputs for which thanks. Looking forward to collaborating with you~

COPY TO TRANSCRIBER
FILE AND TO
TREE MASTER FILE

Hi Cousin Teresa---

Your offer to be a Transcriber for Allied Families is gladly accepted. You are now one of 13 volunteer Transcribers and the only one we have for the Nathan Upchurch, I Family.

I have just drafted an update in the procedures used in transcribing and will shortly send it to you and the other Transcribers. Also, I will soon pick one or more Biofiles from the family of Nathan for you to transcribe.

You have made a lot of contributions to our data base and it is pleasure to have a cooperater who is so productive.

Cheers~

Phil Upchurch

Hi Teresa---

Thanks for the data on Henry Caleb Hollemon which I have printed and saved to my Hollemon folder. I am remorseful that I am not staying up to date in processing your inputs but they are being put in the Que to receive attention as I can. I will not be able to get to all of them at once but will hope to keep chewing away at them and giving you progress reports along the way. Perhaps I have mentioned that I have several strong indications that we can create a substantial record of the Holleman family under our Allied Families venture. At present I am grappling with how many of the group we have that lived about the time of the Revolution and whether we need to enroll more than one such patriarch/matriarch. Also, I am dealing with the several spellings which I know must have taken your time as well. The group I know best is the one that lived on the Wake/Chatham border from 1800 onward and from which you descend. Getting Allied Families up and running is taking a lot of my time right now and I must develop momentum for this fledgling venture. I am pleased with progress. Right now we are debating about several computer issues such as whether to bring Office 365 on board. I bought the Dummies book for it yesterday and spent several hours reading it. It is a stretch for an old geezer like myself to get on top of these issues.

I'll have more to share about our progress with the Holliman/hHolleman/Hollemon/etc groups as we go along. In the meantime it is a comfort to know that you are assembling such useful information.

Best for now,
 Phil Upchurch

person mentioned. I will do this after I hear from you. Perhaps you will have conditions.

I have just looked at my Master Outline for the Natron U.I / Hubbard U Subclass. The Children of Talitha are all there already. However, the details for Jesse Jackson Holliman on this extract sheet are all new for me.

The amount of material you are funding is truly impressive. I'll keep working at my end to digest your inputs and to upgrade my Master Outline and my Bupill System

Sending All Best Wishes

Death Record found for Jessie Jackson Hollemon

Name: Hollemon, Jessie Jackson
Source: Bradford-O'Keefe Funeral Homes Index 1904-1948 Book 21 page 77
Death Date: 10/29/1933
Place of Death: not listed Co. MS

Original Letter including envelope from Elsie to Charles Judson apparently asking for money to pay for JJ's medical bill, of \$84.94 dated Nov. 4, 1933.

"J. J. Hollemon Dies"----Newspaper clipping [in my possession TLC]

"J. J. Hollemon Dies"

J. J. Hollemon, 1510 East Beach, died suddenly at his home yesterday afternoon and a coroner's jury in-quest empanelled by Coroner A. Ferrel returned a verdict of death by acute indigestion and heart disease. The jurors were : Chas. Breal, Eddie Ryan, Richard Lusk, Antonia Pitalo, Tom Wešcovich and Audro Mladinigh, with George Bills as bailiff. Mr. Holiman was a native of Raleigh, N. C. and has resided in Biloxi about a year. Besides his wife he leaves eight children: Chas., Fort Collins Colo. Henry, Harrisburg, Ore.; Claude Brighton, Colo.; Jesse, Texas City Texas; Mrs Beulah Brady, Butte Mont.; Willie, Gladys and Ada of Biloxi, Prior to moving here he had resided in Oklahoma and Texas. He originally had been a farmer and later was in the wood business. Since coming here he had been a fisherman. The body is laid out at the O'Keefe Parlors, pending the arrival of Jesse Hollemon, who is enroute here from Texas, when arrangements will be completed for the funeral.

I did not add remove or change any of the spellings to fit this page instead of the original column. Nor did I spell the surname with optional vowel combinations. look for your self at the original.

Probably printed Oct 30, 1933 Verification was requested after hurricane Katrina did nasty things to the Biloxi area. Source for JJ's obit was not found but documentation on Elsie and her children was received.

The Family Bible of Martha and Jesse with Birth, Death, & Marriage entries is in the possession of Wray Hollemon as of March 2008.

Family story of Charles Judson kids as related to [TLC]

" Martha Salome always swore that she had never received a divorce from Jesse J"

No record of any divorce can be found in the Larimer County Colorado records. but son Claude states in an affidavit that his parents were indeed divorced, [no date given].

Did Jesse get a divorce in florida perhaps or was it just easier to claim a divorce than to say Jesse absconded.

Family story of Charles Judson kids as related to [TLC]

Jesse Jackson Hollemon's family reportedly moved from Pryor, OK to CO by covered wagon in approximately 1903.

There they homesteaded a ranch and lumbar mill in the Stove Prairie area. Shortly after Aug 23, 1910 Jesse Jackson left for South America.

He must have returned to the US and finally settled in Biloxi, MS before his death Oct. 29, 1933

Now if JJ was in Fort Collins on February 10, 1911. as documented above and Willie was born in Florida on Oct 18, 1913, as documented by the 1930 census, and Willie's obit.

Then JJ did not have time to go to South America unless it was a really quick trip. Such as a deck hand on some ship for one round trip.

[Did somebody get Canada and South America mixed up in their story ?]

Documentation found for Martha & JJ's marriage: Photo copy of Family Bible in the possession of ggrandson Wray Hollemon --- Married December 16, 1883

Testimony by Jesse to the Dawes Commission For Marthas Cherokee Enrollment [Family card # 2745] states that his first wife [Ada] had died in Hill County Texas 18 months to 2 years before his marriage to Martha Dec 16, 1883.

Jesse Moves to Oklahoma meets and then Marries Martha Thompson Dec 16, 1883.

By Cherokee Law [Living in / on Cherokee tribal Land] for Jesse and Martha to marry Jesse had to have 3 Cherokee witness's that had known him for 6 months or more vouch for his good character. That puts Jesse in Oklahoma May 1863. Which means Ada died before shall we say April 1863. -- 1883?

