Dear Mrs Spann

From the enclosed materials you will note my keen interest in Upchurch family history. Currently I am trying to locate the site of land occupied by the Upchurch in the Massasin Creek Area of Franklin Co, NC during the period 1755-1855. My ancestor Richard Upchurch, II was the first to arrive in the area. I am generally aware of your Phillips heritage and know that members of the Upchurch and Phillips families intermarried and presume that you and I are distant relatives. Both Edythe Tippet and Joe Elmore have suggested that I write to you at one time or another.

Could you drop me a note indicating any Phillips-Upchurch connections of interest?

you are aware? This will help me get more parts of the puzzle together.

I understand that you have a sister who delves into family history. If you would give me her address I will be happy to write to her.

I was born and raised in Wake Co, NC and was a Professor of Agriculture at N.C. State University from 1953-1965. From 1965-1975 I was with the Monsanto Company in St Louis Missouri. Since 1975 I have been with the College of Agriculture at the University of Arizona here in Tucson, Arizona.

It would be a pleasure to hear from you.

Sincerely yours
Phil Upchurch

Dear Darnell,

Your letter of 21 AUG 1991 was of great help to me and I really appreciate your response. Also thank you for passing my letter on to your sister. I hope to hear from her.

Enclosed is a single sheet showing part

of the children of Ambrose A. Ypurch. His daughter Agnes Ann Ypurch was the 2nd wife of your

GF Lemir B. Phillips. On my visits to the Zebulon

area in the 1970's I established that Ambrose A.

Ypurch lived just west of Pilot on Highway 64 (old) and that his house was on the south side

of the road and his family graveyard was on

the north side of the road. My records show that a Lemir Phillips was buried in this graveyard.

I assume this was your Grandfather Lemir B.

Phillips. Am I correct? In the 1950's and 1960's

I passed this site hundreds of times without knowing it had significance for my Upchurch heritage. While at N.C. State I traveled often to the experiment stations at Rocky Mount, Plymouth & Seawater. Also my super folder lived at Mameyer (The Herbert sledge).

I am anxious to improve my outline on Agnes Ann Upchurch. Do you know if she and Fenner Denton had just three children? Do you know any descendants of these three children? Did Agnes Ann Upchurch and Fenner B. Phillips have any children? Do you know if Agnes Ann Upchurch helped raise Fenner's children by his first wife or did Agnes and Fenner marry late in life when the children were pretty much grown? An answer to this will tell me whether the children of Fenner should be carried along as part of the broader set of records I maintain.

Do you know what the "B" in Fenner B. Phillips stood for? Do you know the father of his first wife Mary Perry?

By means of elimination I figured out that your father was William Iwan Phillips. If that is not correct, please let me know.

You and I have in common that our grandfathers both served in the Civil War. There are not many people alive today who can say that their grandfather served in that war.

Darnell, I realize you may not have answers to all the questions I have posed. Any little bits of information you can supply out of your memory will be appreciated. If you would rather I write to your sister on these matters I'll be glad to do so if you will give me her address.

With all best wishes.

Sincerely yours
Philip Murch

Dear Cousin Darnell,

Your letter of 11 DEC 1991 was most welcome and I thank you for all of the details you provided. These details have now been included in an updated master outline for the family of Ella Elizabeth (Green) Phillips and a copy is enclosed for your use. You can see we have made excellent progress. A list of items still missing is enclosed. I will be grateful for any answers you have or can get. I keep trying for perfection even tho we may never quite make it.

I am still unsure about the spelling of your middle name. Is it DOROTHY, DOROTHEA or DORTHEA? I want to get it right.

Note the enclosed obituary for James Barry Brannan. Is he the brother of the Henry Brannan who named your niece Patricia Ann Phillips?

Note two enclosed sheets on Winnie Frances Cone. Is the Winnie Frances Cone who named Kearney Punnett the same as the one who named your brother Despel?

Darnell, in appreciation for your cooperation I am sending herewith a copy of Issue No 4 of Volume 3 of The Upchurch Bulletin. This has a picture of your Greatgrandfather Ambrose A. Upchurch on page 127. Note that the Ambrose Upchurch described on page 147 is a different Ambrose Upchurch.

I have noted that you and Calvin will shortly move to Florida for your usual winter stay. I hope that the finds you both in good health and that you will have a merry Christmas and a wonderful 1992.

