

records one more time to see if the father of this Benjamin U could be identified. I am not comfortable with anything yet and have made a note to create a "Missing Link" for this connection in a future U.B. The lead fit is that this Benjamin U was a son of Richard U, II, the 4th generation U who settled in the Mehasin Creek Area of present day Franklin Co, NC. - However, some items indicate that Benjamin son of Richard U, II, died before 1820 - but then maybe he did not. It is a puzzle and deserves more study - Thanks for stimulating me to think.

Re address for Billie Jean TABER. I have received only one letter from her and that arrived 13 FEB 1996. At that time she subscribed to the U.B. My original letter to her was addressed to Mrs Jean Taber, HC 71 Box 407, Ana, MO 65608 (Perhaps that is the address you need). Her 13 FEB 96 letter provided a new address: RR 1, Box 633, Ana, MO 65608-9749. My letters to her of 20 FEB 1996 & 4 JUN 1996 have gone unreturned (so far) but they have not been returned by the PO nor have the 3 issues of the U.B. mailed to her this year been returned. -

Pauline, I am pleased to know that we can look forward to more exchanges in the future. You know that I am happy to share. My correspondence is triggered primarily by incoming letters. So if I don't get a letter from you in 6 months or so I am not smart enough to figure out that I should write - but sometimes it comes to me end of the line that I should write to a given person. Perhaps you can monitor the appearance of new XI's and if you see George W. Mason's subcommittee that interest you you can prod me to learn more the new information surfaced.

We have a George W descendant member in Australia for 6 months. She has promised to come to see me this fall when they return. Someday I must go to Wayne Co, KY!

Thank you for your continued interest in our shared heritage.

Sincerely yours
Phil Upchurch

Dear Cousin Pauline,

Thanks for your letter of 22 JUL 1996 and for all the details. They have now been extracted and properly recorded. The Master outline for the George W. Moore II Master outline continues to be improved. Let me know if you need an updated copy of this outline or any part of it.

You asked about the death date for Miles (Miles) Pruett (XID-380) My source is a copy of a letter from Billie Jean (Pruett) Taylor to Nell Leatrice Marie Haynes which I received on 12 JAN 1996, copy enclosed.

Please send me details you offered as follows:

- Details on children of Blanche Pruett & Herbert Denny (Does this family use DENNY and not DENNEY?)
- Details on children of Ida Inez Pruett & Isaac Graham
- Details on children of Ellen Eldem Pruett & Frank David Yisley
- Details on children of John A. Pruett (XID-39071)

Re your letter of 22 JUL 1996

- you show Ruby Cole md Willie Mitchell and had a daughter Eula Cole who md Albert Dunnegan. I assume this is a misprint and the daughter's name was Eula Mitchell not Eula Cole. - right?
- you show that Clark Cole (XFB-1849) had a son OBRA b 1905. I show Obra as a sibling of Clark which I think is correct based on the ages of birth - right?

It is great that you have a copy of "History of Douglas County, MO". Thanks for the report on the contents. I have made a note for my geographical file that this book exists.

I will appreciate any additional input you have on the extended Upchurch Family and you know I will be happy to share anything I have

P.S. Have the children of John A Privett XID 39071 if you want

The farm project is great! However, I have to keep manufacturing reasons to convince Sallaine this is a good undertaking. The project is now up to 1600 acres and we presently have 1200 acres of crops in the ground (corn/soybeans). Pray for rain!! Since I last wrote I have bought a 145 Horsepower tractor, a 22' disk and a 15' Bushhog (mower). They get delivered on 25 JUL. I can't wait!

I really plan to rely on my new man Tom to take care of the new farm. I'll stay engaged enough to know what is going on and to make major decisions - and to get some exercise.

Sallaine says I am acting like a 30 year old - That's not all bad.

Re your Iran experience - I had responsibility for an Agricultural Program in Yemen 1978-1981 and traveled there many times. It was a great experience.

All the best!

Sincerely yours

Dear Cousin Phil - ^{REC'D 5 JUL 1996}
As always thanks for the info - I
never dreamed I would find so much
on Upchurches. Let us not appreciate
all the work you have done but I
certainly do. Do you plan an Upchurch
book?

There is a new book out - Douglas Co. MO.
History: A cousin called and was filling
me in on it. I called to order one - if
I find anything you might be interested
in I will pass it along. You can be
sure I will keep you updated on deaths
births & marriages that I know about.