Death Date: 10/29/1933

Place of Death: not listed Co. MS

Original Letter including envelope from Elsie to Charles Judson apparently asking for money to pay for JJ's medical bill, of \$84.94 dated Nov. 4, 1933.

"J. J. Hollemon Dies" — Newspaper clipping [in my possession TLC]

"J. J. Hollemon Dies"

J. J. Hollemon, 1510 East Beach, died suddenly at his home yesterday afternoon and a coroner's jury in-quest empanelled by Coroner A. Fer-rer returned a verdict of death by acute indigestion and heart disease. The jurors were : Chas. Breal, Eddie Ryan, Richard Lusk, Antonia Pitalo, Tom Wescovich and Audro Mladinigh, with George Bills as bailiff. Mr. Hol-lliman was a native of Raleigh, N. C. and has resided in Biloxi about a year. Besides his wife he leaves eight children: Chas., Fort Collins Colo. Henry, Harrisburg, Ore.; Claude Brighton, Colo.; Jesse, Texas City Texas; Mrs Beulah Brady, Butte Mont.; Willie, Gladys and Ada of Biloxi, Prior to moving here he had resided in Oklahoma and Texas. He originally had been a farmer and later was in the wood business. Since coming here he had been a fisherman. The body is laid out at the O'Keefe Parlors, pending the arrival of Jesse Hollemon, who is enroute here from Texas, when arrangements will be completed for the funeral.

I did not add remove or change any of the spellings to fit this page instead of the original column. Nor did I spell the surname with optional vowel combinations. look for your self at the original.

Probably printed Oct 30, 1933 Verification was requested after hurricane Katrina did nasty things to the Biloxi area. Source for JJ's obit was not found but documentation on Elsie and her children was received.

The Family Bible of Martha and Jesse with Birth, Death, & Marriage entries is in the possession of Wray Hollemon as of March 2008.

Family story of Charles Judson kids as related to [TLC]

" Martha Salome always swore that she had never received a divorce from Jesse J"

No record of any divorce can be found in the Larimer County Colorado records. but son Claude states in an affidavit that his parents were indeed divorced, [no date given].

Did Jesse get a divorce in florida perhaps or was it just easier to claim a divorce than to say Jesse absconded.

Family story of Charles Judson kids as related to [TLC]

Jesse Jackson Hollemon's family reportedly moved from Pryor, OK to CO by covered wagon in approximately 1903.

There they homesteaded a ranch and lumber mill in the Stove Prairie area. Shortly after Aug 23, 1910 Jesse Jackson left for South America.

He must have returned to the US and finally settled in Biloxi, MS before his death Oct. 29, 1933

Now if JJ was in Fort Collins on February 10, 1911 as documented above and Willie was born in Florida on Oct 18, 1913, as documented by the 1930 census, and Willie's obit.

Then JJ did not have time to go to South America unless it was a really quick trip. Such as a deck hand on some ship for one round trip.

[Did somebody get Canada and South America mixed up in their story ?]

Documentation found for Martha & JJ's marriage: Photo copy of Family Bible in the possession of ggrandson Wray Hollemon — Married December 16, 1883

Testimony by Jesse to the Dawes Commission For Marthas Cherokee Enrollment [Family card # 2745] states that his first wife [Ada] had died in Hill County Texas 18 months to 2 years before his marriage to Martha Dec 16, 1883.

Jesse Moves to Oklahoma meets and then Marries Martha Thompson Dec 16, 1883.

By Cherokee Law [Living in / on Cherokee tribal Land] for Jesse and Martha to marry Jesse had to have 3 Cherokee witness's that had known him for 6 months or more vouch for his good character. That puts Jesse in Oklahoma May 1863. Which means Ada died before shall we say April 1863. — 1863?

Hi Phil;

Sorry for being so slow to answer.

Since you have had 2 weeks to chew away on these reports while weighting on my answer, I have to ask what kind of format would be easier for you ?

My method for my records has been to, surf and search, download [if available for free], copy and paste to Family Tree Maker ver. 11, and add note's questions or comments to myself there.

For you I copied the Family Tree Maker ver. 11 note to Windows notepad [deleted any snide comments to myself], added any notes required for your clarification, and copied that info to my yahoo email for sending to you.

For any source citation that says View the record I have a jpeg [picture] copy on my computer that I can send to you. on a usb zip drive as it would be up to 1.33 GB of info on the Hollemons.

I can mail you a copy of my three page extract and of my one page digest if you desire in order for you to better understand what I am doing. (There are a few questions.).

If you think that would help me understand your needs, shure, besides I am curios to see your extract and digest.

Attached is a Status Report on our work in Allied Families. I would like to record you as a participant on our operation and would list you as "Cooperator" for which there is no charge, OK?

No objection here.

Also, I plan to add another column on the Status Report to cover Researchers. Would it be agreeable with you for me to list you as Researcher for Nathan U.,I Clan to which you belong?

Fine by me.

Note that we have Family Trees an Group Facebook Pages for quite a few of enrolled families . Le me know if you want to be part of any of these --maybe especially for the Nathan U.,I enrolled family.

If their is a need for my services OK however, I must admit I have never looked at let alone done anything with face book.

One notes that there are numerous spellings of Holleman. Have you settled on one version.?

Hollemon is my autopilot spelling as that is the currant family surname spelling. While searching the way back machine I find that all most all white H?LL?M?N's are a descendant of Christopher Hollemon Immigrant to Isle of Wight VA abt 1632 / 1635 so any variation in spelling requires scrutiny.

Morrisville, North Carolina From Wikipedia, the free encyclopedia

Morrisville is a town in Wake County, North Carolina, United States. A small portion of the town extends into Durham County.

