Dear Cousin Emogene,

I have just finished processing your letters of 15 SEP 1991 and 16 SEP 1991 and want to thank you for them and all the details enclosed. We are making great progress.

Possibly you have just returned from your trip to KY. I am sure it was exciting and that you brought back much new information. I will look forward to hearing about it.

Enclosed is a list of questions of what is still missing in the family of Nathaniel (Nathan) (Morgan) Stephens. Anything you have or can get will be appreciated.

I can't fit Bert Upchurch ^{4 JUL 1877} - ^{12 MAR 1904} (Pine Knot Cem) in anywhere. My Upchurch KY census extract for 1880 is supposed to be complete and he should be on it at age 3 yrs ± but is not. Another source I have shows a Andrew Callum U 1849-9 JAN 1909 on the Pine Knot Cem. Do you have him there. Again I can't fit him in anywhere. He should be on

my 1850 census extract for KY which is supposed to be complete but he is not there. He should be 1 yr old in 1850. Best would be the right age to be a son of Andrew Callum H. wish we could solve this riddle. (I have just checked my TN records and can't spot the two there either).

I am pressed now to get on with preparing VB Vol 12 #4 so must put all aside for that project. Please let me know if you have any special questions.

Sincerely yours
Phil Upchurch

Dear Cousin Phi:

Thank you for the material you sent me and the bulletins, I am enjoying the bulletins very much. I know Eugene will be pleased to see them also. I will put the copies you sent in the libraries is allowed to. I plan to leave here the 22nd of this month and hope to visit Wayne county courthouse, the cemeteries and also go to Fentress county, Tenn. If I am lucky enough to find any court records or graves you can rest assured I will ^{send} you copies of any thing I find.

I am sending you a copy of the 1900 census of Whitley county, Ky. where I think I found Malinda and her son, Richard. Also a copy of the McCreary county cemetery record in Pine Knot, Ky. where I believe Malinda and Richard to be buried. Hope to find the grave when I get down there, that is the same cemetery my father is buried in. I wonder who Bert Upchurch is. My grandfather filled out that marriage certificate and I wonder if he didn't get the name wrong. I can't find Bert in the census records. I believe Richard is ours though because I have heard Mother speak of the Dupee's but did not know the connection.

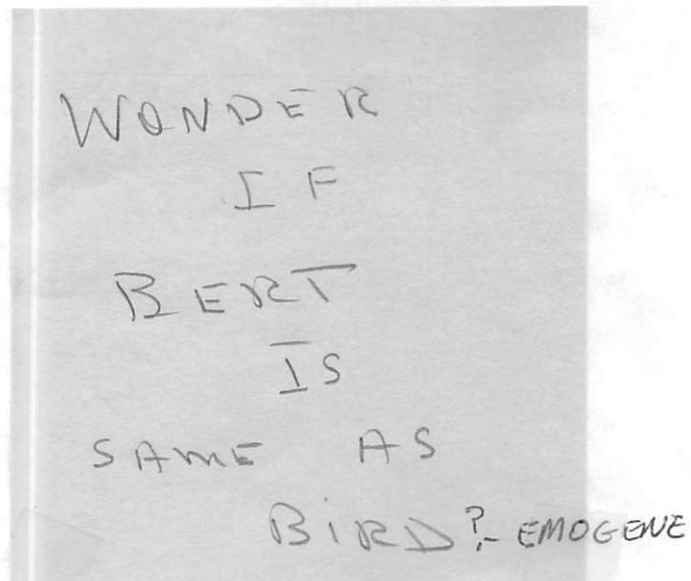

Hope you have a nice trip to Mo. and a lovely wedding. I will be in Kentucky all the month of October, will contact you when I get back.

Thanks again.

Sincerely,

Emogene

Dear Phil:

After I mailed your information to-day I realized I had not answered any of the questions you asked. So I have filled out family history sheets on the family as far as I can go.

My step father's middle name was Ellis, he was born 22 Dec. 1897

→ [JOSEPH ELLIS SNIDER]

in Taylorsville, Ky, Spencer county. He died in Louisville and is buried beside Mother in Memorial Gardens. I'm sorry I don't have the month or date he died. I can find out for you while I am in Louisville, his daughter lives there and I will visit ^{her} while there. I will be in Louisville Oct. 4th for a nursing alumni banquet.

Thankfully all the children and grandchildren are living with the exception of Charleen.

Sorry to be so forgetful.

Sincerely,

Emma Gene

Dear Phil:

Thank you for the bulletins and your prompt reply. I am enclosing a check for the balance of my subscription. Sorry to take so long but I was in Dallas visiting my daughter when your letter arrived.

You are probably correct about my branch of the Upchurch family.

I know very little about the family, Mother always said her grandfather died when my grandmother (Nancy) was very young. She also said her grandmother was named Malinda Byers, yet she could not remember that when she gave information for my grandmother's death certificate. The only proof I have is Nancy's wedding certificate. Since there is no 1890 Federal census my grandmother is not listed until the 1900 census after she was married. I need to check and see if by chance Whitley county had a county census for 1890 as some counties did.

