Hello Phil,

Well want to contribute to support of the archives, but I think for tax purposes, that should go directly to NC. I think tax rules have changed so likely a direct acknowledgement from NC would be best. Haven't looked at taxes yet - will do so later as I don't get final accounts from some of our oil investments until they have "made-up" their statements in March

Have also just learned that British birth and marriage records were microfilmed - 12,000 microfiche! Now need to discover who, if anybody, has a copy here in the Colonies

Also still puzzled as to how an airline could confuse Copenhagen and Milan :-). With best wishes for this New Year

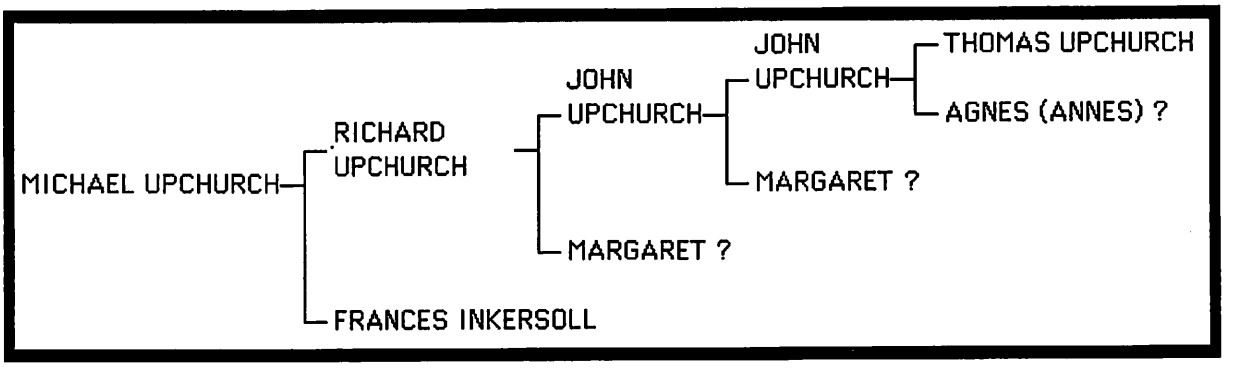
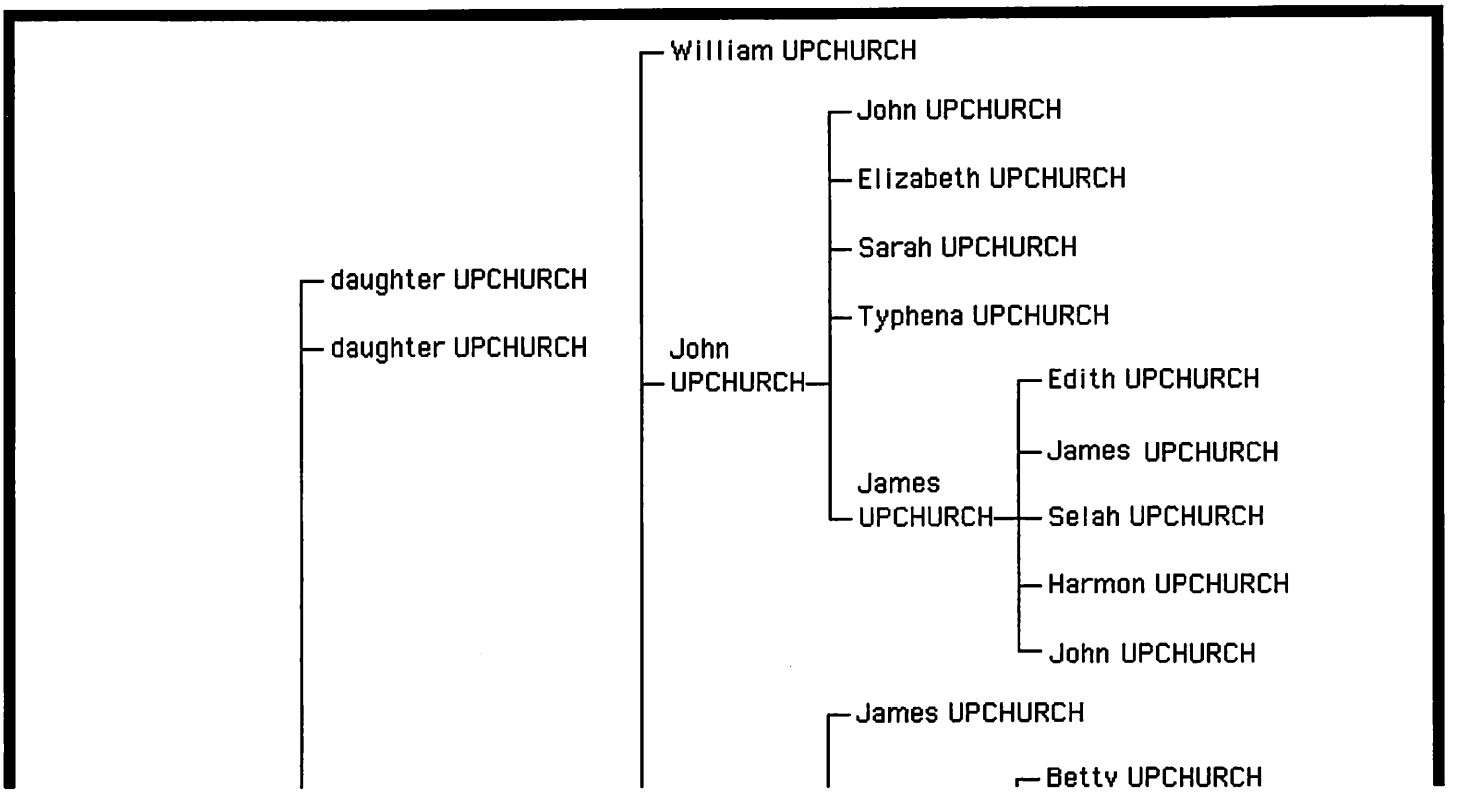
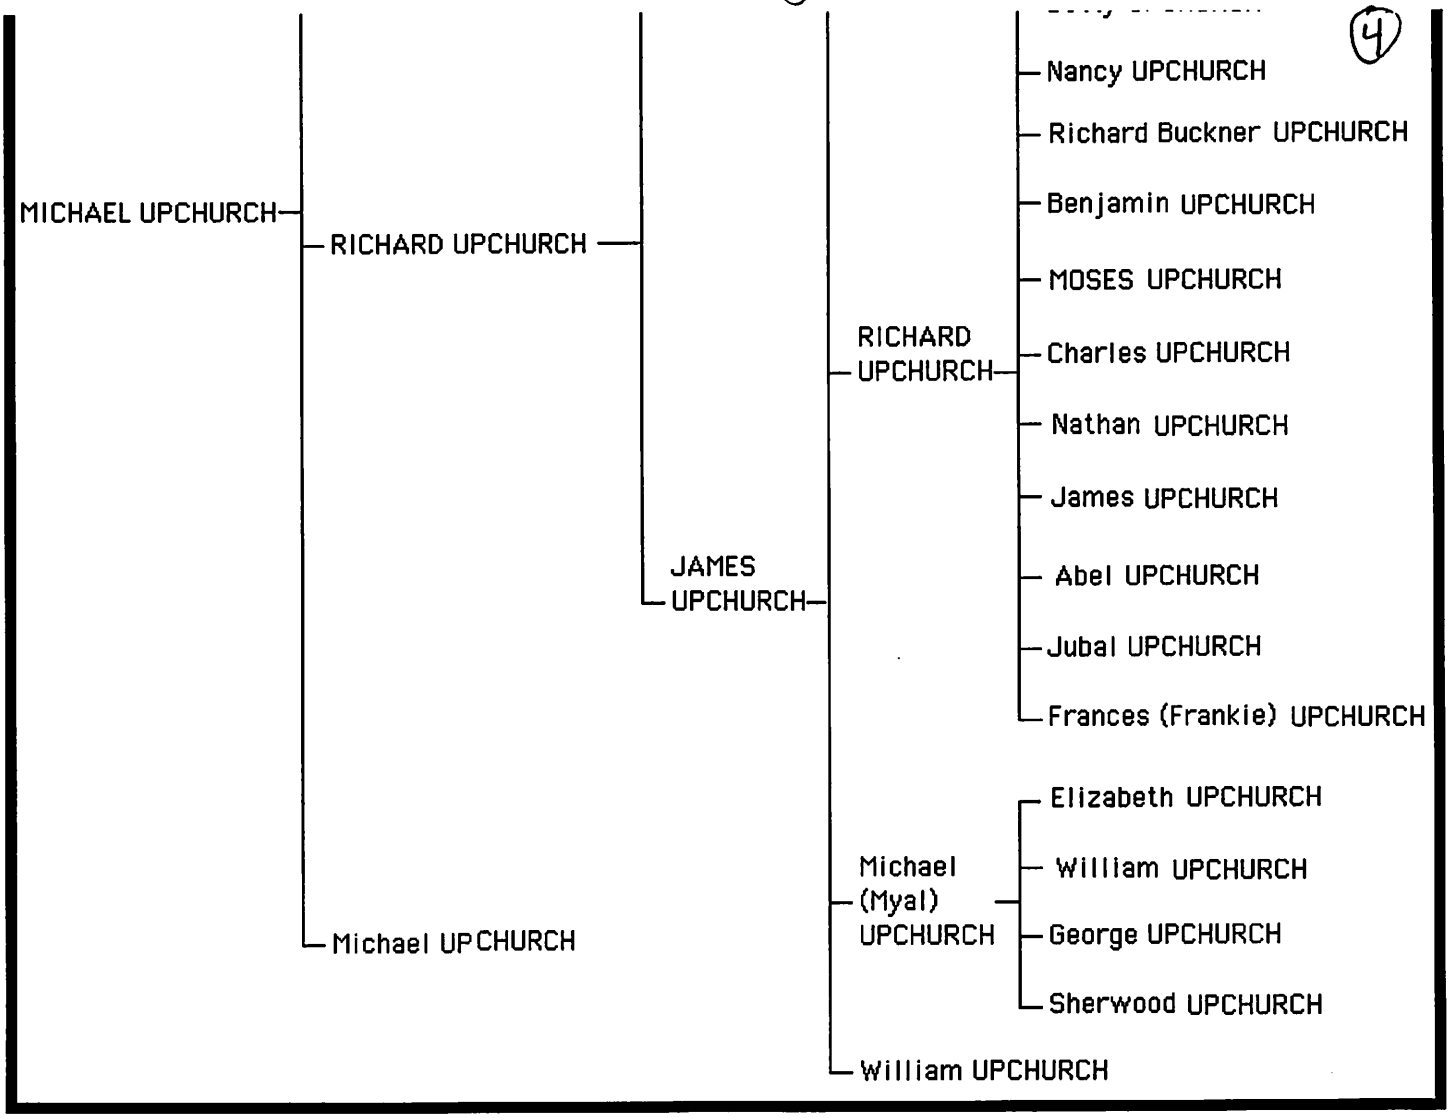
Upchurch Family Exchange

The *Upchurch Bulletin* has been published by Robert Phillip Upchurch for nearly 25 years. This journal now tabulates over 55,000 descendants of our original Upchurch immigrant, Michael Upchurch (circa 1624 - before 5 July 1681), who came from Huntingdonshire, England, to the Virginia Colony in the mid-1600s. It is believed that Michael's parents were Richard Upchurch and Frances Inkersoll of Brighton. His most likely ancestry, based on present information (additional research in the English parish records is currently being pursued) Is:



Michael had four children, but all known descendants are those of his son Richard:





Significant documentation of original source materials as well as extensive family correspondence exists to establish the family relationships that have appeared in the *Upchurch Bulletin*. This vast collection of information is not available on-line, in print, or in any form at the present time, but excerpts and photocopies can be provided to our Upchurch cousins in exchange for information on your Upchurch family lines, by application to:

Dear Charles

Thanks for your check for the UB dated 15 JAN 2007. It was in our accumulated mail we picked up yesterday after a 16 day sojourn in SW Florida to catch some sun & to visit relatives. I could not resist visiting 3 of their libraries to check on their genealogical collection. The one in Ft Myers is quite good and they even have a full time Professional Genealogist to help people. I was impressed - spent some time looking over the 2-Vol CINDY'S LIST Book. It is a great road map to finding family history stuff on the Internet. I must return to it.

I am most appreciative of your willingness to contribute to the Archives Project. It is fine to send a contribution directly to N.C. State. They also send acknowledgements directly to individuals who send their checks to me but made out to N.C. "Friends of the Library". Sending a check directly to N.C. State reduces the chance of some mix up. These days we deal with these "mix ups" in our business & personal dealings on a daily basis. In any case, I have

decided to match contributions. So if you want to let you know the amount of your contributions. I will send in an added like amount. I plan to make more contributions in 2007 anyway - but like you - I am waiting for some progress on the tax front.

While we were in FL my Computer Coach Stephanie was supposed to be looking for an "expert" to help us design and implement an Updownuk web site. I have given a lot of thought to it but there is still a lot to consider. I need to get my thoughts down on paper. While thinking about this in FL I came up with the idea that I should design and implement the site so that N. C. State will continue to operate it as a part of the UPCOUNTRY COLLECTION after I can no longer do so. I don't know if they will buy into the idea or not. I hope to be in NC next April and will hope to have a discussion with them on the matter at that time.

Sometime in the next month or so I would like to visit with you about the Web site Project. I'll be glad to drive over to Columbia to talk about this at your convenience after I have

required the service of an "expert" at the end to help with the mechanics.

I have hired my 13-year old Granddaughter Katie Upchurch to help me purchase Upchurch-related books over the internet. All of these books will eventually go to N. C. State for the Upchurch collection.

Sallie & I send our best to you and Virginia with hopes that we will soon be able to turn our daughter to the idea that spring is just around the corner.

Sincerely yours

Phil Upchurch

Dear Cousin Charles,

I am remiss in not writing earlier to thank you for your generous contribution to Upchurch research and your note which arrived 22 APR06. The memorial to your ancestor Courtney U will appear in the next UB.

Part of my delay in writing to you was to allow me to reach a milestone in processing the downloads of birth, marriage, etc records for GA, NC & TX which you sent in 2005. That milestone has now been reached. Let me describe the process and where I now stand.

I first disaggregated the records and taped the entries back on sheets relating to specific localities. The enclosed sheet for NC Marriages for Durham Co, NC is an example. These sheets serve two purposes. One copy is placed in my Geographical file as I periodically turn to such files to piece together family relationships. Also

enough copies are made of the reconfigured information to place a copy in the Biofile of each person named. In the case of the enclosed sheet this required 60+ sheets. Overall for all the NC, TX, GA data I estimate there were about 8,000 sheets. Then I had to alphabetize & file the sheets. This process has now been completed.

There is still the task of using the data filed to improve my Master Outline on the various Clans & Subclans. As a first trial case of using the data I took the sheets for Nash and Wilson Counties in NC and tried to link the entries to their proper families. For the most part these individuals relate to the Benjamin W/Millie H Subclan. This group was one of the few examples where some Upchurches of the Moccasin Creek Area moved East rather than West or South. I have long worked on improving the linking of these people and the new data really helped.

As a second effort to use the data I have started going through my Upchurch alphabetized files to see how sheets placed there over time

can now be used to letter link individuals & families. These Upchurch files are alphabetical by first name. Some occur as a group such as A-K. But some frequently used names appear in a files for that particular name - such as a file for all named ALBERT or ALAN or ALEXANDER. My first pass in to select sheets that pertains to Upchurches of N.C. I am very pleased and the great progress I can make using what I've accumulated in these files over the last three decades from census records, correspondence, etc, etc.

So all of the above is a prelude to me thanking you once again for tremendous help you have been in helping me to assemble family history records. Should you be able to get more downloads without too much trouble I would welcome them.

Life here is full to overflowing. We had hoped for two weeks of Florida sunshine in early January but I came down with a cold just before we started the drive down. We scrubbed the trip and have put the time to good use here.

we have spent quite a bit of time on arranging & rearranging our farm properties. It is all working out very well but one has to use a lot of patience in dealing with people various actions & reactions. In a way there is a lot of satisfaction in seeing these projects work out well after many years of work, risk, etc. I am having to adjust my mind set about land. For 20 years I have enjoyed owning, acquiring & improving land in Montgomery County. I was proud of my emotional attachment to the land. (This goes back to the 43 Acre NC farm on which I grew up). Now I am having to change my outlook to more of a business operation.

During the next several weeks there is a good chance the space I have in our son's business location will be expanded and he will assign someone to help me accelerate my moving into the computer world. I look forward to the prospect.

All the best to you & Virginia.

Sincerely yours

Phil Upchurch

IX. Comments:

Hello Phil,
Sorry to be so slow to return this. End of the year always a bad time for the cash flow, what with tax bills, the excess of Christmas, and especially if one ignores one's planning and buys a new car with the money set aside for the taxes.
Maybe I should ask the University to rescind my retirement and instead simply resign to see if I can collect $600,000. But then I doubt the athletic program knows who I am, as we so seldom see athletes in our science courses. So will just sit back and watch the show as our administrators deny everything.

Dear Charles & Virginia

We were pleased to get your Christmas Greeting and the update on your activities for the past year. Somehow it seems that we all stay exceedingly busy. But perhaps we should consider ourselves fortunate to be so engaged. We send our hopes that Virginia's mother is comfortable in her new accomodations.

