HISTORICAL TIDBIT

The French and Indian War — *The Seven Years War*

Three countries laid claim to the lands of the New World: England, Spain, and France. Both England and France claimed the land west of the Appalachian Mountains — land inhabited by Native Americans.

More immigrants arrived in America, and as colonies grew, the need for more land led to colonists moving westward onto lands claimed by both England and France. The colonists were eager to convert this fertile land into farms, but France and England each denied the other access so the struggle for ownership soon began. Native Americans occupying the lands became involved with some choosing to side with the English; others allied with the French.

England and France each sent their militias. In the early 1750s French soldiers captured several English trading posts. France built forts to defend the territory from English threats. In 1754 George Washington and a small force of Virginia militiamen marched to the Ohio Country to drive the French from the region. When their Fort Necessity was overwhelmed by the French on July 3, 1754, the actual conflict began, though England didn't officially declare war until 1756. Thus began the French and Indian War.

France scored many victories with the assistance of the Native American allies. These natives, concerned that the British were pushing further west and would eventually drive them away from their lands, were formidable fighters. In 1757 the tide began to turn though in favor of the English. Over the next few years, British soldiers, with colonial assistance, captured Fort Duquesne, Fort Niagara, Quebec, and Montreal. England now controlled France's American possessions.

The French and Indian War continued in Europe, Africa, and Asia for three more years, until in 1763, the Treaty of Paris was signed, formally ending the war. France had lost all of its colonies in North America to the English. England now owned lands westward to the Mississippi River, except for Florida.

By the end of the war, a large debt had been created. British Parliament decided it should be repaid by raising taxes on the colonies, since after all they were the ones who benefitted from the war. So taxes were imposed on several items, including legal documents and tea. By 1765, protests of the taxes and stamps had begun to mount — an unrest that culminated in the Revolutionary War.

Upchurches in the French and Indian War

During the French and Indian War, colonists were recruited for militias. Colonists were urged, and at times directed, to provide the troops with food, shelter, and aid. An act was passed whereby these supporters could receive payment for *actual service and defence and protection of the frontier of this colony*. Three Upchurches were listed September 1758, as receiving payment of 5£ each.

Most likely the *John Upchurch* listed would have been James' son, instead of John, I, who was about 80 years of age, and who died that same year. The information is being given as the Upchurches listed are definitely our relatives and it's interesting to know of their involvement in the French and Indian War.

MICHAEL II
(~~Clothes~~ Clother son)

① "The first Upcher with the given name Michael of Dedham, Essex was designated "Clothes". He left a will dated 10 JUN 1575 which was proved by his son Richard II on 7 OCT 1575. Abstract of will:

A. To wife Joane house where I now live and land etc belonging there-to -- until she remarry or die. Then to my son Richard Upcher on condition that he pay my debts -- if not then to my son Michael Upcher, under 21 years of age."

"Michael II mentioned in his father, Michael's will, as being under 21 years of age, married Frances Collett on the 11th of February 1583 (Dedham, Essex Parv Manager). He and Frances became the parents of a daughter Mary on the 2nd of March, 1584. Michael II died soon thereafter. Below is an abstract of her will dated 25 JAN 1585.

A. To my wife, Frances, if she be with child --
B. To daur, Mary
C. To Preachers Mr Chapman, Mr Parker, Mr Melley.
D. To Sarah, Elizabeth & Mary, children of my sister Sarah Wood.
E. Richard II, my brother, to be my executor."

on Pg 12 of (28)-west lists 3 conjectures of why Richard Jr II, the son of Richard II Sr who d in 1611, moved from Dedham, Essex to Huntingdon: [Richard Jr being brother of Michael II)

A. Richard Jr moved to be with his cousin in Huntingdonshire

B. One John Ferras, Clerkin Holy Orders, rented ~~to~~ a place from Steven Upcher in 1595 in Dedham, Essex. This Ferras may have known the Ferrars of Little Gidding and influenced Richard Jr to go to Little Gidding

C. Another clue is that Frances Collett whom Michael II had mrd in 1583 was probably related to the Colletts of Little Gidding. Susannah Ferras and her husband John Collett and their 16 children were part of the household of the Religious Retreat conducted by Nicholas Ferras. It would have been natural for Richard II Jr to have been influenced by Frances (Collett) Upcher, to join the Colletts at Little Gidding (28, Pg 12)

MICHAEL II
(THE CLOTHIER)

① Thomas II of Dedham, Essex d 1538 and left a will naming wife Joane — sons John the elder, John the younger and Steven II - also brother John II. Michael II (the Clothier) was not named ^{or a son} in this will but Michael's ~~son~~ (the Clothier) subsequent will showed that he was a son of Thomas II d 1538.

