Dear Cousin Phil

Here I am at last, Tho more than a little embarrassed that I've managed to be so late with it (dismissing a bit - eh?) Received your letter and I'm working on the info you've requested - Aunt Jeanene was here for the week of May 1. - She said she'd help all she can (I suggested she get busy & find my notes I left on her dining table (of the reunion)!! - I'm sending you copies of James* account of the bombing of his building in Okla City that he sent to his grandchildren here (Jacob & Jennifer Carney, Mike's children) so as to reassure them that he was indeed alive & well - Needless to say it was an agonizing wait here until we knew he was O.K. I had turned the TV on to get the news ^{at 8 AM (on time)} time to hear them announce that the A.P. Murrah building had been bombed - and I knew James was always at work by 9 AM - It was 12:30 here & before we knew he was alright.

Hope all is well with you & yours - I know you're enjoying your retirement - your new home and all of it -

You'll hear from me with what info I can gather -
Best wishes - Marie

We are getting closer to retirement all the time. Last August we contracted to buy a lot and have a house built in Lake Saint Louis, MO. This is a 1/2 hour drive west of St Louis proper. However, the weather has not been cooperating and we now estimate the house will be started in 1 MAY 94 and we will move to MO in August or September. We will not put our house in Tucson on the market until our house in MO has been started. I have not told the people at the University I am retiring and will not do so for a while. In the meantime my duties at the University continue at a fast pace. The more will be expected for us. If we get a chance we will give you a call when we pass through your town later this year.

Dear Cousin Marie

Thank you for renewing the UB for 1992 for yourself and Jeanene and for your contribution of \$25.00 to the Uphurch Branch Fund. I am most pleased to have your continued interest in Uphurch history. There is still a lot to collect. Correspondence keeps coming in from cousins all over and I stay real busy in all my spare time processing it. By next June we will have identified and published on 30,000 members of the family. This is an amazing accomplishment. A lot has come out of various publications I have brought with contributions such as yours.

Sallaine and I stay very busy but quite happy. We are basically healthy although we have had mild colds this past month. My work at the University

is quite interesting but also very demanding. We are looking forward to retirement in about three years if not sooner. Then I will be able to spend lots of time on family history and also form the Upchurch Foundation I have thought about so long.

I hope things are well with you and your family. Everytime I think of Albuquerque I think of you and the nice visit we had with you. Perhaps we will see ~~through~~ again sometime.

Marie, please do send me any changes that take place in your family. I want to keep the records as current as possible.

Dear Cousin Marie,

I have just finished processing your package of information which arrived on 25 FEB 91 and want to thank you for it as well as for the renewal for you and Janene on the 4/2 for 91 and for your contribution to the Republic Research Fund. I was sorry to learn about the death of Matthew J. Allen. It is certainly good that several of your families are in Albuquerque. It will be nice if Dorothy can move back.

Yes the picture of James Allen U, I (XID-4433) and his wife are suitable for publication. I have pulled it out and will have a screen print made so it will be ready when the time comes. It is a very nice picture. It will probably appear sometime in 1991. Thanks for reminding me about this.

I am anxious to get the outline for James Robert U as near up-to-date as possible. There are not many missing items.

(15-2)

I have enclosed a single sheet with all the missing items listed. Any of these answers you have or can get will be appreciated.

I am also sending a copy of the 4 page master outline for the James Robert H Family. Perhaps you can recognize additional changes that need to be made or additions - due to births, deaths, marriages, divorces. You blink your eye and these outlines get out of date. Usually my "blink" amounts to several months as I don't get back to each outline but every so often - when I get a letter pertaining to the outline.

Maie, do you recall an ALDER family that lived near Hugo, OK. I have a very good friend EDWARD F. ALDER born about 1928 who came from Hugo, OK. He said his sisters who live in the area. He says both his parents were descended from Alder. He worked for Eli Lilly in Indianapolis many years but is now retired and lives part-time here in Tucson.

With All Best Wishes!

P.S. Thanks for the invitation
to visit. We would love
to & will one day!

Phil

Philip Church

Dear Phil & Sallina

Received your nice letter of Jan 21st.
I find it hard to tell you of Sonny's
death Jan 11th at around 8:30 P.M.

His health had steadily declined since
late last summer, until he hardly
got out and around anymore (Congestive
heart disease). He spent most of his
time talking with friends who would
drop by - watching TV, reading and taking
naps in his chair - and that is how
I found him; he had gone peacefully
in his sleep just as he had always
said he would like to go when his time
came.

