MRS WILMA GIBSON  
2302 N. WEBSTER  
KOKOMO, IN 46901

Dear Cousin Wilma,

Today is a day of vacation for me and most of it has been spent on the enjoyable task of extracting your letter of 11 JUL 1955 and upgrading the related master outline and Biopics. Every bit is now properly recorded and I really appreciate your attention to detail. I should have a letter from Betty Bilbey soon and can then xerox my master outline on Cleveland Welch carbon for both of you so you can see the progress we have made and what is yet to be done.

I have written to Audrey Helms and to Mrs J. L. Davidson and will hope to hear from them.

Here are some questions that came up while extracting your letter:

- 1) you asked if I had heard from Hilda. Can you give me a more complete name. I am sure I've got it but somehow the records did not bring it out.
- 2) For James Clifford Crabtree. I have his wife as MARY ELLEN CARSON and his MARY ALLEN CARSON. Which is correct? They are divorced - right?

(2)

3) For E. MILLER CRADTREE to 9 MAR 1936 (son of Edna Elmer Cradtree)

a) I have ELEM MILLER CRADTREE and ELAM MILLER CRADTREE. Which is correct?

b) I show her 1st wife as GERALDINE WRIGHT and GERLDINE WRIGHT. Which is correct? Do we know her full maiden name?

c) Was he convicted for killing her wife? Can you give me a few details - just curious

d) I show his dau as DEBORAH Sue Cradtree and as DEBBIE Sue Cradtree. Which is correct?

e) I show his son as Wayne Phillip Cradtree and as Phillip Wayne Cradtree. Which is correct?

Here are the missing items on your Aunt Nora

4) What is the relationship of Carter Clarence Bestman to Herbert Reed Bestman, Jr. - if any?

5) Is Carter Clarence Bestman still living?

6) when + where was William Bruce Elliott born? (spelled with one T - right?)

7) Is William Allen Elliott still alive?

8) when, where and to whom did Kimberly Elaine Elliott marry?

9) when was Margaret Nell Davidson born?

10) when and where was Judy Kay Hughes born?

Do you have a suggestion on how we might proceed from here? Possibly you still have details that could help complete the chart

Sincerely yours  
Phil Upchurch

REC'D  
21 JUL 1985

Dear Cousin Phillip

Hope this letter finds you well, and that the information enclosed will be of use.

I have been to Tennessee and gleaned some information but also didn't get all I should have. We had the Crabtree reunion and I got a bit of it there. If possible you should join us sometime, it isn't so much that the Upchurchs join us as it is the people who do come, some of them know everyone else, and they could tell you stories that you would never hear otherwise. Betty is one of the best sources you can come in contact with, she knows a lot of Upchurchs. I wonder if Hilda answered you.

[WILMA ALMA CRABTREE]

At the time I sent you Aunt Novas address I did not know she was sick and I think she just does not feel like writing anyone, they found a tumor in her pancreas and it isn't good news, she has lost a lot of weight, and can not walk too well, so I got the answers for you not everything, but in time I will, I went to ask Jean at the re-union but trying to talk to every one I missed some of them.

Loren Lawhorn, Isabel's son said he would send me some information about his family so if it gets here before I mail this I will make copies and send to you.

[LOLA ARMANDA BREWSTER]

I told my mother that I should write a book and make about half of it mistakes and then I would get the correct information.

I didn't get much information in the court houses this time pertaining to Upchurchs but this marriage I found in Scott Co., Tn. is one I had never came across before, I didn't go by index this time, I set down and went thru the books, one by one, and I wish I had enough time to sit down and read the court minutes, but that takes a long time so I just have to skim, and of course one misses a lot that way

When I go back down there I'M going to take your books on Upchurchs and may leave them a while at the Jamestown Library, they may get you some information, from some who were disappointed in Ada's book I think she did a good job, if all is considered, and how hard it is to get information at times.

My Grandmother Ada Delk, so far I haven't found any one who knows if she had another name or not, the way they used to name their kids with about three given names it seems she would have another name, but if so far no one know what it is.