As for the Martin your Aunt married
there are zillion of Martins & not all related
I have not had a lot of luck on my
Martins - I have them back to Hall Co., Ga
& oral history has it they moved to 18 miles
S.E. of Atlanta, Ga just in time for Sherman
to burn them out - They walked to
Tusculoosa, AL - older children worked in
cotton mills - Grandpa tried out to keep
move Indians west - they then bought
mules & wagons & headed for Texas. Arrived
in Hardanelle, Ar & women folks talked
him into staying. Later some did go on to
Tex & Okla & even to La but most stayed
in Ar.

It states that William J & Margaret "Peggy" Brown
(XID 296) mar. 18 Mar 1851 in Wayne Co. - so there

(2)
A marriage license are just from a
marriage list? What or who was your source?
You bought a what!!! you are going
to farm ??? I'm with your wife - I
believe you have gone off the deep end.
Farming is a really expensive hobby.
We had a farm one time but we just bought
it to build on - we were living in Iran
at the time & we were living behind 10'
walls and jammed together and my husband
was determined he would have breathing
space when he came back home. We
rented it for years & finally sold it in '94.
It was more trouble than it was worth.
I will have enough info to keep
me busy for a while. I'm afraid I
am developing Carpal tunnel syndrome
from so much typing.

Best regards

Pauline

P.S. If it is not too much trouble I would
love the bios on all George's children - it
makes them come alive for me.

continue to make a lot of progress.

To fulfill your request re the children of George U I found it easiest to simply copy the first sheet of the Master outline for each child and they are enclosed. In the case of Themas U (XFD-140) I provide his Biopile since there is no Master outline for him. Let me know if you want copies of the Biopiles for all of the children & spouses. The Biopiles provide some additional bits of information and also provide my sources (such as census records, cooperation names, etc)

Also provided is a fresh copy of the Master outline for the Milour Puett Family (Continuations Section 34 A-F. I have not provided a list of questions on what is missing since you can see that by inspection. Also, you indicate you have provided all you have. I am most grateful for your help and other individuals who become interested in this line will also benefit from your input and that of others. It is perhaps too much to expect that those who come later will fully appreciate the great amount of time and resources expended to get documentation up to this point

If you spot any error in our documentation or if ^(written) new things happen (births, marriages, deaths) I would appreciate an update. Just a note now and then would be fine.

I am always appreciative of clippings from publications about Upchurch Family matters.

Also, if it ever develops that you learn of someone I should contact please let me know

By-the-way one of my Aunts married a Martin I suppose the Martin Family is so large that there is a slight chance that my Martin is a part of your Martin Family.

I am like an excited kid today as yesterday we finalized a contract to buy a 278 acre farm. I will farm this myself (with some hired help) and sell off some 10 acre lots from the wooded portion. This means I need a tractor, picking truck, do-more hay toys. My wife thinks I have gone off the deep end!

With All Best Regards.

Sincerely yours
Phil Upchurch

Dear Phil,

Thats for all the info. I am returning the questions and have answered all that I can. I am the only one in my family who is interested in roots and some of the family are just not interested to the point they refuse to answer questions--even when I send a sase !! I have met some really nice people though so it has been worthwhile. Met a cousin on maternal side who has been just great, in fact it is through her I "met" Vernon Nelson and thus on to you.

I think I have almost all the info I want on the Upchurch's. I would like to have George U XID 137 and Rachel Bathshares XID 145 children.

Lydia XID 138
Shadrack XID 139
Thomas XID 140
Moses XID 141- I have his family
Rachel XID 142
John VI XID 143
Joseph XID 144.

Where & when born , where and when died. Who they Married & when. I will still be interested in the bulletin and reading the news.

I have been doing roots about 5 years now- both sides and am just now going to my first genealogy lecture June 18 and I am real excited. I will probably find out I have been doing every thing wrong but hey, you can't argue with success can you? I"LL let you know how it turns out. I hope its not a recruitment ploy of DAR. I' not much of a joiner anymore.

Thanks again cousin,

However, I did expect to find William and possibly Louisa (age 9) and James A (age 6) on the 1860 census. None were found. Maybe William left the county after the marriage broke up. Maybe Louisa & James A were immersed in the Ransome Edwards home. I believe I found nothing helpful on the 1870 or 1880 Wayne Co, KY census. My records are supposed to be complete for Upchurch families but something could have been missed. I wonder if some of the family made their way to Missouri?

Enclosed is a copy of my 2 Item 1 Page profile on William J. U (XFD-285). Reference 29 is the Morgan Upchurch book. I can send you a copy of page 75 if you so desire.

Your letter included a list of 11 generations starting with Michael U, I and ending with you and you asked if this is correct. The answer is yes (you should not have missed out XFD-149 Richard U). Enclosed is a copy of my rough 11" x 17" chart showing the early Upchurch generations. I have highlighted your line and mine. your Michael U, III and my Richard U, II were brothers. Gilbert U was my greatgrandfather.