Over Sallaine's objections I engineered a celebration of her 80'th birthday last month. To do this we assembled our 3 children and their families (17 of us in all) in Raleigh, NC. The event was a luncheon in her honor on December 18, 2005 at the North Carolina State University Faculty Club. Sallaine, in due course, accepted the tribute graciously. She was pleased to learn how much she had influenced the lives of so many people. We prepared a book of memories

for her. Enclosed is a copy of "MY WIFE REMEMBERED" which I prepared for the book. I thought you might get a chuckle out of this.

Charles, it is hard for me to tell you how much I appreciate the help you have provided to me on family history. I recently worked over the Upchurch census records for Upchurch entries for Georgia for the decades. It is extremely powerful as a tool. I am still processing the Texas & NC records on marriages and births you sent. In the end this will translate into several thousand sheets to be filed under the names of the several thousand individuals named. As I process the materials I can see solutions to family puzzles unfolding before my very eyes. It is tempting to stop and work on each of these. If I did so I would never finish processing the records. The birth records are especially valuable because they tend to provide full names.

Someday can we get together for a long chat? With All Best Wishes for a Great 2006!

Sincerely Yours,
Phil Upchurch

Our year 2005

As in past years, our activities center around the University. Virginia continues deeply involved with advising undergraduates. She is still settling into the new teaching laboratory in the Life Sciences Building, and this fall she took on a major project to revise chapters of a chemistry, organic chemistry, and biochemistry textbook for non-science majors. Charles' activities in astronomy expanded as there are now two other astronomers on our faculty and a number of interested undergraduate and graduate students. We did have a nice visit from Virginia's California cousin this fall, but we were not able to do any extensive travel on our own this year.

Our son Nat continues his studies in engineering, though his interests also extend to art and history courses. His job fortunately is compatible with his course schedule. He is enjoying living in his own home and we spent an arduous three weeks this summer ripping out carpets and laying down hardwood flooring.

Our lives have changed primarily because Virginia's mother suffered a stroke in late spring. She has been moved into nursing care here in Columbia where Virginia can make daily visits.

Dear Cousin Charles,

Next Tuesday when I will leave for two weeks in the East is not far away so I am trying to be as caught as possible before leaving

Thanks for the NC records provided in your letter of 5 SEP 2005. You were correct in surmising that these would hold a special interest for me. I'll process them in due course. The TX birth records are still not finished but excellent progress is being made.

I sent the 22 pages of the English records supplied with your letter of 18 JUL 2005 on to Ransome on 25 AUG 2005. A copy of his letter, which arrived yesterday, is enclosed and shows that he has spent time on them, To keep faith with him I am letting you know what he found. However, I doubt that you are much concerned about the fine points that he raises nor am I. Such problems with records are something we all have to live

with. I don't want him to think I don't care. It is just that we rely on him to keep the English Upchurch records straight and to keep us informed of the end result - which I try to report in the UB (for future Upchurch researchers). Knowing that I can trust Ransome leaves me free to treat American Upchurch records which is challenge enough.

I am making excellent progress on the keyboard and have most of the keys memorized. Of course I am slow but progress has been rapid and I am much encouraged. We'll see how much ground I lose while away this week.

The two hurricanes have been a challenge. Hope all of your folks came out OK. I have cousins in the path of the Texas track. The reporting has been disappointing as I keep wanting to know things the media does not talk about. They tend to show the same scenes all day and even for several days. I suppose this is the cheap way to report.

I'll be visiting several of the Civil War battle-fields in VA, MD, PA where my Grandfathers fought - Very exciting - Til Next Time - Phil Upchurch

Hello Phil,

The news out of the south is distressing, not just because of the devastation perpetrated by the hurricane, but because of the superficial coverage, its concentration on New Orleans, and its dwelling on mostly negative aspectsof this tragedy even while there have been many, many efforts to help neighbors and to take personal initiative to start rebuilding. And when Mississippi (which took the brunt of the storm) is mentioned, it is primarily Biloxi and even then the major focus is on the casinos that were destroyed. A bit unsettling that I have been unable to check with cousins in Jackson to see how they fared -- they are probably okay but it would be nice to confirm that. May be a week or more before power and phones are restored, but will keep trying. Post office claims that mail service is back in effect so have sent notes.

Otherwise life goes on. School is now in its third week and the students will be back in class tomorrow after today's break. So we are busy.

A new birth index showed up on line, that for North Carolina which I suspect you would be interested in. So here are the Upchurch birth records -- this may keep you busy for a while. Also ancestry.com has merged several marriage databases for the state and I have downloaded the Upchurch records -- lots of redundancy here and likely you have much of this information.

Took a brief look at the Courtney Upchurch information you sent, but haven't really thought about it. Too many other things to do at the moment.

Hope all is well with your family and that the hurricane didn't affect anyone close to you.

In flood zone, a new sense of what's valuable

A new bartering economy has emerged among New Orleans survivors.

By ARIANA EUNJUNG CHA
Washington Post

NEW ORLEANS — The waters raced into Denise Mitchell's home so quickly that she fled with nothing but what she was wearing.

After Mitchell and 10 members of her extended family took refuge in the convention center downtown, she realized they had another problem: Aid workers were giving out water and food, but there wasn't anything for her infant niece. The only thing Mitchell had that she thought might be of value was the silver necklace she was wearing around her neck, so she wandered around the convention center for hours trying to trade it for milk.

There were no takers. The last thing anyone wanted was something whose sole value was that it looked good.

In the most devastated areas in and around New Orleans, the lack of electricity, flooding and shortage of food is shaping an emergency bartering economy that is markedly different from the rest of the country.

Bartering has been most prevalent at places such as the convention center, where food supplies have been limited and where the law-enforcement presence was increased only on Friday, leaving its temporary residents to govern themselves.

For the tens of thousands of people displaced by Hurricane Katrina, the split-second decisions made as they left their homes about what to take and what to leave have gained meaning beyond what they expected. "Green money," as some people in the city and surrounding areas now refer to cash, in some places has become nearly obsolete.

Meanwhile, things people never thought much about had suddenly became fabulously valuable. A clean pillow and blanket, or even a sheet, could buy practically anything, be it diabetes medicine or a piece of meat. Office chairs with wheels, to ferry around the ill and weak, were worth more than DVD players and laptop computers.

Cigarettes and liquor were initially valuable commodities, a comfort in miserable conditions. But after looters flooded the market, there was so much of the stuff that people started giving it away.

> "It's not about the things you enjoy and that are beautiful. It's about things that'll help you survive."
>
> **DENISE MITCHELL**
> Hurricane Katrina refugee

In the minutes or seconds that many had to grab their possessions, some were focused squarely on the practical. Butch Upchurch, 38, and his wife, Karen, 41, had about five minutes to leave their home on the western side of New Orleans. They grabbed their bank statements, insurance papers and some water and food and squeezed into their Chrysler 300. There was room for one of their dogs, but pit bull CoCo, the larger one, didn't fit. They kissed her goodbye and prayed she would survive.

The ones in the most difficult situations were people such as Mitchell who had nothing but the shirt on their back.

But Mitchell was resourceful, and it took her only a few hours to figure out the rules of this new economy. After scrounging in some trash bins, she found T-shirts someone had dumped. She went to people who were evacuated in their pajamas or were wearing wet clothes and bartered until she got not only milk but also a bag of Huggies diapers.

Dear Phil,

This will be short - too many things to do and the summer is fast disappearing.

I did download the Texas and California birth information for Ancestry searches - 2 files each state, one for surname U. and the other for mothers with surname U. The U. surname files have been sorted by father's name to identify the families with multiple children.

Also ran across a Florida divorce index so you can see what those cousins have been up to. Also there appears to be a major British endeavor to abstract birth and marriage records - enclosed is its present U. records - note lots of errors in the localities, or maybe these are local names or abbreviations.

All of this should keep you busy for a while.

Charles

FreeBMD is an ongoing project, the aim of which is to transcribe the Civil Registration index of births, **Marriages** and **Deaths** for England and Wales, and to provide free Internet access to the transcribed records. It is a part of the FreeUKGEN family, which also includes FreeCEN (Census data) and FreeREG (Parish Registers). To search the records that have so far been transcribed by FreeBMD click on the Search button below.
The recording of births, **Marriages** and **Deaths** was started in 1837 and is one of the most significant resources for genealogical research. The transcribing of the records is carried out by teams of dedicated volunteers and contains index information for the period 1837-1983.

PLEASE NOTE: WE HAVE NOT YET TRANSCRIBED THE WHOLE INDEX.

Dear Cousin Charles,

This is a progress report on the processing of the large amount of data provided under cover of your letter of 18 JUL 2005 – and to thank you once again for all of this excellent detail. I have now completed processing & filing every thing except the TX BIRTHS and I am well along on the TX part. So far I have reduced & cut out the entries so as to create family groups [Example enclosed – this sheet then gives rise to a total of 5 sheets – one for each person named] At this point I have about 4,000 sheets that have been so created. Now I have to place a name at the top of each page – alphabetize the 4,000± sheets and place them in my Biofile System. Several dozens of hours of work left to do. However, when complete these sheets will create

a powerful Upchurch family history tool - and especially in connection with census records and other organized materials - much is the alphabetical files & much not.

I am now scheduled for a 27 SEP - 10 OCT 2005 trip east for family history work. will give a talk at one Upchurch Reunion in Raleigh, NC & attend Reunion of my GGF RAY FAMILY. Also hope to visit Gettysburg to see where my GF B.J.U fought.

Even bigger news. I have a desk and a computer in a nearly business operated by our son. I am going in a little each day M-F and trying to learn the keyboard. It is slow going but I am encouraged. So far I can do the 8 home keys without looking at them and yesterday I added 4 more E R & U I. It will take several more weeks of practice. Then I can move on to EMAIL and all the other wonders of the electronic world. You are one of the few I have told about this venture. I need to continue with my "baby steps"

Sincerely yours

Phil Upchurch

Dear Cousin Charles,

Just a brief note to thank you for your letter of 18 JUL 2005 and for the various sets of records. The FL divorce records were of special interest and they have already been processed. The Upchurches in FL from 1850 – 1920 were primarily related to my Great Uncle Nathaniel Smith U who migrated from NC to FL before the Civil War. Sure enough the records you sent solved two puzzles among this group for me. In the 1900's people from all over discovered Florida.

I have copied the England/Wales records to send to Ransome when I next write him. I'll work the TX, CA Birth Records into my files over time.

In your letter you commented about the fall semester arriving very soon. It takes me back to my University days when I had to face such deadlines!

With Appreciation

Sincerely Yours
Phil Upchurch

Dear Cousin Charles

- Another item for your back burner - trying to clean my desk for our departure on Thursday for 18 days.

Wake Treasures Vol XIV No 2 just arrived and had several Upchurch entries - one for Courtney 4 XID-633, Copy enclosed. This caused me to review my several Briefs bearing the name Courtney 4. There are 2 of them I want to bring to your attention:

#1 Re Chatham Co, NC Deeds 1787-1935. I created an extract sheet for this some time ago but only now have I segregated the entries [19] → [17]. They fall easily into 2 groups - one for your ancestor Courtney 4 and one for his nephew & namesake. The other names on this sheet continue to interest me as they generally remained in the area and I continue to encounter their names. Also I am always alert to see if I can pin down the location of the tracts of land involved.

#2 Re COURTNEY G. U - 1 Page, 3 Item Profile enclosed.

you can see from Item ② that I speculate on him being Cagney Gilliam U who is not a member of the Moses U clan. However, this speculation assumes that the record keeper got his name wrong twice [① A+B] - not likely. This caused me to make Entry ③. As you know Courtney U XID-1109 had several sons born in NC before he left for Dallas Co, AL about 1835. We have not learned the names of all of them. There seems to be an outside chance that the Courtney G.U is one of them. It is quite possible - even likely - that XID-1109 named one of his sons Courtney and when Courtney G.U is the one we have no candidate

Sincerely Yours

Phil Upchurch

Wake County Old Soldiers' and Widows' Pensions, 1912-1923, Volume 1

North Carolina State Archives microfilm C.099.90061

Abstracted by Fred Turner

This roll contains information from pensions issued to Confederate Civil War soldiers and their widows. The excerpt given here is taken from the first pension listing on the roll; however, the entire roster goes through 1923. This will show the reader an example of what can be found and researched in the Olivia Raney History Library.

On the Soldiers' portion of the roster three classes are shown; 2nd, 3rd and 4th. These classes pertain to grades assigned to veterans based on type and severity of wounds. Grade 1 (of which none are listed) was for totally disabled pensioners; Grade 2 was for pensioners who lost an arm or leg; Grade 3 was for pensioners who lost a hand or foot; Grade 4 was for pensioners who lost an eye or were partially incapacitated due to other wounds (information on Grades were found in *Guide to Research Materials in the North Carolina State Archives: State Agency Records*, page 654).

Another note is that many times a witness is shown as V Royster D C. This individual was Vitruvius Royster, chief deputy clerk of the Wake County Superior Court (information found in the *Raleigh, NC City Directory 1911-12*).

Dear Cousin Charles,

I have gradually been creating new formats for the census files (for which you have made a great contributions). Recently I got to the NM files for which an example sheet is enclosed - [A] - 1900 census. The Green Berry U entry caught my eye as I had previously tried to link him - His 3-Page; 5 Items Profile enclosed [B]. Item (5) in the Profile shows my latest thinking.

I am writing to you because the Green Berry U may link back to your Moses U/ Courtney U Subclan - See 1860 Census Record for Dallas Co, AL enclosed [C]. of the 2 Upchurch Households the one headed by Mary U is no doubt the widow of Laurence U (S/o Courtney U). It is quite possible that Green Berry U in the 2nd household may be a son of Laurence & Mary. It could be very helpful if one could know the connection, if any, of Martha & John White to the Upchurch Family

While one can make a good circumstantial case of linking the NM Upchurches to the Dallas Co, AL Upchurches the definate linkage of the NM Upchurches to Williamson Co, TX brings up another issue. Note the enclosed 1830 census record for Williamson Co, TX enclosed [D]. Henderson U heads a family on which we have a large amount of information but we do not know his father. We do know he was born and raised in Chatham Co, NC. He is most likely a descendant of Moses U - Head of Clan. Thus he and your Courtney U are likely quite close kin. Since Green Berry U b 1854 was named in Williamson Co, TX it is very tempting to think he and Henderson U may have been drawn to this area of TX because of their family connections. The plot thickens when you see that Henderson U had a son Green U b about 1857. It is possible that this Green U and Green Berry U are one and the same. However, the available records show one born 1854 (AL) and the other b 1857 (TX).

Also enclosed is a copy of my Profile for the wife of Green Berry U - 2 Pages, 7 Sources [E]. She presents her own array of questions.

I don't expect you to take on the issues raised herein as a project. However, you are the one person I thought might have an interest because of your linkage to Courtney U. Perhaps you would keep the issues in mind in case something seems to bear upon them at a later time. Any thought or input you might have at any time will be welcome. This just one of hundreds of such puzzles we have in the family - some small - some large. From time-to-time solutions for some of them suddenly appear.

I am getting tons of family history work done but there is always more. Response to my mailing of UB Vol 26 #1 have been surpassingly good.

We are now scheduled to be in England 4-21 AUG - primarily for a tour of Wales & Scotland & a little of Southern & Southwestern England. No family history this time - just fun & relaxation.

It would be great to talk family history with you in person again. Our Best to you & Virginia

Sincerely yours

Dear Charles,

Thanks for your $10 Check re UB Vol 26 No 1 and for the other inputs you sent. All will be put to good use. Quite a few cooperations are encouraging me to continue to be active in Upchurch Family research. There will definately be a UB Vol 26 No 2

Re the inquiry from Charles Taylor about the James-Upchurch connection I include the following Biofiles which may prove helpful

#1 Margaret J. James - 3 Pages, 7 Items
#2 Almedia James - 2 Pages, 6 Items
#3 Carrie James - 2 Pages, 5 Items
#4 S. I. James - 1 Page, 1 Item - She md J. M. U but I don't know how he fits in

Re the inquiry from JOHN WARDLOW - I include a copy of my worksheet which combines his input and my records. I have annotated this in red.

I will be happy to interact more with any interested parties re these two groups

I would be happy to have copies of the TX & CA births records which are now on Ancestry.com if it is not too much trouble. I have some births records for these two states but suspect that what you can generate will be more complete.

Recently I have been concentrating on developing a more complete organization for my census records for the Upchurch Family. They had earlier been parceled out into STATE files but now I am going further and trying to attach class/subclass identifications to each family in each state. This takes a lot of time but is really productive. I recently completed the MO records and could now easily write an article on "The Missouri Upchurches". Quite a few clans passed through MO.

We trust all is well with you & Virginia. Life here proceeds apace.

Sincerely yours.

Phil Upchurch

Dear Cousin Charles,

The material provided with your letter of January 28, 2005 has now been substantially processed and I want to thank you for same.

The WWI Draft Registrations are quite helpful as they provide full names, birth dates, etc. Details are being entered in the Profile of each person mentioned and will surface as I repeatedly rework the records for various reasons. This input is more complete than an earlier version of WWI Draft Registrations.

The Idaho marriage records are identical to what became available earlier.

Re Diana Palmer (nee Diana Elaine Masters) I have an 8 FEB 2005 letter from her & I responded on 14 FEB 2005. She & I have been in touch over the years. We still do not know the father of A. J. U who was presumably born about 1825 and who fathered twins born 1871 (MS). I have gone over the facts

a number of times on Miss Diana. I sent her quite a list of detail with my recent letter. I'll place the sheet you sent with her file and will work it over if & when I hear from her. I doubt that A. J. H was born in MS as the 1870 MS census records seem to indicate. I am willing to work on this some more with the hopes of at least creating the best concrete facts into a list which can help guide us as we examine prospects.