Morrisville History (as listed on historical marker):

Morrisville Station: "On April 16, 1865, Union cavalry under the command of General William T. Sherman, captured Raleigh and pursued the retreating Confederate cavalry west along the railroad. Rearguard skirmishes erupted at points along the Hillsborough Road until the combatants reached Morrisville. Using cavalry and artillery, Union forces attacked a Confederate train loaded with supplies and wounded. Before withdrawing, the Confederate cavalry repelled the attack long enough to allow the railcars of wounded to escape while abandoning the supplies. This was the last major cavalry engagement in Sherman's campaign. The next night, a courier from the Confederate commander, General Joseph E. Johnston, rode into the Union camp at Morrisville with a truce proposal. Subsequent negotiations between Johnston and Sherman led to the largest Confederate surrender of the Civil War at the Bennett Farm in Durham on April 26."

The history marker notes it was given in memory of Commissioner C.T. Moore.

The central core of Morrisville is located along the upper portion of Crabtree Creek, which then feeds into Lake Crabtree, located in the southeastern part of the town.

Death Date: 10/29/1933
Place of Death: not listed Co. MS

Original Letter including envelope from Elsie to Charles Judson apparently asking for money to pay for JJ's medical bill, of \$84.94 dated Nov. 4, 1933.

"J. J. Hollemon Dies"——Newspaper clipping [in my possession TLC]
"J. J. Hollemon Dies"

J. J. Hollemon, 1510 East Beach, died suddenly at his home yesterday afternoon and a coroner's jury in-quest empanelled by Coroner A. Fer-rer returned a verdict of death by acute indigestion and heart disease. The jurors were : Chas. Breal, Eddie Ryan, Richard Lusk, Antonia Pitalo, Tom Wescovich and Audro Mladinigh, with George Bills as bailiff. Mr. Hol-liman was a native of Raleigh, N. C. and has resided in Biloxi about a year. Besides his wife he leaves eight children: Chas., Fort Collins Colo. Henry, Harrisburg, Ore.; Claude Brighton, Colo.; Jesse, Texas City Texas; Mrs Beulah Brady, Butte Mont.; Willie, Gladys and Ada of Biloxi, Prior to moving here he had resided in Oklahoma and Texas. He originally had been a farmer and later was in the wood business. Since coming here he had been a fisherman. The body is laid out at the O'Keefe Parlors, pending the arrival of Jesse Hollemon, who is enroute here from Texas, when arrangements will be completed for the funeral.

I did not add remove or change any of the spellings to fit this page instead of the original column. Nor did I spell the surname with optional vowel combinations. look for your self at the original.

Probably printed Oct 30, 1933 Verification was requested after hurricane Katrina did nasty things to the Biloxi area. Source for JJ's obit was not found but documentation on Elsie and her children was received.

The Family Bible of Martha and Jesse with Birth, Death, & Marriage entries is in the possession of Wray Hollemon as of March 2008.

Family story of Charles Judson kids as related to [TLC]

" Martha Salome always swore that she had never received a divorce from Jesse J"

No record of any divorce can be found in the Larimer County Colorado records. but son Claude states in an affidavit that his parents were indeed divorced, [no date given].

Did Jesse get a divorce in florida perhaps or was it just easier to claim a divorce than to say Jesse absconded.

Family story of Charles Judson kids as related to [TLC]

Jesse Jackson Hollemon's family reportedly moved from Pryor, OK to CO by covered wagon in approximately 1903.

There they homesteaded a ranch and lumbar mill in the Stove Prairie area. Shortly after Aug 23, 1910 Jesse Jackson left for South America.

He must have returned to the US and finally settled in Biloxi, MS before his death Oct. 29, 1933

Now if JJ was in Fort Collins on February 10, 1911 as documented above and Willie was born in Florida on Oct 18, 1913, as documented by the 1930 census, and Willie's obit.

Then JJ did not have time to go to South America unless it was a really quick trip. Such as a deck hand on some ship for one round trip.

[Did somebody get Canada and South America mixed up in their story ?]

Documentation found for Martha & JJ's marriage: Photo copy of Family Bible in the possession of ggrandson Wray Hollemon --- Married December 16, 1883

Testimony by Jesse to the Dawes Commission For Marthas Cherokee Enrollment [Family card # 2745] states that his first wife [Ada] had died in Hill County Texas 18 months to 2 years before his marriage to Martha Dec 16, 1883.

Jesse Moves to Oklahoma meets and then Marries Martha Thompson Dec 16, 1883.

By Cherokee Law [Living in / on Cherokee tribal Land] for Jesse and Martha to marry Jesse had to have 3 Cherokee witness's that had known him for 6 months or more vouch for his good character. That puts Jesse in Oklahoma May 1863. Which means Ada died before shall we say April 1863.

Hi Teresa---

This report I sent to Allied Families Founders earlier today is being sent to you to keep you in the loop. I forgot to mention that the Nuance merge program will allow us to keep making a website pdf ever larger and search-able.

Trust all is well with you.

Phil Upchurch

Hi All---

I think we have just about reached a milestone in our AF operation and I provide you this update. The milestone was amplified in a meeting yesterday involving Bob Heck, Mary Lou Brown, Jay Buck and myself. Deb and Bob have been interfacing with Teresa to see how we can most effectively continually add to our AF website. Our basic proposed advance is that we can use the merge program we have purchased (Nuance) to continually merge new data/text we have digitized with related data/text already on the website. Yesterday we were all pretty much able to get on the same page. Jay in AF Headquarters will now work closely with Bob as he and Deb interface with Teresa to iron out any wrinkles. The mechanics are all beyond me but I have confidence that our Team now in place will get the job done. It has taken us quite a few months to get to this point as the advice of well meaning experts has not always been such that we could grasp what to do next. Now we have adopted a plan to be tested.

In the intervening months we have proceeded to advance our AF work schedule using the expertise of Mary Lou and Jay and bringing volunteers to our undertaking. The result is portrayed in the attached Status of Work. Note that we are in one stage or another of enrolling 27 families. We hope to add more enrolled families concentrating on families that lived close to our enrolled Upchurch families for many decades. This way our in depth work on an enrolled family will reinforce the records of other enrolled families in in the same geographic area. We need to get at least a rough narrative on the website for each enrolled family and Jay is working with me on drafts to send to Teresa. Jay has already created rudimentary Family Trees for many of the families and we are recruiting volunteer Tree Masters to proceed to embellish the trees taking the workload out of our Headquarters. Likewise we hope volunteer Administrators can be recruited for the Group Facebook pages. Note that we are beginning to recruit Researchers who will be surfacing information to be posted on our website for the enrolled families they represent.