I have now reworked the Swanda U line in the George U / Mary U Swanda and provide herewith a copy. This includes Swanda, her children and grand children. Also enclosed is a copy of continuation

Section 34 covering the descendants of Milour Bennett, one of the grandchildren of Louisa H.

Pauline, I am not sure how much deeper you are prepared to dig into family history. Please don't feel pressed by the many pages I am sending. However, I always have hopes that more details can somehow appear. They are not all critical. Still, one tries for perfection. Maybe you will know of others who might be able/willing to help. Please let me know if you want me to write to someone. With this preamble, I provide the following sets of questions:

- Re George Washington Bennett & his children
- Three related sets on the children of Milour Bennett
 - For Lena Mae Ellen (Bennett) Martin
 - For John Arthur Bennett, Sr
 - For his other (5) children

Any answer you have or can get will be appreciated. Perhaps you can farm some of these lists out or come up with an address of someone you or I could write.

I know you and your family will be pleased with your book of "roots". The pictures will add a great touch. Your family is fortunate to have you undertake this project.

with your graduation to the electric typewriter
 you are way ahead of me in technology.
 We now have two computers but I rely on
 my wife to make them do something.
 I have in mind linking up to the world
 electronically - hopefully sometime this year.
 We'll see.

I am sure you must be busy with your
 family in a variety of ways. In our case
 it seems the unlubricated cord was replaced
 with a telephone cord. We are in constant
 communication. The three kids (ages 36, 39, 42)
 and the 7 grandkids seem to need reinforcement
 even though they are really doing OK on their
 own.

Our daughter, who lives in Nevada, arrives Saturday
 with her 3 kids to spend two weeks. We are
 looking forward to it - but may need time
 to recuperate after they leave.

with appreciation.

Sincerely yours
 Phil Upchurch

REC'D
31 MAY 1996

Dear Phillip,

Thanks so much for all the info. Now its a matter of getting it together on family sheets. I do not have a computer, just recently graduated to an electric typewriter. My son has offered to put all the "roots" on computerbut I know my son and I doubt he would ever get "round tuit". I am making all of them a book of roots with pictures. I have been incredibly lucky., some cousins of my husband had already researched his mother and other cousins had his Dad. And of course I have met cousins galore researching my side.

We lived overseas for nearly 20 years., Iran, Venezuela, Holland & Scotland. Oh yes, lived in south Louisiana, believe in the 50's it was like living in a whole nother country. My husband worked for an oil company. Oil must be in the blood, Brendas husband works for Conocooil, Kenneth works for Baker Tools, Mary worked for 12 years as a landman and Pat's husband works for Placid Oil. Except for Brenda we live within 100 miles of each other. Haven't figured out why we retired here, we are 30 miles from the nearest Wal Mart.

I hope the info I am sending will help fill in some vacant spots for you.

With Thanks
Pauline

His first wife was Charlene Warren- no children.

His 2nd wife was Katherine Jane Cooksey. She was b. 17 Sept ? at Monroe, Ouachita parish, LA. They had 2 daughters. Marissa Jane B. 14 Dec 1980 at Monroe, Ouachita parish, LA. Chelsa Mae B. 2 June 1982 at Monroe, Ouachita parish, LA.

She married Jimmie W. Davis, Jr (son of Gov. Jimmie Davis) on Dec 23.

1975. at Newellton, Tensas parish, LA. He was b. 25 Nov 1943 Baton Rouge, LA.

She married Rubin Glen Huff 16 Sept 1985 at Tyler, Texas, Where and when

Mary has one child, Daniel Cajg. Cajg is a combination of his 2 grandfathers initials,

5 For Patricia Jean Redd: 39640 X1D

Married 24 Jul 1976 at Newellton, Tensas parish, LA.

Married Lowell Roger Dobbs, Jr. He was born 11 Oct, 1952 at Jena, LaSalle parish, LA.

They had 2 children. Both were born in Alexandria, Rapides parish, LA.

Brenda now resides in Midland, TX, Kenneth and Patricia in Jena, LA and Mary in West Monroe, La. All my daughters are teachers. Brenda has not taught since early in her marriage. Mary took off from teaching for 12 years and was a land man working mostly in east Texas. After birth of her son she went back to teaching. To supplement teaching salary she is working as a landman for the summer. Patricia was Jr. Varsity coach and she is retiring after this year, has 20 years in and is burned out. Kenneth went to college but he majored in fun and games until we stop the money, he is now a directional driller and makes a good living at it. He has custody of his girls.