Like you we are looking forward to the end of winter. The winter has not been too severe here but, even so, we always take special pleasure in the sign of Spring being around the corner. We have already started our outdoor walks on the good days & look forward to more of these. We had hoped for a trip to Florida to catch some sun but all sorts of things kept messing up our schedule. So now we will have to make plans for next year.

Our Best to you & yours

Sincerely yours

Hello Phil,

Just a short note to enclose a couple of items that have been recently posted at ancestry.com or somewhere. Don't know if these are new data for you.

Also a copy of a message I received from Diana Palmer (with some scribbled notes of my own). I don't think she is correct, but told her I would pass them onto you for your comments.

Otherwise we are well, coping with the chaos of the beginning of the semester (seems a little more chaotic than usual for some reason), doing our best to stay warm, and looking forward to the end of winter.

Howdy,

This is Diana Palmer of TX and search for my primary Strickland lineage.

Martha "Mattie" Strickland married to A.J. Upchurch on about 1865 in MS. A.J. Upchurch born in 1825 in AL. I was told that he was killed on the ferryboat at unknown place in MS by a nergo man. They had a twin sons, William Daniel and David Allen on 1 Nov 1871 in Gulfport, MS and their mother died later. Martha's brothers, David and Daniel Strickland took care of them. I do not know what happened to Elizabeth "Jennie" Upchurch after mother died.

I had been searching the parent of A.J. Upchurch since 1975 and found out recently. I checked in WorlConnect for parent of Benjamin Upchurch and his parent were Abel and Benthana Upchurch. I felt strong that A. J. was supposely Abel J because he was old childest and possibly named him after his grandfather, Abel.

That is how I traced to right lineage..

1870 MS Census: Panola Co: page 103:
Upchurch, A. J.-- 45 bridge watchman born in MS, Martha- 27 kph MS, Jennie-4 MS

1830 MS Census Book as A.J. ws 5 age, showed that no Upchurch surname is on the listing so it meant that A.J. was not born in MS. He misinformed his birthplace on 1870 MS Census.

Found 1830 AL Census: Pickens Co: page 123b as A.J. was 5 age.
Upchurch, Ben- males: one(5 under), one(20/30) & females: two(5 under), two(5/10), one (20/30) Also 1830 AL Census book showed that only one Upchurch is on the listing was Ben Upchurch.

1840 MS Census book, Launderdale Co: page 39 as A.J. was 15 age.
Upchurch, Benjamin-- males: one(5 under), one(5/10), one(10/15), one(20/30) & females: one(5 under), one(5/10), one(10/20), one(30/40)

1850 MS Census: Launderdale Co: page 338b: A.J. did not live with parent at this time.
Upchurch, Ben- 45 farmer NC, Cenderville-44 AL, Churchwell- 21 farmer AL, Francis E-16 AL, Noah P- 14 AL, Anna C-12 AL, Benj- 9 AL

1860 Ms Cenius: Clarke Co: page 700:
Upchurch, B.-- 50 farmer, Mary- 48, Churchwell- 24, Newton- 21 (can not read their birthplaces)

I am almost postive that it is a right lineage..

REC'D
17DEC2004

The years always seem longer in retrospect that when they were in progress.

Most of our time, of course, was spent in our University duties. In addition, Charles moved his office down one floor to consolidate the astronomers into closer proximity with each other -- this meant he also cleaned and painted his "new" office as the University ignores this type of maintenance; a fresh coat of pale yellow paint nicely covers the 37-year old original light green which we always suspected was chosen for its "soothing" effect such as one associates with mental institutions where the inmates must be kept calm. An impressive volume of old papers and journals, accumulated over the years mostly due to procrastination, was recycled at this time, and many no longer needed items were donated to the library.

Virginia spent an immense amount of time packing her teaching laboratory to move it down the block into the new Life Sciences Building, a transition again not supported by the University. Her teaching laboratory has since become a prime "tourist attraction" as guides show off the new building to a continuous stream of prospective students, their parents, and various and sundry dignitaries. If only one could charge a spectator's fee ....

After a succession of poorly paying jobs in what always seem to end up as less than desirable working conditions, our son Nat decided it was indeed time to secure a college degree. He has entered the University, initially as a dual engineering-agriculture major, but he quickly decided the College of Agriculture was a friendlier home. He will take a few engineering courses to augment his studies in animal science. His studies did suffer a brief interruption this fall due to a medical emergency, a collapsed lung (these things "just happen" according to the surgeon), but he is completely recovered without any apparent consequences.

In spite of our busy academic schedule, a few other things were accomplished. Both of took part in preparing and supervising crafts for the Lewis & Clark Encampment, a major statewide scouting event this last spring. Virginia will continue her involvement with scouting, though at a lessened level. Charles did some major home projects, replacing the master bedroom carpet with hardwood flooring and catching up on an uncountable number of other delayed maintenance projects. We purchased a second home into which our son has moved.

We also managed an extended trip this summer, to visit parents in the Pacific Northwest. Unfortunately, immediately after we left Yakima for Seattle, Charles' mother unexpectedly passed away. Virginia's mother continues to do well and we will see her again shortly after New Years.

May Christmas give you
eyes to see beauty
that only the heart can understand.

Charles and Virginia

Hello Phil,

Already Spring break is half over and I have not accomplished much of what I hoped to do.

Anyway there is a bunch of stuff - first the final part of the 1920 census. Second is about 40% of the 1930 census - the basic index is that of ancestry.com which gives place of birth only for head of household. It is full of errors and I doubt I have caught all of them as I check the original census against the index. You should be able to tell from the format where I have added relatives with non-Upchurch names.

The third set of miscellaneous records comes from references to Upchurch at HeritageQuest to which I have access via the county library's web site. Maybe some of this will be useful.

Will complete the 1930 as soon as possible.

1930 United States Federal Census

Indices for all states and territories were searched using the index at ancestry.com. This is an "everyname" index, not just for head of household. State of birth is given only for head of household in the index.

4368 entries for Upchurch, **21** entries for possible alternative spellings or name errors. Entries for each state include all races. Only white families have been retained in this survey.

I have surveyed this census only to the extent of adding the Enumeration Districts and other address information, to add non-Upchurch family members, and where noticed to make corrections. Some information such as place of birth [given in the original index only for the head of household] has not been added as this would have doubled the time for the survey [because of the format by which ancestry.com present the census pages on the computer screen].

Jefferson Franklin Plunkett was a farmer and the last years he worked was with the L & N Railroad, Decatur, Ala. I remember him as being a very nice old man; he was tall, probably just medium height. He walked and held himself very erect. He had beautiful gray hair and steel gray eyes. To me he seemed very stern but this was when he was in his 70's or 80's. His nick-name was "BABE", probably because he was the last of the children born to his parents.

From Aunt Bert Adams: "Bebe and Dora went to Texas with the Upchurches probably around the year 1886, This is when the Upchurches left Alabama and moved to Cass Co., Texas. The Upchurch genealogy states that they got off the train at Springdale, came up the Line Ferry Road to Harvey's Mailbox and turned South to the place where the Upchurches lived and died. Emmett and Razzie Upchurch live on the place now (1969). Babe and Dora's children were born in Texas except Howard and James. They moved from Texas to Cullman County, Ala. to Holly Pond, thento Bailton. Then they moved to Decatur, Ala. where Dora died."

NOTE: James Wesley Plunkett was born June 16, 1886 in Alabama so therefore they had to leave Alabama after his birth and had moved back to Alabama by 1904 when Howard was born.

Jefferson Franklin and his brothers moved from Sand Mountain to Bailton and Holly Pond, Ala. about the same time. This was probably primitive country then.

Note: The comments found in these sketches are by Mrs. Juanita Plunkett White who sent the material to the author, along with Mrs. Crigger.

Baptist Church and some Episcopalian.

The notation from graves in this cemetery were copied in January 1969 by Mrs. Dorsey Plunkett of Cullman and her father-in-law Grover Plunkett. Spelling is as it appears on the stones.

1. Malindie - wife of C. W. Plunkett. Born Sept 22, 1819, died Nov. 8, 1905.

This Malindie or Malinda was the wife of Charles Plunkett who died during or shortly after the Civil War. He is buried, probably in a family cemetery in old Newton or Rockdale Counties, Ga. Charles was the son of Charles Plunkett and Mabel Jones who married in Newberry County, S. C. Charles died before the family migrated to Newton County but Mabel appears on the Census of that county as the head of a household in 1840.

When the estate of Robert (G II) and father of Charles was settled in 1846, the statement is made that Charles W. (G III), his son, had been dead about 10 or 12 years.

Tradition says that Malindie was visiting her family in Alabama, took sick and died. Rather than carry the body back to Newton County, Malindie was buried in this early cemetery.

Another tradition story is that when some of the first Plunketts came from Georgia the family hound dog came along. After a day or so he went back to Georgia even though his family stayed in Alabama. Probably he was homesick or had a lady-friend in Newton.

Malindie is buried next to her daughter, a sister of William Florence Plunkett.

2. Sarah F. Granade - Nov. 3, 1862 - July 24, 1950.
Sarah was a twin sister to Jeff Plunkett.

3. J. W. Granade - Oct 6, 1860 - Mar 3, 1924, husband of Sarah P. Grenade.

On the Plunkett Plot:

4. Dora A. Upchurch Plunkett - Nov. 27, 1861 - July 20, 1918.
5. Jefferson F. (Plunkett) husband of Dora A. Upchurch
Jefferson was a brother to William Florence and a twin to Sarah Plunkett Grenade. (census reports this child as Jefferies T.)
6. E. A. Plunkett - Nov. 27, 1850 - Jan 1, 1930.
This was Elijah A. Plunkett whose name appears in the Newton County Census in the home of Charles W. Plunkett and Malinda. Descendants say that his wife was buried in Georgia, or South Alabama. Elijah had one daughter whose whereabouts is unknown to the Plunketts in Cullman.
7. William Florence Plunkett (spelled with a single t) Aug. 11, 1853 - Mar 10, 1933.
8. Amanda Maria Plunkett - wife of William Florence, Dec. 17, 1854 - Jan 4, 1931. William Florence and Amanda have a joint tomb stone.

twice, but we have been unable to learn the names of his wives. It is not unreasonable to suppose, however, that his second wife was a Watson. It has also been impossible to get a complete list of his children, but we secured the lines of four of his sons: the first three named were brothers and the fourth a half-brother.

Abraham Cantrell went with his parents to North Carolina and served in the Revolutionary War from the Salisbury district. His name appears on the pay rolls of North Carolina soldiers in the auditor's office at Raleigh. Tradition says that he was a captain and this is probably true, as he received more pay than others on the list.

After the Revolution he moved with his family to Spartanburg county, S. C. The first record of him in that county is in the First United States Census (1790), where he is given as a head of a family, having two sons over sixteen years of age, two sons under sixteen and a daughter.

In 1792 he purchased 192 acres of land on Buck creek. In 1803 he was one of the administrators upon the estate of his father. He died in South Carolina.

33. ABRAHAM CANTRELL[5] (Abraham,[4] John,[3] Joseph,[2] Richard [1]) was probably the eldest son of Abraham and one of the sons "Over sixteen years of age" mentioned in the First Census, 1790. He married Sarah Durham in Spartanburg county, S. C. In 1813 he seems to have disposed of all his property in that state and moved to Tennessee, as he received a grant of land in 1814, which is recorded at Sparta, White county, Tenn.

In the ten years following the War of 1812 a large number of Cantrells moved from the Carolinas to Tennessee, Georgia and Alabama.

In 1824 he received a grant of land on Sink creek, Warren county, which is recorded at McMinnville, Tenn.

136. WILLIAM RILEY CANTRELL[6] (John,[5] Abraham,[4] John,[3] Joseph,[2] Richard [1]) was born in Spartanburg county, S. C., July 28, 1809, and was a small boy when his parents moved over the mountains into Tennessee. Married Constance Magness, daughter of Perry G. and Mary Cantrell Magness, May 31, 1830. She was born Nov. 15, 1815; united with the Predestinarian Baptist church at old Bildad in 1850 and was a faithful and consistent member there until her death, a period of fifty-four years, as she died Aug. 18, 1904. He died Feb. 5, 1885.

One of the older members of the Cantrell family in Tennessee is our authority for saying that: "All the older Cantrells who went from the Carolinas into Tennessee were Baptists, and as there were then, as well as to-day, several kinds of Baptists, these were desig-

to the rank of Major. Clark's History of the Regiment states that the Twenty-first Reg. was engaged in the bloodiest battles of the war, some of the greatest in history. In the battle of Winchester, never were men so mangled and pierced with so many cannon balls. And Clark's History goes on to say that the Confederate and Federal medical staffs were especially interested in Capt. John W. Beard of Co. F. who was pierced with eight "Minnie Balls," yet recovery was complete, and he served to the close of the war.

At the close of the Civil War John and family moved to Lawrence, Kansas. They traveled by boat and railroad. Mrs. Beard's parents and family (the Henleys) came west with them, but chose southern Kansas for their permanent home. John Beard soon became associated with Steinberg clothiers in Lawrence, but in the early seventies he established a hardware and queensware store which he successfully conducted for many years. Later the store was sold and John traveled for the Leis chemical company and also Barteldes Seed company.

John's family scattered widely. At the time of Herbert's death he resided in Seattle where his widow and daughters still live. James lived, at one time, in Australia, but is now established in the X-ray business in San Francisco, Calif. Kenneth, the youngest son, is employed in Montana. The widowed daughter Lena, lives in the Beard home built by John in 1870. She is an accomplished person, having composed a great deal of poetry (and was successful in having much of it published); she paints beautifully and has composed some music. She is a member of Pi Beta Phi. Is a member of the Presbyterian church.

James Wm. Beard, the youngest son of William and Martha, settled in Kernersville, N. C. and founded the mercantile and tobacco manufacturing firm of *Beard & Roberts.* James Wm. Beard, Jr., the eldest son, is employed by the Royster-Gauno (fertilizer) company in Norfolk, Virginia. Both of his daughters are married to medical doctors, and his son Ralph is employed by an electrical company in Pittsburgh. Carrie, the only daughter to marry, is the wife of a prominent dentist in Winston-Salem, N. C., Dr. Phin Horton. J. Grover Beard is listed in *Who's Who.* He is Dean of the University of North Carolina School of Pharmacy at Chapel Hill, N. C. His son J. Grover Beard, Jr., was graduated in 1932 from the Cathedral School in Washington, D. C.

James senior's son R. Bruce Beard was educated at A. & M. College, Raleigh, N. C. At the time of his marriage he was engineer on the Seaboard, and was City Engineer of Jacksonville, Florida for eleven years. He held that position at Gainesville, Fla. at the time of his death. His wife Meta was educated at Meredith College. She is the daughter of John Wm. Upchurch of Raleigh, one of the oldest retail and wholesale merchants of that city. Meta's grandfather I. L. Wright was a professor of Greek for twenty-five years at Trinity College.

Susan Mabel Beard, daughter of Bruce and Meta, weighed only 2½ pounds at birth, but is a strong woman to-day. She married Edward Stearns, a descendant of Isaac Stearns who came from England to Salem, Massachusetts in 1603, a wealthy, influential man.

R. Bruce Beard, Jr., became a mechanist and lynotype operator, but is now mechanical superintendent of the Gainesville Sun, daily newspaper there. He is a member of Gainesville Lodge No. 41 A.F.A.M. of high standing—also a member of Lodge of Perfection No. 4, Valley of Jacksonville, Orient of Florida, and Gainesville Forest No. 105, Tall Cedars of Lebanon. He is president of the Gainesville Typographical Union, and belongs to the First Methodist Church.

Marjorie Beard's husband Wilbur Masters is an electrician.

On the expiration of that period he took up his abode near Independence, Kansas, where he followed agricultural pursuits for two years and then returned to Oklahoma, settling in Washington county. Through the succeeding six years he devoted his attention to the operation of a farm on Hogshooter creek, after which he disposed of the property and removed to his present location at Glenoak, on the Bartlesville-Nowata road, where he has conducted a general merchandise establishment during the past sixteen years, the oil men and farmers of the vicinity according him an extensive trade. He erected and owns the store in which the business is carried on and has a stock valued at about fourteen thousand dollars. D. Palmer, of Washington, D. C.; Dorothy, who is connected with the North Carolina Department of Revenue; and William Hamilton Jr., who is a medical student at the University of Maryland.

Mr. Sawyer has long been active and prominent in the Baptist church, having for the past twenty-five years been associated successively with the Tabernacle Baptist, Pullen Memorial and Hayes-Barton Baptist churches. For twelve years he was a teacher in the Sunday school and has also been a choir member. Civic and public affairs have always claimed a large part of his attention and his interest has also centered in law enforcement and in the history of North Carolina. His labors in behalf of the state have been far-reaching and beneficially resultant.

ROBERT THEODORE UPCHURCH, M. D., a physician who for twenty-five years has been a leader at Henderson in public health and sanitary work, was born at Apex, Wake County, North Carolina, January 22, 1881, a son of William B. and Sallie (Chambers) Upchurch and a representative of one of the old and honored families of Wake County that has here been represented through several generations. The family had been established first at Jamestown, Virginia, at a very early period in the colonization of the new world, after which a removal was made to Wake County. William B. Upchurch, the father of Doctor Upchurch, was a merchant and planter at Apex. He also had extensive real estate holdings, banking and industrial interests and was a farmer and tobacconist. He was actively identified with the upbuilding of his community, took a helpful interest in promoting public welfare and was a recognized leader in Democratic circles of his day, serving as a member of the State Legislature in 1891. Educational progress was a matter of deep concern to him, as was the religious and moral advancement of the community. He helped establish the Sunday school and was largely instrumental in the building of the Green Level Baptist Church, and he was a deep student of Masonry. He died in February, 1925, and his wife, who was born in Montgomery County, North Carolina, near Carthage, passed away in 1898. Her people were from Charleston, South Carolina, and two of her brothers were killed while serving in the Civil War. Her father was a planter and slave owner of Montgomery County. Mrs. Upchurch was educated in the Greensboro Female College, which she attended during Civil War days, and by her marriage she became the mother of six sons and a daughter.