Our most robust venture is to recruit volunteer Transcribers. They will concentrate at first on digitizing the Biofiles for the first three generations of enrolled families. These Biofiles are from the late 1700's and early 1800's and contain really valuable information. It is easy to recruit volunteer transcribers as we can assign skinny Biofiles to transcribe so as to not overwhelm a transcriber at first. As they get into the work and see their efforts portrayed on our website they will become more closely tied to AF. This is a really important tool for building momentum and gaining serious participants. Before long we should have a steady flow of several new transcribed Biofiles each month.

Mary Lou and I are well advanced in substantially expanding the information under our Projects Tab on the website and will soon be sending Teresa our version and getting her inputs as she adds this to the website.

Mary Lou and Jay together provide 20 hours of staff time in AF Headquarters. They are both extremely competent and productive and they give us a chance to make AF work for the long term. However, we must improve our revenue stream if we are to afford this help in 2016 and beyond. Now that Jay is getting to the end of some key projects I hope he and I can work together to undertake special initiatives to recruit members and financial support for AF. At some

Hi Teresa----

Delighted to note that you visited my website. I hope you had no trouble reaching and searching the three sites where I have tons of Upchurch information posted. In case the password did not come to you it is 2013upchurch#. Also, be sure to look at some of the videos.

I have a number of individuals in my files where there is a Churchill-Upchurch linkage but I am not sure if your close relatives are among them. I would very much like to know how you fit into the family. If you will send me a couple of names that link you to earlier Upchurch generations I will be glad to search my records and send you a report. It is important for you to know which of the 22 Upchurch Clans is yours as that way you can focus more clearly on aspects of the most interest to you .

It would be a pleasure to hear from you again and to collaborate with you on family history matters.

Hi Teresa---

Your excellent email reports on the Tabitha Esther U. Line in the Nathan U.,I/Hubbard U. Subclan are phenomenal. As each one has come in I have had a quick look and put it in the stack with your others to be processed. With a major push on getting Allied Families operational I just could not find time to get started to do serious work on your inputs until the last few days. This is an interim report to you with a request that we look at any way you can help me by sending a different format. Let me tell you how I proceeded. First I must report that your reports are all of great interest to me and I will continue to do my laborious extracting if no other faster option is available.

I decided to tackle your 19 DEC 2014 7-page report on Jessie Jackson Hollomon as a test case. I first tried to duplicate your Census and other sources by going to ancestry and creating the kinds of inputs I normally use. This soon developed as ineffective. Then I used a cut and tape process (manually) to get the essential facts on to three sheets. This I will put in the Biofile of Tabitha as a resource to which I can refer. Next I created a Family outline on one page using the data from the three pages. Now my next step, after I hear from you, will be to make copies (probably 30 or so) to put in the Biofile of each person mentioned. Then I will use the data to update my Master Outline (kept manually). To do that for all of your reports will take a lot of time but these records are of great interest to me and I will do that if it is the only way. My question for you is do you have the data in your reports in a different format that would be easier for me to work with? If not, just let me know and I will keep processing one report at a time using the procedure described above. I note that your other reports include more on Jessie and his family but I have to do them one report at a time.

I can mail you a copy of my three page extract and of my one page digest if you desire in order for you to better understand what I am doing. (There are a few questions.). Let me know.

Attached is a Status Report on our work in Allied Families. I would like to record you as a participant on our operation and would list you as "Cooperator" for which there is no charge, OK? Also, I plan to add another column on the Status Report to cover Researchers. Would it be agreeable with you for me to list you as Researcher for Nathan U.,I Clan to which you belong?

Note that we have Family Trees and Group Facebook Pages for quite a few of enrolled families. Let me know if you want to be part of any of these --maybe especially for the Nathan U.,I enrolled family.

One notes that there are numerous spellings of Holleman. Have you settled on one version? I am really impressed with how much you are finding and reporting.

Sorry for being so tardy.

Specific suggested corrections for your records :

Martha Tabitha Upchurch
 Tabitha Upchurch 1850 daughter of Hubbard is the same same as
 Tabitha Upchurch md. Willie W. Holleman.

Bond_Date: 11 Feb 1851

Marriage Date: 12 Feb 1851

Tabitha Upchurch 1850 daughter of Hubbard is the same same as your XID 3071
 Tabitha Upchurch 1860 wife of Willie W. HOLLEMAN and the mother of
 Nathan Holleman - Sarah Holleman - Henry Holleman - Jesse Holleman - Esther Holleman

Martha Wife wife of Willie W. Holleman 1870 is not Tabitha

So Tabitha Upchurch is correct but Martha Tabitha Upchurch is not.

Tabitha Upchurch 1831 -- abt 1864

Wiley Wilkens Hollemon - Willie W. Holleman - W. W. Holleman are all one and the same
 XID 10531

[Wiley Wilkens Hollemon is the son of Jordan and brother of Wyatt J founders of Salem
 Baptist church]

Thank you for that nifty bit of information.

Estha Ann Holleman - is either Esther or Easter XID 4250

I prefer Esther as in named after Esther Bird Hubbard wife

Issac Holleman is Jesse Jackson Hollemon XID 4249

I have extensive info on Jesse Jackson Hollemon as this is my line.

 still trying to figure out this Email stuff so the children to follow in another email.

Does driving from Colorado to Virginia via I 40 count as being familiar with Wake County ?

other than those drives all I know about wake Co., is what I have learned in the last couple
 of weeks when I came back to this line of research.

Summary; Sarah was not found after the 1880 census and probably died about 1897 with no known or surviving children.