[AUDREY ALMA STEWART]

Here is Audrey address, if you type the letter to her she can read it with out help, but if it hand written, some one must read it to her, she is blind, she will be in Tennessee by the time you receive this letter and I do not know how long she will be there, she did have an interest in this type of knowledge so I think she will answer you

△ I'm going to send you Maggie address and you can try writing her and see what you get from her, J. C. used to have an interest in this but part of his information is wrong, he and his wife got a divorce because of his interest in other men, so I've been told. He also had his Grandmother down as a Redman and as far as I can find she was a Crabtree, born out of wed-lock, in the 1900 census one finds her in the household of Margaret (Crouch) Redman and her Brother David Crouch, but she is listed as a Crabtree.

Dear Cousin Wilma

Thank you very much for your nice letter of 26 MAY 1985. Everything in it has been extracted and placed on the paper outline and in the paper files. I have written to each individual for whom you provided an address. It is not likely that all of them will respond but most likely some of them will. We have to keep trying.

Because you have been such a nice cooperator I will be sending you complimentary copies of the Uplands Bulletin for 1985 as the issue appears. Issue 1+2 should be to you in about two weeks.

If you so desire I could send you a Xerox of my Master Outline for Cleveland Week Centre. It might be helpful.

I'll hope to hear from you as you collect new bits of information.

Sincerely yours  
Philip Shundy

- 29) For Infant Male Cradle b+d 24 MAY 1924 - I have all details except a name & you reported no name was given.

-- SOME OTHER KINDS OF QUESTIONS :

- 30) For the heirs of your ancestor Joseph U (father of Thomas Washington U) you show a daughter Louisa who married a RICH. I show that Louisa married a ROLÉ Any comment? (Daughter Iwanda Ann U and John Rich)
- 31) In some place I show your ancestor Thomas Washington U and Sarah Ann Evans and in other place Sarah Jane Evans - Any comment?
- 32) where is the grave of Sallie (Dawdson) Evans located? (you sent me a picture of the grave stone)
- 33) I have Gerse Sawson married Cleveland Wells Cradle
  - a) 11 NOV 1915 (Fenton Co, TN) ? which is right?
  - b) 15 NOV 1915 (Pickett Co, TN) }

The questions added up to a lot more than I thought. Any help you can give on any of these will be appreciated. we will never get all the details but we should make a reasonable effort. Let me know if you want me to write to anyone.

I really appreciate the pictures you sent and also the details that Ada Morgan recorded in her book. They are all firmly recorded in my records now. Someday I hope to visit Fentress Co, TN. There is a lot of Upchurch history there.

Wellma, I notice you are not a subscriber to the Upchurch Bulletin. I am including details. If you so desire I'll be glad to supply you with a subscription without charge for all the work you have done on the family. Just let me know.

Later on I would like to ask you some questions about the brothers and sisters of Cleveland Weld, latitude just in case your information or source extend that far.

By the way - the heir of Joseph U you listed did not include Elizabeth U (eldest dau of Joseph U - she was b 1822 & m'd 3 times) - do we assume she was deceased at the time the list was made (presumably 1865)? Also her son John Jackson U is missing from the list but we know he died in the Civil War in 1864.

Hope to hear from you soon.  
Sincerely yours  
Phil Upchurch

KOKOMO, IN 46901

Dear Cousin Wilma,

My last letter to you concerning our mutual interest in family history was 30 JUN 1980, over four years ago. Since I am doing the entire Upchurch family (probably 50,000+ people - all descendants of Michael U) it takes a while to cycle back to each part of the family. I have just spent a day and a half extracting all of the details you wanted earlier.

Here is a sketch of your line and mine:

Michael U I (original immigrant)

↓  
Richard U I

↓  
James U

Michael U II ← BROTHERS → Richard U II

↓ George U ← 1ST COUSINS → Witham U I

↓ Joseph U ← 2ND " → Gilbert U

Thomas Washington U ← 3RD " → Bartley Jefferson U

↓ Luranda Jane U ← 4TH " → Robert Jefferson U

↓ Cleveland Welch Crabtree ← 5TH " → Robert Phillip U

Dear Mrs Gibson

I have now been about 18 months since we corresponded and you sent me some records on Upchurch descendants. This to let you know that my interest in Upchurch descendants continues. Last January I fulfilled a long anticipated goal of starting the quarterly Upchurch Bulletin. It provides a basis for reading a large number of entries. I will appreciate any additional information you have collected or can get.