Dr. Robert T. Upchurch attended the Buies Creek school and for one year was a student at Wake Forest. With the idea of ultimately becoming a physician, he entered the University of North Carolina, where he won the degree of Graduate in Pharmacy in 1904. He next entered Jefferson Medical College, where the degree Doctor of Medicine was conferred upon him in 1908. He gained valuable practical experience as interne in St. Vincent's Hospital at Erie, Pennsylvania, and he began private practice at Henderson, North Carolina, in 1910. In 1919 he did special work at Harvard University for six months under Doctor Cabot, a famous diagnostician. He has also taken postgraduate work at Jefferson Medical College and at the University of Pennsylvania in Philadelphia and in 1928 he again entered Harvard University, where he did special postgraduate work in cardiology. He has likewise taken postgraduate work at the University of Pennsyl-

vania on metabolism. In addition to his private practice he has for twenty-five years been the leader in public health movements and sanitary work in Henderson, where he has pioneered many sanitary projects leading to reorganization or to the passage of public health ordinances that now receive the strong endorsement of public opinion.

On the 27th of June, 1916, Doctor Upchurch was united in marriage to Maria Parris, of Hillsboro, North Carolina, a graduate of Salem College, Winston-Salem, North Carolina. She also took a postgraduate course at Columbia University and taught home economics at Oxford College prior to her wedded life. Doctor and Mrs. Upchurch have a daughter, Anne Chambers, who graduated in 1938 at St. Catherine's school of Richmond, Virginia, and is now a student at Hollins College, Virginia.

The Doctor owns a small farm near Henderson and its cultivation is perhaps his hobby. He has long been a deep student of philosophy and is recognized as a man of sound and discriminating judgment. He is particularly interested in all phases of medical progress and advancement and he was one of the leaders in organizing the movement for the establishment of the Maria Parham Hospital at Henderson, which was opened to the public July 1, 1925.

GEORGE ALFRED ISELEY, mayor of Raleigh, who as a result of a third reelection is serving for the fourth term as the chief executive of the capital city, was born on a farm near Burlington, North Carolina. In his youth he had no particular financial or educational advantages, pursuing his studies in the public schools and Elon College. In his boyhood he worked in a drug store and afterward attended Page's School of Pharmacy. He became a registered pharmacist and was employed in a drug store in Burlington, while later he was chemist with a manufacturing drug company, the Justice Drug Company of Greensboro. Military activities then interrupted his business life, for from May, 1917, to July, 1919, he was with the United States Army, being with the medical department of the Sixty-fourth Infantry of the Seventh Division. He was transferred to U. S. A. Laboratory No. 1 and he became a sergeant, first class, of the Hospital Corps, with headquarters at Neufchateau, while following the signing of the Armistice he was with the Army of Occupation in Germany.

On the 20th of February, 1920, Mr. Iseley came to Raleigh, where he has since made his home, and here became a partner in the Boon-Iseley Drug Company, owning one of the most widely known drug stores in North Carolina. His leadership in trade circles was indicated in his election in 1931 to the presidency of the North Carolina Pharmaceutical Association. He is the author of various articles on store management which have appeared in drug journals.

On the 11th of June, 1924, Mr. Iseley was united in marriage to Florence Bingham, of Daytona Beach, Florida, who is active in welfare work and in the Red Cross. Mr. Iseley is a Mason. He is a past commander of Raleigh Post No. 1 of the American Legion, was a charter member of the Civitan Club, and is now a member of the Lion's Club. He has long been deeply interested in civic affairs, considering it to be the duty as well as the privilege of every good citizen to support the principles in which he believes. A recognition of his high standing led to his election in 1931 to the

have four children; they are members of the Baptist Church. Politically, he is a Democrat. Mr. Trask was elected county treasurer in 1884, and re-elected in 1886, which position he has since filled. He is a member of the Missouri State Pharmaceutical Association.

Andrew H. Trask was born in Washington County, Mo., in 1829. His father, Putnam Trask, was a native of New York City, and was born in 1809; the latter, when a young man, came to Washington County, Mo., and for some years was engaged in mining. He met and married Polly Campbell, a native of Missouri, and of their twelve children Andrew H. was the eldest. Soon after marriage Putnam Trask settled on a farm which he conducted in connection with mining, and in 1838 located in Crawford County, on the farm now owned by Andrew H. In 1850 Andrew H. and his father went to California, and for the following ten years were successfully engaged in gold mining. Putnam Trask was a highly respected citizen, and lived to be about seventy-two years of age; his wife died at the age of sixty-six years. In 1853 Andrew H. Trask married Lucy A. Moutray, a native of Jefferson County, who was born in 1836. Of the fourteen children born to this union but seven are living, viz.: Josiah A., Henry S., Frances O., Samuel I., Napoleon B., Melvin and Julius E. Mr. and Mrs. Trask and six of the children are members of the Baptist Church. In 1862 Mr. Trask entered the Union Army in Company E, Thirty-second Missouri Infantry, and took part in the battles of Chickasaw Bluff and Arkansas Post. He held the rank of sergeant, and after one year's service was discharged on account of ill health. He is a Mason and a Democrat, has been justice of the peace for many years, and was county judge two terms, serving as presiding justice the greater part of the time. He is a successful business man and one of the heaviest taxpayers of Courtois Township.

Martha, widow of the late Jacob Treece (deceased), was a daughter of Emmor and Mary Bails, natives, respectively, of Virginia and Pennsylvania. She was born in Ross County, Ohio, in 1809, and was married to Jacob Treece in 1828. By this union were born eight children, four sons and four daughters, viz.: George, Andy, Henry, Byron, Emily, who became the wife of E. G. Evans, Maria L. and Eliza, deceased in infancy, and Maria E., widow of the late James A. Pinnell. The parents came to Missouri in 1848, and settled in Crawford County, which country was then wild and sparsely settled. In 1850 Mr. Treece purchased eighty acres of unimproved land, and moving his family from the Meramec Iron Works, where he had previously been engaged, he turned his attention to farming. He added to his farm from time to time until he owned 217 acres, the most of which is now under cultivation. Mr. Treece was suddenly called from an active and useful life in 1881, deeply mourned by one of the oldest and most highly respected families of Crawford County. He was a Republican in politics, as are his sons, three of whom served in the late war, George as first lieutenant, Andy as major, and Henry as captain. Mrs. Treece has lived to see many changes in her adopted county, and has reared a most interesting family. Though she has long since passed the allotted four-score years and ten, she is still possessed of an active mind and takes a deep interest in all around her.

John Jordan Upchurch (deceased) was the founder of the fraternity known as the Ancient Order of United Workmen, and was born in Franklin County, N. C., March 26, 1820. His parents were John and Elizabeth (Hill) Upchurch, also of Franklin County, N. C., the former of whom died when John Jordan was but two years of age. The latter was employed as a clerk at the age of twelve

years, and clerking, farming, and running a sawmill furnished him employment until 1841, when he married Angelina Green, and soon after began keeping hotel at Raleigh, N. C., where it is said he conducted the first temperance house south of Mason and Dixon's line. This venture, however, proved unprofitable: but, possessing the happy faculty of always finding something to do, Mr. Upchurch was successful as an engraver, a railroad agent, horse-tamer, locomotive engineer and master mechanic. A strike in 1864 impressed him with the injustice done to both capital and labor by the existing unions, and he began to study principles that should underlie a union benefiting both. In 1868 was created the noble order of the Ancient Order of United Workmen, of which Mr. Upchurch was the honored father. In 1873 he located in Steelville, where his family still reside. During the latter years of his life he visited, by invitation, Grand Lodges from the Pacific slope to the Atlantic coast, and everywhere was most cordially met with expressions of highest esteem. Upon his visit to Cincinnati, Ohio, he was presented with a gold medal, bearing the emblems of the order, anchor and shield, the former set in diamonds, and, on the reverse side, engraved, "Presented to J. J. Upchurch, P. S. M. W., Father of the A. O. U. W., by the members of the Supreme Lodge, 1882." Mr. Upchurch died in 1887, deeply mourned by his widow and five living children. Of his sons, Theodore F., a machinist, served nearly a year in the late war, in Company K, One Hundred and Twenty-seventh Pennsylvania Volunteers, and married Sarah Millspaugh, by whom he has one daughter; John C., a carpenter, married Emma Wheeling, and has one son; William A., an undertaker, wedded Olivia E. Adair, and has two sons; Horace C. is also a carpenter, and Curtis L. is a barber. Two of the boys, John C. and William A., are members of the A. O. U. W., and all are Democrats in politics.

Lorenzo D. Viemann, of the firm of Burchard & Viemann, Oak Hill, is a native of Gasconade County, and was born in 1848. He is the eldest of five children born to Garret and Martha (Ridenhour) Viemann, natives of Germany and Missouri, respectively. Lorenzo D. Viemann was reared to agricultural pursuits, receiving a good education in the common schools. He began doing for himself in the capacity of a school teacher and farmer. In 1872 he married Mary, daughter of Daniel and Eliza J. McMillen. Mrs. Viemann died in 1879, the mother of one child, also deceased. In 1886 Mr. Viemann was married to Henrietta, daughter of William and Sarah Fort. One daughter, Fannie, has blessed this union. Mrs. Viemann was the widow of the late Franklin Benner, by whom she has one child, Nellie. In 1878 Mr. Viemann engaged in the mercantile business in Red Bird, Gasconade County, where he was the proprietor of a general store, carrying a stock worth about $2,000 until 1880. He then opened a store in Knob View, Crawford County, which he conducted about eighteen months. In 1882 he purchased his interest in his present business at Oak Hill. The firm is doing a splendid business, and carry a $5,000 stock, handling the produce of the country, as well as an assorted stock of general merchandise. Mr. Viemann was appointed postmaster of Oak Hill in 1884, which office he still fills. He was also appointed notary public in 1885. He is a member of the Democratic party, and belongs to the Masonic order. Mr. Viemann owns a nice residence in the village of Oak Hill, where he resides, and about forty acres of land in the county, beside property in the State of Dakota.

was born at Grayville, Ill., February 15, 1877, and was raised on a farm, attending the common schools of his neighborhood and finished his literary education at Union Christian College at Merom, Ind. Afterwards he taught school one year and then began the study of medicine under Dr. J. M. Durham, of Grayville, Ill. He graduated from the University of Louisville, Ky., in 1894. In May of that year he located at Cynthiana, where he has since resided and practiced his profession. His ancestry, of English origin, were pioneer settlers of Indiana, coming from Bedford county, Virginia, in 1810. Dr. Turman belongs to the County, State and American Medical associations. He was president one year and secretary two years of the county society. He was married in August, 1895, to Miss Agnes Bixler, of Vanderberg county, Indiana. They had one child, Claude Kenneth, now a graduate of the Cynthiana High School. Mrs. Turman died in October, 1904. In March, 1906, Dr. Turman married Grace Bixler (nee Emmerson), of Gibson county. Dr. and Mrs. Turman have two children, Robert E. and Agnes Lucile. The Turman family are members of the Christian church, and Dr. Turman is a deacon in his church and director of the choir.

Dr. David Walter Welch was born near Galatia, Ill., in 1848. He is the son of E. G. Welch and Nancy (Upchurch) Welch. The father was of an old Virginia family, but was raised at Murfreesboro, Tenn., and moved to Southern Illinois when quite a young man. Dr. Welch's mother was born at Galatia, which was founded by her father, David Upchurch, lived there all her life and died in the same village at the age of eighty. The father died at the ripe age of eighty-eight in the same village. Dr. Welch, the oldest of twelve children, was reared on the farm near Galatia, attended the village schools in winter and later the Illinois State Normal at Normal. He taught school for fifteen years, three years in Shawneetown, Ill.; two as assistant superintendent of Evansville, Ind., schools; two as superintendent of Rockport schools, which he re-organized and graded, and two as superintendent of schools in Boonville, Ind. and gravel roads in Posey county. He met fierce opposition and defied it. Before that the county had not a foot of decent road. They have at this time more than 200 miles and are still building.

Dr. John W. Powell, late of Mt. Vernon, Ind., now a resident of Evansville, Ind., was born in Henderson, county, Kentucky. June 16, 1844, and is the only son of eleven children born to James M. and Matilda (Greene) Powell, who were born, the former in Kentucky, the latter in Virginia. The father was a farmer and resided in the county of his nativity all his life excepting two years spent in Indiana. John W. obtained his literary education in the Asbury Universtiy, Greencastle, Ind., and later at Washington College, Lexington, Va. He received his medical education in the University of Louisville, Ky. He began the practice of his profession in his native county, remaining there until 1880. In December of that year he came to Mt. Vernon, Ind., and spent several years in that place and its vicinity. A few years ago he discontinued the practice of medicine and moved to Evansville, where he now resides. In 1870 he was married to Miss Belle Dorsey. To this union six children were born, three of whom are now living.

Dr. Daniel Neal, one of the oldest physicians of Posey county and for many years a resident of New Harmony, is a son of Max and Anna (Williams) Neal, who were of Irish lineage. They were natives of South Carolina, and when Indiana was yet a Territory, removed thither and settled in Posey county, where Dr. Neal was born January 21, 1828. His early life was passed on the farm and then he spent three years in the Mt. Vernon public schools. He worked in a dry goods store one year and then crossed the plains to California, where he remained until 1852, when he returned to his native county. He began the study of medicine with Dr. Mott, of New Harmony, in 1853, and in 1854 he attended the Transylvania Medical College at Lexington, Ky., and two years later began the practice of medicine in New Harmony. In 1857 he moved to Jackson, Ill., but in 1866 returned to New Harmony and resumed the practice there. He married Martha Bennett in May, 1857. Four children have been born to them—Nellie, Mollie, Benjamin and August. About eight years ago he removed to California, where he has since resided.

Dr. Samuel O. Rawlings, one of the oldest physicians in Posey county, was born in Olney, Ill., September 10, 1845. His father, Lloyd Rawlings, was born in Ohio and moved to Illinois at an early day. He was one of the "forty-niners," and while in the gold fields of California had an encounter with a grizzly bear and came off second best, being disabled and disfigured for life. He died in 1885. Dr. Rawlings began the study of medicine in his native county under the tutorship of Dr. M. Vancouglan, and entered the Cincinnati College of Physicians and Surgeons in 1869, graduating therefrom in 1873. He located in New Harmony in

Anton, born August 13, 1902. Mr. Kemper died November 15, 1910. He was a farmer all his life, and belonged to the German Methodist Episcopal church.

David Walter Welch, M. D., of Mt. Vernon, was born in Saline county, Illinois, near Galatia, March 5, 1848, and is a son of Egbert G. and Nancy (Upchurch) Welch. His father was a native of Tennessee, and came of an old Virginia family, and at the age of eighty-eight years he died at Galatia, Ill., where he was a pioneer settler, and his mother was born at Galatia, Ill., and was a daughter of David Upchurch, who came from North Carolina to Illinois, and was the founder of Galatia. Dr. Welch was reared on the farm, attended the country schools, and the Illinois State Normal at Normal, Ill., and then engaged in the profession of school teaching for fifteen years. He was superintendent of schools at Rockport, Ind., for two years, of the schools of Boonville, Ind., for two years, having previously been assistant superintendent of schools at Evansville, Ind. His early teaching was in Illinois. He was at Shawneetown for three years. He read medicine in the office of Dr. George B. Walker, dean of the Evansville Medical College. He then began practice in the country about five miles northeast of Mt. Vernon. He located in Mt. Vernon in 1888. He did post-graduate work at the Chicago Clinical College, and is a member of the Mt. Vernon City, the Posey County, and Indiana State Medical societies, and also of the Ohio Valley Medical Association. Dr. Welch married in 1868 Jennie R. Wright, of Cloverport, Ky. They have five sons and two daughters. The Doctor is a Prohibitionist in politics. He is not only an able and prominent physician, but as a citizen is progressive. To him is largely due the steps that led to the improvement of the public roads in Posey county, in which matter he received strong opposition, but the splendid roads of the county stand as a monument to his spirit of progress and foresight.

Douglas C. Ramsey, M. D., a prominent physician of Mt. Vernon, Ind., was born in Xenia, Clay county, Illinois, son of George D. and and Mary A. (Price) Ramsey. His father was born and reared in Cincinnati, Ohio, and his mother in Vincennes, Ind. The father was a physician and practiced at Xenia, Illinois, where he died at the age of seventy-seven, and the mother died at Mt. Vernon, aged eighty-two. The name Ramsey is of Scotch origin. Douglas Ramsey attended the public schools and for two or three years had a private tutor. He graduated from the Washington University in 1880, and shortly afterward located in Mt. Vernon, remaining here since that time. He took a post-graduate course in the St. Louis University in 1893, one in the Chicago Policlinics in 1895, and has visited Montreal and other Eastern cities to obtain medical knowledge. My mother once said she and sisters grew up not knowing they were poor. Vaiden, Mississippi, was electrified only in 1940, the same year the U.S. highway was paved. Three years later Western Union sent her to Seattle - one need not wonder that she never returned home.

My mother was a very private person and she never spoke a great deal about her life or family, nor did she write letters. Yet family was important as she kept letters and postcards she received.

