A. GATES FAMILY

We corresponded earlier this year about the Gill family of Henrico and Chesterfield Counties in Virginia. I am attaching a copy of the will of William Gates that mentions Joseph Gill (1711-1791), son of Joseph Gill (1694-1732). Frank Clark in his Gill Family analysis concluded that the son Joseph Gill was the son of Elizabeth Gates, who was identified as the daughter of William Gates in his will. I disagree. This Elizabeth Gates was likely to have been born after 1732 and probably baptized in Dale Parish, which was created in 1734, would have been too young to have been the mother of the son Joseph Gill and the wife of Joseph Gill. (The Gates family lived in Dale Parish, whose early records were destroyed.) Two of the six children in the Gates family were baptized in Bristol Parish, and the event was recorded in in surviving parish records: their oldest son Edward, born in 1727, and their daughter Mary, born 1732. We have one more birth date for one of these six children, James Gates (the youngest son) was born 11 September 1741 (from his Bible). So, I believe that the Gates children were born between 1727 and 1741. In addition, we know that Elizabeth Gates married Joel Cheatham and that their oldest son, Benjamin Cheatham, was born in 1751 and they were having children into the late 1760s. If the wife of Joseph Gill, Sr., was an Elizabeth Gates, then she must have been an older unnamed sister of William Gates (d. ca 1750). This could be possible because William Gates' father, also a William Gates, died about 1723, and in court records children of William Gates, deceased, are mentioned. Women with the surname Gill married into the Gates family in the 1800s in Chesterfield Co., VA, but I have not identified any of my ancestors that carry the surname Gill.

Dear Carl,

I really enjoyed the trip you, Charles and I took on 14 OCT 2004 and thank you again for making it so productive.

In our phone conversation on 21 OCT 2004 you mentioned John David Upchurch. He is in my records and a copy of his 2-Page, 6-Item Biofile for him is enclosed.

Enclosed is a copy of the photo I promised to send. It turned out rather well considering the rain. Also provided is a copy of my 5-Page Trip Report for the visit to Saline Co, IL. I may publish this in the next Upchurch Bulletin.

If circumstances permit I would like to visit Saline County, IL again. It would be a pleasure to see you & Charles again.

Sincerely yours

RPU EXTRACT OF BOOKLET FOR SWIFT CREEK BAPT CH CELEBRATION OF 125 YEARS - SWIFT CREEK TSP, WAKE CO, NC PART VI

FACILITIES

The first building was constructed in 1880 by Mr. Neal Morris. This building was torn down in 1902 to make room for a new sanctuary which was built at a cost of $222.23. Members gave timber and did much of the labor. Mr. Alph Johnson was foreman of the construction.

The vestibule and belfry were added when the East Wing was built in 1919. Mr. Cary B. Jones gave the bell which yet today resides in the belfry.

In March, 1965, the present sanctuary and fifteen Sunday School classrooms, three nursery rooms, study, kitchen, three bathrooms, a baptistry and a choir loft were completed at a contract price of $66,629.00 by Davidson and Jones Construction Company. Mr. Roy Womble was chairman of the Building Committee which consisted of Thelma Bartley, Gernon Holland, A. M. (Harry) Jones, Joe Jones, Charles Livengood, Neal Moore, and Doris Weatherspoon Vaughn.

In 1976, the Church purchased 1.74 Acres of land adjoining the Church on the north and east from Mr. Herbert Atkins for the sum of $15,000.00.

Two committees were involved in planning and constructing this new building. The Building Planning Committee was composed of Wilton Grimes, Curtis Jones, Sharon J. Lawrence, Charles Livengood (chair), and Jimmy Rogers. Mr. Wilton Grimes was chairman of the Construction Committee which consisted of Dick Britt, John Dill, Margine Eagles (now Daniels), Curtis Jones, Sharon Lawrence, Charles Livengood, Bryan Perry, Jimmy Rogers, and Roy Womble.

In 1986, it was recognized that the Church Sanctuary was becoming outdated and needed renovation. A Remodeling/Redecorating Committee consisting of Jeannette Cox, Sue Gates, LaRue J. Holmes, Rosie Jetter (chair), Robert (Bobby) Mills, Brantley Murray, and Susan Temple was appointed to plan and carry out this long-term project.

In 1950, Theo L. Jones and wife, Hettie A. Jones, gave one acre of land and framing material for a parsonage. The parsonage was located near the second location of the Burns School on Penny Road across the road from the Jones home (currently the residence of Steve and Jeannette Cox). H. H. Holland was the contractor for the parsonage.

Pews used in the sanctuary from 1919 to 1965 were built by L. B. Woodall, J. E. Massey, Furman J. Jones, and A. M. (Harry) Jones.

The first organ was purchased in 1894. A second organ was purchased in 1918. The first piano was purchased in 1928. Ursula Atkins was the first pianist. An electric organ was given the Church in 1964 by Carlisle and Ernestine Jones Abbott.

Dr. R. W. Stephens of Apex gave the Church a silver communion set in 1919. It consisted of two cups and a pitcher. The present set of four plates and four trays with places for individual cups was given about 1938 by Mr. And Mrs. T. Braxton Jones and Mr. and Mrs. Paul Hendricks. Later, another plate and tray for cups were given by Mrs. Ara Lee Jones in memory of her husband, Delno Jones.

In 1916, Ursula Atkins presented the Church with pine needle collection plates which are on display in the Church Antiquities cabinet. The T. Braxton Jones Family and Mr. and Mrs. Paul Hendricks presented the present collection plates.

In 1965, the audio system for the Church was given by Mr. Harry Jones and Mr. Bruce Weatherspoon. Ironically, the system was used the first time at Mr. Jones' funeral.

In 2003, a silver cross for the Communion Table was given the Church as a memorial by friends in remembrance of Mrs. Hazel Kirkpatrick.

- A. JOSEPH GILL 1711-1791
- I. WILLIAM GATES
- GATES FAMILY

We corresponded earlier this year about the Gill family of Henrico and Chesterfield Counties in Virginia. I am attaching a copy of the will of William Gates that mentions Joseph Gill (1711-1791), son of Joseph Gill (1694-1732). Frank Clark in his Gill Family analysis concluded that the son Joseph Gill was the son of Elizabeth Gates, who was identified as the daughter of William Gates in his will. I disagree. This Elizabeth Gates was likely to have been born after 1732 and probably baptized in Dale Parish, which was created in 1734, would have been too young to have been the mother of the son Joseph Gill and the wife of Joseph Gill. (The Gates family lived in Dale Parish, whose early records were destroyed.) Two of the six children in the Gates family were baptized in Bristol Parish, and the event was recorded in in surviving parish records: their oldest son Edward, born in 1727, and their daughter Mary, born 1732. We have one more birth date for one of these six children, James Gates (the youngest son) was born 11 September 1741 (from his Bible). So, I believe that the Gates children were born between 1727 and 1741. In addition, we know that Elizabeth Gates married Joel Cheatham and that their oldest son, Benjamin Cheatham, was born in 1751 and they were having children into the late 1760s. If the wife of Joseph Gill, Sr., was an Elizabeth Gates, then she must have been an older unnamed sister of William Gates (d. ca 1750). This could be possible because William Gates' father, also a William Gates, died about 1723, and in court records children of William Gates, deceased, are mentioned. Women with the surname Gill married into the Gates family in the 1800s in Chesterfield Co., VA, but I have not identified any of my ancestors that carry the surname Gill.