I rounded herewith are some flyers on Upchurch Bulletin. Anything you can do to spread the word will be appreciated. Let me know if you could use more flyers or send me addresses and I will mail flyers.

Dear Mr. Upchurch:

It was glad to hear from you, you have an alert mind, yes Olive Ada Morgan does have my father as Bessie Lawhorne son, you've heard of turning over in the grave, Dad wouldn't turn over, he'd get up if he knew Bessie was listed as his mother, I would have ask Ada to correct it if she had published a second series. Bessie Lawhorne was one person my father didn't like and could you have seen some of scars he carried you'd know why. As I said with the other letter the book is not without its mistakes and others tell me, there are other mistakes but in book like Morgans there will always be mistakes, I have June B. Barks books on Wayne Co. Ky, and in hers she has a mans pensions papers and it mentions Cumberland Co. TN. 1807 or back in the early 1800's Well Cumberland Co. In. Wasnt Created until 1856. I kept reading it should have been Campbell Co. In.

- I think the enclosed Family Sheets  
 - Will keep you with my direct line  
 - and will send you family sheets  
 - for the others I have - you want them  
 - heavens knows, I do not have them  
 - all, there are so many Upchurchs &  
 - Crabtrees in the Cumberland one could  
 - write a book on them alone.

- When I graduated from High School  
 Δ at Sunbright, In. Clay F. Upchurch was  
 Δ principal, before him was Laren M.  
 - Lawhorn, my Dad's first Cousin.

Δ Clayton Upchurch was Sheriff of Fentress  
 - Co. In. in 1950's / 60's shot & killed a  
 - Frogge Boy, the best I recall someone  
 - blew one of his Cars up, his wife  
 - was shot at with a Shotgun, was  
 - a Violent times then. Hope these tidbits  
 - are of interest to you.

- Yes, thank you we did have nice  
 - holidays, my youngest dau & I went  
 - to Ky & In. Hope your holidays were  
 - happy ones,

- Answer when you can, always glad  
 - to hear from you

Dear Mrs. Gibson

I thank you for your detailed letter of November 24, 1977 in which you provided much information about your line. I am in the process of working all of this material into my files on individual sheets, one to a person. It is quite a job.

In your letter you indicate that Cleveland Welch Crabtree and 4906 Ada Belk and they had 3 sons and 2 daughters the youngest of which, Theodore Wilson Crabtree b. 9 JAN 1914, was your father. Olive Morgan's book does not quite agree with this. On page 125 she shows ~~Benie~~ Berrie, 2nd wife of Cleveland Welch Crabtree, as being the mother of Theodore Wilson Crabtree rather than Ada, his first wife. I assume you are correct but could you confirm this for me.

I trust you and your family had a happy holiday season and that you will have a prosperous new year.

Sincerely yours  
Robert P. Upchurch

Dear Mrs. Gibson:

A Mrs. Lomas indicated to me that you might have an interest in Upchurch genealogy and be willing to correspond about same. I have been working on Upchurch genealogy for several years now and have a fair file. A special interest of mine is in identifying the Upchurch heads of clans about 1790 and their children and grandchildren. Some day I hope to start an Upchurch Bulletin.

Would you be kind enough to send me some notes on your interest in the Upchurch family. My lineage is provided herewith.

Sincerely yours,

R. P. Upchurch

Dear cousin Wilma,

Your nice letter of 2 MA 187 arrived yesterday and I have spent a good part of yesterday and today extracting all the details and updating my records. Your contributions have made a big difference. I have also written to the three people whose addresses you provided and will hope to hear from them.

The details on entries #115 - #120 for the 1900 Pickett Co, TN census helps a lot. Between what you reported and what I had from other places most of it fits together. I assume #113 Edward is nee Letaim & Robinson, widow of Francis Marion U. I don't fit in #119 Andrew is mine but maybe he was just a neighbor. Under #115 Rachel U we find GROG U (Raymond Gregg U) and CLAUDES U (Stanley Claude U). [I corresponded a lot with a dau of Stanley Claude U several years ago]. From what these records show and from what you say James U in #119 is James Washburn U, son of James Matthews (age 71 in #119 also) and Rachel U (#115). Are you also suggesting that the James Matthews were the fathers of all of the children of Rachel U?