She will be missed

Dear Cousin Charles & Virginia,

Sallaine and I were saddened by the news in your letter of 31 AUG 2004 that your Mother had suddenly and unexpectedly passed away. We have both lost our parents and can understand what you must feel. When my mother died at 86 in 1984 it was a great loss to me.

It was most fortunate that you were able to visit your mother so recently and that surely must have been a joyful reunion. You will always have that experience as a treasured memory along with so many more you must have of the many turns of events in your shared lives.

From all I have heard the journey you now have to manage the estate will be a challenge. When Sallaine's parents died in 1969 the six

Children divided up the manor personal effects much as you and your siblings did. This process told us something about the parents. There were hoarded gold coins to be distributed (Held against a 1930's law) and a substantial collection of silver dollars. Some of these assets were found stored in a table leg. Among the distribution of books Gallaire got a family bible. Years later we discovered several hundred dollars inserted between two sealed flyleaf pages. From this you can grasp the mentality of a couple who struggled through the Depression. I am sure you have a collection of experiences which are telling and unique.

Thanks for sending the death certificate and the other information.

May you find peace that passes understanding

Sincerely Yours

Phil Upchurch

[Death certificate for Edna Jerome Bishop to her Biofile]

Hello Phil

I am sorry that circumstances prevented our visiting Salt Lake City to see if we could add to understanding of Sarah's husband.

We visited my mother for a week and then went on to Seattle to stay with my wife's mother. Shortly before we were to leave Seattle on the trek home, via Yakima and Salt Lake City, we learned that my mother has passed away. Circumstantial evidence shows she died on Wednesday, apparently peaceably, but she was not found until Sunday when the neighbors had become concerned about the mail and newspapers. Needless to say life has been most complicated in the last two weeks as I have had a crash course in settling an estate. It didn't take long to realize that recovery value of one's possessions is minimal and thus I and my two siblings have divided the furniture and property as equitably as possible. We returned with a U-Haul truck to Missouri. Dealing with finances has been arduous but I think we are now clear with the banks – I still have a number of other matters and accounts to track down and settle. Because my mother left funds for the education of the grandchildren I will be dealing

COPIED FOR BIOFILE OF EDNA JEROME BISHOP

with this for another decade. (2)

At least we had the last visit. Although my mother had health problems, her death was most unexpected.

I may not have mentioned this before, but only four weeks ago her younger sister Mamie Elizabeth (Bishop) Booker passed away. My sister's husband Robert Morse also died about that time. I will try to remember to forward the dates to you at some later time.

Dear Cousin Charles,

I am writing in hopes that you can help me solve a special problem. First some background.

Sallaine & I had a delightful visit to NC/SC/TN 27 MAY - 12 JUN 04 and I collected a large amount of data which I am still processing. A major event was a visit to Jackson Co, TN to work on the family of William U b 1778 (NC). We do not know his father but a large bank of data on his descendants is building. He had 3 sons in Jackson Co, TN. The processing of data on this family led me to include extraction of the relevant TN Census records. This required me to digest and make effective working copies of the record. This included creating a format to allow notations and combining records where more than one set of data was on hand (extracted by different people/modes). I am gradually completing this process for all the states. Your input of census records has been invaluable and I again express my appreciation to you for it.

So, with a good working copy of the TN census records available I have been making good progress on the William H 1778 Group - But then I get interested in further definition of other entries. Such a side-trip led me to look once again at a family of Upshaws on the Jackson Co, AL census records. I have looked at this for years without resolution. It is on this matter that I hope you can shed some light. To describe the situation let us use the enclosed sheets marked [1] → [8]

[1] Shows the 1880 Jackson Co, AL census for the family identified with "CODE X" - Entry (1)

Note that the births dated & birth States place this family in TN 1864 - 1871 (7 years, 4 children born)
AL 1873 - 1876 (3 years, 3 children born)

For some peculiar reason the family was entered twice with slight difference. The second entry includes the GM of the children - Elizabeth Upshaw (Mrs). 72 [b 1808] b SC. [The William H, IV clan was represented in Greenville Co, SC 1800 I - which may or may not be relevant]

I have been unable to locate this family on the record before this 1880 entry. The couple should have been named with 2 children as of 1870.

For [1] note Entry (2) from Billye Joyce Maynard. Note that Joyce claims the family in question descend from the marriage of Monroe U & Sarah Lawson both of MS

I have been unable to confirm what Joyce has reported. None of my Profiles for several by the name of Monroe U fit the situation.

For MS I have 2 by the name of Monroe U who belong to the James U. III clan as follows:

I. James U, III Head of Clan

A. Burwell U

1. Moses U

a. Olen Dogard Perry U

i. Moses Monroe U b 1872

ii. James Monroe U b 1835

Neither of these fit

The 3rd Monroe U I have from MS is Monroe Franklin U b 1855 [See sheet [8] enclosed]. He does not fit Joyce claim that Leroy Frank U was born 9 DEC 1874. This agrees with the fact that Frank U was shown as age 5/6 on the 1880 Census

Members of the family moved both to TN based on Census Records 1900 & beyond as follows

[2] 1900 Sarah & her sons David, John, James appear in McMinn Co, TN [where is son Willie/William age 30 in 1900 ?]

[3] 1910 - Son Frank appears in Hamilton Co, TN
Sarah + son James are either in Greene Co, TN [5]
- or in McMinn Co, TN [4]

1920 - Son James may be in Greene Co, TN [5]
Sarah & sons Frank, John & David are in Hamilton Co, TN [6]

{ ROBERT PIERCE

1930- [7] sons John + Frank appear to be in a home headed by their mother. However she is here styled as ESSIE U. Note that on [6] she was styled as Sarah E U. Hence we may speculate that she was Mrs Sarah Essie U or possibly nee Sarah Essie Lawson (if Joyce is correct)

I had first thought that you might have a special insight on the matter because it might involve the Moses U/Courtney U Sublean whose members lived in MS. It still might involve this (your) Sublean but I cannot be sure. Perhaps your familiarity with MS records will help. I checked "Those Mississippi Upchurches" by Little + got no help there.

If we could solve the puzzle it would look a lot if Upchurch names in place. Don't feel obligated to spend a lot if time on this. Any ideas/inputs will be appreciated.

We trust this finds you and Virginia doing interesting things this summer. Life here is full. We are healthy + in good spirits

Sincerely your

Phil Upchurch

Hello Phil,

This has to be very quick as we are about to leave for Seattle for three weeks.

I would guess that "Monroe" U. is not related to Courtney U. as this would make him 10 years junior to his wife.

A I did spend a couple of hours searching on the internet, but without any luck to identify "Monroe." or to find anything else about the family. The only thing I found is that Sarah E Upchurch [ASSUME SARAH ESSIE LAWSON - RPW] was buried (date of death?) 12 June 1932 in Greenwood Cemetery in Hamilton County, Tennessee. The majority of graves in this cemetery are not marked + her burial site is in this majority.

There should be a death certificate for Sarah - it could name the husband, but if not, one can then try to find her parents in the census records - this could give us where she lived and probably married

The Chattanooga City Directories should be scanned to trace sons Dolin and Frank after 1930 - also look for their death records which hopefully would clarify their father's name.

If we pass through Salt Lake City, I will try to remember to check for Chattanooga directories.

Dear Cousin Charles,

Thanks for your letter of 27 JUL 2004 and for all the details

I think it quite reasonable to propose that the Sarah E. U you found living in Hamilton Co, TN is nee Sarah Essie Lawson, widow of the elusive "Monroe U of MS". I agree with you that he is not a likely candidate to be a member of the Moses U/ Courtney U subclan. It is quite possible that his middle name may have been "Monroe" and that he might sometimes be found under his first name which we are yet to learn. Quite a few facts are now in hand about this unlinked family and surely we will come upon the key item in due course that will

help us to solve the puzzle. Any additional input you can provide will be most appreciated.

Thanks also for the Arizona records you have provided. They have been extracted and incorporated into my records. A copy of my extract sheet is enclosed. The members of the Upchurch Family in AZ are gradually being organized. Those with * are a part of the family of the twin Upchurch boys b 1871 (Gulfport, MS) to Adaline Strickland and her unnamed husband - - Upchurch. One of the twins David Allen U occupied the Arizona scene. The record you sent may present a significant bit of information in that the death record of David Allen U shows his father to have been ALLEN UPCHURCH and his mother Annie Strickland [Adaline Strickland]. This is the first indication I have had that the father could be ALLEN U. This may be a false lead as the "Allen" could refer to Allen Strickland the GF of David Allen U - or possibly to one of the Strickland Uncles who raised the twins.

It is quite a coincidence that a person I was very close to in Arizona for many

years [C. F. "BUD" DIERKING] had a connection with the Upchurch Family. Bud's brother Owen Dierking married Vera Ellis who was a granddau of David Allen U.

While in AZ I learned of the "Cowboy" James U and found & visited his gravesite in Tucson. Also got his death certificate. Still have not been able to link him.

We trust you had an enjoyable visit to the Northwest and that it will have refreshed you. At this end Sallaine says I must turn my attention to writing the next UB which we hope to mail in September. I tell her I have been writing it in my mind. She says that is not good enough. What a slave driver!

Our Best to you & Virginia.

Sincerely Yours

Phil Upchurch

Dear Cousin Charles,

I am well along in the processing of the materials you sent to me with your letter of 31MAR2004 and want to thank you for them.

Later this week we will depart for a few days in Arizona and I wanted to get back to you about O.H.P. Upchurch. The details on him you sent are essentially in agreement with what I have. There are a few differences which I may return to in the future — but nothing of real consequence.

Over the years I have had exceptional input on the Famer U IV/ Burwell U subclan and especially on the Moses U Line in that subclan. I provide herewith the 2-Page Master Outline for OHPU along with the ~~two~~ Continuation Sections [CS 24 & 53]

Also provided is a copy of my 15-Page 21-Item Profile on O+PH. Although the Master outline need to be made much more complete it seems to make sense with the exception of the marriage confusion you mentioned.

I think it clear that the children of O+PH came from the 1866 & 1881 marriage. The third marriage is open to question. It is definitely on the record (See Profile Pg 4 Item 9). And yet certain late in life records imply that he was married only twice. For example, Page 1 Item 2 shows the wife of 1887 applied for a pension in 1921 based on the CSA service of O+PH. The question then is would she be entitled to a pension if O+PH did many again in 1890 ??

The Master outline lists 16 children. I figure the first 4 (a-d) are of the first marriage. Then 10 (e-m) are of the 1881 marriage (Except "m" - WELL ??). The final 2 (n,o) are stepchildren.

I have reviewed the census records regarding O+PH which seem to shed no light on the issue being debated. Mostly if not altogether the census records do not show him as head of a household with wife & children.

Feel free to share these records with anyone who has an interest. I'll be happy to have any details which would upgrade the Master outline.

I am 100+ hours into a major project to prepare census Record Summaries for Upchurch Males and their spouses starting with the Children of Richard U, II, who came to the Moccasin Creek Area about 1755. A sample copy for your ancestor Moses U is enclosed. Copies will be placed in the Biopics of each person named. My goal is to do this for each Upchurch Male born before 1850. As I carry out this exercise it allows me to attach names to slots on the 1790-1840 census records and to search for names to fill slots if the normal processing of records does not provide the needed information. As a certain step I will work the process backwards. For example - if I find a 72 year old Upchurch male on the 1900 census shown to have been born in NC, I then know to look for a slot for a 0-5 male on the 1830 census (Likely in NC but possibly elsewhere) for which a name is still being sought. This project represents a very powerful tool for one

more step in getting our extended Upchurch Family organized. The prospects for success in this project have been greatly enhanced by the Census Records you have provided. They are a wonderful resource which I am enjoying.

For retired people we seem to be very occupied but we seem to enjoy all the proceedings. High on our priority list is to put the final touches on an issue of the UB later this month and to get it in the mail. Then in early MAY we go back to Arizona again to attend the graduation of our oldest grandchild from Northern Arizona University. In late MAY we will taking a 2-3 week family history trip to NC. We have had to defer this trip for the last couple of years so I am all the more anxious to get back to the land of my nativity.

We trust that you and Virginia are making plans for the summer and that you have some enjoyable experience in mind.

Sincerely Yours

Phil Upchurch

Hello Phil, REC'D 2APR2004

I have finished the quick survey of the 1930 census and the final pages are enclosed. I am sure I have missed many errors, but I hope I did pick up most of the relatives in the households who do not bear the Upchurch name.

I have also enclosed a tabulation of the family of Moses Upchurch who went to Texas. I have a question about his son Oliver H. P. Upchurch, from an inquiry made to me by a descendant of his third wife. Oliver seems to have had three wives, but if that is the case then the marriage dates don't work out properly. Or maybe he married four times with two wives with the same name. Or maybe an earlier wife by the name of Mary returned into his life and then collected his pension after his death. Anyway what census and other records are available don't exactly clarify his marriages. Would you have any information on Oliver?

Will continue to send Upchurch items as I come across them, but at the moment I will probably not spend a lot of time on the name Upchurch -- a google search of the internet reveals "about 129,000" available documents which include the name Upchurch, which reduces to only 3640 if I add the word genealogy to the search. Still a bit of a formidable task to go through all this information to find useful items -- especially since a number of these finds are actually commercial sites that want money to pursue what information they claim to have. A search on "Michael Upchurch Surry County Virginia" yields very little and I am attaching a couple of items which may or may not be of use.

More later. Must run to class.

Dear Cousin Charles,

The outstanding packet of materials (1920 & 1930 Census & Document extracts) under cover of your letter of 22 MAR 2004 arrived on the 25th and I am writing to express my profound thanks and to report on the processing of the materials.

Your packet arrived as I was in the midst of reorganizing my Chatham Co, NC & Wake Co, NC Census Records. My census files for the various States & Counties are becoming an ever more powerful tool for organizing Upchurch records. However, it takes a fair amount of time to take all the necessary steps. Enclosed is my composite set of data for Chatham Co, NC for 1810. Note that I have combined three different extracts. The original sets have been placed in a Backup File for Chatham Co. Now I have a series of sets of data for the different decades for Chatham County. The attached sheet and

others like it require more processing. The yellow highlighted information appears in my records as red. Note that some names have been added [ ] Also ? indicates information carried forward already to a Profile. Over time I will use Master outlines, Briefs, Comparison charts & decades to gradually complete the documentation on these census sheets. Actually my Franklin Co, NC & Wake Co, NC sheets are much more complete than the one as I have worked on them for years. Also my 1880 census records for all the States have been pretty much completed as those have been worked on for years.

The additional census records you have been providing makes it easier than ever to make all the records fit together - even though one part may be scrambled [as for example my Grandfather Upchurch family on the 1920 & 1930 census]

Anyway, I have now reformatted all the census records in your letter 22MAR04 and have placed them in the appropriate State (County in case of NC). They will increasingly come in handy.

The 36 downloads from documents are really

interesting. Enclosed is a sample cover sheet I have prepared to go with each of the 36 items. I'll more fully process these one time. In some cases I can already see some exciting new information. In other cases I can readily spot errors. In other cases I just have to get into the details to see what they mean. Such documents represent powerful tools for the Upchurch Family as the authors in many cases had access to details that would not normally surface for us.

I am on the verge of getting back to the article for the UB in which I trace the descendants of Richard II, III (4th Generation) through 1840. I have reread what we did earlier & it sounds great - just too long. I have to work on spreading it over 2 issues. The census records will be a great help as I try to polish off this article.

Our Best to you & Virginia.

Sincerely Yours

Phil Upchurch

Dear Cousin Charles,

It has now been a full month since your most welcome letter of 20 FEB 2004 arrived and I belatedly thank you for it. I looked right away at the 1870 census of KY to see if there was a Joseph U b 1829 with a daughter Mary Wayne U b 1860/1862 - but they are not there. I guess either the census taker missed them or their names are recorded in such a way that they are not easily identified by the one doing the extracting.

However, great success on this line came from another source. Cousin Linda (Entas) Doddroe, a descendant of Mary, finally learned of the date & place of her death and then arranged to get a copy of her death certificate. It clearly shows Mary was a daughter of Joseph U - hence we now have proof of the George U → Shadrach U → Joseph U → Mary Wayne U line. This allows a substantial body of

data to be carefully integrated into our Extended Upchurch data base.

It has taken me somewhat longer to process the 30 page download from the Internet on the Upchurches of Wayne Co, KY. It has taken me several days to fully process this input. It has allowed me to make significant additions to the data on the George Upchurch clan. This clan is among the top 3 or 4 Upchurch clans in terms of amount of data, number of cooperators, etc.

If similar data on Upchurch listings exists on the Internet for other states I would very much welcome such material. The states of greatest interest in more-or-less order of priority would be NC, GA, FL, AL, TX, AR, LA, TN, OK, etc. My guess is that the KY records are more abundant than for the other states. Some of this data is hard to process but I am surprised with some of the real gems that surface.

My desk is now pretty well cleared to work on the next issue of the UB. Sallaire is already well along in having the 30 pages of names, XID's, etc in the computer. She is always pressing me to "get with it"

I have recently picked up a new cooperator from Poteet, TX who has an interest in the western Wake Co, NC Area. She is Gretchen Gaye (Mann) williams and she is a the Mayor w/ Murray U Suburban. She is Internet savvy and promises to dig out data for a lot of lines and we have. However, she may be lacking in some aspects of the computer world. She recently told me in a phone conversation that she had washed her key board and it no longer would function properly.

Congratulations on identifying your ancestor Jemuel Burkett Thompson who went to MS about 1810. The more we know about these groups who traveled together the more we can understand our shared heritage. The pattern of friends, neighbors, relatives moving to the same distant location is a common pattern.