James died 1900 with the probate lasting into early 1901. A town lot was sold to split between his heirs. Namely Julia and an 11 year old grandson [I could not make out the name of the grandson].

marriage: 25 May 1876 Wake County, North Carolina

spouse: Christianna Pool

Christiana Poole Boone

Birth: May 1, 1857

Death: Jul., 1875

Christiana Poole was born in 1857 in the Morrisville section of Wake County, NC, the 3rd of 5 known surviving children (2 boys/3 girls) born to farmers, Calvin Pool/Poole and his (2nd) wife, Cathrine Green. She was the paternal grandchild of William Pool/Poole and Alcey/Alsey Powell of Wake County.

Christiana's father had first married Sally Mariah Smith in 1846, by whom a son was born in 1847, Pashal Pool/Poole (CSA). He then married Christiana's mother, Cathrine Green, by whom 5 children were born. Christiana's mother died in 1861 (4 years after Christiana died), and Calvin Pool married (3rd) Elizabeth "Betty" Margaret Jones, by whom 6 more children were born.

Christiana married Robert Boon/Boone on May 25, 1875, son of Henry & Eliza Boone of Clayton, Johnston County. The marriage was short lived as Christiana died 2 months into marriage, passing in July 1875 at age 18.

Her young widowed husband remarried in 1878 to a woman named Easter (Easterman) Ann, and by her had 5 known children.

Phil ---

I recieved your Upchurch Bulletin Volume 35 2014. Thankyou. Looks like I have some reading to do.

yes ! I would love to see the info you have on Wiley Wilkens Hollemon. Or any other H?II? m?n's for that matter.

My snail mail address is;

Teresa L. Churchill
15880 N. Hwy 82
Strang OK 74367

I down loaded Wileys probate record last night. All 39 pages including a pic of the manilla folder.

One page did include the 40 acre map and description of Marthas Dower. April 6, 1891. Stake to stake no roads, streams or neibors mentioned on that page.

Unfourtunately I had to go to work [night shift] before I could get very far in the hen scratching looking for a better property description.

Please let me know if you see anything in my notes that I can send to you via snail or Email.

If it says View the document / Image / pic I am supposed to have it in a jpeg picture. I just have to figure out what folder I put it in.

If you see blah blah blah [TLC] that will be a note by or from me to myself.

I plan on watching / listening to a couple of your videos tonight while sewing up some Christmas preasants.

You had published Issac Holleman. [Jesse Jackson Hollemon] XID 4249

I am assuming that you can download any referenced census pics faster than I can attach them to this email.

[Yes I am still having issues with this program.]

I have attached [I hope] some doc's that are not found on the internet.

The only picture I had of JJ and a cut out of him alone.

5 pages photocopied from Martha Salome Thompson Hollemons family Bible.

JJ's newspaper obit -- no citation as I don't know what newspaper.

Jesse Testimony Daws Card 2745 [the only documentation that I have found of Ada's death]

A map of Pryor Creek Oklahoma as it is today.

Note in the top left hand corner Salt Branch [Creek], The Railroad & Hwy 69.

And a 1902 ? map of Pryor Creek Oklahoma

Again note in the top left hand corner Salt Branch [Creek], & The Railroad

This map was made by / a result of / for - from the Dawes Commission to show who got what land where for their Allotments / homestead deeds.

Generally speaking the Cherokee citizen by blood got the plot they were living on at the time of the 1896 ? Daws Roll. The children still living at home got the surrounding property if vacant, or perhaps a nearby vacant lot.

It is also where all of Jesse's children were born. [with a 99% probability as all were born in Pryor]

It is ironical to me that I was born in California, my children were born in Virginia, and today I am living within 30 miles of Pryor which just happens to have the nearest Walmart for all of my shopping needs.

And finally a map of Rist Canyon note in the bottom left corner is Fort Collins Colorado.

Showing where JJ's house is, and his son Charles Judson Ranch.

The significant of one or more attachments will be seen in time to come.

Jesse Jackson Holleman Birth: April 11, 1857 -- Oct. 29, 1933

OVERVIEW

Jesse Jackson Holleman Birth: April 11, 1857 Apex, Wake NC
son of Wiley Wilkins Holleman and Tabitha Upchurch

married 1st on 05 Jan 1882 Wake NC Ada C Collins
she was the daughter of William Collins b. 1820 - d. bet 1870-1880 and
Elizabeth Unknown Collins b. 1817- d. bet 1870-1880

Ada C Collins b. 1860 NC Ada died abt. June 1882 in Hill County Texas
Their are no known children from this marriage.

Jesse he said that his first wife had died 18-24 months before he married Martha Thompson.

Martha and Jesse were married December 1883.

December 1883 - 18 months = June 1882

That would give Ada a death date of June 1882

Jesse and Ada Collins were married 05 Jan 1882

Jan 1882 to Dec 1883 is only 23 months

By Cherokee law for Jesse to be allowed to marry Martha he had to have 6 witness swear to his good charector that had known him for 6 months or more.

That means he would have to be in Oklahoma by June 1883 to be married in December of 1883

That gives Ada a death date of bet Jan - June 1882

married 2nd on December 16, 1883 Talequah Indian Territory now Oklahoma
Martha Salome Thompson

she was the daughter of Caleb Starr (Coos) Thompson b. August 09, 1829 - d. June 03, 1917 and

Matilda Cordell b. August 08, 1829 d. March 28, 1904

Lenna Mae Hollemon October 20, 1901 Pryor, Indian Territory (Mayes, Co., Oklahoma)

Family story of Charles Judson kids as related to [TLC]

" Martha Salome always swore that she had never received a divorce from Jesse J"
No record of any divorce can be found in the Larimer County Colorado records. but son
Claude states in an affidavit that his parents were indeed divorced, [no date given].
Did Jesse get a divorce in florida perhaps or was it just easier to claim a divorce than to say
Jesse absconded.

Family story of Charles Judson kids as related to [TLC]

Jesse Jackson Hollemon's family reportedly moved from Pryor, OK to CO by covered
wagon in approximately 1903.

There they homesteaded a ranch and lumbar mill in the Stove Prairie area. Shortly after
Aug 23, 1910 Jesse Jackson left for South America.