Now a question for you - Where did you find that Leicisa Jane Prineet was an upchurch? I believe that the letter from Billie Jean Prineet to RPU dated 13 Feb 1996 is probably correct.

found a portion of the 24 Page Master outline but for the sake of completeness I have repeated that section in the enclosed item. I can send you copies ^{any} of the other continuation sections that interest you. One time I can continue to send items of one sort or another.

Presumably the 5 children of Samuel Pruet who married the 5 children of Moses U (XID-141) would appear on the 24 Page Master outline. You can inspect the document and see how far we have progressed in identifying the fine couples - obviously more work needs to be done.

Details you requested on the children of XID-393 appear on the 24 Page Master outline.

As regards the wife of George Washington Pruet (XID-397) I enclose herewith my 3 Page 7 Item Profile on Louisa Jane U (XID-39156). [Note that the items are not necessarily in order]. You can see that there has been some uncertainty. However, I am currently accepting the logic of entry No 5.

This gives a reasonable explanation as to how Louisa might have been born as an Upshur but might have later gone by the last name of Brown. Perhaps more information bearing on this situation can be gathered.

Note that this now places you also as a member of the William J. U line in the George U / Sibas U subclan.

I realize this may not give you all of the information you need but lets keep taking it a step at the time.

If you have any corrections / additions for any of the enclosure, I would be most pleased to have them. Enclosed is a set of questions on what is missing on your family. I would appreciate any answers you have or can get.

The Swanda Jane U mentioned in your 15 APR 96 letter at Pall Mall, TN is of the George U / Joseph A U subclan - Thomas Washington U line. It was my pleasure to visit Pall Mall, TN last June

for the first time. There are many Upchurches
buried in this cemetery.

Re your comments about the English
side of things - we have an exciting
development in the works which will
be fully explained when you get the next
issue of the UB in 2-3 weeks.

Please let me know if you have any
special ideas on how we can work
together or if you have any special questions
about your Upchurch heritage.

Sincerely yours
☺ Phil Upchurch

[ROBERT PHILIP UPCHURCH]

told us several exchanges to become satisfied that we have the maximum agreement on the important aspects of the Uphurch lineage.

As a start from my end it is quite clear that you are of the George U Clan and that you descend from his son Moses U and thus belong to the George U / Moses U subclan. Further you are descended from Founda U the daughter of Moses U and thus are of the Founda U line in the George U / Moses U subclan. We are told that five of the children of Moses U and five Bennett siblings.

Provided herewith is a copy of my four page Master outline concerning Founda (U) Bennett and her children and grandchildren. The descendants of her grandchildren (if such descendants are known) are covered in continuation section as shown by the numbers on the left hand side of the page. I can send copies of

these continuation sections later if you so desire.

It is of interest to compare your list of the children of George Washington Prunett with mine. They agree in many important respects - however there are some differences that need to be resolved as follows:

1. For child #5 you show SILLIAS (SILAS?) b 1874 (KY) and I show SYLOUS (SILAS) b 26 DEC 1873 married FLOY - -. The problem here is about "FLOY - -" since you show child #9 as married to "FLOY". I suspect your records are correct and mine are wrong (that is child #5 did not marry a "FLOY") - but we need to deal with that. Note that I do not have a record of any descendant of child #5.

2. For child #9 you show Milour Prunett b 14 JUN 1887 & AUG 1900 married Floy Elmer Ball. I show Miles Prunett b 14 JUN 1882 & abt 1910.

Note the difference in birth dates. In a second place you show Milour Prunett as born 14 JUN 1881 which is closer to my date and in any case allows us to place

him as child #9 (which a birth date of 1887 would not)

Is it your firm conviction that we can proceed on the basis that the 7 people on your chart No4 (Lena → Father) are children of child #9 of George Washington Bennett? It looks that way to me.

Back to George Washington Bennett - I show him as married to Louisa Jane Upchurch whereas you show him as married to Louisa J. Edwards. We need to resolve this if possible. I note that the 3rd paragraph of your letter of 25 MAR 96 postulated that Louisa is the daughter of Ravson Edwards and Margaret Brown. I'll have to dig out more of my records to see what I can contribute to this issue.

I am delighted to have you as a cooperator and look forward to our future exchanges.

Sincerely yours
Phil Upchurch

see how our records match up and start

not get everything done in one exchange.

It would be nice if you subscribed to

Dear Phillip,

Sorry it has taken me some time to get back to you. It was a lot of material to have to digest plus I have had company. My daughter from Midland, Tx was home for a visit and naturally all the bro and sisters had to get together. We had a great time.

George Washington Privett and Louisa Jane family.