Life is Good - Our Best to you and Virginia.

Sincerely Yours

Phil Upchurch

REL'D 20 FEB 2004

20 February 2004

Hello Phil,

I did have a chance to go over the 1870 Kentucky census records for Upchurch. Enclosed is the index from ancestry.com, sorted by county and hence families in each place are jumbled together. But useful as you can crosscheck with the families from the original census records which I located by use of the index at genealogy.com. I have found that census indices can be as incomplete and filled with errors as badly as the original census, so a crosscheck is likely useful, particularly for Wayne County where many of the on-line census pages are extremely difficult to read.

For amusement I also did some searching on the internet and found a number of items that might or might not be of interest in trying to sort out the Wayne County families. These include queries at the USGENWEB Wayne County Kentucky web page and items relating to Wayne County that have been posted on the genealogy.com Upchurch Family Surname Forum. I also looked at the genealogies submitted to RootsWeb's WorldConnect Project and a number of descendancies are enclosed -- this is by no means a comprehensive search, but what was immediately obvious as to potential relevance.

Otherwise after years of searching I think I have finally identified an ancestor for my great...grandfather Lemuel Burkett Thompson who went to Mississippi with a large party of in-laws about 1810. His father, however, is also claimed by others who believe he went to Kentucky. I think the circumstantial arguments favor my conclusions. And this solves one of the curiosities of my mother's family lore, that the family was of Irish origin. Lemuel's apparent Thompson grandparents immigrated from Ireland! And they lived but 20 miles from the church of the prominent Baptist preacher Lemuel Burkett!

Felix Littleton Phipps

The qualities which have made Felix Littleton Phipps one of the prominent and successful men of Kellogg, Jasper County, have also brought him the esteem of his fellow townsmen, for his career has been one of well-directed energy, strong determination and honorable methods, and his career should serve as an incentive and inspiration for others. By his uniform courtesy, amiable disposition and genuine worth he has gained for himself a warm place in the hearts of the people of the vicinity of which this book treats.

Mr. Phipps was born of an excellent old family in the land of the dark and bloody ground, he being a native of Clinton County, Kentucky, July 13, 1867. He is the son of James Washington Phipps, who was born near Parmleysville, Wayne County, Kentucky, June 21, 1837. He married Myrtle Jane Upchurch, who was born in Wayne County, Kentucky, in 1847. The father of the subject attended school in his native state, and after finishing his education he began life for himself by working on the farm, and he also worked in the coal mines in that state when a boy, in fact continued until January 25, 1864, when he joined the Union Army, becoming second lieutenant of Company I, Thirty-first Kentucky Volunteer Infantry, in which he served very faithfully until the close of the war, after which he went back to farming in his native state and there he remained until May 1880, when he came to Jasper County, Iowa, and settled in Rock Creek Township, where he maintained his home until 1884, then moved to Independence Township, locating near Baxter, which was his home until January 9, 1899, when he moved to Sheridan County, Missouri, where he now resides. He was married in Albany, Kentucky, and his family consists of nine children, two sons and seven daughters, namely: Theodosia, Felix, Elizabeth, Martha Frances, Emorine, Anna, Mary Jane, John Jay, Ellen Ester.

The subject attended the country schools of Jasper County until 1889, when he entered the Western Normal College at Shenandoah, Iowa, leaving that institution in 1890, having thus received a good education. He then worked as clerk in a bank at Baxter, Iowa, and kept books for the John B. Dresser Lumber Company in the same town. During the summer and fall of 1892 he worked for the Reeder-Bowen Grain Company. He also taught school in the country for thirteen terms, during which time he became popular as an educator with both pupils and patrons and his services were in great demand. He was well qualified for this line of work both by nature and training. He was postmaster at Baxter, Iowa, from 1893 to 1897 giving the people and the post office department the utmost satisfaction.

Mr. Phipps was married on November 3, 1897, to Rebecca Young, in Rock Creek

Archibald Upchurch of Wayne Co. KY Posted by: Barry Decker January 23, 2003
Does anyone know anything about Archibald "Arch" Upchurch of Wayne Co. KY? He married Malinda J. Byers and had Clarinda Upchurch McGinnis, Mary Belle Upchurch Abbott, Lucinda Wayne Upchurch, Daniel Upchurch, Floyd Upchurch, Milas Upchurch, and Nannie Ann Upchurch Morgan. I know that Arch's parents were Silas and Nancy Mason Upchurch, but that's about all. I know absolutely nothing of Malinda Byers' family.

I am looking for any information about Mary Belle Upchurch, she was born to Archibald Upchurch and Malinda Byers in Wayne Co. KY in about 1874. She died November 22, 1931. She and her husband are buried in the Upchurch Cemetary in Fentress Co. Tennessee. Apparently that's where they moved to sometime after they got married. They lived in Travisville, Fentress Co. Tennessee, and they had seven children together. Rutha Jane, Lifford, Annie Lee, Sam, Ted, Otto, and Vannie. Also any information on her mother Malinda Byers would also be greatly appreciated. I dont' know anything about the Byers side of my family. Mary Belle's brothers and sisters goes as follows: Clarinda J. Upchurch (married James McGinnis and buried in the Dishman Cem. in Slickford, Wayne Co. KY), Lucinda Wayne Upchurch (born abt. 1871, Thomas Wesley Upchurch (born abt. 1873), Milas Richard Upchurch (born abt. 1876), Daniel V. Upchurch (born abt. 1879), Floyd Upchurch (born abt. 1881), and possibly a Nancy Ann (Nannie) Upchurch (born November 22, 1881 and died December 6, 1944. Buried in Pine Knot Cemetary in McCreary Co. KY. Married William Lewis Morgan.) That's about all the info. I have, I hope someone out there has more.

I would like to correspond with others researching the Joseph UPCHURCH family. In Wayne co. KY birth rec. Rebecca UPCHURCH was b. 3 Jan 1857 to Joseph UPCHURCH and Sarah J. MATHEWS. I believe Sarah to be dau of James and Martha Mathews. I did not find Joseph UPCHURCH in Wayne co. in 1870. Where did this family go ??

I found a death certificate for Sally Upchurch at the Kentucky History Center this past weekend. Born Sept. 15, 1825 in Wayne County, Sally died March 26, 1915. The informant, G.W. Fairchild, listed her father as Andrew Matthis. In the 1850 census, there is both an Andrew Matthews and an Andrew Mathis living in Wayne County. Both, however, are too young to be Sally's father.

You may already know that Sally was apparently married before to a Bunch. Her first child was named Martha Bunch.

I am descendant of JOSEPH and SALLIE MATHEWS UPCHURCH. The UPCHURCH-BURTON group has collected quite a bit of information and I will be glad to share with you. This is the first time I've heard possible names of Sallie's parents. The Upchurches bounced back and forth between WAYNE CO., KY and PICKETT CO., TENN (they border one another). Contact me at my email address for additional.

Re: UPCHURCH, Joseph dau. b. Wayne co. KY Posted by: JoAnn Cantrell December 04, 1999
Kitty, sorry it has taken me so long to get back to you. I was working on other lines and forgot to check this forum. Martha WALKER b. ca 1804 NC was married 1st to James MATTHEWS and 2nd to James HOLEMAN. On the 1850 census

for Bledsoe co. TN. James HOLEMAN was listed as age 39 b. TN and Martha was listed as 46 b. NC. Others residing in this household were James MATTHEWS age 16, Christiana MATTHEWS age 14, and Sarah MATTHEWS age 13. In 1860 Martha and family are in Wayne co. KY. Other researchers tell me that James MATTHEWS jr. married Milly UPCHURCH. So when I found the birth record for Rebecca UPCHURCH listing her mother as Sarah Matthews in Wayne co., I thought she might be the same Sarah, daughter of Martha WALKER Matthew-Holeman.

Hi I have a Rebecca Louise Upchurch who was a sister to John Lafayette Upchurch (B. 1859). They were children of Joseph Upchurch b. 1829 and Sarah Jane Bunch. I have lots of older Upchurch geneerations back from there. Other siblings for Rebecca and John were Ruth, Rachel, and Martha and there may have been more I don't have. Tammy, my grandchildren are related to Heil Upchurch. I'm doing research for them. What info do you have on Eliza Caroline Brooks?

Re: Upchurch family of Wayne Co. Kentucky Posted by: Tammy Martin Crosswhite February 28, 2002
Nanci,
I do have some information on Eliza, but it is at my home and I am at work currently. I will look tonight and then email you and let you know what I do have. I can tell you that Heil and Eliza are buried in the Grant Cemetary in Grant, Oklahoma. My grandmother has very fond memories of her grandmother. I do have a photo of Heil and one of his brothers, think there may be one of Heil and Eliza too. Feel free to email me tlcross@texoma.net. Interested in how your grandchilds are related to Heil. Tammy

Debbie,
I have Rachel Bathshares, not Ruth, as mother to my Lydia. I was given Rachel's name from someone who showed no specific documentation. Do I have the wrong name?

Re: Upchurch family of Wayne Co. Kentucky Posted by: Marcie Simpson October 11, 2001
I have the same Hiram Upchurch 1824-1906, but I have Secelia Morris as the spouse. She is my 3rd-greatmother's sister.

I also have Isabelle Upchurch married Thomas Marsh, which is my 3rd-greatmother's son. Isabelle's parents are: Shadrack Allen Upchurch and Louisa Jane Thirsey Slagle. Louisa Jane's parents are: Celia Williams and Joseph Slagle.

Dishman - Deed Book G Linda Murtaugh 7 Apr 2001 12:00 PM GMT
Hi Lynn,
I did not find a transaction for a "Jefferson" Dishman in Deed Book G - was he married to Lydia Upchurch? I believe he also appears as "Jeptha"? - if that is the case, this may be what you are looking for:
Wayne County, Kentucky - Deed Book G (Bork, 1995)
p. 22
1836 Mar 24 - Recorded: 7 Nov 1836 - page 149-150
Indenture: Abraham Vanwinkle to JEPTHA DISHMAN...$100 for 50 acres on both sides of Sandy Valley Fork of Otter Creek on a Kentucky Land Warrant...Beg. at said Vanwinkle's NE corner, a sassafras & white walnut at head of a rocky spring.../s/ Abraham Vanwinkle, Charity Vanwinkle...Wit: Archibald Dishman, Benjamin Ramsey, Moses Dishman
p. 47
1838 Jan 25 - Recorded: 12 Apr 1838 - page 341-342
Indenture: Elijah Kogar to JEPTHA DISHMAN...$100 for 30 acres by Survey on waters of Otter Creek...(1) Beg. at a sugar tree & ironwood taking part of two 50 acre Surveys...to conditional line between John Upchurch & Jeptha Dishman...(2) 5 acres...Beg. with a conditional line across the lower end of lot to creek...on said Kogar's line...to lower end of lot up the hill & clift so as to include 5 acres in both tracts of 30 acres.../s/ Elijah Kogar
Jefferson Dishman also appeared as a witness, along with Emsley Butrum, to a transaction between Thomas Jones and John Upchurch on 6 Oct 1835 (Deed Book G, p. 47)
Hope this helps,
Linda

Morgan Hughes in 1850 Census and Family History Julia O'Nei 3 Nov 2000
Patty-
Not only am I the lookup person for the 1850 Census, but I am a descendant of Randal Morgan (1805-1874), Morgan Hughes' uncle and neighbor. My grandmother's grandmother was Polly "Granny Pop" Morgan, Randal's daughter and Morgan Hughs' cousin. First, I will list his census entry and then I will post the family story of Hughes.
1850 Wayne Co Census, Division #1, Sept. 4th, 1850, Household #533
Morgan Hughes, 38, M, farmer, owns 200 acres, born in TN
Sarah Hughes, 35, F, born in KY, illiterate

Cyrena Hughes, 9, F, born in KY
Micajah Hughes, 7, M, born in KY
Hester A. Hughes, 5, F, born in KY
John Hughes, 3, M, born in KY
Lucinda Hughes, 2, F, born in KY
Abigail Hughes, 1, F, born in KY
Sarah died around 1855 and then Morgan married Lucinda Upchurch (b. 1816) on March 30, 1856. She was the sister of Preston Upchurch (Household #531). Randal Morgan's family was between these two (Household #532). I am not sure of Morgan Hughes' mother's name, but I do know she was Randal Morgan's sister. Their father was William Morgan, a Rev. War Veteran. He was in Virginia when the war broke out and afterwards moved to Fentress Co., Tennessee.
It was Wm. Morgan's land grant for military service that Randal Morgan and Morgan Hughes used in Wayne County. Virginia could not afford to pay their soldiers, so they were given land grants instead. In case you are not aware of it, Wayne County was part of the area set aside for Virginia Veterans to use their land grants. These grants could be assigned. The original settlers of Wayne County were either veterans or their children.
Morgan Hughes' father was Hardy Hughes. Hardy was born in NC. Morgan also had a brother, Wiley, but I don't know anything about him at this time.
Now for the "soap opera". Samuel Privett (b. 1790 in Virginia) and his family lived in Household #527. He had a daughter, Millie (b. 1826) who bore Morgan Hughes an illigetimate son (c. 1842) which she named Morgan Hughes, too. Morgan senior refused to acknowledge the child as his even though everyone knew it was true.
Randal Morgan, Morgan Hughes' uncle, was very upset with Hughes. When Randal's first wife, Mary Millsap, died (c. 1844) he married Millie Privett and adopted the younger Morgan Hughes. Granny Pop said that Randal loved the boy as if he was one of his own children. The boy died around 1849 of consumption.

Charles & wife Virginia arrived at 4:00 PM as planned and ~~visited~~ visited about 10:00 PM. We had dinner at Nelli – RM treat. We reviewed Charles ↑ line back to Moser H - Head of Clan & beyond & discussed the movement of his line. He did not seem to have any questions. He may have a download from his computer for me from Courtney H or Dean. He is much into the WWW. He presented me with a 5 Page Download from GENFORUM dated 18 NOV 1999 covering 1998 & 1999 exchanges re UPCHURCH. Some of the comments I know and some I do not recognize. Charles offered

to contact any of these commercials that interest me to get an address. After discussion we decided that it would be best for him to simply post a note regarding my situation and my willingness to cooperate. Charles & Virginia have been at Univ of MO/Columbia for about 20 years. They will retire to Idaho. Charles is writing a book on Thomas J. J. See, Astronomer son of Noah See of Montgomery Co, MD.

(4) 24 & 25 NOV 2003. CJP, [illegible] & wife Virginia were guests of RPH & spent the night of 24 NOV with us. Dinner at Hot Wok - our treat. Charles suggests I check with LOS about accepting and microfilming our records. (Noted in Archive Disposition File)

We looked at mills & Reeds and I agreed to send him some to consider for placing on the Internet.

Charles will try to set up an UPCOMING Web Page in the near future with my name on it.

Charles reports that he is now in Room 318 of the Physics Bld. [Formerly in room 223]

(1) 27 JUL 2003 (SUN). Called CJP Jr (573) 442-0042 and arranged to meet he & wife Virginia on WED 30 JUL 2003. I will call him at his office [(573) 882-3217] from the Campus Book Store - Univ MO in Columbia, MO between 11:30 & 12:00 on the 30th

(2) 30 JUL 2003 (WED)

Arrived at Bookstore about 10:45 AM & looked for my Book - No luck - 13th Ed & Sole Book sells for $110 new & $82 used. Called Charles & he and Virginia were our guests for lunch at a sandwich shop near campus. Virginia had to leave us at lunch to attend to student duties. Various items were covered with Charles over lunch & he then spent 2 hrs with us in his office illustrating scanning and calling up websites on the Internet. He one some of his recommendations:

- Highest priority should be to write an Updated book. He thinks there will be 200 sold. He suggests all Clans be treated equally & that I write a separate book on my part of the family. [I agree]
- Second priority should be in getting my records into an archives. [I agree]
- He thinks it unlikely anyone will surface to take over my job in whole or in part but I could try to locate someone using the UB. [I agree]
- He mentioned in passing that Ransome is overpaid [I disagree but did not say so]

② 30 JUL 2003 (WED) - CONTINUED

- He thinks I should put a big block of information on the internet for anyone to use [I disagree]
- He thinks I could increase utility of my records by scanning them so they could go on a disk. He says Master outlines would need to be machine copied first to make them darker. [Only typed materials can be searched].
- He & I agree that practically all interested in family history have little interest in expending time or money on ancestors in colonial era or even pre-civil war.
- He thinks I should just do family history for fun as long as I chose to do so and then quit [but at some point archive my materials]

Charles is complimentary of my work saying he knows of no other family that is so well organized and documented.

He says I am to remind him in a week that he might pull together all Updunck Internet records for me. [As an alternate or an add on I should ask him for census outputs]

Dear Cousin Charles,

When you and Virginia visited us on 24/25 NOV 2003 I thought there would be only a slight delay until I could get back to the project of possibly placing Upchurch wills/deeds/etc on the internet. Only today have I been able to get back to that matter.

First let me thank you for your renewal as the UB for 2004 and for your contribution to the Upchurch Research Fund. Also thanks again for the various downloads of Upchurch information. I have now processed everything you provided and am already putting portions of the records to good use. Anything more you can provide along this line will be welcomed.

I trust you had a pleasant visit to the Northwest and an enjoyable holiday season. The visit of our two older grandchildren from Arizona (Heather 21, Sandy 19) made our celebration special. We were happy to go the extra mile in making their

visit memorable. They are from a different generation.