He must have returned to the US and finally settled in Biloxi, MS before his death Oct. 29,
1933

Now if JJ was in Fort Collins on February 10, 1911 as documented and Willie was born in
Florida on Oct 18, 1913, as documented by the 1930 census, and Willie's obit.

Then JJ did not have time to go to South America unless it was a really quick trip. Such as a
deck hand on some ship for one round trip.

[Did somebody get Canada and South America mixed up in their story ?]

married 3rd on 21 Mar 1912 Columbia, Florida, United States Elsie Lenoire Posey
Elsie Lenoire " Nora " Posey b. October 21, 1892 Live Oak, Florida d. January 12, 1978

Documentation found for Martha & JJ's marriage: Photo copy of Family Bible in the possession of ggrandson Wray Holleman --- Married December 16, 1883

Testimony by Jesse to the Dawes Commission For Marthas Cherokee Enrollment [Family card # 2745] states that his first wife [Ada] had died in Hill County Texas 18 months to 2 years before his marriage to Martha Dec 16, 1883.

Jesse Moves to Oklahoma meets and then Marries Martha Thompson Dec 16, 1883.

By Cherokee Law [Living in / on Cherokee tribal Land] for Jesse and Martha to marry Jesse had to have 3 Cherokee witness's that had known him for 6 months or more vouch for his good character. That puts Jesse in Oklahoma May 1863. Which means Ada died before shall we say April 1863.

 Family story of Charles Judson kids as related to [TLC]

" Martha Salome always swore that she had never received a divorce from Jesse J"

No record of any divorce can be found in the Larimer County Colorado records. but son Claude states in an affidavit that his parents were indeed divorced, [no date given].

Did Jesse get a divorce in florida perhaps or was it just easier to claim a divorce than to say Jesse absconded.

Family story of Charles Judson kids as related to [TLC]

Jesse Jackson Hollemon's family reportedly moved form Pryor, OK to CO by covered wagon in approximately 1903.

There they homesteaded a ranch and lumbar mill in the Stove Prairie area. Shortly after Aug 23, 1910 Jesse Jackson left for South America.

He must have returned to the US and finally settled in Biloxi, MS before his death Oct. 29, 1933

Now if JJ was in Fort Collins on February 10, 1911 as documented above and Willie was born in Florida on Oct 18, 1913, as documented by the 1930 census, and Willie's obit.

Then JJ did not have time to go to South America unless it was a really quick trip. Such as a deck hand on some ship for one round trip.

[Did somebody get Canada and South America mixed up in their story ?]

 (JESSE DAVID HOLLEMON JR wins Distinguished Service Cross in ITALY)
 Million Dollar Mountain To San Pietro excerpt

The 142nd Infantry, relieved of their hard gained posts on Mount
 Maggiore by the British, used the cover of night and crossed the
 Peccia River to attack Mount Lungo from the left rear. The surprised
 Germans were caught flat footed. More than a hundred died that way,
 while 33 trudged back to the POW cage and the end of the war for
 them. The success was made possible by men like Corporal Jesse D.
 Hollemon, Jr., of Texas City, Texas, who gave his life in the
 effort, and Second Lieutenant David O. Gorgol of Binghamton, New
 York, who charged into an emplaced machine gun and killed its
 operators with a submachine gun. Both were awarded the Distinguished
 Service Cross.

 (JESSE DAVID HOLLEMON JR wins Distinguished Service Cross in ITALY)

Million Dollar Mountain To San Pietro excerpt

The 142nd Infantry, relieved of their hard gained posts on Mount

Maggiore by the British, used the cover of night and crossed the

Peccia River to attack Mount Lungo from the left rear. The surprised Germans were caught flat footed. More than a hundred died that way, while 33 trudged back to the POW cage and the end of the war for them. The success was made possible by men like Corporal Jesse D. Hollemon, Jr., of Texas City, Texas, who gave his life in the effort, and Second Lieutenant David O. Gorgol of Binghamton, New York, who charged into an emplaced machine gun and killed its operators with a submachine gun. Both were awarded the Distinguished Service Cross.

Hi Teresa---

I can now reflect on our kinship thanks for the information you generously supplied. First let me also thank you for your emails of 7:49 am and 4:18 pm of December 28. I have saved and printed them and put them in the Que to be processed.

Here is how we are related: Our common ancestor is Nathan U., I . You descend from his son Hubbard and I descend form his son Gilbert, So---

Gilbert U.	Siblings	Hubbard U.
Bartley Jefferson U.	1st Cousins	Tabitha U.
Robert Jefferson U.	2nd Cousins	Jesse Jackson Hollemon
Robert Phillip U. (me)	3rd Cousins	Charles Judson Hollomon
My Children (3)	4th Cousins	Joyce Irene Hollomon
My Grandchildren (8)	5th Cousins	Teresa Lynn Little (you)

Thus your GF and I are 3rd cousins and you and my grandchildren are 5th cousins while you and I are 3rd cousins twice removed.

I'll keep processing your inputs as time allows and will report to you on progress from time to time.

You seem to be quite knowledgeable about the Oklahoma Land Rush. My recollection is that it took place in 1891 but there may have been more than one event. I mention this because the new publication we propose for Allied Families will have a s strong focus on migration patterns. One type of migration pattern is the one caused by specific attractions such as the availability of land in OK. Several of our families were involved so we might wish to include something about the Rush in the issues of our new publication tentatively titled "Allied Families Footprints" with subtitle of "Migrations Observed". Any thoughts you have on the OK situation will be appreciated.

Best~

Phil Upchurch

Today Jan 20, 2008 was too cold to go to work so I spent a couple of hours running around Pryor looking for info specifically related to the burials of Freddie J. and Carry Ann Hollemon. Children of JJ & Martha S.

7 Stops and 7 goose eggs is what I came up with.

Carry Ann Hollemon [Carrie Ann]

- died Oct 11, 1889 Pryor Creek Indian Territory [Mayes County, Oklahoma]

Fred Hollemon [Freddie]

- born Feb 05, 1893 Pryor Creek Indian Territory [Mayes County, Oklahoma]

I have copies of the Hollemon property in / near Pryor Creek I T , deeded to them by the Cherokee Nation / Federal Government Recorded in 1908 along with a map of Pryor Creek, Mayes County, Oklahoma in 2006 ?