(46)

In my records I show that Rachel U and James U but I think that may be wrong and that she never married. My guess is that the husband of Rachel U shown in my records or James U did not exist or in reality was James Mathews. What do you think. I show Rachel U as having 6 children but none of them seem right to have been the husband of the widowed Cassaday E. U age 22, dau-in-law, in the name of Rachel U on the 1900 census. Do you have any suggestions on this. Do you have the census records for Rachel U for 1870, 1880 and 1890? These might shed some light. Don't worry about the lack of marriage. If we had to delete all families where births occurred to unnamed parents, there would be no genealogy!

In the J. G. Crittree in Lawrenceville, as you suggested I wrote (I did) a son of James Marvin Crittree. Mygan shows 7 children of James Marvin and there is no J. G. when Berrie (Crittrees) Crittree left Cleveland with Crittree, who did she marry? I wonder because of the last name of the last name of the child Berrie had by Cleveland after she left Cleveland it was Robert Fester. Does this mean Berrie and — Fester?

Do I understand correctly that Phillip Wayne Crittree married 1st Sonya Edmunds and that they divorced and Phillip has since wed again to someone whose name we are yet to learn?

Among the children of Benjamin Gordon Crabtree I note a son with a name spelled WALLAS. Could this be WALLACE or was it really the unusual spelling of Wallace. Also a dau and Keith Wallace. Again, could this be Keith Wallace? Part of the time these unusual spellings are correct but not always.

Does Stephen Edward Gibson now go by the name Stephen Edward Hughes?

My notes show that Thistle Union Green was raised in the home of David & Armilda Ellen (Dishman) Green but that the actual father of Thistle was J.W. "Ward" U or Elam (Elam?) U. Armilda was pregnant with Thistle before she and David. Can you tell me more specifically who the father of Thistle was? We have several J.W. U's, Elam's and Elams.

If I understand correctly Harley Paul Crabtree and Thistle Union Green did not marry but they are the parents of Betty Louise Crabtree who was raised in the name of Cleveland Welds Crabtree. Right?

My records for Theodore Nelson Crabtree, 519 descendants are almost perfect. Here is what is missing:

- 1) Full maiden name of Linda Brock and where born?
- 2) Full maiden name of Chrystal Jones and where born?
- 3) Where was Fessan Faye Webb born?
- 4) Where & where was Joan Vivian Crabtree first married?
- 5) Full name of DAN HARKNEY and when & where born?

- 6) where in Indiana was Samuel August Williams, 31 born?
- 7) where was Deborah Anna Calhoun married?
- 8) where was Virgil Allen Kennedy born?
- 9) Did Theodore Wilson Calhoun, Sr have just 5 children?

Sometimes the close to home answer is the hardest to get. None of these items are critical but I keep pushing for perfection - will never get there!

I will be pleased to view your comments on any of the above items and want you to know I value your cooperation. Please let me know if you have any questions that you think I might answer. Also let me know if you visualize any way we may proceed to exchange more details.

Hope to hear from you soon.

Sincerely yours  
 Phil Upchurch

It must have come in when I was President of the Square Dance Club and that was one hectic time for almost two years, they will never get me to see an officer in any club again. I haven't been to a dance since Jan. of this year, I really am burned out on it right now.

[GENERAL FRANCIS U]

When and if you write Loren Lawhorn ask him about Janie & Francis Upchurch he maybe able to give you an address of one of their children or Grand children.

He may also tell you Cleve Crabtree & Bessie Lawhorn had another son, which is true, as far as I can find. One I never heard of until about 1981-82 he was born after they separated and carried the name of Bessie's second husband, was known as Robert "Bobby" Lester, b. in Ohio, I guess, if I find out anything more will send it to you, because I'm curious

There are still some of the questions you ask that I do not have the answer for, when and if I get them you will be welcome to them,

Dear Cousin Wilma,

Thank you for your very informative letter of 31 AUG 1985 which arrived 4 SEP 1985. I have today found time to extract it and to clarify related matters.

Your Bertha Welds (G.W.) Crabtree did respond. A copy of her letter of 3 JUN 1985 is enclosed herewith for your files. I wrote to her for more details on 11 JUN 1985 but have received no further response.