We have also been occupied with some hay farm issues. Tomorrow we go to release (fire) two of our fine operators. They are good men but we have a new plan to implement. All of this has taken a lot of time - and while enjoyable has made it difficult to stay on top of family history projects. Along the way I get several detailed letters from family members - several each month - which require me to spend a day or so sorting each one out.

With the above said I'll quit giving excuses and get to the wills/deeds idea

Today when I got back to my stacks of wills/deeds you and I looked at I found them in need of some putting in order which I have yet to do. My first impression after 30 minutes of leafing through the mass is that this is going to be tough to get something ready for the Internet. This still may be true.

However, I started to focus on the will of James Upchurch d. 1765 and have organized some material for your review which is appended herewith. I am not sure what I am sending sets the stage for a move towards the Internet but at least it provides something for us to discuss

Here is what is provided.

Item 1 - A copy of the original text received 8 JAN 1992 - showing will Book 3 Page 425

Item 2 - Another copy of the original text - on two 11"X17" sheets - only parts B & C (in red) are relevant.

Item 3 - My handwritten translation of the will - E1, 2, 3.

Item 4 - My commentary on the will as of 19 JAN 2004

Item 5 - My Crude Master outline of the Upchurch Family (11"X17") with James Upchurch highlighted.

To me this is interesting and important material although I wish more genealogical information had been provided in the will. I think it would be great to make such information available to those interested in Upchurch family history. I am sure we can organize more Colonial Upchurch documents although much of my stack of material is post Colonial.

I will welcome any ideas you have on this matter

With All Best Wishes.

Sincerely yours

Phil Upchurch

Commentary on the will of James Upchurch written on May 27, 1765 in Brunswick Co, VA.

Circumstances cause one to conclude that the author of this will is James Upchurch presumably born about 1685 (VA) and that he was the son of Richard Upchurch b about 1658 (VA) and the grandson of Michael Upchurch, b about 1624 (England) the first Upchurch to come to America. This James Upchurch is important in that he and his presumed brother, John Upchurch b about 1698 (VA) are the only members of the third generation of the family in America thought to have had descendants.

This will provides minimum documentary proof of family relationships but beyond this provides some context for the Upchurch Family. The family had gradually moved southward in VA from Surry Co, VA where Michael U b abt 1624 settled upon arrival from England about 1638. The Upchurch family had a substantial presence in Brunswick Co, VA in the 1700's and the will testifies to that presence.

James Upchurch b abt 1685 is thought to have had four children (all male). only one of these is identified in the will. He is styled as Myal Upchurch "his younger son". One presumes that the term "his" was used rather than "my younger son" because the will was likely written for James Upchurch by a second party.

This Myal Upchurch one refers to as Michael Upchurch b abt 1728 (Brunswick Co, VA). Other possible children of James Upchurch may not have been included in the will possibly because they were already well established on their own.

The will shows that Elizabeth, the wife of James Upchurch, survived her husband but her maiden name was not revealed. While one cannot jump to conclusions one cannot overlook the possibility that she could have been nee Sedbetter or nee Mosley (Mosely) as males of both their last names witnessed the will of James Upchurch

James Upchurch and his family do not appear to have been wealthy but they were land owners and thus presumed to have been solid citizens of Brunswick Co, VA just before the Revolution. The will of James Upchurch is a valuable document for the Upchurch Family. A study of other Upchurch documents for that era when combined with this will may yet shed more light on the Upchurch Family of the colonial period.

Dear Cousin Charles,

Thank you for your letter of 26 JAN 2004 and for the excellent packet of materials provided. I have just today finished the processing. I got to the census right away but the GENFORUM exchanges presented a challenge as I have never figured out how to mesh them into my systems on an organized basis. This morning I finally developed a procedure and now have a special GENFORUM file which can accomodate all future inputs - with allowances for my notes.

A copy of the GENFORUM input from Genevieve Tharp as of 7 SEP 2003 is enclosed as an example - and for a reason. My records show clearly that the father of A & E was Abel U, Jr s/o Abel U, Sr - Head of Class. I thought Genevieve knew this. The A. U & the A. G. U she enters are still a challenge. I have more ideas and input if anyone cares to cooperate.

The "Upchurch Family Exchange" looks great. I hope it will bring some responses. Thanks for your work on it.

My earlier notes to you indicated that I had an adequate census extract for 1870 for the Upchurches of KY. This turns out not to be the case. The extract I have does not show counties and I fear it may be incomplete. This came to light recently as I tried to help Linda (Entas) Paddock identify the father of her ancestor Mary Wayne(U) McGowan b MAY 1862 (or 1860?). The 1870 census is critical as that is the census on which she should appear in the home of her presumed father Joseph U b 1829. If you have a chance to create an extract for the Upchurch families on the 1870 census for KY I would find it very useful.

It seems I get 1 or 2 letters/week providing census inputs and raising questions. It usually takes me a day or so to process/respond. It is all very productive and interesting – but it plays havoc with previously established goals.

Many Thanks.

Sincerely Yours
Phil Upchurch

Dear Phil

A very quick note as this semester is turning out to be very busy. This is why I am sending you what I have on the 1920 census - it may be a while before I can complete this and get onto the 1930 census. Here are also some recent queries from the Upchurch list at GenForum. Ancestry.com has also produced an all-name index for the 1870 census - it didn't take long to copy the index which you might compare with what I sent previously. I won't use this index to go back to the original census unless there is some entry that needs to be checked. Do note that for each geographical locale, ancestry.com has alphabetized the entries so multiple families will be jumbled together.

Your letter regarding wills was received, but I haven't had a chance to study the items.

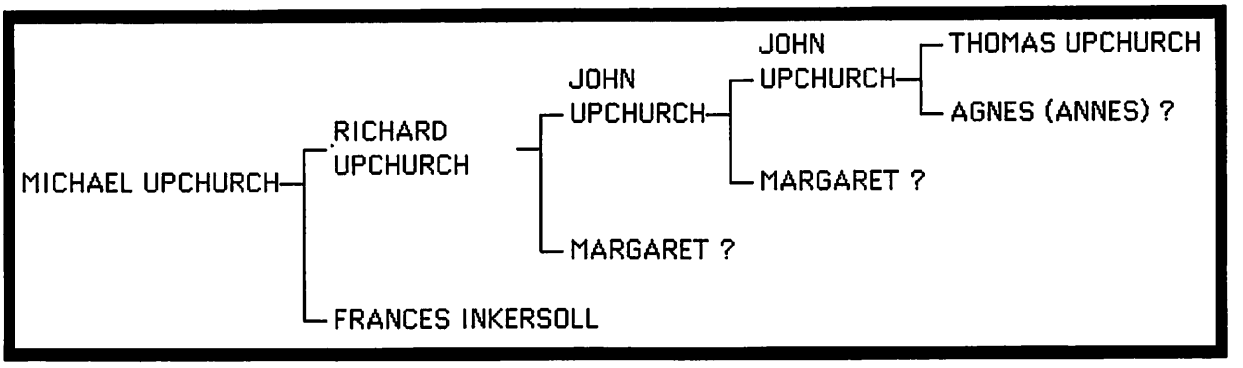
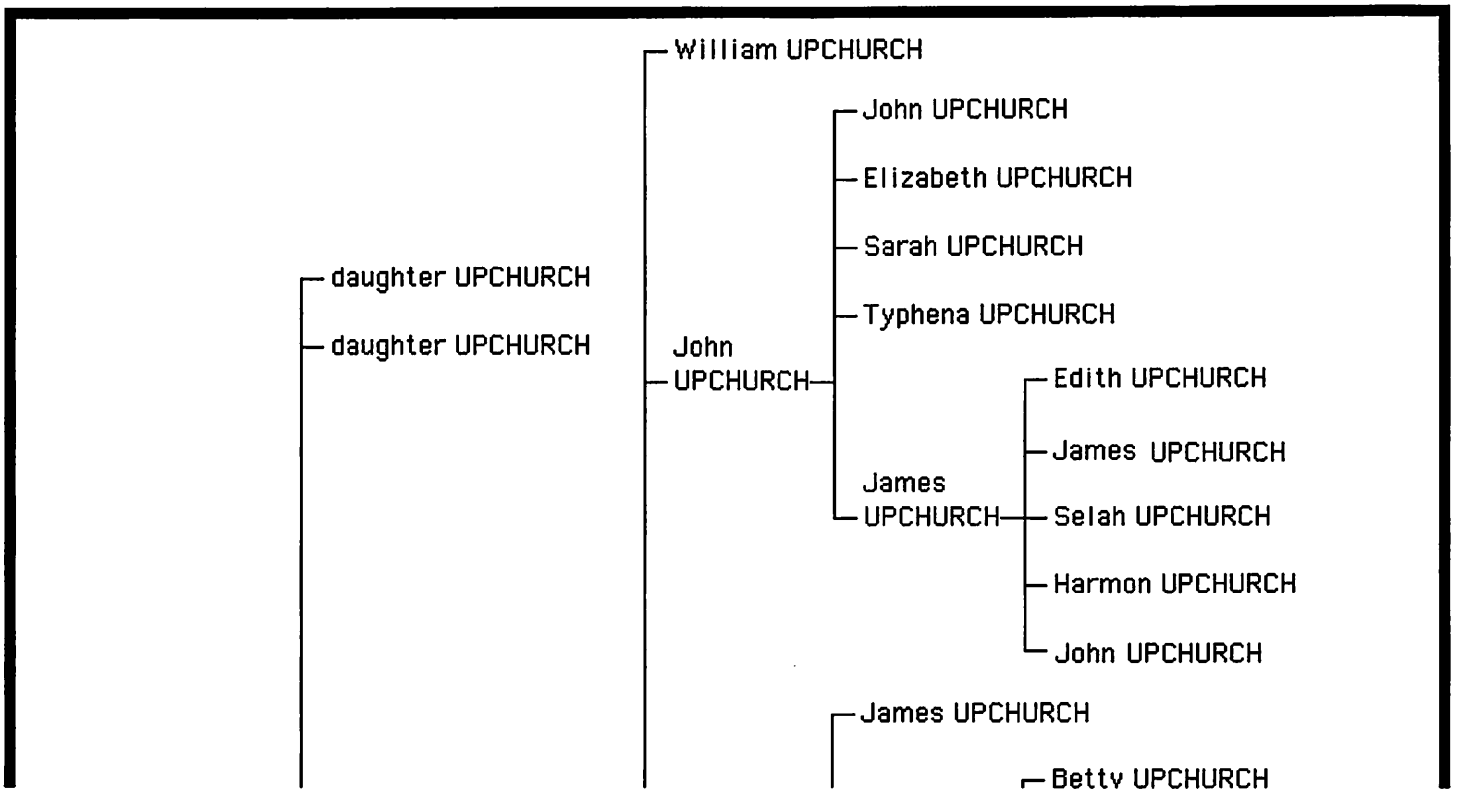
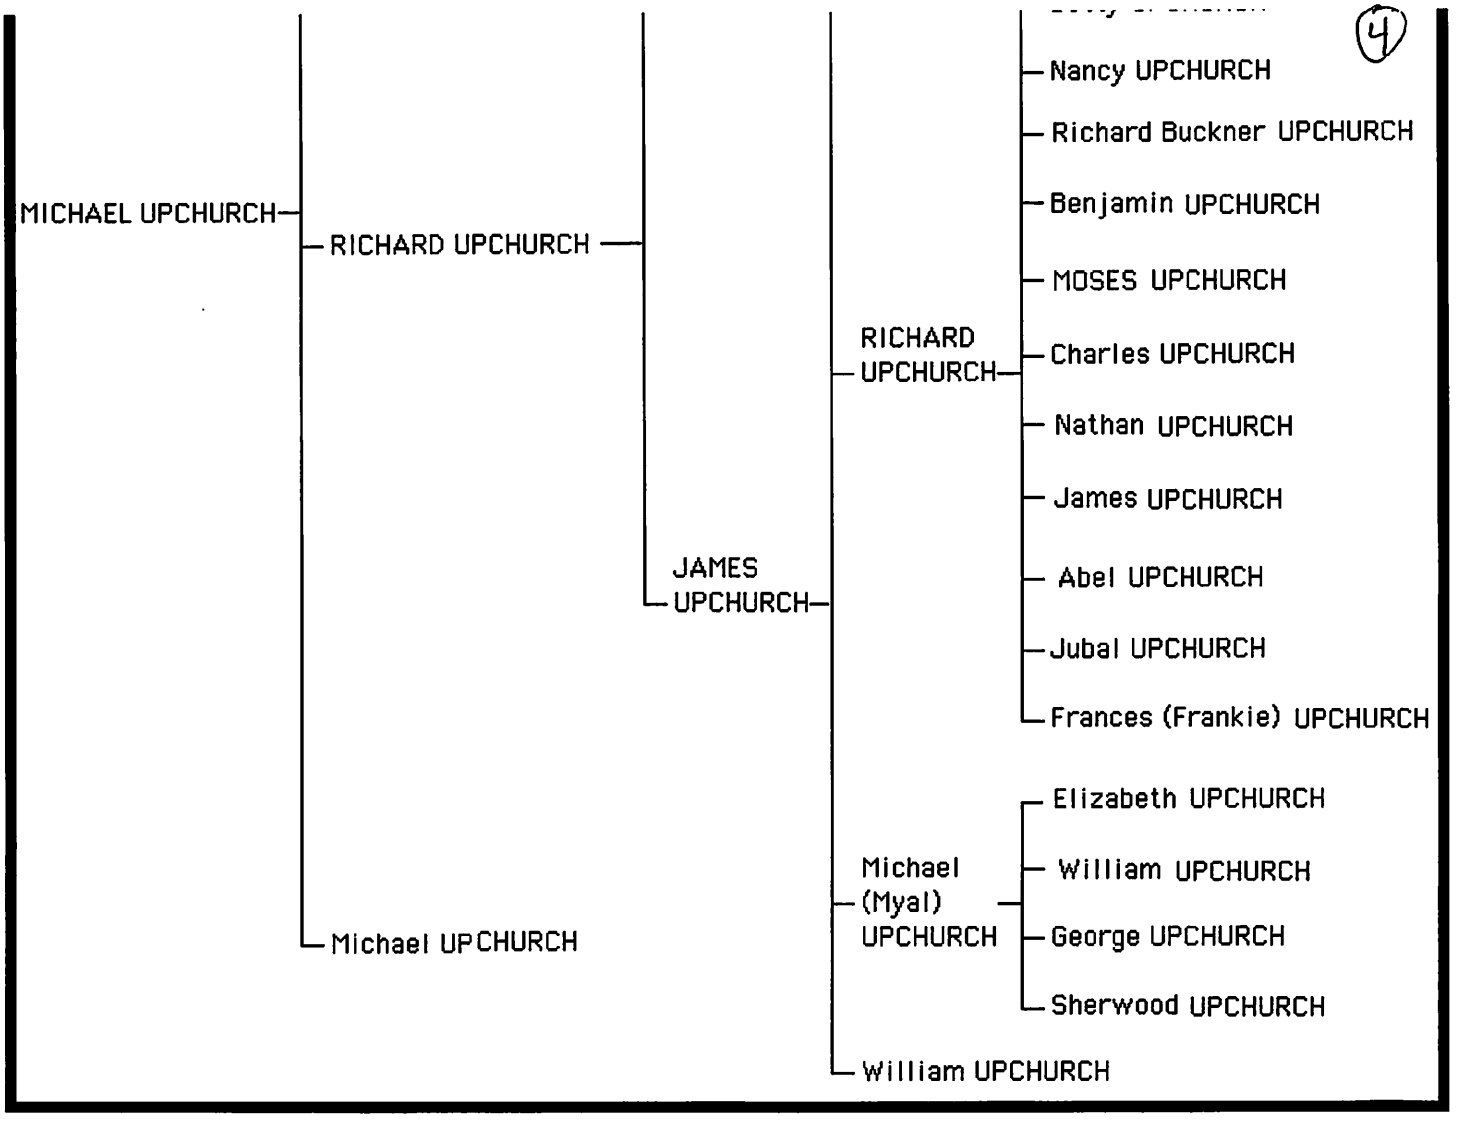
Upchurch Family Exchange

The *Upchurch Bulletin* has been published by Robert Phillip Upchurch for nearly 25 years. This journal now tabulates over 55,000 descendants of our original Upchurch immigrant, Michael Upchurch (circa 1624 - before 5 July 1681), who came from Huntingdonshire, England, to the Virginia Colony in the mid-1600s. It is believed that Michael's parents were Richard Upchurch and Frances Inkersoll of Brighton. His most likely ancestry, based on present information (additional research in the English parish records is currently being pursued) is:



Michael had four children, but all known descendants are those of his son Richard:





Significant documentation of original source materials as well as extensive family correspondence exists to establish the family relationships that have appeared in the *Upchurch Bulletin*. This vast collection of information is not available on-line, in print, or in any form at the present time, but excerpts and photocopies can be provided to our Upchurch cousins in exchange for information on your Upchurch family lines, by application to:

This caught my eye, even tho I have a different last name in my records for the marriage.

✓ Catherine Upchurch m. George Cook on 6 Jan. 1867 in Itawamba Co., MS.

Catherine was one of five Upchurch siblings, with the others being Emily A., Sarah C., Martha, William A., who were listed on 7 Aug. 1860 Itawamba Co., MS records when John A. Bryant and Sarah Bryant applied for guardianship of the 5 children.

✓ Of these siblings: Sarah C. Upchurch m. Joel Springer on 10 Feb 1874 in Lee Co., MS. On 18 Dec 1871 Lee Co., MS a marriage license was taken out for ✓ Martha Upchurch and Frederick Schumpherd, but a return never filed. William A. Upchurch took out a marriage license on 2 Jan 1882 in Lee Co., MS to marry ✓ Maggie Cunningham but a return was never filed.