1908 & 2006 maps both have Salt Branch Creek shown running East to West. on the North side of Pryor.

1908 & 2006 maps both have a set of Railroad tracks shown running North to South crossing Salt Branch Creek and going on through Pryor.

1908 map shows 99 % of the property West of the Railroad tracks and North of the Creek. with some points crossing one or the other refrence points.

2006 map show's Highway 69 running parrallel to the Railroad tracks and Highway 20 running East to West crossing 69 at what can be considered [down town / old town / and or the center of town].

Using the intersection of Hwy 20 / 69 as the referance point for the following.

Hollemon property is about 1 mile North on 69.

Fairview / Graham Memorial Cemetery is about 2 1/2 miles East on 20.

Sting of Death Removes Signs of Merry Christmas
(From Tuesday's Daily, Dec. 24, 1918)

"In more than one home in this vicinity there is little evidence of merriness this Christmas. Instead there is sorrow of the deepest kind. Within the last 24 hours death has left its sting in a number of homes and has spread grief to scores of relatives and friends.

Doubly hard was the blow in the Hollemon home at 324 South Meldrum Street where a mother was surrounded by members of her family. This mother, Mrs. Martha S. Hollemon, is trying to console the widow of one of her sons and another of her boys who lost his wife.

Influenza struck this home and there followed the new form of pneumonia which gives the victims little chance to escape death.

Last evening Harvey M. Hollemon died at the home. He was 29 years old and was born in Oklahoma. In addition to other relatives he leaves a widow to mourn his death.

This morning death made another visit to the home and took the wife of C. J. Hollemon. She was 28 years old and was the mother of two children.

Mrs. Hollemon was formerly Iva N. Kerr, the only daughter of Joe J. Kerr, a resident here for many years. She was born here and after marriage went with Chas. Hollemon to Stove Prairie.

...."

Daily Newspaper; January 11, 1919:

"The funeral of the late Mrs. Martha Hollemon will be held from Hollowell's undertaking parlors this afternoon at 3 o'clock, Rev. Crosby officiating. The Rebekahs will have charge of the services at Grandview."

Obituary- - probably the Weekly Courier of Ft. Collins Colorado

"Mrs. Iva Nora Kerr Hollemon was born in Ft. Collins June 9, 1890 and she departed this life Dec 24, 1918. She was united in wedlock to Chas. J. Hollemon Aug. 24, 1911 and two boys aged 3 and 5 years have blest the union. She was the only child of Mr. J.J. Kerr and was reared and educated in the public schools of this city. Being an accomplished musician and entertainer, gracious and kindly with all who knew her. She will be greatly missed by a wide circle of friends, as she has always ready to give of her talent and time for the pleasure of others. Besides her father, mother, husband, and children she leaves three uncles and one aunt to mourn her untimely death. Mr. John Yocum, John Kerr, Jerry Kerr, and Mrs. Iva Harland. She was buried from Hollowells parlors, the funeral being double as her husbands brother Harvey Hollemon proceeded her by twelve hours. Rev.???? ????? services at the parlors and the Rebekahs of which she was a member assisted ????. Rev. Darling as chaplain held services at Grandview.

Yes, Martha & Hester are Spaulding sisters (Martha is my grandmother who was divorced from Claude Holleman) Hester was married to Elmer after Harvey's death.

She (at some point) was married to a Wyoming rancher. We don't know his name or where in Wyoming he ranched.

We know they were married about 6 months and he held her pretty much a prisoner.

Finally, after not hearing from her, a couple of her brothers went to visit and "rescued" her, bringing her back to Colorado.

Hester Spaulding and Martha A. Spaulding who married Claude Holleman were sisters. So sisters married brothers; Martha to Claude and Hester to Harvey.

These unions bring the Holleman and Spaulding families together with all descendants sharing both lineages. Info From Wray Holleman Tree Jan 2008

 Woman Killed as Horse Falls

Mrs. Lenna Armstrong. Is Fatally Hurt in Rist Canon While Riding Horse

Falling with her horse when it stumbled returning from an afternoon ride, Mrs. Lenna M. Armstrong 31, was killed almost instantly about 5 o'clock Sunday afternoon at the ranch house of her brother, Charles J. Hollemon, which is below Stove Praire on the Rist canon road.

Mrs. Armstrong, who has been living with her brother, Claude Hollemon of Brighton, has been at the ranch less than three weeks. She had gone for a Sunday afternoon ride with her nephew, Clyde Hollemon, 19, of Fort Collins, who with Merrill Van Sickle and Charles Ricci were spending the day at the ranch.

The two riders had returned to the ranch house and were riding up the private road to the house when Mrs. Armstrong's horse stumbled and fell carrying her to the ground. Her nephew was closing the gate at the time and did not actually witness the accident, but it is thought the horse fell on Mrs. Armstrong. Her neck was broken and she did not regain consciousness. Clyde Hollemon and his companions rushed her to Fort Collins, but it is thought her death occurred only a few moments after the fall. She had been staying at the ranch with her nephew, Fred Hollemon, and her 3-year-old daughter, Ellen Mae.

The accident occurred just over the hill from the ranch at Stove Prairie where Mrs. Armstrong, who was Lenna Hollemon before her marriage to Richard Armstrong of Chicago in 1929, spent much of her girlhood.

Lenna Hollemon was born Oct. 20, 1901, in Pryor, Okla. She came to Fort Collins as a little girl of 4 years with her parents, Mr. and Mrs. J. J. Hollemon. She spent most of her life in this vicinity and will be remembered by many people here as she was employed at the State Dry Goods company store before her marriage.

Besides her little daughter, Mrs. Armstrong is survived by her father, who is living in Texas; by her brothers, Charles Hollemon, 110 South Meldrum street, Fort Collins, Claude Hollemon of Brighton, Jesse

Hollemon of Texas City Tex.; Henry Hollemon of Harrisburg, Ore., and a sister, Mrs. Beulah Brady of Butte, Mont.