Provided herewith for your files and action is an 8 page master outline for the family of Cleveland Welds Crabtree. I have marked in red the missing items and of course there are always the more recent events such as births, deaths, marriages & divorces that need to be added. I will welcome any additions you can make for this outline. Really, we have made great progress on it.

Your you sent me the "G.W. & Mrs. J. McGee" information. I show he is George Washington U, son of Moses U, gr of George U, Head of Class.

I am interested to know more about the sister living at Pall Mall, TN who is (was?) named

To a file. you mentioned this somehow in connection with Raymond Gregg who wd Freely (I have Freela) Ann Crabtree. I have quite a list on Raymond Gregg and his brothers and sisters. I show them to be children of Rachel U (dau of Shadrach U, gd of George U, Ned of dau) who wd James U (b 1838, has a wife) but I have never sorted out who this James U fits in. Is this the family that you refer to as being on the 1900 census? I am sure you have some details I need if we can figure out how to get started.

Let me ask some questions on the 5 children of your GGM Jovina Jane (Wpulmudi) Crabtree <sup>for whom</sup> ~~that~~ I have no record of descendants:

- 1) For James Mavers Crabtree [b. 25 DEC 1876 (Fentress Co, TN) d. 6 SEP 1918 (Bar - Clinton Co, KY) wd 15 AUG 1898  
 a. where did he die? Dellie Ann Griffin  
 b. where did he marry?  
 c. For Dellie Ann Griffin - when & where born, when & where died, where buried?  
 d. were there offspring - if so details?
- 2) For Isaac Thomas Crabtree II [b. 24 FEB 1879 (TN) d. 3 MAY 1955 (CA) (Bar - Albany, KY) wd Alice Cross]  
 a. where in TN born?  
 b. where in CA died?  
 c. when and where married?  
 d. Full maiden name of Alice Cross and when & where born, when & where died and where buried?  
 e. I show he had no issue. Is this correct?

- 3) For Benjamin Gordon Crabtree [b 18 JAN 1834 (TN) d 29 JAN 1948  
 (TN) (Bur - Upchurch Cem Pall Mall, TN) m Martha Belle Pile
- a) when in TN born?
  - b) when in TN died?
  - c) when & where married?
  - d) For Martha Belle Pile - when & where born, when & where died, where buried?

  - b. where in CA died?
  - c. For General Francis W. - when & where born, when & where died, & where buried?
  - d. were there offspring - if so details?

- 6) For Marianne Isabel Crabtree [b 10 OCT 1892 d 25 JAN 1975  
 (Maryville, TN) (Bur - Chapel of the Clumber, Oakland, CA) m d 1st

  - f. Full name of William White, when & where born, when & where died & where buried?

(apparently do have descendants of Marianne - but need the above in any case)

I realize you might not have a lot of ~~the~~ details on the phone but it seemed to be a systematic way of proceeding with communication.

It is now 21 SEP 85 so it has taken me a few days to get back and finish this letter once I got interrupted. Now I still have to get the xeroxing done to include and then it can all go to the post office.

Hope to hear from you soon

Sincerely yours  
Phil Upchurch

Dear Cousin Phillip

Will try to answer your letter. This is the last week-end of Summer they say, so today I've painted the garage and the front of the house mowed part of the lawn, guess I should have gone to Ind but didn't will sometime in Sept. I've put this painting off until the next week-end until it is Sept. We also work sometimes 13 hrs a day and six and seven days a week. Guess one shouldn't complain about three years ago we were doing good to work 40 hrs. a week, but then that was when General Motors sent most of our work to China and Mexico.

□ Hilda Crabtree <sup>> [BERTHA HILDA RUST]</sup> was who I ment she is  
□ uncle Bill Crabtree's daughter-in-law, lives at Kensington Springs Ind.

