Hi Melissa---

We arrived home in MO on June 11 after a 20 day trip to NC and SC and are gradually digging out from accumulated matters and are starting to process materials gathered. Sorry it has taken a while to get back to you. Your email mentioned James Darling U so I knew right away I would locate your family upon returning home-- which I did.

I file by full birth names so located you as Nancy Melissa Upchurch. You and I trace back to a common ancestor Richard U.,II who arrived in what is now the southern part of Franklin County, NC about 1755 (I made three trips to Franklin County while there recently). You descend from his son Richard U.,III and I descend from his son Nathān U.,I. I have researched this part of the Upchurch family in detail and have published much on them. Over time we can figure out what interests you most and concentrate on that aspect.

All of my records are kept manually. I have a website but it is down and I hope to get it back up and running.

I have published over 100 issues of my Upchurch publications. One approach that works well is for a new Cooperator to send me \$40 for which I will go through all 100 copies and pick out 8 that I think might most interest them. You can let me know if this interests you.

I continue to collect and process records to update my Master Outlines and make them more complete and accurate. One section covers the family of your grandfather James Darling U., Sr. It is in fair shape but needs improvement. I would hope you and I and your cousins might work together to upgrade this Master outline. Does that work for you?

You belong to the Richard U.,III/Britton U.,I Subclan. Britton was one of 8 children and I have varying amounts of information on them. Britton left Franklin County in the early 1800's for GA. A joint effort to complete the story of Briton and his family could be very interesting.

It would be useful to have your mailing address.

Looking forward to cooperation with you.

Hi Melissa---

I have been in travel status since May 23. I got your email of June 4 and may have responded but the Hotel computer was hard to use and if I responded the message might not have gone through. I am at another Hotel now and the computer seems more responsive. I am most pleased to hear from you and will respond in a few days as we will soon head home where I can get to my records.

Hi Melissa

Sorry about the delay in getting back to you and also Happy Birthday (one week late). My name is Jay Buck, a retired history teacher, and now the office manager at Upchurch and Allied Families in Chesterfield, MO. In this capacity, I also supervise Phil's websites and his Facebook pages. So you are actually contacting me via those mediums.

Attached is a segment of a "master outline" of the Richard III clan. (Sorry, not Moses) At the top of the page is a paternal line to you and your father. Look it over and see if it makes sense. You will also find the website www.alliedfamilies.com helpful. The password is 2014allied#. Under the enrolled families tab, there are some excellent resources regarding the Richard III clan.

All this being said, you will most undoubtedly have questions. Feel free to call me at 636-346-9165 for any further assistance. I work from 9 - 2:30 CST, Monday through Thursday.

That was easy! Ancestry has a copy on their site. I have attached a copy of it for you. Let me know if this is good enough for the folks at DAR.

Hi Melissa----

After completing some travel I have taken note of the exchanges you have had with Jay Buck, the Webmaster for Allied Families. Also, I have looked up my correspondence with your grandfather.

You belong to the Richard Upchurch III Clan, one of 22 such Clans in the American Upchurch Family each headed by a member of the fifth generation of the family in America. Note the enrollment of this family on our website www.alliedfamilies.com password 2014allied#. We are working hard to get more details of this family on-line and need help. Are you in a position to do a little computer work? We can give more details.

I hope you will become a member of our Association for which a form is attached.

Hope to be working with you~
Phil Upchurch, Founder, Allied Families.

Hi Melissa----

It was great to chat with you yesterday and to learn that you will be willing to help us create the Richard Upchurch, III Legacy tree on Ancestry.com. By copy of this email I am asking Jay to send you the required materials.

Thanks~

I will send this form off today to you with some money. I would be glad to do some computer work. Melissa Upchurch Gibson

I am a researcher at heart and taught school for 31 years. I taught math and am now teaching part-time at a private school in Georgia. I don't have my Doctorate but I do have my Specialist in Middle school mathematics education. I dig for answers all the time and that is how I got so interested in my family history. Mr. Buck has been a great help to me. I am interested in becoming a member of the Daughters of the American Revolution and the group is working with me to discover any links to the Revolutionary war that or direct or lineal in nature. They have found a link through my Grandfather and Dads line. My Grandfathers mom his a link to the War and I have ordered death certificates for Aldora Upchurch. She is related to Jesse Peters who fought in the War. Thanks so much for your help. It does seem that Richard the III is mysterious and has not war ties. His brothers Charles, Moses and Nathan fought in the War but not Richard. If he did anything to help the cause this would provide another link and he would become a supportive Patriot.

If you call me leave a message on my voicemail and I will call you back. My phone is 770)617-1493. I believe quite a while ago you spoke with my Father Harvell UPchurch. He passed away in 2006 but he was very excite about your research and encouraged me to continue to find things out. Thanks for your email. Melissa Upchurch Gibson

Hi Melissa----

Thanks for your generous \$100 check in support of our Upchurch work and for the memberships for you and your husband in our Association for 2018. A portion of your donation will be allocated to the long-term support fund for the enrolled family of Richard Upchurch, III to which you belong.

The enrollment process for the Richard Upchurch, III Family has been completed but we have more to add. By copy of this email I am asking our Manager, Jay Buck, to email you a copy of our operating procedures and to add your husband to our omnibus mailing list.

We are delighted that you are helping on the Richard Upchurch, III Legacy Tree. When this tree is complete we will have other ways in which you can help improve our on-line records on you part of the family. It does my heart good to have your report that your late father Harvel Upchurch enjoyed our work and encouraged you to participate.

We also welcome your husband Michael as a member of our Program. If you think he would like to be active in helping with some computer work please let me know.

As time goes by you and I will have more to share.

Best Wishes~

Phil Upchurch, Founder, Allied Families.