Arrangements for the funeral will be announced as soon as all Mrs. Armstrong's relatives respond to messages sent of her death. Claude Hollemon of Brighton came to Fort Collins at once on hearing of his sister's death and Jesse Hollemon of Texas is coming.

 Kenneth C. ("KC") Hollemon

Friday, January 26, 2007

Kenneth C. ("KC") Hollemon, 89, died of natural causes Jan. 19, 2007 in Eugene, Ore. He was born to Claude and Martha Hollemon on March 30, 1917 in Fort Collins, Colo.

During his youth, he became interested in working on radios. His acquired skills became very useful when he joined the Army Air Forces. He spent his time in service teaching radio theory and operation at various posts around the country.

He met the love of his life, Gloria Compton, while stationed near St. Louis. They were married Aug. 15, 1943 and raised two sons.

After leaving the service, Mr. Hollemon went to work for AT&T in El Paso, Texas. He remained with AT&T throughout his career during which he and his family lived in El Paso, Texas, Lordsburg, N.M. and Phoenix. He retired in Phoenix having risen to a supervisory position.

Mr. Hollemon was actively involved in Boy Scouts with his sons, and received the prestigious Silver Beaver award for his contributions.

Upon retiring, the Hollemons moved to Strawberry, where they lived for 25 years before moving to Eugene, Ore. in 2005 to be closer to their children.

Mr. Hollemon was active in the community as a member of the Telephone Pioneers, the Tonto Amateur Radio Association, and the Pine-Strawberry Improvement Association. The couple were founding members and long-standing supporters of the Payson United Methodist Church.

A small memorial service was held Jan. 26.

He is survived by his wife Gloria of Eugene, Ore.; sister, Gladys Goodrich of Ft. Collins, Colo.; sons, Ken (Linda) of Bend, Ore. and Wray (Carole) of Cottage Grove, Ore.; and grandson, Aaron (Lauren) of Redding, Calif.

Are you ready 4 more info on the Hollemons ?

2 notes, 1 per wife for Charles Judson Hollemon.

If you have time to actually read them thru you will under stand why I did all of Charles's siblings first and why it took me so long to clean up my notes, and decide how much info to include on any specific name.

Warning ! Now that I have again updated my tree on these younger generations I am going to be ready to come back with question's for you on the older generations.

Take care and don't work too hard. Teresa

Kinfolk or not kinfolk that is the question ???

Family Story; This question was raised when the newlyweds Steve and Chris told each other
I Want you to meet some of my kinfolk --- I'll meet yours if you meet mine ---

OK, will do, they are living in the same town ---

Call the kinfolk arrange to drop in next Saturday ---

Chris gets directions, Steve says he will call for directions when he gets to town and is free.

Saturday comes Chris & Steve go to meet the kinfolk.

Knock Knock, door opens, the occupants of the house step out of the house.

Hugs first introductions second.. . . Speaking at the same time.

Chris says Steve I would like you to meet my uncle Donald.

Steve says Chris I would like you to meet my Step mother.

Hi Teresa-----

Dealing with specific questions is a good way to set a pattern for going forward.

1. OK to cite my personal correspondence . However, even better to cite UAFA Biofile System. I started this and UAFA will carry it forward, Better still---you and or others can examine the Biofiles online. The Upchurch Biofile are online (Five file cabinets) . The 15 file cabinets of non-Upchurch Biofiles are an online project for 2019/2012.

2. Mackey Johnson as a wife of Nathan was an assumption--Ignore. Better evidence is for Agatha Butler as his only wife.

3. For DAR---I would not add picture.

4. The Cary, NC Library has very little family history information and is unlikely to help. For Wake County, NC the County sponsors the Olivia Raney Library as a repository of family history records. Generally you have to visit to get details.

5. I will ask Jay to see if we have a typed copy of the will of Nathan to send to you.

6. You asked for contact information. Are you asking for Chesterfield, MO , UAFA Cary, NC, or the Cary Library? Clarify and we will respond..

Thanks for paving the way~

Hi Phil

I'm going to run a couple of specific / example question's past you, and would like to have general answers for future reference.

A specific answer to the question is acceptable as that still give me a future reference.

1. Tabitha d/o Hubbard md Wiley Holleman. Source RPU research version 1

Tabitha Martha U. wife of Wiley Holleman. Source RPU research version 2 (I know how/where you came to this conclusion)

Tabitha Esther U. wife of Wiley Holleman. Source RPU research version 3. (I strongly suspect this is true)

If I cannot find any online documentation to confirm / collaborate Esther can / should I comment ... Information from RPU personal correspondence.

My big fat finger went to pick a picture and got the wrong one. Old UAAF ???? newsletter ??? Saying Nathan s/o gs/o blah blah blah...

Totally forgotten about that.

2. Nathan -- wife Mackey Johnson ... Property from ??? Johnson possible father of Mackey....

Do I add him to the living tree ??? OR Do I need to comment only ??? OR Add with comment... Unconfirmed relationship / Possible only ????

Nathan -- possible second wife Aquilla same source, same paragraph, same question ... Add / add with comment / comment only ????

I'm thinking that if Joe Smuckately tells me that Abraham Lincoln was his grandfather with no documentation & I cannot confirm that statement.

Then the 2 choice's I have would be ignore / comment... possiblty source is blah blah blah.

1850 Census is hard documentation... add it to the person.

3. DAR application or == add the picture ??? I'm thinking comment only that application has been made ????

Would the Cary Library have any information for a 1940 female aviation cadet. (general information on whatever subject)

I have a copy of Nathan's will. I believe someone has already transcribed it for his biofile. (specific information)

I would like to add a comment to each child saying Mackey get's this & Aquilla get's that. (The documentation of who daddy is)

I was wondering if someone could e-maile me a text copy, that I can break up into little piece's.

If you decide to go sailing in the Caribbean, I don't need to bother you with questions like this.

4. Could you send me contact information for someone there ???