We would have celebrated our
58th wedding anniversary the 23rd of Jan.

Fifty-eight years is a long time and
this old house is dreadfully empty
without him.

I'm sending his obituary and newspaper
article about him - we chose this picture
of him because it was taken at our
50th (1982) wedding anniversary party given for
us by friends at the German American Club.
An especially happy time for us both - He left
me with a lot of good memories of him -

Sincerely
Marie Standfies

 - we were awaiting when I sent

□ He is the grandson of our 4th

 □ Married: Weldon Ronald Allen (now deceased)

 - their son:

 - B. Dec 12, 1988

Dear Cousin Marie

Your nice letter with all the details around 20 DEC and I have just finished processing it. I am pleased that you and Sonya have come through some medical problems. I hope things will continue to improve. You must stay well to get your genealogical duties completed! Just joking - but I am happy to have your been interest.

The details now needed on the former Robert Uphurch family are now down to a very short list which have been listed on an enclosed single sheet. Perhaps we will never have all of these but it is nice to try for perfection.

It is really great that you are working on the descendants of your Aunts and Uncle. There is a lot to be done on some of them and it is good to know that other members of the family have been interested in the

Post and that some of these notes may still be available. Anything you can do to stimulate interest among our family members is a great help. It is a constant job to keep a good batch of folks involved. Sometimes the phone can work wonder but there is nothing like a personal visit. The wonderful visit we had with you and Sonny is a good example. Wish I could travel more.

I am anxious to hear from you again and to learn of any more details you may have. I'll be glad to list more questions whenever that would be helpful.

Here's hoping you had a merry Christmas and wishing you and yours a Happy New Year and a healthful, safe and prosperous 1959!

Dear Phil & Sallana

at long last I'm finally getting back to my unfinished business. Sorry for the delay. Briefly, I have been ill since Sept. with a stomach obstruction caused by scar tissue from an ulcer, that had almost completely closed the lower opening of stomach. To try and avoid surgery the doc. are using tubes with balloons down thru the opening, then inflating the balloon. They started with a very small balloon then graduating to a larger one each treatment, hoping to break the scar tissue. I think its going to work! I'm on the strictly liquid diet - have gained some weight and feel much much better.

I've heard from Margaret (Aunt Daisy's dau.) she sent very

24-12

little info that we don't
already have but she's still
looking for the notes of Aunt "Lizzie"
and dau. Ruby left that were
in the possession of Trish, Aunt
Lizzie's dau. in law. Trish is out
of town on some sort of teaching
assignment. She ^{Margaret} gave me her only
surviving brother's address & phone # -
I called him and got some info
but not all on the five children
of Aunt Daisy & Uncle Hugh. I'll
send this to you after I hear again
from Margaret. perhaps she will
fill in the missing dates.

Later - 16th - didn't get this finished
yesterday - had to stop & take Sonny
to Dr. Joe's check-up. He is doing some
better since he came home from
hospital 2 weeks ago - He has some
serious heart problems and has to
rely on oxygen a lot. Need less to part
(over)

↳ [Walking on

(24-3)

it has been somewhat chaotic here with both of us under the weather but things are looking better now. I will write again soon - I'll hear from Margaret again, she's "buttonholing" every relative I can think of for info. I've written to Mary Taggard - granddaughter of Mary Adeline (11.) See for info on the 10 or 11 children Aunt "Goldie" & Uncle Steve had. Mary has done quite a bit of research on different branches of her family so here hoping I've been going thru all the notes I have & have asked Jeanette to bring me all she has the next time she comes to Albuq. She works (nurse in Edmond) and has not been as active in genealogy work for several years. I'll send you whatever I find.

Yes I want for you to keep the pictures of Grandpa & granny - I had several copies made -

I think of you all often and wish you a lovely Xmas -

Dear Marie & Sonney,

Thank you for your nice letter of 27 AUG 1988 and for all the details. I have just finished extracting all the details and they fit beautifully. The picture is great. I feel it is an excellent prospect for a future issue of the U B. If I understand you correctly I am allowed to keep both copies. If this is not so please let me know.

Now that we have a good start on the family of James Allen U, I hope we can keep up the search for details and round-out the picture. If you can get details on the families of your three Aunts this would be a big help. I do hope your cousin can find the notes started by Fely Apulunk Moore and continued by her son. If not perhaps Margot can help recreate the list of family members.

You mentioned at one point that your GF James Allen U, I had Indian features. Do I recall this correctly and if so where did the Indian blood line enter the picture?

