Wow, I just had to write back on this new connection! I have been using the 'Stories in Stone' book as my bible in exploring my King ancestry. The Kings in the book are all children from the first marriage of my great-great-grandfather, John Sidney King. Al King was his oldest child and was the half-brother of my great-grandfather, Moses Green King. My grandparents and several great-uncles and aunts are in the 1923 photo of the King family reunion in the book. I also have a copy of the deed from John Sidney King and his second wife (my great-great-grandmother, Matilda McGhee King) granting the 1-acre plot for Ebenezer Church in 1883. I connected with Joe Grissom a couple of months ago and we realized that he knew my father, Jimmie Lee Brown, and rode the same bus to Cary High School in the early 1940's! John Higgins was my Dad's best friend growing up in Cary in the 1930's and Joe still knows him after all these years.
