

MARRIAGE RECORDS

A 10 Page Printout of Upchurch Marriages in North America was provided to RPA by Gilbert Kendrick Alford, Jr in a letter 11 NOV 1998. This Printout was Item (8E) in Item A-E obtained by him from ANCESTRY.COM on the Internet for my benefit. The 10 Pages included marriages (367) from several states. The details have been extracted for each individual involved and placed in the respective Profiles. The original 10 Pages have been cut up and reassembled on a state by state basis & placed in the Marriage File. A sample copy of the 1st Page as originally printed is attached hereto.

Vital Records Index - North America

ALBERTSON, F. M.	Marriage
Wife: B. E. UPCHURCH

REC'D
3 JAN 1984

Dear Customer (and Friend):

This is to let you know we have moved.

All communications--orders, inquires, remittance, subscriptions and articles for BEAR TRACKS, or whatever--should be sent effective November 15, 1983, to the following address:

HUNTING FOR BEARS, INC.
P.O. BOX 355
NORTH SALT LAKE, UTAH 84054

The telephone number is (801) 292-6461.

This move has been made necessary by a combination of circumstances, principally the inability to get our computer work done satisfactorily to you and ourselves in this area, and the fact that our advancing age and infirmities make it desirable that we reside nearer our children. We regret that our faithful clients may be inconvenienced by a delay in receiving their orders, especially since many of you have already suffered some exasperating delays; but at least we can now feel that the problem is being solved, and that we will soon be able to resume the prompt service we formerly offered.

We now provide marriage records from the following states: ALABAMA, GEORGIA, INDIANA, KENTUCKY, LOUISIANA, MARYLAND, MISSISSIPPI, MISSOURI, NORTH CAROLINA, SOUTH CAROLINA, TENNESSEE, TEXAS, and VIRGINIA. WE ALSO ARE NOW OFFERING BIBLE RECORDS NUMBER I.

Our prices will for the present remain at \$4.00 per surname, per state, three names \$10.00, seven names \$21.00 and twelve names \$33.60.

We sincerely thank each one of you, our old customers, for using our service in the past, for your patience and understanding and the many nice things you've said about us: and we thank you folks we are meeting for the first time for giving us a chance to serve you, and bid you welcome to join us in HUNTING FOR BEARS! God Bless You All.

Nick and Dorothy Murray

Nick Murray

OUR FILES HAVE GROWN!

SOME OF OUR SURNAMES NOW NUMBER IN THE HUNDREDS OF PAGES!

Because of this, we will let you order those which are large according to the letter of the alphabet for the Christian name. Example: You want to find a Joseph Cook. Don't order all the Cooks, but order just the J. Cook surnames. This will cut down on the cost for you.

DON'T HAVE ANY IDEA OF HOW MUCH POSTAGE TO SEND?

We will be glad to charge the postage along with the extra pages.

VARIATIONS OF NAME

We are now charging \$1.50 for each variation you request because we must call each spelling off the computer as an individual entry. Please be sure to write out each variation you desire rather than just the word "variations". Example: Smith, Smyth; not Smith/Var.

N.O. (Orleans Parish, Louisiana)

We now have in our computer files the civil marriages of Orleans Parish, Louisiana (which is, essentially, the City of New Orleans.) This includes all marriage licenses issued from 1830 to 1900, a total of 138,000 marriages. It is our plan to extend this coverage back of 1830 some time in the future, as it becomes

In order to save much burdensome effort for ourselves and corresponding expense to our customers, we have decided to treat Orleans Parish as a separate entity, apart from the 250,000-plus marriages which we have in other parishes of Louisiana--as indeed it has historically been. In other words, you can order marriages of Orleans Parish, and not have to pay for pages of probably useless names from the rest of the state, or vice versa. Or you can order Louisiana and Orleans Parish, just as though they were two separate states, if you feel that you may have had ancestors in both sections. We believe this will be more satisfactory and in the long run less costly to the majority of our researchers.