Are no questions on who is missing on your parents, your brother & sister and on your children. If you could get me the details on your grandchildren marriage, I would appreciate it.

1) For James Robert U

a) where was he buried?

2) For Lillian Ozell U

a) what is the full name of RAY PRATHER and where is he buried?

b) Did she have just two children?

c) what is the full name of Pamela Prather? Did she marry/have children? If so, details? In what year was she born?

d) Did David Ray Prather marry/have children? If so, details?

3) For yourself

a) where in Texas was Sammy born?

b) Did you have just five children?

4) For Robert U (your brother)

a) what was her full name?

5) For Jewell Roberta U

a) when in 1943 did she marry?

b) when did she marry?

c) what is the full name of Walter Collier and when and where was he born?

d) And they have any children? (Joseph not)

6) For Gertrude U

a) what was her full name?

b) where did she die?

7) For James Allen U, II - No questions.

8) For J. D. U.

- a) what do the initials stand for?
- b) where in OK was he born?

9) For Lois Adele U

- a) where in OK born?

10) For Douglas U

- a) what was his full name?
- b) was he born 23 JAN 1927 or 24 JAN 1927?
- c) where was he born?
- d) Did he die 23 JUL 1977 or 24 JAN 1977?
- e) where did he die?

11) For your children

a) Ferrell Maxine Standfies

- i) This was a girl - right?
- ii) where did she die?

b) Joyce Jeanne Standfies

- i) Did she have just ~~three~~ ^{two} children?

c) Donna Fou Standfies

- i) where in IA was Donald Peter Rex born?
- ii) Did she have just one child?

d) Sandra Lynn Standfies

- i) where in TX did she marry?
- ii) what is the full name of Donald Allen?
- iii) Did she have just two children?

e) David Neal Standfies

- i) what is the full maiden name of Crane Foye and when and where was she born?
- ii) Does he have just one child?

Actually we are coming very close on the family of James Robert U except for the details on your grandchildren marriage.

Thanks for all your help!

Dear Phil and Sallaine

Here I am at last with
the info you asked for, incomplete
in some areas but think I can
get that later - I apologize for being
so long in getting it to you -
It has been vacation time for
all the best of town relatives, and
I've enjoyed seeing them all -
it did slow me down a bit.

Thank you so much for your
nice opinion of Sonny & me. We feel
a special kinship for both of you -
and hope we see you again
and our thanks are certainly
in order for the Ark-Okla article,
also the Church article - Our whole
family enjoyed reading about their
ancestors.

The restoration of the old photos
of Grandpa & "Granny" turned out
very well I think - The halftone

was made from the restored
copy enclosed (I thought you might
like to have one for your records)

Later:

Took time to re-read your letter -
Re: your question if all my grandchildren
are still single - of the seven,
all but 2 are married - I can
get all the info about them, DOB
& where born etc. There is one granddaughters
husband I already know his place
& birth - Sandra's, Dorothy Marie Allen -
I married Antony White - B. Upchurch, England.
(for some strange reason that one is
easy to remember!) The rest (2) (I have 4
granddaughters) I can get. I've
been going thru all my records and
Jeanne is going thru hers - if we
turn up any thing I'll send it along
to you -

Dear Marie & Sonny

We returned safely to Tucson last Thursday and
now we back into our regular routine. I want
to write and say how much Sallaine and I
enjoyed visiting in your home. If you don't
mind my saying so you and Sonny are our
kind of folks - down to earth and busy as
can be in your mature years. Sallaine and
I plan to do the same way.

It was good to get a better feel for your
part of the family. I enjoyed the stories you
told and your recollections about the family.
I hope we can proceed to exchange several
letters over the next few months so I can
transfer information you may have or be
able to get to my Master outline. I would
like to start with a certain portion of the
family and then move to other parts later
on. Of course you can send me anything
at any time.