"The first. Updier with the given name of Michael[↑] of Dedham, Essex, was designated "Clothes". He left a will dated 10 JUN 1575, which was proved by his son Richard II 7 OCT 1575. In his will among other legatees, Michael left money to his brothers John the Elder and John the Younger, which proves that he was the son of Thomas Updier who left a will in Dedham, Essex in 1538 naming sons John the younger and elder. (Prestoy-aline Court of Canterbury, no 38 Pickering). Below is an abstract of Michael's will dated 10 JUN 1575"

---- To wife Joane —
To my son Richard II (executor)
To my son Michael II (under 21)
To Thomas II, my son
• To Nathaniel —, my son in law, to bring up to age 14 my son Thomas.
To daus - Sarah, Elizabeth, Susan & Judith
To brother, John II the younger.
Other daus to custody of my brother Steven II.
To brother, John II, his execs

The sons Marshall II (under 21) and Francis Collett on 11 FEB 1538 (Dedham, Essex Parish Marrier)

MICHAEL U

(original immigrant)

- ① Report of The Genealogical Society of London "judging from what we have learned we feel that the pedigree which can be built up from the information in our letter to you shows almost conclusively that your Michael was a member of the Dedham, Essex family of Updrest. He could have been born during the year when there was a gap in the Birth Register of that County 1620-1638" (28, Pg 2).
- ② "Lacking an inheritance Richard U (of Huntingdon) seems to have joined the colony of Upchurches and Updrest in Huntingdonshire, and there to have married Frances Inkersol in 1608. (Parish Reg. Godmanchester, Huntingdonshire 1600-1650). They were probably the parents of Michael U who was born about 1620, of whom in Virginia" (28, Pg 9)
- ③ Thomas U (of Lincolnshire) in his will written 20 APR 1654 and probated 20 AUG 1654 names his nephew Michael U. (orig immigrant). The bequest of Thomas U (of Lincolnshire) to his nephew, Michael U, is a very strong clue that our Michael U of Virginia who addressed a letter in care of Mr John Ferrars of Little Gidding Huntingdonshire on 4 MAY 1652, was Michael who was the legatee of Thomas (of Lincolnshire) and the son of Richard (of Huntingdon) and Frances (Inkersol) U of Godmanchester, who must have been on intimate terms with the Ferrars." 11 ④
 "With the conclusion of the Genealogical Society of London that Michael U who emigrated to Virginia about 1650 was of the Dedham, Essex branch of the family, I shall suggest a possible ancestry which could possibly lead to this conclusion."

MICHAEL U JR

- ① "AT the Court held on the 1st of March, 1691, Michael U, Jr. appeared and made oath that the inventory as prescribed, was a true inventory of the estate of Frances U (Surry Co VA Will & Admin, Bk 4/258). (28, Pg 19)
- ② Michael and Frances (Delhe) U. seem to have had 2 sons - Richard + Michael, Jr. ready to make farmer (28, Pg 19)

Thomas Bethshares

Notes

Thomas Bethshares was Administrator for the Estate of Michael Upchurch III[↑] when he died in 1795. I believe it was Thomas Bethshares Senior who died in 1799, not a Thomas Jr. as he was not mentioned in the Chancery Court proceedings of the Children of Thomas Bethshares(Brunswick, Order Bk. 18, 2-25-1799) Elizabeth, his wife, may have been a second marriage, or she could have been a widow of an Upchurch, as Ruth was his first wife, deceased before, 25 February 1786. Thomas Jr. he would have not been married long enough to have adult married children as designated in the Suit against John Bass and widow, Elizabeth Bethshares. It gave his children as follows: Ruth Bethshares; George Upchurch and Rachel his wife, late Rachel Bethshares; (daughter of Thomas and Ruth); Thomas Moseley and Tabitha his wife, late Tabitha Bethshares; Thomas Linch and Elizabeth his wife, late Elizabeth Bethshares; Patsy Bethshares; Jesse Bethshares, (male?); William Bethshares; Molly Bethshares; and Sally Bethshares. (This is an assessment of this family as I see it; Eleanor L. Bertram)

Bethshares has also been spelled, Breshears, Bathshears, Bashears, and numerous other spellings.