Sincerely yours
Phil Upchurch

Dear Mr. Upchurch,

Happy Easter season and a
Beautiful Spring Time

I want to express my
regrets for waiting so long
to write. During Nov. Dec. & Jan
I didn't feel up to writing,
and then I thought I'd wait
until I went back to N.C.

The winter has been mild
and we have stayed well.

My ^[AMBROSE A. U.] great grandfather Upchurch

↑ We ^{Franklin} was having a Sat. ² business meeting and Upchurch had broken a rule of the church. He stood up before the group and said "I'm sorry, sorry and I've always, always been sorry!!"

My mother told about her grandparents, she loved to visit them, eat and spend nights with them. A former slave cooked for her grandparents. The Upchurch's had a large vegetable and flower garden at the back of their home.

I have an evergreen shrub that came from a cutting

I haven't been able to

Dear Cousin Darnell,

Many thanks for your letter of 19 APR 1992 and for the details about your GGF Ambrose A. Uphurch. They have been listed in his Biofile and make a very nice item. Generations to come will see this brief notation on their ancestor and be pleased that we cared enough to record something of his very personal character. I also picked up from your letter that the middle initial of your GF Green was "D" [Hence Nathaniel D. Green]. I don't suppose you know what the "D" stood for?

My understanding is that your GGF Ambrose A. Uphurch married Harriet Pearce who was descended from Frances Uphurch, a daughter of Benjamin Uphurch. I wonder if your family ever handed

② down anything about the fact that your
GM Harvest (rose) Winkler was heavily
dependent from an Winkler? This sort of
detail is different to argue because
the journals are different to work.

Anytime you get any details on your
part of the journal I will be delighted to
have it and to make it a part of the
permanent record.

We ~~do~~ have had a ~~number~~ number
and some good rain - for a desert. The
negotiation looks good but
nothing compared to the lush green
you have in the east. You are lucky.

We don't have any plans to visit N.C.
at present but we will certainly come
that many in the course. My wife and
I have no money every year or so - and

like to get back every year or so - and
of course the N.C. landscape is a special
feat!

I hope your night look at N.C. goes
well and that you will have a great
summer. Do let me hear from you!

Dear Cousin Darnell

Your latest packet of information on your mother's family arrived 2 JAN 1992 and I have incorporated the details into an updated Mother outline a copy of which is enclosed. I want to thank you for your significant contribution to our family history. Also enclosed is a list of items still missing on this family. The list is getting shorter all the time. It is not critical to have all of these details but any that are available or can be obtained will be welcomed. The most significant missing items concern the descendants for Randal Lee Phillips. Perhaps you know someone you or I could write to obtain information on Randal's descendants.

Enclosed is a copy of my 8 page profile on your GGF Ambrose A. Upchurch. There is some duplication among the items but I thought you might enjoy scanning this document. Let me know if you have any facts or family stories to add about him. On page 8 I have a question

about Item 15 "S. G. DENTON". He is supposed to be a grandson of Ambrose A. Upchurch but I have no such grandson listed. Did you know this S. G. Denton who would have been born in 1877 and, according to this list, he registered to vote at age 31 in 1908.

I trust this finds you and Calvin in good health and enjoying your stay in Florida.

Sincerely yours
Phil Upchurch

Dear Phil,

- I'll attempt to answer some of your questions.
- yes, James Barry Brannan was
 - △ Dewey Brannan brother. Dewey married my niece Patricia Ann Phillips.

I've misplaced my birth certificate, but Dorothea was my middle name, but later I changed the spelling to Dorothy because I thought my mother had misspelled my name.

I appreciate greatgrand father's picture. Happy New Year! over.

Dear Cousin Darnell

On 20 SEP 91 letters arrived from you and your sister Wilma. Both letters contained a great deal of important information regarding our family history and I appreciate the details. Most of my spare time has been spent since the letters arrived extracting the details and placing them on the Master outline and in the various Biopiles. A great improvement has resulted and I hope we can keep up the progress.

A copy of my Master outline on Ambrose A. Upchurch and the continuation section on ^{Ella} Elizabeth Green is enclosed. I have also enclosed a list of missing details on your immediate family. Any answer you have or can get will be appreciated. I have sent Wilma questions on the other children of Ella Elizabeth (Green) Phillips.

Please let me know if you have any questions. I'll be glad to send you a sketch of how you and I are related if you so desire.

Sincerely yours,
Phil Upchurch