(27-2)

Here are my questions for the present:

- 1) For James Allen U, I (your CI)
 - a) what is his b. 1941/1978 or 26 OCT 1911? (I know it both ways)
 - b) where was he born?
 - c) when & where was Margaret Ann Blackburn born, when and where did she die, when married?
 - d) How many children did she have? (I'm sure you mentioned 3 girls and a son (your father) I should mention a fifth child - a son named Willie U b. 1890 but no further details)
- 2) For James Robert U (your FAT)
 - a) where is he buried?
 - b) what was the full maiden name of Gertrude Johnson, when & where born, when & where did she die, where buried?
 - c) did he have just 9 children?
- 3) For yourself
 - a) when and where were you married?
 - b) what does the "N" in Floyd N. Standifer stand for and when and where was he born?
 - c) did you have just four children?
 - d) are all of your grandchildren still single?
- 4) For Frances Standifer
 - a) what is her full maiden name?
 - b) when & where born?
 - c) when & where married?
 - d) Full name of husband and when & where born?
 - e) Full names of her children and when & where born?
- 5) For Rena Standifer
 - a) what is her full maiden name?
 - b) when and where born?
 - c) when and where married?
 - d) Full name of husband and when & where born?
 - e) Full names of her children and when and where born?

6) For Linda Standfies

- a) what is her full maiden name?
- b) when and where born?
- c) when and where married?
- d) Full name of her husband and when & where was he born?
- e) Full names of her children and when and where born?

7) For David Standfies.

- a) what is his full name?
- b) when and where born?
- c) when and where married?
- d) Full maiden name of his wife and when & where was she born?
- e) Full names of his children and when and where born?

If you will do what you can on the above it will be very helpful.

Please let me know what you find out about the pictures. A little touch-up on the James Allen, U I photo would be helpful as would, in the end, a screen print. It will make a good picture for the U B.

Your idea for placing the U B in an Albuquerque filing sounds good. Let me know if you want to proceed on this.

The 4 page article on the OK → OK trip + the 2 page write up on the church are enclosed, you need not return. Please find U was a Son of Strickland Salway U who was a 1st cousin of your GF, James Allen U, I.

I appreciate all of your support and encouragement.

Dear Cousin Marie,

There is just a note to thank you for your renewal on the U B card for your contribution to the Upchurch Research Fund. Support like this helps us to keep going on the Upchurch family project.

It is almost time for U B Vol 8 No 1 to be prepared and I am thinking of including a picture of my self and a sketch of my life. So many have asked for it that perhaps the time has arrived to respond.

Please let me hear of any changes in your family.

Dear Cousin Marie

This is just a note to thank you for the renewals on the U² and for your donation to the Upchurch Research Fund. All of our efforts and resources put together help to keep the Upchurch history project productive.

I am sure your note from the U² that we continue to make progress with the Harmon & Allen & Sublan to which you belong. I have more records on hand for the Sublan and continue to correspond with others who have more details.

Please drop me a line anytime any new information comes to your attention. Any recent happenings - births, deaths, marriages, etc would be of interest as well.

Have a Great 1986!

Sincerely yours
Phil Upchurch

Dear Cousin Marie

Thanks for your check for \$55.00 covering two 1985
UB subscriptions and a donation to the Upchurch
Research Fund. I think we are making great
progress on our family and every input helps.

Here is an outline of your line and mine:

So you father and I are 6th cousins, you
and my children are 7th cousins while you
and I are 6th cousins once removed.

I am anxious to get more details on your father family. Can you tell me the full maiden name of Gertrude Johnson, when & where she was born, when and where she died and where was she buried. Also, where was your father buried?

Can you send me a list of the children and grandchildren of all of your brothers and sisters and any dates and places that you have. I do not have any of these details and would very much like to get started to improving the records you may not have everything that is desired but I am sure you have some of them in mind.

I fly over your ~~to~~ town often and think about you.

Hope to hear from you soon.

Sincerely yours
Phil Upchurch

Dear Mrs Standifer

This is to acknowledge your order of 1 FEB 1980
for a one year subscription to depression
bulletin and also your check for \$10.00.
The first issue is to go to press in about
two weeks and should be ready for
distribution about March 1, 1980. Would
you like me some extra flyers in case
you can use them.

Thanks for sending me your family line.
My files are quite weak on your line. I would
appreciate any help you could give in providing
strength. Here are some comments on the notes
made on the bottom of your order:

- (1) Michael U 1620-1681 - OK
- (2) Richard U 1698-1700 - OK
- (3) John U 1678-1756 - I had no birth date. Do you
have evidence? The death date I have is 1759?
- (4) James U 1724-1784 - I had no birth date. Do
you have evidence? I have 1784 as death also

~~6) ...~~

(5) Harmon U - I have b 1740 & 1800 and Betty — .
Does this agree with your records?

Provided herewith are three outline sheets
showing what I have on the descendants
of Harmon U. Could you add anything
to this.

I am certainly pleased that you are
looking for more information on Harmon
and Allen U.

Sincerely yours

Phil Yelund