Child # 5 Sillias (Silas). I took most of my ages from the census therefore they are only approximate dates.. Silas may have married a Floy but I do know-

Child # 9 Milis/milas/myleous Privett married Floy Elmira Ball 3 Nov 1900,

I have the marriage license. (They are my maternal grand parents.) His name was spelled Milous. Milous was born 14 June 1882 in Douglas Co. MO and died August 1913 in Douglas Co. MO., buried in Ava, MO cemetery. Floy was barely

pregnant when Milous died. Floy took the family to AR after Milous died. Lena (my mother) through Luther are their children. The info on this family came from my mother Lena as well as marriage license, gravestones and other family members.

As for Geo Privett's wife Louisa Jane being an Edwards, this is only guesswork on my part and is usually followed by ?. How did you learn she was an Upchurch? You stated that 5 Privetts & Upchurchs married. I would like the particulars of those please. In fact I would like anything you have on Geo. & Louisa Jane.

In U bulletin Vol 17 , number 1 Jan 1996 there are 3 Privetts listed as being the son & daug of XID no. 393 but I do not have the number back that early. My earliest number is 34801.

[OF GEORGE W/JOSEPH A U SUBCLAN-TNOMAS WASHINGTON U LINE]

I have a listing of an Upchurch cem. in Pall Mall, TN.. The only U. listed is Lucinda Jane U. Crabtree b. 30 Aug 1856 D. 4 Nov 1946. She was the daughter of Tommy Upchurch & Sarah Ann Evans.

You say I am decended from George/Moses. I have nothing on them, nor Lucinda for that matter. My info is on the Privetts mostly. If the entire list of Upchurch family ever becomes avaiable please let me know.

I would really like to pin down the parents of Louisa Jane, wife of George Privett.

Thanks for the bulletins, I have enjoyed reading them and am sure my children will also. I have copies of letters on my husbands side that were written in 1870's and they give prices of farm products that I found interesting.

Will be waiting to hear from you.

P.S. Was Lucinda's parents
Moses b. 1790 - N.C
Catherine b. 1795 - VA ?

Dear Mr. Nelson,

Norma Tarbutton, a cousin, gave me your name as a source for Upchurches. I am searching for information on Lucinda Upchurch Privett. Lucinda was born ca 1826 in KY. probably Wayne Co. On 19 September 1844 she married Milis Privett in Wayne Co., KY.

I believe her to be the daughter of Moses Upchurch and Catherine -----? Moses was born ca 1790 in NC. Catherine ca 1795 in VA. They had a son John who migrated to Douglas Co. MO. about the same time as Geo. Washington Privett, son of Milis and Lucinda.

George Washington Privett is my great grandfather (maternal).

I would appreciate any information you have on Lucinda Upchurch.

Many thanks,

Dear Phillip,

It was such a happy, happy surprise to find another cousin, I found two the same day.

I am sending you my maternal line family sheets. I have marked in red my family. I have a little info on other family members but not a lot. On chart 4 I have info on Floy Elmira Ball. I have limited info on Balls but a lot on the Elliotts.

I am interested in finding Lucinda Upchurch Privett's parents. I would like to verify that Louisa Jane Privett was the daughter of Ranson Edwards and Margaret Brown.

I am enclosing a check for fifty dollars, first for a subscription to the UPCHURCH BULLETIN and the rest is for issues of the bulletin with these letters from Michael. I wish I had been interested in family history when I lived in Scotland. I could have done a lot of at the source research. I have only been searching for about 4 years. It has been a lot of fun and have met so many nice people who are willing to help.

Looking forward to hearing from you and learning more about you as well as our mutual kin.

Sincerely yours,

Dear Phyllis

Mrs. C. A. Redd

Newellton, LA 71357-9700

paid
29 MAR 1996

After I mailed all the "stuff" this am. I remembered I had not told you where Newellton is. It is a Mississippi river parish. of course you know we are the only state that has parishes instead of counties - early Catholic influence. Any way - find Vicksburg, Ms on the map - go south until you are halfway to Natchez, Ms & there we are across the river in La. We are 26 miles from Tallulah, LA and I 20 (South). We live about 5 miles N of Northeast La Experiment Station. We grow mostly cotton and soy beans but corn is making a come back. A little maize, sorghum, and rice but mostly we grow welfare recipients.

We live on a beautiful OX bow lake - neither of us fish. Our house is across highway from the lake but we have a lot on the lake across from us. Its quiet in the winter but come summer its crowded. We are always glad to see Labor Day - selfish I know but I like my peace and quiet. Sometimes I do wonder why we chose to retire here because its definitely the sticks, home I guess.

Now you know where Newellton is.

Sincerely

Pauline