There is speculation that these are the children of A. Upchurch found on 1850 DeSoto Co., MS census in household of Elias Beall, who had moved from GA to MS. At this time this A. Upchurch was 23, b. NC around 1827. An A. Upchurch is then found on 1855 directory for Bolands, Itawamba Co., MS.

There is speculation that this A. Upchurch might also be the A. Upchurch of 1849 that was headed from MS to MO to be outfitted to go out west during the Gold Rush.

There is also an A.G. Upchurch, possibly Alexander or Almenean Gaston, who took out a marriage license on 14 Dec 1852 in DeSoto Co., MS to marry Susannah B. Vaughan, with no return ever filed. He is found on 1860 DeSoto Co., MS census with family. He then either deserted his family or something as his wife married Frank Rowland in 1866. By 1867 A.G. Upchurch is in Panola Co., MS, with mentions of DeSoto Co. and Tate Co., MS. In 1873, he married Mariah/ Mona C./E. Long/Longe, but my 1880 this wife had married Berry Matthews and

Gilliam Upchurch m 1st Rhoda Anderson 2nd Eliza Jones

Posted by: Mary Lu Johnson (ID ***** 7302) **Date:** October 15, 2003 at 21:08:46

860 of 868 Go

I am in the process of abstracting Jackson Co., TN Microfilm Reel #121, TN State Library & Archives, gives many relationships from Loose Court Papers. I should be through in 3-4 weeks, and it will be published on USGenWeb's Jackson Co. site. Gilliam Upchurch b c1810 md Rhoda Anderson, d/o Nancy & Caleb Anderson. This is proven on Reel #124. They had two proven children:
1. H. Ross Upchurch b c1834
2. Carter Upchurch b 4 July 1836
Both these men applied for CSA Civ War pension.

Gilliam Upchurch md 2nd Eliza Jones, widow of Unknown Jones. She had at least one son from her previous marriage, James Jones. Eliza collected a USA pension of $144 year because a son of hers died in the Civ War. After her death abt 1894, Gilliam applied and collected it until his death 1898-1899.

Gilliam and Eliza had these proven children, but I'm not through with the reel so there could be more:
1. Thomas Upchurch b c1844
2. John M. Upchurch b 1850

William Upchurch b 1847 in Gilliam & Eliza's hh USC 1850 could be their son, but he hasn't been proven. Again, not through with the reel. The James Upchurch listed age 9 could possibly have been James Jones, s/o Eliza from her first marriage.

In Reply to: Gilliam Upchurch m 1st Rhoda Anderson 2nd Eliza Jones by Mary Lu Johnson

the 1850 jackson co tn census incorrectly lists Manerva Jones born 1836 and James Jones born 1841 as upchurch they are the children of Eliza Murray Jones Upchurch and first husband James Jones. With Gillum she had Thomas, 1844; William, 1847; and John, 1851.

On Reel 87 that you have posted on the Jackson co tn genweb, The James Murray listed in this dispute is the nephew of Eliza. Eliza Murray and the father of this James, jr (James Sr.) were the children of Thomas Murray and Margaret Mercer Murray. John Perry Murray, the solicitor is the half-brother of Eliza from her father, Thomas' 2nd marriage to Nancy Walker Butler.

George Butler Murray, also mentioned, is the son of John Perry Murray and Evelyn Eaton.

According to testimony, James Jones was in Houston, TX 1877, so he wouldn't be the one who was killed USA/Civ War.

22 July 1901
T. W. GAILBREATH for Defendant, knew Gillum from boyhood, over 40 years; know J. M., H. R. and THOMAS UPCHURCH. Knew GILLUM UPCHURCH was not influenced against his will...good sense, little education. J. W. JONES sent Gailbreath a Power of Attorney to sell land..."not to anyone in particular...from Huston [Houston], Texas in April 1877...I wrote him he could make and acknowledge a deed in Texas and send to J. M. UPCHURCH. I was informed by JOHN M. UPCHURCH that James had sent deed".

THANK YOU! I am in the middle of extracting Reel #121, Upchurch-Vanroe, and couldn't be sure of "My grandfather Murray/Neunan" and finally settled on Newton, because there was testimony by Wm Newton who mentioned "Uncle Gillum". What you posted goes right along with testimony by Gillum Upchurch and others, whose children by Sarah Anderson were H. Ross and Carter H. Upchurch. Would like to discuss this in greater length, but some still "iffy". Since GenForum no longer embeds edresses, the 1st half is hellomlu and the 2nd half is at the bottom to thwart spammers.

Question #1: Do you know which son of James & Eliza was killed in the Civil War, USA? Per testimony, Eliza collected a pension from the U. S. Gov't based on service of her son who was killed in the Civil War from 1889 until she died 1893; then Gillum collected until his death 13 April 1899.

#2: Did William Upchurch, s/o Gillum and Eliza die young?

#3: Could it be that BOTH Thomas Upchurch & William Upchurch were actually children of Eliza & her first husband? Testimony infers that Thomas Upchurch was born before Eliza and Gillum were married, but is explicit he was their son. 2nd half @bellsouth.net

Thanks for this information. We were never sure what happened to James Jones. There is a record of a land sale from Gillum Upchurch to a james jones and this fits. Also explains other mysteries re our family history and the connection to Jesse Jones of Texas (too complicated to go into here). The step son of Gillum, James Jones, served on the Southern side with his step brothers Ross and Carter in the CSA units of John Perry Murray,James' Uncle and half brother of Eliza Murray Jones Upchurch.

William Upchurch son of Eliza and Gillum served in the Union army and was killed...this is info from the noted Upchurch expert, Robert P Upchurch. I have not seen this record, but trust that it is correct. Your information supports this... as both Gillum and Eliza were collecting the pension. Don't know why the split in loyalty between north and south, but interesting!

James Murray, nephew of Eliza, connects to your group through marriages of his daughters;

Isabelle married William Newton; Mattie married Henry Newton; Cynthia married Cardwell Wheeler; other daughters,
Mollie married Whit Dowell and Nettie, John Dowell. James Murray was married to Matha Alred. They also had one son, John Dowell Murray.

James' Brother, Uriah Dow Murray, also moved to Texas, it seems a whole group of Jackson County families of this generation moved to Texas.... This Murray branch is the family of Alfalfa Bill Murray, gov of Oklahoma. (son of Uriah)

The Gailbreath connection on this reel is Eliza's sister, Margaret Murray, who married Thomas Jefferson Gailbreath. I will check my records to see if the Gailbreath who gave testimony is Margarets son?

Thomas Murray had 12 children, 11 lived, all of these families are connected somehow.

Jack

Is this the same Jack Upchurch, son of George Willis? If so, I have been trying to contact you for sometime. My 2nd great grandmother was Martha Upchurch, 2nd wife of John Thomas Bonner from Carroll County. I have traced the Upchurch family in all the census years since Thomas Gay Upchurch moved there before 1870. So far I have tracked down about 700 descendants of Thomas Gay Upchurch. Pleae contact me at doncon402@yahoo.com.

The last time we emailed each other was in Feb. 1999.

Hello Phil,

We haven't done anything on indexing the Upchurch Bulletin as the scanner is yet to be replaced — these things tend to end up as Christmas presents from us to us —

I have had a chance to start looking at the ancestry.com census indices for 1790 – 1830 and the results for Upchurchs are enclosed. You will find a few annotations regarding index errors. Likely a few Upchurchs may have been missed. Where possible I will compare with the genealogy.com indices or the paper indices in the library.

This semester I am pretty much tied up until 1:00 p.m. or so every day of the week. Nothing planned for weekends.

Dear Cousin Charlie,

Thank you very much for your letter of 1 AUG 2003 and for your extra efforts and input. I will give further consideration to the Virginia sites as I continue to look for a final repository for my records. The material on the VA sites is being made a part of my "repository site" search file.

I am impressed with what you were able to do with the scanner. With better equipment, improved techniques and advances in technology, scanning holds much promise. Still, my mind is not settled on how this promise can best be put to use on the Upchurch records. I am settled on the idea that my highest priority should be to get busy and write the Upchurch Book. Your suggestion of placing wills, deeds, etc on a CDROM is a great idea. I'll keep that in mind as the book project moves along.

A downside to scanning all of the back issues of the UB is each issue contains information that may later be found to be incorrect. I am sure you have realized this as you have looked at the various issues as they bear upon your own Moser U/ Courtney U Subdan. I do maintain a Master set for corrections but I have not been very diligent in entering such corrections.

On the other hand, my Master outline Notebooks are constantly upgraded and at any given time represent the best of our accumulated knowledge - And yet my Braille System always holds the potential to yield more parts to further upgrade the Master outlines. I need to visit with you some more so as to get your idea on how scanning might or might not apply to these two types of records.

I also have some question as to how material put out on the Internet might be used. I don't really need to make a lot (or any) money from such a project. However, I am concerned that lazy people might get all the good and not make an input

of data or money. I really should be more open to the Internet but I don't want to be "hounded". Maybe I am just lazy - or full of excuses.

Still - down the road when I am out of the picture, I would certainly want any Yarbrough descendant to have access to all that so many people have helped to assemble.

It is easy for me to understand the financial problems faced by the University. However, if this matter makes it attractive for you to retire and possibly to have more time for family history it would be a wonderful development. In due course I hope we can explore this prospect more fully.

Perhaps this will reach you as you return from your trip west which I hope will be a great success. Just last week Sallaire and I decided to book a 7 day trip to China to celebrate our 55th. We are scheduled to leave 23 SEP 03. This will replace the Upper Midwest trip we had planned for September. As I write this Sallaire is

busy entering the name for the next UB. She will insist that the mail be mailed before we depart on the 23rd. This means I have a little more work to do, I have done some already so the task should not be over burdensome.

If you happen to have an excuse to come this way please plan to visit with us - or just come without an excuse.

We still plan a 2-3 week trip to NC in late OCT or NOV - after the crops are harvested.

Our best to you & Virginia.

Sincerely yours

Phil Upchurch

Hello Phil,

It was good to see you and your wife.

It turns out my office scanner decided to die and will have to be replaced when we return from Seattle. I did scan (at home) several pages of the last *Bulletin* to get an idea of what could be accomplished with an OCR (optical character recognition) program to convert to text. A copy of one scanned file and the initial result from OCR conversion are enclosed, together with a "final product" after some additional editing. I quickly proofed the scanned file and you can get an idea of the error rate -- this looks worse than it actually is, in the sense that some of the errors will likely occur repeatedly and hence a simple SEARCH/REPLACE with a text program will be able to replace them quickly. A global SEARCH/REPLACE can correct the mistakes of "S" for "5", the loss of spaces, and a few other things, otherwise the "one of a kind errors" will take manual correction. With a bit of practice with scanning and perhaps obtaining a "more intelligent" OCR program, the error rate should decrease. The upshot is that scanning and converting all the 20+ volumes of the *Bulletin* is doable over the next year or two, and one then would have a searchable file to locate parents, children, and spouses with the aid of a computer.

Concerning the matter of a repository for your research materials -- you might consider the Library of Virginia or the Virginia Historical Society. We have used some of the collection of the VHS, in particular the research notes of the Rutmans who mined the records of Middlesex County to reconstruct its society and social mores of the 1700s. In a real sense your notes are comparable in format (handwritten records in notebooks, etc.), but far, far more comprehensive than what the Rutmans extracted from Middlesex court records.

→ Copy placed in Archive Depository File along with Attachments

Sometimes I can be a bit slow with regard to adapting to all this new technology. It occurred to me last night that the way to preserve and

disseminate copies of the wills, land records, etc., for the first few generations of the Upchurchs without massively increasing a published book would be to scan those materials and place the scanned files on a supplementary CDROM that would accompany the book. An awful lot can be placed on a CD and at minimal cost.

We will not know the state of the University until sometime after the semester begins. We have heard the dire warnings that the state budget ~~is~~ will crash in the next fiscal year and everything I see regarding the state economy unfortunately is in agreement with that. I would expect the university budget to take another major hit next year. The overall long-term prospects for the university budget allocations from the state do not appear good, but this is also part of a trend in all of American higher education. Some institutions have already worked hard to build endowments to meet these financial challenges in the future; the University of Missouri is not one of them. But it is my expectation that I will retire as soon as there are some financial incentives to leave early -- last year's surgery sidetracked exploration of the early retirement program, but I expect there likely will be another early retirement program as early as this fall.

Without the university responsibilities, then I might be in a position to consider becoming more involved with continuing the Upchurch genealogy. But at the moment I will see what I can do with building a computer searchable index.

REC'D 3 JUL 2003

Hello Phil,

I seem to keep running across Upchurch information which I cannot remember if I passed it on to you or not. If this duplicates something sent before my apology —— [THREE PACKETS INCLUDED - SEE ATTACHED]

We visited my elderly aunts in Mississippi earlier this summer, a "must" trip as it might be the last opportunity to see some of them. Unfortunately my aunt Mildred Bishop [MILDRED LOUISE BISHOP] did pass away on June 17th (XID-37731) She never married and there were no children.

We will be off to Washington state in August to visit parents and to do some minor geneadogy. Curiously enough I grew up just a dozen miles from where a first cousin of my paternal grandmother lived - she did not know of this cousin - just another example of how easily are broken the family ties.

— Charles

CHARLES JOHN PETERSON, JR

Hello Phil,

This census survey will take you up through 1870 and includes everything that you had not marked as "Y" on your list. You should have a complete survey of the 1880 census, so I will start looking at the 1900 census records.

Your list only had 44 states on it, with North Carolina among the missing. I did assume that you probably have the North Carolina records, but if not let me know and I will fill in the details for the 1860 and 1870 censuses.

Can I still assume that you are not tracking the black families? There are 181 records for 1870 (not including the 6 states for which you already had information). Obviously there will be significantly more for 1900 and I will alleviate the task a bit by not including the black families.

Charles

CHARLES J. PETERSON

COLUMBIA, MO 65203

Dear Cousin Charles,

I am in receipt of two batches of census records from you which arrived on 6 OCT & 10 OCT – for which many thanks and about which more later.

The enclosed "Special Events" sheet will let you know of how things have unfolded in our household recently. My recovery is on an excellent path and I am gaining strength day-by-day. Still I tire easily. Soon I will be able to drive and hope to come over to Columbia to see you during the first half of November. I keep coming up with ideas which I would like to discuss with you.

In recent weeks my attention to family history records has been limited. The records you sent provided just the right kind of tasks for me to perform as I was confined to my easy chair. I machine copied the records you sent and cut & taped them onto 8½x11 sheets which could be placed in my Census Files. I file by State except for NC where I file by county within the State. Enclosed is a three page sheet of

such an effort for Franklin Co, NC. You can see where I have added information in an effort to make the extract more valuable. Information from extracts other than yours are shown as [ ]. In the past I have spent huge amounts of time processing and interpreting Upchurch census Records. Much more time can be profitably spent on this project. I hope to illustrate this once again in the upcoming UB issue if space permits.

I can't tell you how important these census records are to our pursuit of Upchurch Family History. As an example my special remarking of the 1800 census record for Franklin Co, NC has now led me to a new theory about how the 5 Upchurch Children who had their name changed to Carpenter about 1803 fit into the Upchurch Family. I hope to go into that in detail in the next UB issue.

Enclosed is an updated chart as of 22 OCT 2003 showing my current holdings of Upchurch census records state-by-state by decades. Any additional downloads you can provide to make these more complete will be greatly appreciated.

Also provided is a current chart regarding the NC census records county-by-county. As you can see I have entries for 42 of the 100 counties. At some point I am sure Upchurches appeared in counties not listed. I will appreciate any downloads you can make to augment this set of data. If it is equally convenient

for you to down load all NC counties for a given decade I can easily sort out the duplicates. Any duplicates often prove useful when compared with extracts made earlier by others.

Given that my physical / mental state may not be quite 100%, do let me know if I have failed to deal with any issue you wish considered.

Please give our best to Virginia.

Sincerely yours

Phil Upchurch

Dear Charles & Virginia,

Thanks for the nice get well card and for your accompanying note. Today is 4 weeks after the operation and I seem to be doing well in every aspect.

Thanks also for the Soils book. As soon as it arrived I went through it from cover to cover. The fundamentals are the same as I studied 50+ years ago. However, I found several items that will help me in our ongoing farm operations.

The last batch of census records are very useful and have already been distributed to my State & County census files as appropriate. These additions make a significant contribution to my ability to analyze and improve the documentation on various parts of the Upchurch family.

Starting Monday I go to rehab 1-3 PM on M, W, F. I'll be in touch soon about a trip to Columbia to visit.

Sincerely yours
Phil Upchurch

Hello Phil,

We regret to hear of your illness, but are glad that it is a "routine" matter which will have a quick recovery. We will look forward to seeing you next month. Afternoons after 2:00 will continue to be mostly free. We are thinking, however, of making a quick trip to Fort Wayne during the first part of Thanksgiving week.

Otherwise we will plug away at the census - will shortly send you a review of NC 1900 which likely duplicates much of what you have. This will complete a full census through that year. We will then start on 1910.

Best wishes

Charles

Hello Phil,

Here is the first part of the 1900 census survey. The rest is North Carolina where, of course, the Upchurches were still concentrated. It will take awhile to finish 1900, then onto 1910, etc.

[Note: As of 31 OCT 2003 all of the attachments have been copied and placed in RPA census files — RPA]

The enclosed Soils text book is the best we can come up with at the moment - a gift from a colleague.

Charles

OS. The list shows what I have surveyed - I have indices to all the Upchurches in 1910-1930, but now need to check each entry.