The 1860 census of Wayne county, Ky. lists Archibald as son of

Silas and Olive Morgan's book lists Silas as a son of Buckner. I have her book on microfilm on loan at the LDS Library in Winter Haven but haven't read much of it because I thought it was the wrong branch of the family for me. Enclosing information in 1870 and 1880 census of Archibald's family. Have not found 1900 census on Malinda. Mother said grandmother said she was born in Albany, Ky. which is now Clinton county, Ky. but her marriage record states Wayne county, Ky.

Last summer I found an Upchurch Chapel and cemetery in Jamestown, Tenn. Of course I was not familiar with any names. I only started researching the Upchurches last summer and had only one day in Monticello (Wayne county) and Williamsburg (Whitley county) where I found the marriage record. I am returning to Ky. in Oct. and will visit Whitley and Wayne counties again (for a longer time) and try to go to Fentress county, Tenn. (Jamestown) courthouse.

Enclosing family group sheets for Wm. Lewis Morgan and Nancy, also my own family. We saw our grandparents only about once a year since we lived in another town and I never thought to ask questions about the family. Grandmother died at our house in Louisville but I was in nurses training at the time and not at home.

It's very hard to do research here in Fla. for Ky. but I will go to Bartow Historical Library and try to find more census records. That is as soon as I get my new glasses, like you I recently had cataract surgery and an implant.

I can't afford all your past bulletins but I will be interested in some of those that pertain to my branch when I find where I belong and I probably will have to depend on you for help. I am strictly an amateur, but I have been researching my Ball and Brasseur lines (my father's line) and have been very successful with them. I have a cousin, Eugene Morgan (Lawrence's son) who is also very interested in the Upchurch clan. He lives in Whitley City, Ky. (McCreary county), but last summer he didn't know any more about them than I did.

Thank you again and I will appreciate any information you can share with me. Hope to hear from you again soon.

Sincerely yours.

Ermine [MRS ROBERT PEARSON]

P.S. Please excuse typing I am not a very good typist but I have had Carpal Tunnel surgery and my handwriting is very poor.

Dear Sir:

I found the Upchurch Bulletin advertisement in the Dallas, Texas Library. I wish to subscribe to the bulletin, since this is an old order blank please advise if the price has changed.

Believe my family would be of the Moccasin Creek Branch. My grandmother was Nancyana Upchurch Morgan of Wayne County, Kentucky. She was the daughter of Archibald Upchurch and ? Malinda Byers, born in 1881 not listed in census records because she married at age fourteen and listed first by married name. Archibald Upchurch had five sons, Silas, Buckner, Richard II, James I, Richard I, and Michael. I would be interested in some past bulletins if they pertain to this branch. Please advise.

Thank you.

Respectfully,

Emogene S. Pearson

Dear Cousin Emogene!

I am so pleased to have your letter of 10 JUL 91 concerning your interest in your Upchurch heritage and look forward to exchanging information with you. Details on the Upchurch Bulletin are enclosed. The 1991 subscription is \$15.00. We have sent you issues 1 & 2 for 1991 & the other two issues will be sent as they appear. There is a lot of information about the Upchurch of May 10, 1847 and I do hope you will purchase the back issues. I can suggest particular years for you to purchase first if you want to get only certain years first.

Based on the information you sent me you are of the George Upchurch Clan and of the George U/shadrock U subclan. You thus belong to what I call the Brunswick Branch and not to the Moccasin Creek Branch.

I am sending you herewith a copy of the master outline sheet for your ancestor Archibald U. You will note that I do not have your GM Nancyana U on this list. In fact, there is already entered a child, Floyd U, b 1881 which may present a problem in that you say Nancyana was also b 1881. Do you have any more information to show that my master outline is correct/incorrect. Any correction or improvement will be appreciated. Also, do you have more reason to believe that Nancyana should be listed as a child of Archibald U (XFO-291)? Nancyana would make an 8th child for Archibald U. Do you think he had only 8 children?

Could you send me any information you have collected on Nancyana (U) Morgan. I collect dates of birth, marriage & death and place of birth, marriage, death & burial and full names (full maiden names for females). Also I am always happy to have other interesting details about family members. Anything you can send will be appreciated.

Over the year I have collected and published a great deal of information about the George U. Clark. I have several correspondents who are descendants of his and more such correspondents, such as yourself, are added from time to time. There is still a great deal more information to be uncovered.

Don't forget to send me your full line and such details as you have. I assume you are descended from Nancyana through one of her daughters who married a Stephen.

In addition to the information you will obtain from the Upchurch Bulletin (U.B.), I will be happy to share other information as we go along. It is great to have you as a participant in our Upchurch Heritage Program, and I look forward to working with you.

Sincerely yours
Phil Upchurch
