Hi John---

The copy of page 19 from the annual arrived yesterday. It clearly shows Mrs W. A. Upchurch to be one of the seven Board Members. I will add this to my files and over time will try to develop more information on her and will send you an update for the archives.

I thank you very much for your help.

Phil,

I just sent you a copy of the yearbook picture by mail.

All of Broughton's public records, historical documents, yearbooks, school newspapers, graduation programs, attendance records, etc. are now housed in a building across the street from Broughton. They are kept in a room that is temperature controlled and I update the files at the end of each school year. I will be happy to forward any information you send me to these archives.

Hi John---

Thank you for responding. I would like a copy of the document you mentioned. I do not have a fax but it possibly could be sent as a scanned attachment to an email to me. Otherwise my address is Phil Upchurch, Apartment 3207 , 51 Village View Drive, Chesterfield, MO 63017.

Now that I have confirmation from you that Mrs W. A. Upchurch was on the school board as of 1936, I am in a position to supply more information. Her husband was William Archibald Upchurch and her maiden name was Annie Gertrude Bryan. I am in a position to supply more details on either of these individuals if desired. I interviewed her daughter in 1980.

I see two ways of preserving the details of the subject of our exchange. One

I see two ways of preserving the details of the subject of our exchange. One prospect would be to use any avenue you have to preserve and share details about Needham Broughton High for posterity. The second option is to rely upon the family history effort I am guiding to include a segment about Mrs Upchurch and her role at Needham Broughton. As a part of this effort we have two websites www.upchurchstory.com password "2013upchurch#" and www.alliedfamilies.com password "2014allied#".

Our 40 year effort has evolved into Upchurch and Allied Families Association, Inc a 501 (c) 3 organization. We have a Headquarters operation in Missouri where I live and will open a facility in Wake County, N. C. at 1130 Kildaire Farm road in Cary, N. C. on January 1, 2016.

I will welcome any input on the subject of our exchange that either you or Kathy care to offer.

Sending All Best Wishes.

The School Board members listed in the 1936 *Latipac* include two women, Mrs. W.A. Withers and Mrs. W.A. Upchurch. The entire school board is pictured in that edition of the yearbook. I can copy the page and mail/fax you a copy if you like.

Hi Mr Rudder---

I write on an obscure local/family history matter acting as the principal Upchurch family historian. I am interested to learn more about the report that when Needham Broughton High School was built there was an Upchurch female on the School Board. My quest is to learn the name of this person and anything that can be known about her and about her involvement in local affairs including the school system.

Your name was given to me along with your contact information by a staff member at the school when I dropped by on October 22, 2015 while I was on a family history trip to Raleigh October 7-22, 2015 from my home in Missouri. The staff member also gave me the name of Kathy Raymond but not her email address.

I will be most grateful for any information you can supply and will be happy to investigate more at this end if that seems promising. If you think others might be interested in the matter please do bring them into the loop.

Thank you for your cooperation.