△ James Clifford Crabtree I'm sure his wife is  
△ MARY ELLEN CARSON. yes they are divorced  
□ they were not living together when Uncle Delmar died

- About 9 years or more at Nashville, remember
- When the Governor of Tennessee was booted, so
- △ to speak; Out of office about 1980. Edan got
- △ Out right after that. He ~~shot~~ shot her with
- a shot-gun in the head, didn't try to run
- when they came to arrest him. There is
- △ something wrong with Edan "mental", if I
- understand it right, this day + age they
- test babies for this lack of mental ~~or~~
- △ what-ever it is, in Edan Case he has
- to take some sort of medication and will have
- to take it for the rest of his life. I'm not
- making excuses for him just trying to see
- what happened, it never was a good marriage
- △ and the Daughter <sup>Debbie</sup> was old enough that she still
- has no time for the Crabtree. She stayed in
- an orphanage rather than with her Crabtree
- grandparents. Their other grandmother had
- just been buried when their mother was
- killed, they had some uncles on the Wright side
- that kept them for a while, but they sent them
- △ + □ off and Uncle Zola and Aunt Pauline got them
- after a while, the two boys, the girl refused
- to come with them. This is the way it was
- told to me.

△ I think perhaps the name is Debbie Sue  
 △ CRABtree. Phillip WAYNE CRABtree, CORRECT

- △ + △ Curties Bertrams And Herbert Reed Bertram
- Without a doubt have a Common Ancestor
- for all the Bertrams in that Area of the Cumberland
- No matter the spelling of the Name, decends from
- △ William Bertram, the Rev. War Saldier who
- △ d. in White Co. In. Wm settled in Wayne Co. Ky
- with his family. there is a hugh Cemetery at
- Sunny Brook Ky that has now after now of
- △ Nothing but Bertram. Uncle Curties Ancestory
- △ reads like this CURTIS B. 1907

△ + △ JOEL Spener ~~Bertram~~ ! NETHIE Meece

△ + △ Luther Albert B. | SARAH JANE HANCOCK

△ + JOEL BERTRAM | THOMAS HANCOCK

- if the Mothers Names are impartial I have
- them but can not recall right of the top of
- △ my head. yes Uncle Curties is still living
- yes all of Jean Bertrams <sup>Elliott</sup> Children are
- single. this Bit of information I got from
- + △ Jeans husband. Willian Elliott B. 5 april
- △ 1928, at Knoxville In. Son of Wm. Elliott and
- △ MAYMIE MARSHALL. Elliott is Spelled With
- △ (2) two T's Bill told me, he also said he
- △ had the Marshalls a way back. Cal of Bills
- and Jeans Kids were born at Knoxville In.
- you will have to wait on the Answer of Elaine
- I still havent found where Aunt Nova told -

me about it, in fact I wonder if I've  
 miss place a date book.

Δ Margaret Nell Davidson was born  
 June 5? 1937 at Rugby Road, In, given  
 as Edgin on the map.

Δ I do not know about Judy Kay Hughes  
 but will find out.

- I think you may have ask once but  
 not in this letter. Pauline Crabtree name  
 Δ is Georgia Pauline Crabtree

- Did I send you the following and  
 I can't recall who this woman belonged to  
 □ It isn't the woman it was H. W. Upchurch

□ m. Sary J. McYee <sup>GEORGE WASHINGTON U SON OF  
 MOSES U, CO OF GEORGE U, 11 of CLAN</sup>

□ Do you want to start on one of Grandma  
 Lucendas kids? Or perhaps Betty Bellamy  
 can get some of the other Upchurchs to  
 □ send you information? Grandpa Isaac  
 Crabtree had a daughter to marry an RAYMOND  
 □ Upchurch too, Freely Ann, m. R. Gregg  
 □ Upchurch, but I think Ada covered that  
 family very well, there is a sister  
 living at Pall Mall married to a Pile  
 □ Ada gives them a father by the name of  
 □ Upchurch, but the people say Griggs mother  
 - was never married and if you look at

- the 1900 Census, it makes it believable  
 □ Loren Lawhorn said he would give me  
 - his family, but we will see, if I get  
 - his information I will send it on to  
 - you. I do have some pictures he gave me to  
 - have re-prints made. [NOVA ALMA CRABTREE] ←

- This is sad for me but I'm  
 △ sending you this memorial of Aunt Nova  
 - She was sicker than I thought, and I will  
 - miss her

- I shall try to get this in the mail  
 - tomorrow. Ask what-ever you like. I will  
 - try to answer, but I do not always have the
